On Checking Membership

Grand Council urges that all alumnae clubs make a careful check on new members coming to their clubs, by writing to Central Office where any doubt exists as to their status. There have been several cases where dismissed members who have not been reinstated have joined alumnae clubs and have enjoyed full membership privileges—and it is always within the limits of possibility that strangers might see the notice of a meeting and try to attend it, even if they have never been members at all! Membership in the national Fraternity and affiliation with its alumnae clubs is a privilege to be treasured and guarded.

Of Convention

Again Convention has come and gone, with all its interests and its pleasures—this time the largest ever in point of numbers, and one of the most enthusiastic. It was besides one of our best managed meetings, with everything running smoothly and graciously, under the management of the truly charming and capable general Committee—Virginia Brackett Green, Indiana Gamma, Guide, Mary Covert Prichard, Chairman of Registration, Indiana Alpha, and LaVonne Larrison Mannfeld, Indiana Gamma. Other chairmanships were assigned to the clubs of Delta Province and to Louisville, and too much could never be said in praise of all the fine work those chairmen did and the wonderful results of that work—they gave to all present a wonderful experience. And we look back on it, the keynote was friendliness of the kind that reaches out to everyone and makes everyone happy. So many features were of special interest, too—we can scarcely name them all! Dr. Smith's truly inspiring presentation of fraternity as he sees it—just the frank discussion we need most; Anne Guthrie's colorful picture of the United Nations; Gladys Nall telling us of Holt House and showing us pictures of it; Marian Simmons bringing close to us the past of Pi Beta Phi; Ruth Smith's Settlement School night, with its "Information Please," and the singing of the two children from Gatlinburg—all these were lovingly planned and beautifully given—and besides we had model pledging and initiation, with lovely Evelyn Enteman as our new sister, and last of all the brilliant banquet, thrilling with its display of the beauty of a thousand Pi Phis, in a setting of flowers and mirrors. The best thing of all during the whole Convention, we thought, was the fine part singing of Pi Phi songs, under the remarkable leadership of the National Music chairman, Dorothy Vale Durand. More than a word, too, should go with the thanks of the Editor of the ARROW to Ruth Wilson Cogshall and the staff of the *Convention Daily*—we liked their work so much that we print elsewhere in this issue Mrs. Cogshall's report following Convention, to give a picture of the joys and sorrows which the publication of the *Daily* always entails for those girls hidden away in their office who tell you all about what happens.

For all this, and much more, the Editor of the Arrow expresses her appreciation. The full story of Convention, with some of the fine pictures which were taken there, will appear in the December issue—watch for it.

Of Reports

This issue contains as always the entire text of all officers' reports, together with the minutes in full of Convention and of Grand Council meeting—it constitutes a full history of the working of the Fraternity during the period since the last Convention. It merits your very careful reading, if we are to make of Pi Beta Phi the exceptionally well-informed body of women we want it to be.

Welcome

Greetings go to our newest chapter, Tennessee Gamma, at the University of Tennessee, at Knoxville. They have made a fine start on their fraternity experience, with the attendance at Convention of several of their charming girls, and also of Peg Ward, Indiana Gamma, who had charge of their colony, and who will be with them again this year.

By the time this issue is in your hands, another new chapter will have been installed—Washington Gamma, at the College of Puget Sound, at Tacoma, Washington. To this group and to Tennessee Gamma, goes the warmest of welcomes from the Fraternity at large.

And while we are talking of welcomes, let's greet also the new alumnae clubs which have been added to the roll since the last Convention, and wish for them much happy work for Pi Beta Phi.

Pi Beta Phi Fellowship

For the year 1949-50 the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1949.

All material must be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Rushing—Again

Again comes time for rushing—we've said so much about it before that perhaps we need only to say now, please read, or read again, the editorial on page 350 of the May ARROW!

To all chapters and clubs at the beginning of another year, all good wishes for a happy and successful year.

Pi Beta Phi Alumnae Home

Chairman

MRS. ALFRED E. GIBSON
16501 SHAKER BOULEVARD
CLEVELAND 20, OHIO

DEAR FELLOW ALUMNÆ:

We bring you the important news that tentative plans for the Pi Beta Phi Alumnae Home, on which Mrs. Middleton and her committee have worked so faithfully these past two years, are about to take a more definite form. Alumnae delegates at Convention overwhelmingly approved the idea of the Home and expressed themselves as willing to work for its accomplishment. All responsibility, for plans, work and funds will be in the hands of the Alumnae and any one of us can feel that she may at some future time, be grateful for its shelter. No move will be made toward its actual construction, however, until sufficient funds are on hand to insure its being begun with dignity and carried through with sureness and satisfaction.

Pi Beta Phi has demonstrated what it can do by its long and outstanding record of generosity and co-operation at our Settlement School. The Alumnae Home will function directly with and for our own members and should give us a very close personal feeling of responsibility and sympathy.

The Cleveland Alumnae Clubs feel themselves greatly honored that Convention has intrusted to them, for the next two years, the planning for the Home and the raising of necessary funds. We cannot do it alone. All Pi Phis must pull together. We bespeak your support in money and ask for ideas for plans and construction. We shall keep you informed of developments.

Minutes of the Thirty-Sixth Biennial Convention

French Lick Springs Hotel, French Lick, Indiana,

June 27-July 2, 1948

THE Thirty-sixth Biennial Convention of Pi Beta Phi Fraternity was formally opened by the Grand President, Amy Burnham Onken, in the Convention Hall of the French Lick Springs Hotel, French Lick, Indiana, at three-thirty o'clock, the afternoon of June 27, 1948. Following the singing of the "Pi Beta Phi Anthem" the Grand President led the Convention in the Opening Ritual and the Grand Secretary gave the Invocation.

The familiar Memorial Service opened with a moment of silence and remembrance, followed by the singing of the "Memorial Hymn" by a quartet from Indiana Epsilon. Convention then heard the quartet sing "Speed Thee My Arrow" as it watched a young Pi Phi who stood in beautiful tableau—bringing to mind the long procession of Pi Beta Phi initiates, the privileges they have enjoyed, and the service and honor they have brought to their fraternity.

Miss Onken introduced Frances Evans Ives, Louisiana A, former Grand Secretary and Convention Guide in 1931, the honored guest of the 1948 convention. Helen Moore, Kansas B, and the Dean of Women at Kansas State College, and Virginia Reinecke Weaver, Illinois B-Δ and former Dean of Women of the University of Oklahoma, were introduced as the leaders of the special convention discussions. Anne Guthrie, Colorado B and California A, Foreign Secretary of the Y.W.C.A. and its consultant on the Economic and Social Council of the United Nations, was presented to convention by Miss Onken and introduced as the speaker for Tuesday evening, convention's first "Pi Phi Night."

All fraternity leaders present at convention were introduced, including the members of Grand Council, the National Historian and her Assistant, the National Supervisor of Accounting, the Director of Central Office, the Chairman of the Settlement School Committee and committee members present, the Chairman and the Treasurer of the Holt House Committee, the National Chairman of Music, the National Chairman of Chaperons, and the chairmen of the two special

committees who were to report to this convention—the one on Rushing Survey, and the other, on recommendations regarding a "Home for Pi Phis." The Province Presidents and the Province Vice-Presidents were then introduced. Miss Onken next presented to Convention the Convention Guide, Virginia Brackett Green, and her associates, La Vonne Larrison Mannfeld, Hospitality Chairman, and Mary Covert Prichard, Chairman of Registrations, and all other convention chairmen present at this session. Finally, the Grand President introduced the former officers and national chairmen present at convention.

Grand Council honored, as the pages for the opening of convention, representatives of the chapters holding the Stoolman Vase and the Philadelphia Cup during the past year. Miss Onken introduced as the pages—Margaret Foster, Kansas A and daughter of Margaret Armstrong Foster, Epsilon Province Vice-President, and Marilyn Moore, Kansas B.

The traditional demonstration of the accomplishments of Pi Beta Phi active members and chapters included recognition of membership in Φ B K, Φ K Φ, Mortar Board, *Who's Who in American Colleges and Universities*, Pi Phi presidents of W.S.G.A., of W.A.A., of A.W.S., and of Y.W.C.A., Pi Phi Editors, Pi Phi leads in campus plays, and all social honors. Scholarship recognition followed, with Oklahoma B, Wisconsin B, Missouri Γ, and Missouri B reporting outstanding records in holding first place positions in scholarship for successive terms or semesters. This part of the opening meeting of convention concluded with the recognition of mothers and daughters in attendance with Lolita Snell Prouty, the Grand Treasurer, holding first place as she introduced Evelyn Prouty Lewis, Caroline Prouty Shreve, and Jane Prouty Perella; and with the recognition of those with the highest record of attendance at conventions. Miss Onken holds the honors in this, having attended fourteen other conventions.

Following announcements, the opening meeting of convention adjourned.

 Thursday afternoon, 2 o'clock, Discussion: "The Fraternity Way of Life."

3 o'clock, Officers' Workshops

Friday morning, 10:30 o'clock, Extension.

In its pages for the opening business meeting, Grand Council was happy to honor the chapters holding the Balfour Cup in 1947-48. Miss Onken introduced as pages Pat Williams, Arkansas A, and Pat Young, Michigan B.

The briefing of the delegates, as requested in the Province Presidents' Conference in the summer of 1947, was done by the Grand President. This was followed by the instructions of the Nominating Committee Chairmen concerning the new preference sheets, announced as due Wednesday evening at 8 o'clock.

Special Convention Committees were appointed as follows:

Audience Award: Chairman, Mrs. James Gregory, Fayetteville; Mrs. Fred Darling, Rochester; Marcia Baty, Lawrence; Judy Hales, California Δ; Marie Mathes, Massachusetts B.

Chapter Exhibits: Chairman, Mrs. Everett Houghton, Oxford; Mrs. V. H. Dunkin, Portland; Mrs. Bob Good, Shelbyville; Janet Anderson, Decatur.

Resolutions: Chairman, Louise Rosser Kemp, Mu Province President; Margaret Brownell Humphrey, Beta Province President; Alberta A—Elizabeth Wiggins; Florida B—Patricia Dillard; Texas B—Mildred Ford.

Note: Frances Evans Ives was appointed chairman of the Committee on Chapter Exhibits when Margaret

Houghton did not arrive at Convention in time to do the work.

Reports of Officers began with the annual report of the Grand President which was accepted on motion of Epsilon Province Vice-President, seconded.

Alpha East Province Vice-President moved that the report of the Grand Vice-President be deferred to the Alumnae Session of Convention. The motion was seconded and carried.

Alpha East Province President moved that the report of the Grand Secretary not be read and that it be filed for publication in the September ARROW. Motion seconded and carried.

The report of the Grand Treasurer, a summary report to date since the fiscal year does not end until July 31, was read. This report was accepted on motion of Lambda Province President, seconded.

Delta Province President moved that the report of the ARROW Editor not be read and that it appear in the September ARROW. The motion was seconded and carried.

A motion was made by Mu Province President, seconded, that the report of the Director of Rushing and Pledge Training not be read and that it be filed for publication in the September ARROW. Motion carried.

Kappa Province Vice-President moved that the report of the Director of Alumnae Extension be deferred to the Alumnae Session of Convention. Motion seconded and carried.

The report of the Director of Central Office was read and accepted on motion of Arkansas A, seconded.

Missouri A moved that the report of the Counselor for Chapter House Corporations not be read and that it be filed for publication in the September ARROW. Motion seconded and carried.

Arkansas A moved that the report of the Supervisor of Chapter Accounting not be read and that it appear in the September issue of the ARROW. Motion seconded and carried.

The report of the National Historian was read and accepted on motion of Michigan B, seconded.

Oklahoma Beta moved that the report of the Chairman of the Settlement School Committee be deferred to the Alumnae Session of Convention. The motion was seconded and carried.

The report of the National Panhellenic Delegate was read and accepted on motion of Illinois II, seconded.

The report of the Chairman of the special committee on Rushing Survey was read and accepted on motion of Wisconsin A, seconded.

Following a brief recess, greetings were read from the Governor of Indiana and from K A Θ.

The next order of business was the consideration of the Recommendations of Grand Council to Convention. The following such recommendations were considered:

Virginia Γ moved that Constitution, Article VI, Section 1, be amended by adding a new "c" to read:

"The Province Presidents shall be elected by the active chapter delegates of the province concerned, the province officers of the province concerned, and the members of the Grand Council." The motion was seconded, carried, and the recommendation adopted.

Kappa Province President moved that this Convention authorize the presentation to the Convention of Grand Council's recommendations which involve changes in the Constitution but which have not been submitted sixty days in advance of the motion. Carried unanimously.

Missouri B moved that Constitution, Article VI, Section 1, a, be amended by striking out the word "Alumnae" between "of" and "Extension" so that it would read: "The officers of this Fraternity shall be: a Grand President, a Grand Vice-President, a Grand Secretary, a Grand Treasurer, an Editor of the ARROW, a Director of Rushing and Pledge Training, a Director of Extension, a Counselor for Chapter House Corporations, Province Presidents, Province Vice-Presidents, a Director of Central Office, a Supervisor of Chapter Accounting, a National Historian, and a Convention Guide." The motion, seconded, was carried and the recommendation adopted.

Kansas B moved that Grand Council's recommendation be adopted that the Director of Central Office be empowered to make subsequent changes in the name of the office (Director of Extension) in the Constitution and the Statutes, to conform to the above change in the Constitution and Statutes. The motion, seconded, was carried and the recommendation adopted.

Virginia A moved that the recommendation of Grand Council be adopted that Constitution, Article VI, Section 1, be amended by striking out "b" and inserting a new "b" to read: "The Grand President, the Grand Secretary, the Grand Treasurer, the Editor of the ARROW, the Director of Rushing and Pledge Training, and the National Historian shall be elected at each biennial convention by vote of the Convention." The motion, seconded, was carried and the recommendation adopted.

North Dakota A moved that the recommendation of Grand Council be adopted that Constitution, Article VIII, Section 2, be amended by inserting between "Guard" and "Mother" the words "Settlement School Guard" so that it would read: "Emblems. Emblems to be known as the Pledge Pin, Recognition Pin, Coat of Arms, Grand Council Guard, Province President Guard, Province Vice-President Guard, Settlement School Guard, Mother Pin, and Brother Pin, shall be as provided in the Statutes." The motion, seconded, was carried and the recommendation adopted.

Following announcements, the first business meeting of the Regular Session recessed.

The special order of the day for the Regular Session of Convention, Monday afternoon, June 28, 1948, was the discussion at 2 o'clock of "The Chapter and Its National Fraternity" led by Dean Helen Moore. At 3 o'clock, a discussion on "Training for Leadership" was led by Virginia Reinecke Weaver.

SECOND MEETING

CONVENTION convened in Regular Session at 9 o'clock, Tuesday morning, June 29, 1948, for its second business meeting. The Grand President, Amy Burnham Onken, called the meeting to order. The Grand Secretary read the minutes of the stenotypist for the Monday morning business meeting, which were approved as corrected.

The Grand President introduced Agnes Wright Stone,

Iowa A; Florence Alvord Crofoot, Michigan A Golden Arrow member; and Helen Noll, Kentucky A and former Epsilon Province President. Greetings were read from the Portland Alumnae Club and from Σ A I.

Peg Babcock, D.C. A, honored by the ARROW Editor, and Beverly Wood, North Dakota A, honored by the Director of Rushing and Pledge Training, were introduced as the Pages for the day.

Kappa Province President moved that Frances Evans Ives, the guest of Convention, be seated as a voting member of Convention. The motion was seconded and carried. Voting personnel—135.

Convention continued in its consideration of the recommendations of Grand Council.

Nova Scotia A moved the adoption of the recommendation of Grand Council that Statutes, Part I, Article VI, be amended by inserting a new Section 3, to read: "Holt House Committee. There shall be a Holt House Committee which shall administer Holt House, the memorial to the Fraternity's founding, whose duties shall be those specified in an official Holt House Committee Manual.

- a. The Committee shall consist of five alumnae, representing different chartered alumnae clubs in a compact, contiguous district centering in Monmouth, Illinois
- b. The maximum term of this office for any member of the committee shall be four years.
- c. The Alumnae Session at each convention shall select the alumnae clubs from which representatives shall be appointed by Grand Council, with the provision that the Monmouth Alumnae Club shall always have representation.
- d. The chairman and the treasurer shall be appointed as such by Grand Council, this appointment to be for the whole or part of the entire term of committee service, as each separate case shall demand.
- e. In order to establish a staggered system of selection, the 1948 Alumnae Session of Convention shall designate two of the four clubs chosen as those whose representatives shall serve for one interim only.
- f. The committee shall hold a one-day meeting at Holt House at committee expense, following each Convention.
- g. The chairman shall make an annual visit of inspection at committee expense; this visit to coincide with the regular committee meeting in the year of Convention.
- h. A member from Grand Council shall meet with the committee for its authorized meetings.
- i. Grand Council shall be the final authority on matters of policy pertaining to Holt House.
- j. The committee shall be responsible for sending material for each open issue of the ARROW.
- k. The chairman and the treasurer of the committee shall each make an annual report to Grand Council and a report to Convention of work done."

The motion, seconded, was carried and the recommendation adopted.

Florida I moved the adoption of the recommendation of Grand Council that Statutes, Part I, Article IX, be amended by inserting Section 8, to read: "The distinguishing badge of a member of the Settlement School Committee or staff shall be a tiny, gold, flying pigeon significant of the Little Pigeon River on which the Settlement School is located." The motion, seconded, was carried and the recommendation adopted.

Wyoming A moved that the recommendation of Grand Council be adopted that Statutes, Part II, Article III, Section 10, be amended by adding a new "d" and a new "e," to read: "Duties of the Censors."

"d. To act as escorts at pledging and initiation ceremonies.

e. To be responsible for keeping the chapter archives in order, working under the direct supervision of the chapter president."

The motion, seconded, was carried and the recommendation adopted.

Oregon I moved that the recommendation of Grand Council be adopted that Statutes, Part II, Article III, Section 17, a, be amended by striking out the words "the Historian" between "Treasurer" and "and" so that it would read: "The Treasurer, the Assistant to the Treasurer, and the Corresponding Secretary shall be elected at the middle of the college year and shall serve continuously until the election of their successors at the regular election in the middle of the following college year." The motion, seconded, was carried and the recommendation adopted.

Maryland B moved that the recommendation of Grand Council be adopted that Statutes, Part II, Article III, Section 17, b, be amended by inserting "the Historian" between "exception of" and "the" so that it would read: "The other chapter officers, with the exception of the Historian, the Rush Captain and the Assistant to the Rush Captain, shall be elected at the regular election and serve during the immediately following half-year of college." The motion, seconded, was carried and the recommendation adopted.

Wisconsin A moved that the recommendation of Grand Council be adopted that Statutes, Part II, Article III, Section 17, b, be amended by adding "The Historian shall be elected at the regular election at the close of the college year and shall serve until the election of her successor at the regular election at the close of the following college year." The motion, seconded, was carried and the recommendation adopted.

Oregon B moved that the recommendation of Grand Council be adopted that Statutes, Part II, Article VI, Section 3, be amended by adding: "which shall be allocated to the Alumnae Fund, and shall apply to the immediately following club year." so that it would read: "Senior Alumnae Dues. Four weeks before the date of any graduation each prospective graduate shall sign the official application blank for membership in the alumnae department, and shall pay to the chapter treasurer the annual alumnae senior dues of \$1.00, which shall be allocated to the Alumnae Fund, and shall apply to the immediately following club year." The motion, seconded, was carried and the recommendation adopted.

Texas A moved that the recommendation of Grand Council be adopted that Statutes, Part II, Article VI, Section 4, be amended by striking out "a" and inserting a new "a" to read: "Three-fourths of the regular chapter contributions to the Settlement School shall be placed in the Settlement School Endowment Fund to be invested under the direction of the Board of Trustee Funds; one-fourth of the regular chapter contributions to the Settlement School shall be placed in the General Fund of the Settlement School for use in defraying current expenses." The motion, seconded, was carried and the recommendation adopted.

Indiana A moved that the recommendation of Grand Council be adopted that, because it seems evident that the money available for use by the Emma Harper Turner Memorial Fund Committee can meet only a few of the needs for whose relief the fund was established, the Fraternity plan to increase the Endowment through voluntary contributions. The motion, seconded, was carried and the recommendation adopted.

Idaho A moved that the recommendation of Grand Council that the general arrangements followed this year be continued for all clubs and chapters desiring to support the "Save the Children Federation," with whatever organizational changes seem desirable be adopted. The motion, seconded, was carried and the recommendation adopted.

Maine A moved that the statistical reports required of the active chapter delegates to convention be discontinued, as recommended by Grand Council. The

motion, seconded, was lost.

Vermont A moved that the recommendation of Grand Council be adopted which would authorize a conference of the Province Presidents with the Grand Council and the Province Vice-Presidents in the summer of 1949. The motion, seconded, was carried and the recommendation adopted.

Following a brief recess, New Mexico A moved that the recommendation of Grand Council be adopted that each chapter president, following a Province Workshop for Chapter Presidents, make a written report to her chapter, sending a copy of that report to her Province President. The motion, seconded, was carried and the recommendation adopted.

Ohio A moved that the recommendation of Grand Council be adopted that Convention authorize the Board of Trustee Funds to make available for chapter house loans, all moneys in the ARROW Endowment Fund in excess of \$500,000, with the definite provision that this \$500,000 minimum amount must continue to be invested in accordance with the standing policy of the Board of Trustee Funds in securities of not lower than A rating and in compliance with the provisions of Statutes, Part I, Article VII, Section 9, f. The motion, seconded, was carried and the recommendation adopted.

Alberta A moved the adoption of the recommendation of Grand Council that each chapter be required to set up a by-law which shall establish the fact that no committee or chairman may incur debts for the chapter above a certain set amount without the advance approval of the chapter Executive Council. The motion, seconded, was carried and the recommendation adopted.

Virginia I moved the adoption of the recommendation of Grand Council that similar action be taken in regard to orders of Arrowcraft products for sale by the chapter. The motion, seconded, was carried and the

recommendation adopted.

Oklahoma B moved the adoption of the recommendation of Grand Council that the wording of the Fraternity's standard against drinking be changed to read: "Pi Beta Phi does not sanction the use of intoxicating liquors by its active members and pledges. This standard is based upon the concern of the fraternity for the character, health and safety of its members and for the necessity of protecting Pi Beta Phi from adverse criticism brought about by conduct of any individual active or pledge member. There shall be no liquor at any Pi Beta Phi chapter house or rooms, or served at any chapter function. Violation of this standard shall be grounds for immediate dismissal." The motion was seconded.

Alpha West Province President moved that a recommendation of the Province Presidents be adopted, to amend the statement of the standard by striking out the word "served" in the next to the last sentence and inserting the word "permitted" so that the sentence would read: "There shall be no liquor at any Pi Beta Phi chapter house or rooms or permitted at any chapter function." The motion was seconded. Full discussion followed, ended by Virginia I who moved the previous question. The motion was seconded and carried. The Grand President then called for the vote on the amendment presented by Alpha West Province President. The amendment was lost.

A motion was made by North Carolina B that the last sentence of the statement recommended by Grand Council be amended by striking out the phrase "Violation of this standard" and inserting "Misuse of alcoholic beverages" so that the sentence would read: "Misuse of alcoholic beverages shall be grounds for immediate dismissal." The motion was seconded.

The hour for adjournment arrived and passed and it became necessary to recess with the question unsettled.

THIRD MEETING

CONVENTION assembled in the third business meeting of the Regular Session at 9 o'clock, Wednesday morning, June 30, 1948, with the Grand President, Amy Burnham Onken, presiding. The stenotypist's minutes of the Tuesday morning business meeting were read by the Grand Secretary and approved as corrected.

The Grand President introduced as Pages for the day, Virginia Haun, Illinois A, honored by the Grand Secretary, and Nancy Kelsey, Indiana A, honored by the Grand Treasurer.

Alpha East Province President moved that the alternate for Missouri A be seated in the place of the delegate. The motion was seconded and carried.

Discussion of the amendment of North Carolina B to the statement of the drinking standard of the fraternity as recommended by Grand Council was resumed. This amendment was lost.

Wisconsin A moved that the recommendation of Grand Council be amended by striking out the entire statement and inserting a new one to read:

"Pi Beta Phi strongly disapproves of the use of intoxicating liquors by its members and pledges. This policy is based upon the concern of the fraternity for the character, health, and safety of its members and upon the necessity of protecting Pi Beta Phi from adverse criticism brought about by the conduct of any individual member or pledge. When the conduct of a member or pledge is such that it could bring adverse criticism to Pi Beta Phi it should be considered as a misuse of alcoholic beverages and be punishable by dismissal. The fraternity expects each chapter and club to assume the responsibility for maintaining this stand-

ard and reserves the right to insure maintenance if a chapter or club does not uphold it. There shall be no intoxicating beverages at any Pi Beta Phi chapter house or rooms and members or pledges of this fraternity may not serve intoxicating beverages at any chapter function or authorize that they be served." Seconded.

A motion was made by Oregon B that the statement be amended by inserting "or be served" between "serve" and "intoxicating" so that it would read: "There shall be no intoxicating beverages at any Pi Beta Phi chapter house or rooms and members or pledges of this fraternity may not serve or be served intoxicating beverages at any chapter function or authorize that they be served." The motion was seconded and amendment carried.

New York A then moved that the statement be amended by striking out the last words of the last sentence "or authorize that they be served" so that it would read: "There shall be no intoxicating beverages at any Pi Beta Phi chapter house or rooms and members or pledges of this fraternity may not serve or be served intoxicating beverages at any chapter function." The motion was seconded and carried.

Illinois E moved that the vote upon the adoption of the substitute statement as presented by Wisconsin A and as amended be a vote by ballot. The motion was seconded and lost.

The amendment, as amended, was adopted.

The recommendation, as amended, was then adopted.

Following a brief recess, the Grand President announced the special order of the day, a discussion on "Public Relations." Oklahoma A moved that the special order of the day be postponed until the next

meeting of the Regular Session. The motion, seconded, was carried.

Recommendations from the Province Presidents were then in order. Delta Province President moved the adoption of the recommendation of the Province Presidents that the office of Province Scholarship Supervisor be re-established; that the Province Presidents have the authority to make suggestions and recommendations to be acted upon by the Province Scholarship Supervisor; that the Province Scholarship Supervisor send to the Province Presidents carbon copies of all correspondence to the chapters and to the National Scholarship Chairman; that the Chapter Scholarship Chairman send to the Province President carbon copies of all correspondence and report blanks sent either to the Province Supervisor or to the National Chairman; and that the Province President send a report to the Province Scholarship Supervisor after her annual visit to each chapter, including the recommendations and suggestions which she made to the chapter. The motion was seconded and carried.

South Dakota A moved that the recommendation of the Province Presidents be adopted that the present Scholarship Blanks be revised, and limited to one report each school term and that the data be compiled into one blank which shall include the following:

1. Name and address of Dean of Women
Name and address of Chapter Scholarship Chairman
Name and address of Alumnae Scholarship Adviser
2. The grading system of the college
How many terms each school year?
3. When are your final grades available?
4. All campus average—
All women's average—
All fraternity women's average—
Highest women's fraternity average—
Lowest women's fraternity average—
Pi Beta Phi average—
Pi Beta Phi rank on campus—
5. List of girls who are below the initiation average (all correspondence concerning these shall follow and shall be between the scholarship supervisor and the chapter scholarship chairman).

Attached to this blank shall be a list of the chapter members and their individual ratings. A copy of this blank and the attached list shall be sent to: The Province President; The Province Scholarship Supervisor; The National Scholarship Chairman; and one copy shall be filed in the chapter archives.

A motion was made by Epsilon Province President that the recommendation of the Province Presidents be amended by inserting between the words "term" and "and" the words "at a date to be determined by the Chairman of the Scholarship Committee" so that the hearing of the recommendation would read: "That the present Scholarship Blanks be revised, and limited to one report each school term, at a date to be deter-

mined by the Chairman of the Scholarship Committee, and that the data be compiled into one blank which shall include the following:" The motion was seconded and carried.

Idaho A moved that the recommendation be amended by inserting between the heading "All women's average" and the heading "All fraternity women's average" a new heading to read: "Number of NPC fraternities on your campus." The motion was seconded and carried.

The Grand President called for the vote on the second recommendation, as amended. The recommendation, as amended, was adopted.

Nova Scotia A moved that the recommendation of the Province Presidents be adopted that Scholarship Blank #4 be due October 1, each fall, listing the final commencement honors of the preceding spring. The motion was seconded and carried.

Zeta Province President moved that the recommendation of the Province Presidents be adopted that a Pi Beta Phi Scholarship Fund be established, available to undergraduate members in good standing on the basis of need, fraternity service, and good scholarship; that the present scholarship ring awards be discontinued and that the fraternity deposit in the Pi Beta Phi Scholarship Fund each year a sum equivalent to that spent for scholarship rings during the school year 1947-48; that this scholarship fund be further augmented through voluntary contributions. The method of disbursing this scholarship fund shall be established by Grand Council. It is suggested that the entire amount be disbursed each year, giving as many \$300.00 scholarships as possible, all in the discretion of the designated committee. The motion was seconded.

Tennessee B moved that the recommendation be amended by adding: "That the fraternity establish a National Scholarship Plaque on which the name of the girl who would each year make the highest average in her chapter shall be engraved. That this plaque be available at the Central Office for purchase by the individual chapters and that the fraternity award each year, to the girl with the highest scholastic average of her chapter, a certificate of scholastic achievement." The motion was seconded and carried.

Indiana Δ moved that the recommendation be amended by inserting between the words "service" and "and" the words "activity service" so that the opening section of the recommendation would read: "That a Pi Beta Phi Scholarship Fund be established, available to undergraduate members in good standing on the basis of need, fraternity service, activity service, and good scholarship;" The motion to amend was seconded and carried.

The motion for the adoption of the recommendation, as amended, was carried and the recommendation adopted.

Following announcements, the meeting recessed.

FOURTH MEETING

FOLLOWING an afternoon of recreation, Wednesday, the Regular Session of Convention convened Thursday morning, July 1, 1948, at 9 o'clock. Pages were introduced: Jane Davidson, Ohio Z, honored by the Grand Secretary, and Judy Hales, California Δ, honored by the ARROW Editor. The special order of the day was the discussion "Campus Relations" led by Virginia Reinecke Weaver; and "Scholarship" led by Dean Helen Moore.

Thursday afternoon, July 1, 1948, the Province Presidents and Fraternity officers led the Regular Session in workshops for chapter officers and chairmen, as follows:

- 2 o'clock—"The Fraternity Way of Life"—Alpha West and Epsilon Province Presidents
- 3 o'clock—Workshops—
Chapter Presidents—Delta and Lambda Province Presidents
Treasurers—Supervisor of Chapter Accounting
Historians—National Historian
Panhellenic—Zeta and Eta Province Presidents
Pledge Supervisors—Alpha East, Beta, and Theta Province Presidents
- 4 o'clock—Rushing—Mu and Iota Province Presidents

FIFTH MEETING

CONVENTION assembled in the fifth business meeting of the Regular Session, Friday morning, July 2, 1948, at 9 o'clock, with Amy Burnham Onken, Grand President, presiding.

Oklahoma A moved that the reading of the minutes of the previous session be omitted. The motion was seconded and carried.

The Grand President introduced as Pages: Sally Smith, Oregon I and daughter of Eugenia Brooks Smith, Settlement School Committee member, honored by the Grand President; and Marie Grehan, Louisiana A, honored by the Grand Vice-President.

Eta Province President moved that the alternate be seated for the delegate of Wisconsin B. Motion, seconded, carried.

Alpha West Province President moved that the alternate be seated for the delegate of New York A. Motion, seconded, carried.

The Grand President presented to Convention Evelyn Gabel Enteman, Convention Initiate. She also introduced Helen Meredith Dixon, Adele Murphy, and Mae Reed Porter.

Indiana I moved that the special order of the day, Extension, be postponed until 2 o'clock, at the opening of the afternoon business meeting. The motion was seconded and carried.

Michigan B moved that Evelyn Enteman, Convention Initiate, be seated as a voting member of Convention. The motion was seconded and carried, and the voting personnel of Convention became 134.

A motion was made by Virginia I that the recommendation of the Province Presidents be adopted that the projects upon which 100% recognition of active chapters shall be based be the Settlement School, Holt House, and the Scholarship Fund. The motion, seconded, was carried and the recommendation adopted.

Gamma Province President, acting as secretary of the Province Presidents' group, offered the following motions as further recommendations from that group:

1. That, as a slight token of the Fraternity's deep appreciation of her outstanding leadership as Chairman of National Panhellenic Conference and as a small recompense for the added burden of personal expense, the Fraternity empower the Grand Treasurer to present to the Grand President \$250 for each year of her chairmanship of National Panhellenic Conference. The motion was seconded and carried, with the Grand Vice-President in the chair.
2. That, because there is a need for the redistricting of provinces in order to reduce the number of chapters and alumnae clubs in each province, Grand Council be asked to make a study of this

problem and report their findings to the next convention, with a recommendation as to what the redistricting should be. The motion, seconded, carried.

3. That a committee be appointed by Grand Council to study the problem of the active fraternity examination and to recommend a new form, or something to take its place, and that a report be made to Grand Council by November 1, 1948. Epsilon Province President moved to amend the motion by inserting "and pledge" between the words "active" and "fraternity" so that the recommendation would read: "That a committee be appointed by Grand Council to study the problem of the active and pledge fraternity examinations and to recommend a new form, or something to take its place, and that a report be made to Grand Council by November 1, 1948." The motion to amend, seconded, was carried. The recommendation, as amended, was carried.

This recommendation concluded those presented by the Province Presidents.

Recommendations from Reports concerned only the report of the special committee on Rushing Survey. The Chairman of the Committee moved that convention go on record as favoring a short period at the beginning of the college year for rushing, with preference expressed for a pre-registration rushing season. The motion was seconded and lost.

Indiana B moved that further recommendations from the Rushing Survey Committee be considered in the afternoon session. The motion was seconded and carried.

Illinois Z moved that the privilege of bringing a recommendation to the floor concerning limited tenure of office be granted by Convention. The parliamentary ruled that, at this point in the order of business, the discussion could be allowed only upon the unanimous consent of the voting personnel and that its proper place was under New Business. Illinois Z withdrew the motion.

South Carolina A moved that the chapter exhibits as such, at Convention, be discontinued with each delegate free to bring something worthy of national interest to convention if she so desires. The motion was seconded. Following discussion, Maine A moved the previous question. The motion was seconded and carried. The original motion was lost.

Idaho A moved that the special order of the day, the discussion on "Public Relations" be deferred to the afternoon session. The motion was seconded and carried.

With this motion, the business meeting recessed.

SIXTH MEETING

CONVENTION assembled for the final business session at 2 o'clock, Friday afternoon, July 2, 1948, with the Grand President presiding. The meeting was called to order.

Gamma Province President moved that Grand Council be authorized to correct and approve the minutes of the morning session and of the immediately preceding session. Motion seconded and carried.

The Grand President read greetings from Lois Stoolman and Anne Guthrie. She introduced as pages for the afternoon Marilyn Campen, Missouri B, honored by the Director of Extension, and Nancy McDermid, Nova Scotia A, honored by the Director of Rushing and Pledge Training.

It was announced that the Theta Province officers,

delegates, and visitors at Convention were happy to promise the gift of a silver tray to Holt House, to be used with the silver service presented by Epsilon Province. The assembly applauded.

Attention was given to the special order of the day, Extension. The ARROW Editor discussed the policy of the fraternity regarding Extension. Oregon I moved that a charter be granted to the petitioning group, K Σ Θ , at the College of Puget Sound. The motion was seconded. Montana A moved that the discussion upon the granting of this charter be informal. The motion was seconded and carried.

Mary Cooper (Mrs. E. J.), Tacoma delegate, presented the petition, with full explanation of the situation as to campus and group. Favorable comments

were made by the Chairman of the Settlement School Committee, Lambda Province President and Vice-President, and by the Director of Rushing and Pledge Training, who made the initial investigation for Grand Council. Following discussion, California I moved the previous question. The motion was seconded and carried. The Grand President appointed the pages as tellers, and a ballot vote on the granting of the charter was taken.

Alabama A moved that the necessary steps be taken for the colonization of a chapter of Pi Beta Phi at the University of Alabama. The motion was seconded. The Grand President explained that the motion, if passed, would mean the authorization of the expense of the colonization. The Birmingham delegate, the ARROW Editor, and the St. Petersburg delegate commented favorably.

The Grand Vice-President moved that the motion be amended by striking out "that the necessary steps be taken for the colonization of a chapter of Pi Beta Phi" and inserting "that a charter be granted to a group to be colonized." The motion was seconded and carried. Delta Province President moved reconsideration of the motion. Motion seconded and carried. Following discussion, Ohio Z called for the previous question. Motion seconded and carried. The motion to amend was lost. The original motion carried and the colonization was authorized.

The chair announced the result of the ballot vote for the granting of a charter to Kappa Sigma Theta at the College of Puget Sound. The vote was favorable and the granting of the charter authorized.

The special order of the day, a discussion on "Public Relations," was called for by the chair. Kappa Province President, a leader of the discussion, expressed the opinion that it would be wiser to continue with fraternity business and omit the discussion for the present. Her opinion ruled.

Missouri Alpha moved that the recommendation of the Alumnae Session to the Regular Session be adopted, that Constitution, Article VIII, Section 2 be amended by inserting between the words "Mother Pin" and "Brother Pin" the words "Golden Arrow Guard" so that it would read: "Emblems. Emblems to be known as the Pledge Pin, Recognition Pin, Coat of Arms, Grand Council Guard, Province President Guard, Province Vice-President Guard, Settlement School Guard, Mother Pin, Golden Arrow Guard, and Brother Pin shall be as provided in the Statutes." The motion was seconded and carried.

Ohio Z moved that the recommendation of the Alumnae Session to the Regular Session, based upon a recommendation from Grand Council, be adopted, that for the college years of 1949-50 and 1950-51, there shall be a Rushing Recommendations Chairman for each state and for each Dominion of Canada province, appointed by Grand Council, to secure and to forward a recommendation to the chapter concerned for any person residing in her respective state or province, for whom the chapter does not have the required recommendation. She shall have no authority to recommend any person who lives in a town or district where there is an authorized recommendations committee. Appointments shall be made by March 31, 1949 in order that the name of each state and Canadian province chairman may be listed in the May, 1949, issue of THE ARROW. The motion was seconded. Illinois Zeta moved that the motion be amended by striking out "March 31, 1949" and inserting "January 1, 1949." The motion to amend was seconded and carried. The original motion, as amended, carried.

Wyoming A moved the adoption of the recommendation of the Alumnae Session to the Regular Session that, for the next convention, a tentative agenda

for each meeting be posted for all delegates by 7:30 o'clock each morning. The motion was seconded and carried.

The chair called for New Business. Michigan B moved that convention consider the discussion of limited tenure of office. The motion was seconded and was lost.

Following intermission, the Grand President announced the report of the tellers for the alumnae election. This report will be found in the minutes of the secretary of the Alumnae Session.

Oklahoma B moved that the following resolution be adopted: That Pi Beta Phi Fraternity in its 36th biennial convention express to the United Nations its faith in the purposes and work of that organization, as well as, appreciation for the efforts of the delegates of all nations to create understanding and to find solutions for world problems, and, further to express willingness to do all that the Fraternity can, both through its active chapters and its alumnae, to give support to the United Nations in its efforts to build a lasting peace. That a copy of this resolution be sent to Trygve Lie, Secretary General, United Nations. And that the following resolution be sent to Ambassador Austin, U. S. Permanent Delegate to the United Nations: "That Pi Beta Phi Fraternity while assembled in its 36th national biennial convention with 900 delegates from the United States and Canada in attendance, wishes to express to you its profound admiration for the way in which you have represented us in the United Nations and our deep appreciation for your efforts in world understanding, and, we wish to assure you of our cooperation and support in any way we, as a group of college and university women, may be useful in building a permanent peace." The motion was seconded and carried. Ontario A moved that a copy of the Resolution sent to Ambassador Austin, be sent to the Canadian representative to the United Nations, General A. T. L. McNaughton. The motion was seconded and carried.

Oregon A moved that the new scholarships be named the Harriet Johnstone Scholarships in honor of Harriet Johnstone because of her service to the Fraternity in the promotion of good scholarship. The motion was seconded and carried.

California B moved that Statutes, Part II, Article II, Section 4, be amended by striking out "for at least one term or semester" so that the section heading would read: "Affiliates. A member of Pi Beta Phi who transfers from one college campus to another on which there is a Pi Beta Phi chapter may become an affiliate of the second chapter after she has complied with all college and fraternity requirements in scholarship and conduct." The motion was seconded and lost.

Oklahoma A moved that the members of Pi Beta Phi in Convention assembled, who wish to do so, make voluntary contributions to be used for the purchase of land on which to build the new YWCA building in Manila, in the Philippines, thus honoring Anne Guthrie, distinguished Pi Beta Phi who has won outstanding recognition because of her leadership and service in the YWCA throughout the world. The motion was seconded and carried.

Gamma Province President moved that Convention send a word of greeting to Mrs. Stoolman, former Grand Treasurer, especially telling her how greatly she was missed at this convention. The motion was seconded and carried.

Oregon B, representing Lambda Province, moved that Pi Beta Phi Fraternity go on record as supporting the continuance and strengthening of the position of "Dean of Women" on the campuses of colleges and universities in the United States and Canada; thus assuring the representation of women in the adminis-

trative and policy-making bodies on these campuses. Motion seconded and carried.

Virginia Gamma moved that a committee be appointed by Grand Council to revise or rewrite the Senior Farewell Ceremony. Motion seconded and carried.

Lambda Province President moved that Grand Council consider the recommendation of Lambda Province that the 1950 convention be held at Banff, Canada, and if accommodations there are not adequate, at Jasper Lodge. Motion seconded and carried.

Gamma Province President moved that the entire session express a rising vote of appreciation to our Grand President for her tireless efforts, brilliant leadership, and loyalty to each one of us throughout the past two years. Motion seconded and carried by a rising vote, with extended applause.

The postponed presentation of the recommendations of the Rushing Survey Committee was given by the Chairman.

1. Wisconsin A moved that the recommendation of the committee that Pi Beta Phi urge each local Panhellenic to hold publicity to a minimum during the rushing period be adopted.
2. Alberta A moved the adoption of the recommendation of the committee that Pi Beta Phi urge each local Panhellenic to do all within its power to eliminate public demonstrations connected with Pledge Day.
3. Oklahoma B moved the adoption of the recommendation of the committee that Pi Beta Phi urge local Panhellenics to eliminate rush fees.
4. Iota Province President moved that the recommendation of the committee be adopted which provides that Pi Beta Phi recommend to National Panhellenic Conference that a Rushing Information Committee be appointed by City Panhellenics to procure from each local high school comprehensive information about its graduates, such information to be pooled and made available to any interested NPC fraternity and sent to the college Panhellenics concerned.
5. Texas B moved that the recommendation of the committee be adopted that the Fraternity urge its chapters, when considering girls with Pi Beta Phi background, to consider this heritage as a great asset and when these girls have other qualities commensurate with qualifications of others on the rush list, to give these girls a fair advantage.
6. Maryland B moved the adoption of the recommendation of the committee that Grand Council give consideration to the following recommendations and suggestions in the report of the Rushing Survey Committee: (1) That local Panhellenics evolve a system where all new women students could affiliate with a social organization, whether fraternity or non-fraternity, during the same rush period; (2) That a new procedure for recommendation blanks be required as outlined in the report of the Rushing Survey Committee; (3) That a study be made of the suggestions for revision of the recommendation blank; (4) That a recommendation to NPC be considered, suggesting that a brochure of information be prepared to be sent to the parents of prospective members.

Each motion presented by the chairman of the Rushing Survey Committee and made by the delegates and the officer, as recorded above, was seconded and carried.

The next order of business was the election. The Chairman of the Nominating Committee made her report. The Grand President appointed Vermont Alpha, Pennsylvania Beta, Missouri Alpha and Colorado Alpha as tellers and called for nominations from

the floor. The following nomination were made:

Ohio B nominated Nancy Woehling, Pennsylvania B, for Beta Province President.

Kentucky A nominated Emma J. Woerner for the Board of Trustee Funds.

Vermont A nominated Eileen MacLean, Nova Scotia A, for Alpha East Province President.

Ontario A nominated Marian Keck Simmons for Grand Secretary. Mrs. Simmons declined the nomination.

No further nominations being offered, the chair declared the nominations closed and stated that space had been provided on the ballots for the writing in of names for any office. The election proceeded and the ballots were collected.

Missouri I, previously voting on the prevailing side, moved that the motion of California Beta concerning amending the Statutes to permit affiliation within the first semester be reconsidered. The motion to reconsider was seconded and carried.

Epsilon Province President moved that the alternate for Missouri A be seated in the place of the delegate. The motion was seconded and carried.

Alpha East Province President moved that the alternate for Vermont A be seated to replace the delegate, acting as teller. The motion was seconded and carried.

The motion to amend Statutes, Part II, Article II, Section 4, be amended by striking out "for at least one term or semester." Reconsidered, was carried.

Mu Province Vice-President, Chairman of the Resolutions Committee, gave her report which was accepted on motion of Arkansas A, seconded, and carried. The report was as follows:

WHEREAS, The Thirty-Sixth Biennial Convention of Pi Beta Phi is about to adjourn, and

WHEREAS, This body wishes to express its appreciation to all who have participated in making this Convention a success,

NOW, THEREFORE, BE IT RESOLVED, That we express to our beloved Grand President, Amy Burnham Onken, our grateful appreciation for the constructive and inspirational leadership she has given to Pi Beta Phi, and that we declare the pride we have felt in her service to the fraternity world at large.

That we express to our Grand Vice-President, Marianne Reid Wild, our appreciation for her devoted service on Grand Council and in the alumnae department, and our congratulations for her share in the excellent growth of that department.

That we express our thanks to Lucile Douglass Carson, Grand Secretary, for her competent and gracious service to the Fraternity.

That we extend our sincere gratitude to Lolita Snell Prouty for the efficiency and graciousness with which she has filled the office of Grand Treasurer.

That to the ARROW Editor, Adele Taylor Alford, we extend our hearty thanks for the fine issues of our magazine for which she has been responsible and for her additional services to the Fraternity.

That to Isabel Clark Winkler, Director of Rushing and Pledge Training, we express our appreciation for the fine work she has done.

That to Marie Bacon Hagee, Director of Alumnae Extension, we convey our appreciation for the splendid way in which she has served the Fraternity.

That to Marian Keck Simmons, National Historian, we bestow our warmest gratitude for her work in her office and for the excellent exhibit at this Convention and her talk to Convention which gave us a deeper insight to the characters who established the Fraternity.

That to Elizabeth Heryer Delaney we state our thanks for her efficient assistance to the National Historian.

That to Lillian Beck Holton, Counselor for Chapter House Corporations, we give heartfelt thanks for her fraternity work.

That to Helen Richardson Corkum and Mary Stuart Kinder we give our appreciation for their work on the National Board of Trustee Funds.

That Dorothea White Flint, National Supervisor of Chapter Accounting, be informed that we are mindful of her generous service.

That Gladys Hayes Scivally be congratulated upon the success of her first year as Director of Central Office and her service with the Pi Beta Phi Magazine Agency.

That Beatrice Purdunn Felmley be assured of the appreciation we feel for her past service to Pi Beta Phi.

That to Ruth Barrett Smith, endeared Chairman of the Settlement School Committee, and to Emma J. Woerner, Harriet Goodsell Rauch, Eugenia Brooks Smith, and Olivia Smith Moore, members of the committee we express our thanks for the splendid work they have done in carrying out their fraternity duties during the past year and for the enlightening and entertaining program which was presented at Convention.

That to Ethel Snow, Ruth Dyer, Mrs. Althea Armstrong, Mr. Joe Johnson, Jane Morton, Barbara Steele, and Paul Claybo we express appreciation for their parts in the Settlement School activities at Convention and for their parts in the development of the School throughout the years.

That to Virginia Brackett Green, Convention Guide, and her committee consisting of Mary Covert Pritchard and LaVonne Larrison Mannfeld, we express our deepest appreciation for their well-ordered convention arrangements and their superb execution of their plans.

That we assure Dr. G. Herbert Smith, president of Willamette University and Grand President of Beta Theta Pi, of our great appreciation for his excellent talk and for the sharing of his constructive fraternity thinking with us.

That to Miss Anne Guthrie we express our grateful appreciation for the privilege of hearing her talk and our pride in her distinguished place in the world.

That to Francese Evans Ives we express our pleasure in having her as our guest and the esteem in which we hold her.

That we are indebted to Dorothy Vale Durand for the beautiful presentations of Pi Beta Phi music.

That to the Convention Chorus, Edith Fairham, Patricia Tafel, and Marion Goldthwaite we are grateful for lovely music.

That to the Alumnae clubs of Delta Province and the Louisville Alumnae Club we declare our appreciation for their untiring efforts, their kindly attentions, and their generous spirits in serving as our hostesses.

That to Evelyn Gabel Enteman, Convention Initiate, we affirm our pleasure in having her share with us the privileges of membership in Pi Beta Phi.

That to Ruth Wilson Cogshall we express our sincere thanks for her fine editorship of the Convention Daily and to her staff for its faithful assistance.

That to Dean Helen Moore and former Dean Virginia Reinecke Weaver we convey our deep appreciation for their leadership and inspiration which they have given.

That our appreciation be expressed to the following members of the Fraternity for their graciousness in arranging for our comfort and pleasure at this Convention—Marie Geire Moore for publicity; Edna Dunham Walden for chapter exhibits; Janice Rash Cleveland and Mary Ann Lockridge for scholarship exhibits; Alice Lloyd Binkley, Alumnae Club Exhibits; Janet Van Nuys Abbett and Janice Wills

That to our province presidents and province vice-presidents we bestow our gratitude for their constant services to their chapters and their alumnae clubs.

That we express our recognition of the fine work done for the Fraternity by Gladys Stump Nall, chairman and the other members of the Holt House Committee; by Josephine McCleverty, chairman, and the other members of the Committee on Loan Fund; by Elva Ayer Cowan, Chairman, and the other members of the Committee on Publicity; by Lois Franklin Stoolman, Honorary Treasurer, and chairman of Committee on Extension; by Harriet Rutherford Johnstone, chairman of the Committee on Scholarship, and the other members of her committee; to Irma Riley, chairman, and the other members of the Committee on an Alumnae Award; to Katherine Hosmer, Committee on Transfers; to Helen Marie Robinson, chairman, and the other members of the Committee on Fraternity Study and Examination; to Virginia McMahan, Chairman, and the other members of the Committee on Social Exchange; to the members of the Committee on Fraternity Music who served with Dorothy Vale Durand, chairman; to Leila Gray Clifton, Committee on House Chaperons; to May Carney Middleton, chairman and the committee members on the Committee on a Home for Pi Phis; to Edythe Allen Manning, chairman, and the committee members on the Committee on Rushing Survey; and to Ethel Hogan Copp, Chairman, and the members of the Emma Harper Turner Memorial Fund Committee.

That to Erminie Pollard and Elizabeth Newberry Motycka we express our appreciation for their faithful service in executing their duties as chairmen of the Committees on Nominations for the active and alumnae departments.

That we thank the pages who served at the different Convention meetings for their gracious services.

That we thank those who sent message of congratulations to this convention.

That those in attendance at this convention express our appreciation to the management of the French Lick Springs Hotel, and especially to Mr. Seelbach, Mr. Ames, Mr. Davis and Mr. McRoberts, for their many courtesies to us while in residence here.

That we express our thanks to Mrs. W. H. Vinzant, Parliamentarian; and to Miss June A. Bentley, our appreciation for their services at the sessions of this convention.

That we are especially happy to welcome the four Golden Arrow Pi Phis, Dr. Mary B. Harris, Ethel McCullough, Elizabeth H. Ewing, and Florence Crofoot, in attendance at this convention and that we thank them for their examples of the enduring inspiration and lovely womanhood in Pi Beta Phi.

Respectfully submitted,
Committee on Resolutions
Louise Rosser Kemp, Mu Province
Vice-President, Chairman
Margaret Brownell Humphrey, Beta
Province President
Elizabeth Wiggins, Alberta A
Patricia Dillard, Florida B
Mildred Ford, Texas B

Alberta A moved that the University of British Columbia be surveyed as a possible field of extension for Pi Beta Phi. The motion was seconded and carried.

Kentucky A moved that the University of Kentucky, at Lexington, be surveyed as a possible field of extension for Pi Beta Phi. The motion was seconded and carried.

The Grand Vice-President was given the floor to announce that Gamma Province President had been appointed as Chairman of the Nominating Committee for the Alumnae Session of the 1950 Convention.

Kappa and Gamma Province Presidents presented their discussion of "Public Relations."

Arizona A moved that Grand Council be authorized to adopt the minutes of this session on the basis of the stenotypist's report. The motion was seconded and carried.

Because it was almost 7 o'clock and the hour of the banquet was at hand, Theta Province President moved that the regular order of procedure be set aside and that the Grand President be authorized to announce the list of officers, reported by the tellers as duly elected, at the banquet and that these officers be installed by Grand Council at the post-convention meeting. The motion was seconded. The Grand President called to the attention of the assembly that this action would authorize the official adjournment of convention at the banquet, after the announcement of the election. The motion was carried and the meeting recessed.

Amy Burnham Onken, Grand President, announced the report of the tellers at the banquet. With the exception of those not present at convention, whose installation would occur according to the constitutional procedure, the following officers were elected by Con-

vention and installed at the post-convention meeting:

Grand President—Amy Burnham Onken

Nothing is Worth the Building Unless the Builder Also Grows

By JOHN O. MOSELEY, K Σ, *President, University of Nevada*

An era of building is upon us. Every fraternity man from the top national officer to the youngest pledge is faced with a question, his answer to which discloses his true character and affects the future of his fraternity: "Are you building a fraternity house or a fraternity home?"

I am thinking of two types of fraternity structures: the one built outright and handed over to the occupants with no effort on their part; the other brought into being only after long continued planning and mutual sharing of faith and works by fraternity men of vision who see in it not just satisfactory housing for the group living in it at the time, but a vital factor in the development of a great and lasting fraternal organization.

Many wise fraternity leaders—actives and alumni—regard their chapter's home as belonging to every member of the chapter—past, present and future. Therefore every man living in it is required to contribute an equal amount of money and labor toward its erection, repair and upkeep and the financing of the next structure. A pig content to wallow in his pen has no gratitude for the past and no thought for the future. A fraternity home consists not only of brick and stone, but of every prudent plan, loving care and sacrificial act of devotion put into it by those who are building NOT JUST A PLACE FIT TO LIVE IN but at the same time MEN FIT TO LIVE IN IT.

Reports of the alumnae officers were then in order. The report of the Grand Vice-President was read and accepted on motion of Alpha East Province Vice-President, seconded. The report of the Director of Alumnae Extension was read and accepted on motion of Albuquerque, seconded.

A statement of the Grand Treasurer on Alumnae Funds was read.

Upon motion of the Alpha West Province Vice-President, the delegate from Fairmont, West Virginia, was seated.

The report of the Committee on Alumnae Awards was read by a member of the committee, Lillian Lindley, in the absence of its chairman, Irma Riley, and accepted on motion of Los Angeles, seconded.

Consideration of the Recommendations of Grand Council was the next order of business. It was moved by Epsilon Province President, seconded, and carried unanimously that unanimous approval be given to consideration of the Grand Council Recommendations to the Alumnae Session.

Alpha East Province moved the adoption of the recommendation of Grand Council that the Constitution, Article VI, Section 1, be amended by adding a new "d" to read: "The Province Vice-Presidents shall be elected at the Alumnae Session of each biennial convention by the alumnae delegates of the provinces

concerned, the province officers of the provinces concerned, and the members of Grand Council." This was seconded and passed unanimously.

Beta Province Vice-President moved the adoption of the recommendation of Grand Council that the Constitution, Article VI, Section 1, c, be amended by striking out the word "Alumnae" between "of" and "Extension" so that it would read: "The Grand Vice-President, the Director of Extension, and the Province Vice-Presidents shall be elected at the Alumnae Session of each biennial convention."

Santa Monica moved, it was seconded and carried unanimously, the adoption of the recommendation of Grand Council that the Constitution, Article VI, Section 1, c, be amended by striking out "c" and inserting a new "c" to read: "The Grand Vice-President and the Director of Extension shall be elected by the Alumnae Session of each biennial convention."

Palo Alto moved that the recommendation of Grand Council pertaining to the Statutes, Part III, be considered by Sections. This was seconded and passed unanimously. Portland moved that the motion be amended by striking out "dues of two dollars" in Section 1, and inserting "one-dollar." Motion to amend was lost. Seattle moved that Section 2, b, 3 be amended by striking out, and inserting a new section to read: "The disbursement of the per capita tax fund be made on a mileage basis." Motion was lost.

A motion to recess was made by Southwestern Indiana, seconded and carried.

Tuesday, June 29, 2:00 P.M.

The second session of the Alumnae Department, a joint session with required attendance by active chapter delegates, was called to order by the Grand Vice-President. Pages were Nancy Ball, California A, honored by the Grand Treasurer, and Barbara Smith, Missouri B, honored by the Director of Alumnae Extension.

The minutes of the session of June 28 were read and accepted as corrected. Announcements followed, and Special Order of Business read.

The report of the Settlement School Committee Chairman was read and accepted on motion of the Epsilon Province Vice-President, seconded.

Alpha East Province Vice-President moved the acceptance of the report of the Chairman of the Holt House Committee. Seconded and carried.

Upon motion of Houston, the report of the Magazine Agency was accepted after being read by Gladys Scivally, Director of Central Office.

The Grand President moved that the report of the Treasurer of the Holt House Committee be read. This was seconded and lost.

The Credentials Committee moved, and after being seconded by Stillwater the motion was carried, that the following delegates be seated:

Beloit, Wis.—Mrs. Phillip Murkland
 Grand Rapids, Mich.—Mrs. J. M. Battjes
 Lafayette, Ind.—Mrs. Lewis Clark
 Minneapolis Afternoon—Mrs. A. H. Wehr
 Iowa City, Iowa—Jane C. Fink
 Knoxville, Tenn.—Peg Ward
 Houston, Texas—Barbara Ledbetter

Alpha East Province Vice-President moved that the report of the Committee on the Home for Pi Beta Phi be accepted. Seconded and carried.

Palo Alto moved that Grand Council's recommendation that Statutes, Part III, be amended by striking out Article III and inserting a new Article III be deferred until the next regular Alumnae session. Seconded and carried.

Next came consideration of the other recommendations of Grand Council. Lambda Province Vice-Presi-

dent moved the adoption of the recommendation that the Alumnae Department grant from the alumnae funds a \$300.00 annual undergraduate scholarship to a member of the Fraternity; this scholarship to be known as the Ruth Barrett Smith Scholarship; the award to be made by a committee composed of the Grand Vice-President, the Director of Extension, and the Counselor for Chapter House Corporations. The motion was seconded and carried.

Iota Province President moved the adoption of the recommendation of Grand Council that the projects upon which the 100% recognition of clubs shall be based, be the Settlement School, Holt House, and the Emma Harper Turner Memorial Fund. Seconded and carried.

The session was recessed at 5:00 P.M.

Thursday, July 1, 9:00 A.M.

The third session of the Alumnae Department was called to order by the Grand Vice-President. After announcements by the Convention Guide, and introduction of the pages Nancy Wilson, Nova Scotia A, honored by the Director of Rushing and Pledge Training, and Marilyn Campen, Missouri B, honored by the Director of Extension, the Credentials Committee moved that the delegates from the Phoenix, Arizona, club—Elizabeth Clegg—and from the Lawrence, Kansas, club—Sally Fitzpatrick—with Emma J. Woerner, member of the Settlement School Committee, be seated as members of the Alumnae Session. The Kappa Province Vice-President moved that the alternate from the Little Rock, Arkansas, club be seated. Motions carried.

The minutes were approved as read, after which the Chair announced that the Special Order of the Day was the discussion of the report of the Chairman of the Settlement School Committee, and of the report of the Chairman of the Home for Pi Beta Phis. There were no recommendations from the former, but the Chairman indicated her willingness to answer any inquiries.

The recommendations from the report on the Home for Pi Beta Phis were dropped upon motion from North Shore being seconded and carried, and in their place was substituted the following recommendation suggested by the Grand President:

1. That this Alumnae Session go on record as enthusiastically endorsing the idea of a Pi Beta Phi Alumnae Home which shall provide a home for both needy Pi Phis and those able to pay.

2. This Alumnae Session shall elect an Executive Committee of five members residing in a small, compact area, and an affiliated committee of forty members representing all sections of the United States and Canada.

3. This Alumnae Session shall authorize this Executive Committee to conduct an interim campaign for funds with the intention expressed that \$250,000 shall be considered the minimum amount to be available before any home is started. The Executive Committee shall report to the Alumnae Session of the next Convention the amount raised and shall present definite plans for the building, maintenance, and functioning regulations of the house.

This motion was seconded and carried.

Dallas moved that this Convention be authorized to empower the two Alumnae Clubs of Cleveland, Ohio, because of its central location, to set up a committee of five to be the governing body of this committee. Seconded and carried.

The Grand President moved that a committee be appointed by the Chair to make recommendations to the next Alumnae Session for the forty members of the

affiliated committee. After it was seconded the motion was amended by adding the provision suggested by Chicago North that Mrs. May Carney Middleton's name be one of those on this committee. This was seconded and carried, and the amended motion carried.

The return to the consideration of the recommendations of Grand Council was indicated by the Chair as the next order of business, and discussion of the recommendation concerning Statutes, Part III, was begun. Palo Alto moved that Section 2,b,2 be stricken out, and that a new Section 2,b,2 be inserted to read: "Each eligible chartered alumnae club shall share in the distribution of the fund, the division of fund to be made on a percentage basis of official hotel expense, plus first class railroad fare from club location to convention point. A club chartered after April 15 of the year preceding convention, and thus having paid only one year's dues, shall receive one-half the regular allotment." After the motion was seconded, Eugene moved to amend it by striking out the words "club location" and inserting "a central point in the province." This was seconded and carried, by a majority vote. The motion as amended was carried.

A motion by Fort Wayne that there be an adjourned session immediately following initiation that evening was seconded and passed.

The session was recessed at 12:15 P.M. to be reconvened at 10:00 P.M. that evening.

Thursday, July 1, 2:00 P.M.

The special order of the day for the fourth alumnae session was discussion groups divided as follows: Program Planning, led by Lillian Ellison Lindley, Zeta Province Vice-President; Publicity and Its Value, led by Edna Olson Archibald, Alpha West Province Vice-President; Officer Training, led by Irene Hay Hoggatt, Delta Province Vice-President, and Theresa Gibson Graham, Kappa Province Vice-President; and Junior Groups, led by Louise Rosser Kemp, Mu Province Vice-President.

The same day at 4:15 P.M. there were workshops on The Small Club, led by Laura Turner Wood, Eta Province Vice-President, and Mary McCulloch Nixon, Theta Province Vice-President and The Large Club, led by Edith Hoyer Rankin, Beta Province Vice-President, and Isabel Drury Heubeck, Gamma Province Vice-President.

Thursday, July 1, 10:00 P.M.

The adjourned session of the Alumnae Department was called to order by the Grand Vice-President. The Credentials Committee moved that the delegates from the Oxford, Ohio, Alumnae club, Mrs. E. A. Houghton; and from the Northern Indiana Alumnae Club, Marcia Ann Frye, be seated. Motion was seconded and carried.

DuPage moved that the Convention send a telegram to Nina Harris Allen, member of the DuPage Alumnae Club and past Grand Vice-President. Seconded and carried.

Eta Province Vice-President moved that the alternate for the Chicago Business Women's Alumnae Club be seated. Seconded and carried.

Spokane moved that the recommendation of Grand Council concerning Statutes, Part III, Section 2,b,3, be amended by striking out "May 20" and inserting "April 15," so that it would read: "Distribution shall be made in the year of Convention only, and shall be based on the amount in the Alumnae Convention Fund on April 15, exclusive of the amount previously allocated and held in reserve." Seconded and carried.

Bloomington moved that Statutes, Part III, Section

2.b.2, be amended by inserting after paragraph (a), paragraph (b) to read: "The Grand Treasurer shall appoint a committee whose duty it shall be to determine the amount of the Convention Fund to which each alumnae club is entitled and to submit a concise report to the Grand Treasurer prior to May 20 preceding each convention." Seconded and carried. Vote was then taken on the motion concerning Statutes, Part III, and the motion carried.

Santa Monica moved that the Alumnae Session recommend to the Regular Session of Convention the following recommendation: "For the college years 1949-50 and 1950-51 there shall be a Pushing Recommendations Chairman for each state and for each Dominion of Canada province, appointed by Grand Council, to secure and to forward a recommendation to the chapter concerned for any person residing in her respective state or province for whom the chapter does not have the required recommendation. She shall have no authority to recommend any person who lives in a town or district where there is an authorized recommendations committee. Appointments shall be made by March 31, 1949, in order that the name of each state and Canadian Province chairman may be listed in the May issue of the ARROW." Seconded and carried.

Iota Province Vice-President moved that the alternate from the Manhattan Alumnae Club be seated. Seconded and carried. Eta Province Vice-President moved that the alternate from the Champaign-Urbana Alumnae Club be seated. Seconded and carried.

Marin County moved that the Alumnae Session also recommend to the Regular Session the following: A conference of the Province Vice-Presidents with Grand Council and the Province Presidents in the summer of 1949 be authorized. Seconded and carried.

Fort Wayne moved the adoption of the recommendation of the Committee on Alumnae Awards that an alumnae award be given annually for service to the Fraternity and community. The honoree shall be nominated to the Province Vice-President concerned, with Province Vice-President selecting the outstanding nominee from her province for submission to a committee of three to be elected by the Alumnae Sessions of Convention to serve for the interim of convention. The honoree should be a member of a club when possible, but if no club exists in her locality club lack of club membership should not exclude her from eligibility for the award. The committee voted to have a certificate of recognition accompany the award, but leaves the matter of the nature of the award to the decision of the Alumnae Sessions of Convention. The motion was seconded and lost.

Zeta Province Vice-President moved that the Convention send a telegram of appreciation to Miss Irma Riley, Chairman of the Committee on Alumnae Awards. Seconded and carried.

Chicago North moved that a recommendation be made to the Regular Session that Statutes, Part I, Article IV, Convention, Section 1, be amended by inserting a new (e) to read:

"One alumnae delegate-at-large from each province." That the same section be further amended by adding: "There shall be alumnae delegates-at-large to the regular sessions of Convention. Their number shall not exceed one for each province and shall be further restricted when necessary by the provisions of Statutes, Part I, Article IV, Section 16."

"Alumnae delegates-at-large shall not vote in regular sessions on matters pertaining solely to the active chapters."

That Statutes, Part I, Article IV, Conventions, Section 5, Election of Delegates, be amended by adding:

"The alumnae delegates-at-large shall be elected from the official alumnae club delegates at Convention at least one hour before the opening of the first regular business session of Convention. The election of each alumnae delegate-at-large shall be presided over by the Province Vice-President of the province concerned."

The motion was seconded and lost.

Glendale moved that a recommendation be made to the regular session that, "Whereas, it is desirable to secure for the Fraternity in the future the same strong leadership which has contributed so much to our growth in the past; and Whereas, such strong leadership must constantly be developed, and the development is best assured by the existence of experienced officers; therefore be it resolved: That a limited tenure of four two-year terms in any one office, for all members of Grand Council, except the ARROW Editor, be established, such tenure to take effect two years after establishment, with terms of office staggered so that not all officers are replaced at one time." Seconded and lost.

Champaign-Urbana moved that the Constitution, Article VIII, Section 2, be amended by inserting before the words "Mother Pin and Brother Pin" the words "Guard of the Golden Arrow." Seconded and carried.

Iota Province Vice-President moved that recommendation be made to the regular session that Statutes, Part III, Article I, Section 2, be amended by inserting a new Section C under Section 2 to read: "Check with Central Office on the initiation of each Pi Beta Phi at the time of her affiliation with the club." Seconded and unanimously carried.

The Chair announced a committee of five to consider the selection of forty members to work on the committee for raising funds for the Home for Pi Beta Phis, consisting of Florence Isert, Louisville, as chairman; Virginia Sherman, Syracuse; Mrs. E. J. Foscutt, Dallas; Louise R. Kemp, Mu Province Vice-President; and May Carney Middleton.

There being no delegates from Wichita and Phoenix present, the Chair appointed as tellers in their places the delegates from Eugene and Des Moines.

Session was recessed at 11:20 P.M. to meet at 9:00 A.M. the next morning.

Friday, July 2, 9:00 A.M.

Pages for the day, Sally Smith of Oregon T, who was honored by Grand President, and Marie Graham of Louisiana A, who was honored by the Grand Vice-President, were introduced.

Los Angeles moved that due to lack of time the reading of the minutes be dispensed with, and the motion was seconded and carried.

Santa Monica moved that the vote on the motion referring to tenure of office be reconsidered. Seconded and lost.

The Credentials Committee moved that the Hutchinson delegate, Mrs. John Carey, be seated. Seconded and carried.

Lambda Province Vice-President moved that the Alumnae Session recommend to the Regular Session that in considering girls with Pi Beta Phi background, they consider this heritage as a great asset and that they give these girls a very fair advantage over other prospective members. The motion was seconded and lost.

San Francisco moved that Convention consider the following amendment to the Constitution, Article IX, by adding a new Section to read: "Notice of proposed amendments to the Constitution or Statutes pertaining to dues or taxes of alumnae clubs shall have

been given to the alumnae clubs at least sixty (60) days prior to the Convention at which action is taken." Seconded and lost.

Delta Province Vice-President moved that the Convention Initiate, Mrs. Evelyn Gabel Enteman, be seated as a voting member of the session. Seconded and carried.

Theta Province Vice-President moved that the alternate delegate from Des Moines, Mrs. Carl A. Stewart, be seated. Seconded and carried.

Carthage asked for information as to when the new Directory could be expected. The Chair asked the ARROW Editor to speak to that point, upon which Mrs. Alford, the Editor, said that nothing can be promised for the immediate future because of the shortage of newsprint.

Pasadena moved that the tentative agenda for the day be posted by 7:30 A.M. at future conventions. Seconded and carried.

Long Beach moved that as many reports as feasible of national officers and committee chairmen be mimeographed or printed, and presented to each delegate upon arrival at convention. Seconded and lost.

Houston moved that a file be created, to be placed under the Director of Extension, which would require a report of each delegate at convention within 30 days after convention; forms to be sent out from Central Office, and report to include happenings at convention, expenses, and suggestions for future conventions.

Beloit moved that motions carried, and motions lost, during the sessions of the convention, and such reports as feasibly can be printed, be printed or mimeographed and put into the hands of the delegates. After the motion was seconded, Manhattan moved that it be amended by striking out "and such reports as feasibly can be printed." Seconded and carried. The motion was further amended by inserting the word "immediately" after the word "mimeographed." Seconded and carried. The motion was then carried by majority vote.

As Chairman of the Committee to appoint a committee of forty in connection with the Home For Pi Beta Phi, Louisville reported that the committee had met, and due to limited time, would like to move that the consent of the assembly be given to the committee to appoint the 40 clubs, rather than the 40 individual

members, allowing the clubs to choose their individual representatives. Seconded and carried.

Louisville moved that the following clubs be the clubs for the Committee of Forty: Hartford, Conn.; Albany, N.Y.; London, Ont.; New York City; Northern New Jersey; Pittsburgh, Pa.; Washington, D.C.; Bloomington, Ind.; Detroit, Mich.; Indianapolis, Ind.; Kansas City, Mo.; St. Louis, Mo.; Atlanta, Ga.; St. Petersburg, Fla.; Champaign-Urbana; Chicago North; Chicago South; Chicago West Suburban; Madison, Wis.; Milwaukee, Wis.; North Shore; Des Moines, Iowa; Minneapolis, Minn.; Denver, Colo.; Lawrence, Kan.; Lincoln, Neb.; Wichita, Kan.; Dallas, Tex.; Houston, Tex.; Little Rock, Ark.; New Orleans, La.; Oklahoma City, Okla.; Tulsa, Okla.; Salem, Ore.; Portland, Ore.; Spokane, Wash.; Long Beach, Calif.; Los Angeles, Calif.; Palo Alto, Calif.; Pasadena, Calif.; and the motion being seconded, was carried.

Miami, as chairman of the Holt House Committee, moved that the following clubs be the clubs from which the personnel of a Holt House Committee be selected: Peoria, Illinois; Lafayette, Indiana; Monmouth, Illinois; Iowa City, Iowa; and Ann Arbor, Michigan. The motion was seconded and carried.

Alpha East Province President as Chairman presented the report of the Nominating Committee. Nominations from the floor were called for, and after due time had been allowed for them, DuPage moved that nominations be closed. The motion was seconded and carried.

Akron moved that the Alumnae Session of the Convention express their great appreciation to our Grand President for her inspired leadership by a rising vote of thanks. The members rose and applauded.

The motion was made to give a rising vote of thanks to the Grand Vice-President. The members rose and applauded.

Consent of the Convention was given that the results of the election be announced in the Regular Session.

On motion of the Epsilon Province Vice-President, the Grand Vice-President declared the Alumnae Session of the Thirty-Sixth Convention of Pi Beta Phi adjourned. After reading of the Ritual, the session adjourned at 11:20 A.M.

MARIE BACON HAGEE, *Secretary*

Fraternity is not a matter of ritualistic impression or the taking of solemn oaths; it is a way of life. It comes as the result of close association, of sharing one's hopes and fears, of working side by side with others intent on a common goal, of finding pleasure and satisfaction in the same effort, in knowing each other in the give and take of everyday living and thereby building mutual respect and affection.

It is humanly impossible for the great majority of individuals to develop deep, abiding friendships with many persons at the same time. When a group exceeds 50, its effectiveness as an agency for real fraternity diminishes. Thus the present situation is most unfortunate, for there is no other agency in college which has been as successful in the past in building the type of friendship that persists through life.

Today some pledge delegations are larger than a chapter should be. The members of a chapter often do not know their future brothers even by name. They freely confess that it is too difficult to get acquainted with so many. Thus the fraternity chapter becomes merely a club, with all the casual character of a loosely-knit group.

Report of Meetings of Grand Council

ANNUAL MEETING

THE Annual Meeting of the Grand Council of Pi Beta Phi was held at the French Lick Springs Hotel, French Lick, Indiana, June 18-25, 1948, with all members present. The Grand President presided over morning, afternoon, and evening deliberations of the Council for the six days preceding the Conference of Province Officers and over the Joint Meetings with Grand Council which opened their conference.

The first order of business was the consideration of annual reports which were heard and studied in the following order: Grand President, Grand Treasurer, ARROW Editor, Director of Rushing and Pledge Training, Director of Alumnae Extension, National Panhellenic Delegate, National Chairman of Music, Counselor for Chapter House Corporations, National Scholarship Chairman, Chairman of Fraternity Examinations, Social Exchange Chairman, Chairman of Chaperons, Chairman of Transfers, the National Historian, the Chairman and the Treasurer of the Holt House Committee, Loan Fund Chairman, Chairman of the *Home for Pi Phis* Committee, Chairman of the Emma Harper Turner Memorial Fund Committee, Chairman of the Rushing Survey Committee and Grand Secretary. Reports of the Province Presidents and of the Province Vice-Presidents followed. Then, the report of the Director of the Central Office. And finally, the reports of the Chairman of Extension, the Chairman of the Settlement School Committee, the Chairman of the Committee on an Alumnae Award, and the Grand Vice-President.

All special individual and chapter problems were studied and decisions made. Recommendations of the fraternity officers, chairmen, and province officers were considered and every decision was influenced by the all-over picture of the Fraternity which these reports made possible. The commendation of Grand Council for the work of this large, voluntary staff of alumnae would be augmented by the whole Fraternity's approval if a similar study for all were possible. Equally true would be the thrill of the fraternity-at-large in the record of the Fraternity, upon complete knowledge of what has been accomplished by its active and alumnae.

In addition to those announced in advance, and, developing from the study of these reports Grand Council made the following additional recommendations to the 1948 Convention:

That Constitution, Article VI, Section 1, a, be amended by striking out the word "Alumnae" between "of" and "Extension" so that it would read: "The officers of this Fraternity shall be: a Grand President, a Grand Vice-President, a Grand Secretary, a Grand Treasurer, an Editor of the ARROW, a Director of Rushing and Pledge Training, a Director of Extension, a Counselor for Chapter House Corporations, Province President, Province Vice-Presidents, a Director of Central Office, a Supervisor of Chapter Accounting, a National Historian, and a Convention Guide."

That "the Director of Central Office be empowered to make subsequent changes in the name of the office in the Constitution, and the Statutes, to conform to the above changes in the Constitution and Statutes."

That Constitution, Article VI, Section 1, be amended by striking out "b" and inserting a new "b" to read: "The Grand President, the Grand Secretary, the Grand Treasurer, the Editor of the ARROW, the Director of Rushing and Pledge Training and the

National Historian shall be elected at each biennial convention by vote of the convention."

That Constitution, Article VI, Section, 1, be amended by adding a new "c" to read: "The Province Presidents shall be elected by the active chapter delegates of the province concerned, the province officers of the province concerned, and the members of the Grand Council."

That Constitution, Article VIII, Section 2, be amended by inserting between "Guard" and "Mother" the words "Settlement School Guard" so that it would read: "Emblems. Emblems to be known as the Pledge Pin, Recognition Pin, Coat of Arms, Grand Council Guard, Province President Guard, Province Vice-President Guard, Settlement School Guard, Mother Pin, and Brother Pin shall be as provided in the Statutes."

That Statutes, Part I, Article VI, be amended by inserting a new Section 3 to read: "Holt House Committee. There shall be a Holt House Committee which shall administer Holt House, the memorial to the Fraternity's founding, whose duties shall be those specified in an official Holt House Committee Manual.

- a. The committee shall consist of five alumnae, representing different chartered alumnae clubs in a compact contiguous district centering in Monmouth, Illinois.
- b. The maximum term of this office for any member of the committee shall be four years.
- c. The Alumnae Session of each convention shall select the alumnae clubs from which representatives shall be appointed by Grand Council, with the provision that the Monmouth Alumnae Club shall always have representation.
- d. The chairman and the treasurer shall be appointed as such by Grand Council, this appointment to be for the whole or a part of the entire term of committee service, as each separate case shall demand.
- e. In order to establish a staggered system of selection, the 1948 Alumnae Session of Convention shall designate two of the four clubs chosen as those whose representatives shall serve for one interim only.
- f. The committee shall hold a one-day meeting at Holt House at committee expense, following each Convention.
- g. The chairman shall make an annual visit of inspection at committee expense; this visit to coincide with the regular committee meeting in the year of Convention.
- h. A member from Grand Council shall meet with the committee for its authorized meetings.
- i. Grand Council shall be the final authority on matters of policy pertaining to Holt House.
- j. The committee shall be responsible for sending material for each open issue of the ARROW.
- k. The chairman and the treasurer of the committee shall each make an annual report to Grand Council and a report to Convention of work done."

That Statutes, Part I, Article 9, be amended by inserting Section 8 to read: "The distinguishing badge of a member of the Settlement School Committee or staff shall be a tiny, gold, flying pigeon significant of the Little Pigeon River on which the Settlement School is located."

That Statutes, Part II, Article III, Section 10, be amended by adding a new "d" and "e" to read: "Duties of the Censors.

d. To act as escorts at pledging and initiation ceremonies.

e. To be responsible for keeping the chapter archives in order, working under the direct supervision of the chapter president."

That Statutes, Part II, Article III, Section 17, a, be amended by striking out the words "the Historian" between "Treasurer" and "and" so that it would read: "The Treasurer, the Assistant to the Treasurer, and the Corresponding Secretary shall be elected at the middle of the college year and shall serve continuously until the election of their successors at the regular election in the middle of the following college year."

That Statutes, Part II, Article III, Section 17, b, be amended by inserting "the Historian" between "exception of" and "the" so that it would read: "The other chapter officers, with the exception of the Historian, the Rush Captain and the Assistant to the Rush Captain shall be elected at the regular election and serve during the immediately following half-year of college."

That Statutes, Part II, Article III, Section 17, b, be amended by adding: "The Historian shall be elected at the regular election at the close of the college year and shall serve until the election of her successor at the regular election at the close of the following college year."

That Statutes, Part II, Article VI, Section 3, be amended by adding: "which shall be allocated to the Alumnae Fund, and shall apply to the immediately following club year." so that it would read: "Senior Alumnae Dues. Four weeks before the date of any graduation each prospective graduate shall sign the official application blank for membership in the alumnae department and shall pay to the chapter treasurer the annual alumnae senior dues of \$1.00 which shall be allocated to the Alumnae Fund and shall apply to the immediately following club year."

That Statutes, Part II, Article VI, Section 4, be amended by striking out "a" and inserting a new "a" to read: "Three-fourths of the regular chapter contributions to the Settlement School shall be placed in the Settlement School Endowment Fund to be invested under the direction of the Board of Trustee Funds; one-fourth of the regular chapter contributions to the Settlement School shall be placed in the General Fund of the Settlement School for use in defraying current expenses."

That "because it seems evident that the money available for use by the Emma Harper Turner Memorial Fund Committee can meet only a few of the needs for whose relief the fund was established, Grand Council recommends that the Fraternity plan to increase the Endowment through voluntary contributions."

That "the general arrangements followed this year be continued for all clubs and chapters desiring to support the 'Save the Children Federation,' with whatever organizational changes seem desirable."

That "statistical reports required of the active chapter delegates to convention be discontinued."

That "Convention authorize a conference of the Province Presidents with the Grand Council and the Province Vice-Presidents in the summer of 1949."

And, Grand Council recommended to the Alumnae Session of Convention the following:

That Constitution, Article VI, Section 1, c, be amended by striking out the word "Alumnae" between "of" and "Extension" so that it would read: "The Grand Vice-President, the Director of Extension, and the Province Vice-Presidents shall be elected at the Alumnae Session of each biennial convention."

That Constitution, Article VI, Section 1, c, be amended by striking out "c" and inserting a new "c" to read: "The Grand Vice-President and the Director of Extension shall be elected by the Alumnae Session of each biennial convention."

That Constitution, Article VI, Section 1, be amended by adding a new "d" to read: "The Province Vice-Presidents shall be elected at the Alumnae Session of each biennial convention by the alumnae delegates of the province concerned, the province officers of the provinces concerned, and the members of Grand Council."

That Statutes, Part III, be amended by striking out Article III and inserting a new Article III, to read: "Dues and Finance."

Section 1. Annual Alumnae Dues. Membership in the Alumnae Department shall be contingent upon payment of annual dues of two dollars, said dues to be forwarded to the Central Office through the Province Vice-President concerned on November 15 or April 15.

Section 2. Distribution of Alumnae Dues. The two dollar payment shall be apportioned as follows:

- a. One dollar shall be placed in an Alumnae Fund from which expenses incidental to the work of the Alumnae Department shall be paid. Such expenses shall include:
 1. One-half the salaries of the Grand Vice-President and the Director of Alumnae Extension.
 2. Convention expenses of the Director of Alumnae Extension and the Province Vice-Presidents.
 3. One-half the expense of the Central Office.
 4. Such other expenses as shall be authorized by the Alumnae Session of convention, or by the Grand Council.
- b. One dollar shall be placed in an Alumnae Convention Fund.
 1. This fund shall be used only for the expenses of convention delegates from alumnae clubs which have paid alumnae dues in full for the interim of conventions or for such shorter period as they may have been chartered.
 2. Each chartered alumnae club shall share equally in any distribution of the Fund, with the exception of a club chartered after April 15 of a convention year, and its share shall be one-half of the regular allotment only.
 - a. If a club does not use its share in any year this amount shall be held in reserve by the Grand Treasurer for that club.
 3. Distribution shall be made in the year of Convention only and shall be based on the amount in the Alumnae Convention Fund on May 20, exclusive of the amount previously allocated and held in reserve.
 4. Reserve funds held for any alumnae club which forfeits or returns its charter shall immediately be transferred to the unallocated part of the Alumnae Convention Fund.

Section 3. Life Membership. Life Memberships in the Alumnae Department, in effect on May 20, 1948, shall be honored."

That "the Alumnae Department grant from the alumnae funds a \$300.00 annual undergraduate scholarship to a member of the Fraternity; this scholarship to be known as the Ruth Barret Smith Scholarship; the award to be made by a committee composed of the Grand Vice-President, the Director of Extension, and the Counselor for Chapter House Corporations."

That "the projects upon which the 100% recognition of clubs shall be based be the Settlement School,

Holt House, and the Emma Harper Turner Memorial Fund."

That "the Alumnae Session recommend to the Regular Session of Convention that for the college years 1949-50 and 1950-51 there shall be a Rushing Recommendations Chairman for each state and for each Dominion of Canada province, appointed by Grand Council, to secure and to forward a recommendation to the chapter concerned for any person residing in her respective state or province for whom the chapter does not have the required recommendation. She shall have no authority to recommend any person who lives in a town or district where there is an authorized recommendations committee. Appointments shall be made by March 31, 1949, in order that the name of each state and Canadian Province Chairman may be listed in the May issue of the ARROW."

That "the Alumnae Session recommend to the Regular Session of Convention that it authorize a conference of the Province Vice-Presidents with the Grand Council and the Province Presidents in the summer of 1949."

Recommendations for the Balfour Cup, presented by the Province Presidents, were carefully considered and the recommended chapters were further checked in a study of their record as indicated by the *Standardization and Survey Report*. By unanimous decisions the following awards were made: Balfour Cup—Missouri B; Stoolman Vase—Oklahoma B; Philadelphia Cup—Kansas B.

A study of the Amy B. Onken nominees, recommended by their Province Presidents and their chapters, followed. This decision was also unanimous and the National Amy B. Onken Award went to Carolyn Ann Campbell, Kansas A.

Grand Council further decided: That Convention active delegates be asked for their recommendations concerning the *Delegates' Manual* after they have had the experience of this convention, thus assisting in the proper revision of that manual.

That the Holt House Booklet be carried for sale at the Central Office; that it be sold for 50¢, postpaid, if sent by mail.

That the listing of the names of Pi Beta Phis dismissed, expelled, and reinstated be omitted from the ARROW; that the lists of initiates be omitted from the ARROW.

That the Fraternity publish a Directory as soon as it is practicable; that the contacts regarding the publication of the Directory be in the hands of the Director of Central Office, working in conjunction with the Editor of the ARROW; and that the decisions concerning the format and distribution be made after consultation with the publishers and the securing of information as to costs.

That all of the bonding work of the Fraternity be moved to Denver, to be under the direct supervision of the Grand Treasurer.

That the Fraternity renew its contract with Mr. Busey for the supervision of the accounts of active chapter treasurers.

That regular, brief releases be prepared and made available to the Fraternity by the Publicity Committee; that the releases be similar to those used for the 1948 Convention; and that, when possible, the releases go out with the regular mailing.

That Grand Council await recommendations from the province officers concerning any change in the fraternity examinations and concerning the districting of the provinces.

That the National Historian and her assistant be authorized to set up a definite system of grading for the chapter histories.

That a Transportation Chairman be appointed by the Grand President for the next convention.

Grand Council met with the chairmen of the two nominating committees to discuss problems connected with the handling of the new preference sheets and with the change in the election of province officers, should the recommendation for the change be adopted by convention.

Throughout the meeting Grand Council interrupted the regular order of business to consider final plans for convention. This included the placing of each "special order of the day," the naming of the personnel of convention committees, and the consideration of the special problems of various committees serving convention.

The meeting of Grand Council was recessed, to meet in post-Convention session immediately following convention.

LUCILE DOUGLASS CARSON, *Grand Secretary*

MINUTES OF THE POST-CONVENTION MEETING OF GRAND COUNCIL

The Grand Council of Pi Beta Phi convened in its post-Convention meeting on Saturday morning, July 3, 1948, immediately following the close of the Thirty-sixth Biennial Convention. All members were present and the Grand President presided.

The meeting opened with the discussion of installation plans for Washington I. It was decided that the installation be conducted by the Grand President who would make the necessary arrangements. It was also decided that she include in her itinerary an inspection trip to the University of British Columbia unless the installation dates were too early to make the trip feasible.

Plans for the colonization at the University of Alabama, authorized by Convention action, included decisions that the Grand Vice-President be in full charge; that she make a trip to the campus during the summer with authority to organize the alumnae committees, to supervise housing arrangements, and to make the contacts with the campus administration; that she supervise all rushing plans, including the group of Pi Phis to be sent for rushing; and that a Pi Phi be sent to the University of Alabama to become the special, active supervisor of the group for its initial year.

Recommendations of Kappa Province President concerning the awarding of the Kappa Province Scholarship Plaque were considered and adopted, as follows:

1. That, since the Kappa Province Scholarship Plaque was presented by the province to the fraternity-at-large, it be considered one of the traveling awards of the fraternity and that, in the first reprinting or re-mimeographing of any announcement of awards to chapters, the Kappa Province Scholarship Plaque and the basis for its award be included.

2. That this award be given to the chapter holding first place in scholarship on its campus for the longest consecutive period prior to convention; the winner (or winners) to be decided by the National Scholarship Chairman on the basis of her records and included in her pre-convention report to Grand Council.

3. That the Grand Secretary include this award when issuing instructions for the sending of all national awards to convention and that in case there are co-winners, she supervise the forwarding of the award to all, in the convention interim.

The following regulations were adopted for the Harriet Johnstone Scholarships:

1. That the scholarships be awarded by Grand Council in June of each year, to be used in the immediately succeeding college year.

2. That the scholarships be awarded on the basis of need, Fraternity service, and good scholarship.

3. That the scholarships be awarded only to girls who will be active in their respective chapters for the entire college year for which the scholarships are to be in effect.

4. That the scholarships be given in two \$150.00 instalments, at the beginning and in the middle of the college year.

a. The right to the second payment be forfeited if, at the middle of the year, it is learned that the recipient will not be active in her chapter for the second half of the college year.

5. That the scholarships be awarded by Grand Council on the basis of applications in the hands of the Grand Secretary by May first of each year.

It was decided that the arrangements for the Ruth Barrett Smith Scholarships be the same as those for the Harriet Johnstone Scholarships, except in the case of the awarding and of the committee to handle the award.

It was decided that the individual \$25.00 award for good scholarship be discontinued due to lack of interest.

It was decided that the Iowa City and the Ann Arbor Clubs be the ones assigned membership on the Holt House Committee for the two-year period of

service—the clubs highest alphabetically and farthest away.

Grand Council appointed Margaret Humphrey, former Beta Province President; Helen Marie Robinson, National Chairman of Fraternity Examinations; and Carolyn Mahan, Wisconsin Alpha, as the committee to study the problem of a revision of the Fraternity examination and to report to Grand Council by November 1, 1948.

It was decided that the delegates be instructed to give the copies of the constitution, indicating the proposed changes in arrangement and given to them at convention, to their respective chapter and alumna club presidents and that they be requested to hold them until the new copies are received and then, to destroy them.

Recommendations from the Province Officers' Conference were considered and decisions made.

Plans were made to contact Mr. Balfour for his suggestions for the new Scholarship Plaque and recognition certificate, and for the new Golden Arrow Guard.

Assignments were given to the various members of Grand Council for the revision of Fraternity manuals, and, for the 1948-49 chapter visits.

The post-Convention meeting was adjourned Monday afternoon, July 5, 1948.

MESSAGE OF GRAND PRESIDENT

To Pi Beta Phi Fraternity:

PERHAPS you will remember that, at the conference last fall of the International Council of Women, its president, Baroness Boel of Belgium, set as the theme for that first meeting in eight long years disrupted by war, "The Power and Responsibility of Freedom," and said: "Men and women who have always lived in freedom are perhaps unable to appreciate the treasures they possess, the power that is theirs. Do you realize what the word freedom means to those who have been deprived of freedom, once or several times in the course of their lives, and who have had reason to fear that darkness had blotted out the light forever? How have you fought to enjoy the rights that are yours today—and that it seems so natural for you to have? Because of this very freedom which you enjoy, grave responsibilities are yours. The responsibility of being worthy of, of being prepared for, all the tasks that are open to you." Shall you—this Pi Beta Phi Convention—not paraphrase the theme chosen by Baroness Boel and set up as the measuring stick for your deliberations and your decisions "The Power and Responsibility of Pi Beta Phi"? Because of the very special privileges which you have—and often take for granted—yours is the "grave responsibility of being worthy of and prepared for all the tasks" which unavoidably face with special emphasis a fraternity whose place of leadership in the educational and fraternity worlds is unquestionable. It is never easy to be a leader but it is exceedingly rewarding to be a leader for good! For the best!

A fraternity is not quite like any other organization of which we know. It has its tangible, concrete, visible side—its organizational material, its officers, its chapter houses, its members—but these do not set it apart. The college fraternity has grown and strengthened and made a high place for itself among educated men and women because it is an intangible—of spirit and attitude, of devotion and service, of friendship and ideals. Since this is true, the fraternity's true function is also a thing of spirit. That it is a character-forming influence in the lives of its members cannot be questioned; it is the responsibility of a true fraternity—certainly of Pi Beta Phi—to make sure that that influence is for good, that it makes not for just the things that get by, that everybody is doing, but for those which result in the most noble womanhood towards which all Pi Beta Phis are pledged to strive. Your Grand President believes that Pi Beta Phi can set no more worthy goal and none which would farther advance the esteem and respect in which the fraternity is held than the one of a conscious working towards its own ideals and of using every bit of its tremendous influence against the forces which are promoting the cheap and ugly and dangerous customs which too often appear even among the college men and women who should be training for self control and standing immovable against the pressure for ways of life which from the beginning of time have brought with them unhappiness of the bitterest kind. The distinguished Dean of Women on one of our greatest campuses, said this spring: "I have no very specific suggestions for any one chapter but I would like to have you know that I appeared this week before Panhellenic to ask that all of the sororities on this campus help in setting the social standards on a dignified and

honest basis and that all of them face the drinking problem, which is now so great a one in American society, on a more intelligent and mature level. I feel that sororities have a unique opportunity to hold their members to standards of self control and temperance and good social usage and that they can justify themselves in the minds of a somewhat critical public if they will do this. I had a very fine reaction. Anything which the national officers of the sororities can do to build up this kind of attitude in their chapters will be immeasurably appreciated by those of us who are struggling to maintain safe and sane social standards on our campuses." The support which Pi Beta Phi chapters within their own groups give to the standards of the fraternity is reason for great gratification and pride; it should be complete, however, and it must go outside the chapter and into the whole Panhellenic and campus field, if the fraternity is to be worthy of its power and to use it as it could. Pi Phi chapters are the leaders of their campuses; whether they wish to or not, they set the social standards of those campuses. If they set them less high than loyalty to their own ideals would place them, they are denying the very basis of their claim to the right to the special privileges which they enjoy. Pi Beta Phi is doing much—it could and should do more! Fraternity isolationism—living wholly within and for one's own group so far as any sense of responsibility is concerned—is no longer any more possible for Pi Beta Phi, the fraternity which has always been a leader, than is the isolationism which would divorce any one country from responsibility for all. The first responsibility is within itself; but it cannot stop there if it wishes to see fraternities gain increasing recognition as forces for good in a world where good has so many enemies.

It would seem that, on the whole, the past year has seen an improvement in the general attitude of the public towards fraternities. That there are and will continue to be attacks upon any and every established institution which represents privilege so long as the world in general is in such turmoil is a fact which must be faced. In recent months, however, the worst publicity for fraternities has come not from editorial comments or printed articles, but from fraternity members themselves whose drunken parties, horseplay mock initiations, and cheap, vulgar, and suggestive carnival booths, homecoming decorations, or stunt show skits have made sensational and highly destructive newspaper and picture magazine copy.

At the meeting of the National Association of Deans of Women, there was an atmosphere of welcome for fraternity officers and of desire to work closely with them on common problems which was most pleasing. Never, in the experience of the Grand President, has NADW made its appreciation for fraternities and for their support which they give to fine educational and social standards so evident. At Goucher College, however, the long-festering question as to whether or not fraternities would be allowed to continue when the college was completely moved to the Towson campus was brought to a head when one fraternity insisted upon a direct and definite statement from the Board of Trustees. The Trustees appointed a faculty committee whose report was unfavorable to fraternities and the Trustees announced that when the college was completely located at Towson there would be no place for fraternity chapters.

End of speech 1964

The first announcement that chapters could continue if they wished to do so but could not pledge any more members was rather quickly followed by one saying that they could both continue and pledge and initiate if they wished. All chapters, as a College Panhellenic and individually, voted to continue active. Since the national fraternities represented at Goucher—A Γ Δ , A Φ , Δ Γ , Γ Φ B, K A Θ , and Π B Φ —had agreed at Colorado Springs that they would act as a group in this situation, all were contacted and a definite decision was made to continue all chapters and to work together to make the Panhellenic and interfraternity relations increasingly effective. The Board of Trustees indicated that they anticipated moving the college in its entirety to Towson within the next three or four years but other fraternities have reported that it seems most improbable that the removal will be completed in less than eight or ten years. Certainly there seems a good chance that before the date of the removal, there will have been a change of attitude on the part of faculty and Board which will mean that fraternities may, even then, remain a part—and a greatly needed part, as they now are—of Goucher. The Grand President is reminded of two experiences in connection with anti-fraternity action. Some years ago, the President of a State college told her that he had been approached by a Legislator who said that he was going to present an anti-fraternity bill to the Legislature and added that he was counting on the support of this College President. The President replied: "You will not have my support because if fraternities are not an asset to any campus the fault lies with the college administration." This past spring, when she was on a campus which two years ago had a student vote on the question of discontinuing fraternities on the campus—a vote which was strongly pro-fraternity—the Dean of Women said that on the day when the vote was to be taken, she suddenly realized what was happening and said to herself: "What if fraternities are voted off this campus? What would I do? I'd have entirely to reorganize my campus! Now I can talk with one girl and reach and get results from a large percentage of my student body. What will I do, if fraternities aren't continued!" It is the responsibility of every Pi Beta Phi chapter to make certain that its Dean of Women can feel as sure of the cooperation and support of not only the Pi Phis but all fraternity members as did that Dean. Opposition cannot thrive in the face of constructive results brought about by fraternities.

Pi Beta Phis should be aware of a serious recent development, however. The forces which a few years ago first began to attack fraternities on the basis of their selecting their own members—a right which is assured the people of a democracy and one which fraternities assuredly have earned because of their wise choices and constructive results—seem to have found that opposition from the outside based on this charge is proving slight and not effective. Now they have turned to a more subtle and much more dangerous plan; they are attempting to destroy fraternities from within. On a number of college campuses, within the past few months, agitations have been raised to try to get either administrative decree or Panhellenic action which would demand that no chapter of any fraternity be allowed to exist on the campus if in its printed regulations or in its practices there was anything which restricted membership to any one or a few races or religions. Investigations have proved—and this is not surmise, it is *fact*—that in all but one case the agitation has been instigated by persons working under the direction of

Communist groups in New York and financed, most generously, by them. Many idealistic fraternity members have been influenced by the propaganda, which claims to be inspired by love for the underprivileged, because they have not known the source of the agitation or realized that the interest of communism is in its own ends and not in individuals. The F.B.I. has warned America that the Communists have a definite program which calls for the enlisting of college men and women in its support. Communists know that when they appear under their own banners, they do not attract the normal college student so they are now infiltrating other organizations, hiding their purposes under a cloak of idealism which the history of the party proves is never practiced when it is in power, and bringing into play one of the most dangerous situations of all time for America. On the campuses where the recent agitations have been fostered, chapters have been urged either to insist that their national fraternities remove all restrictive regulations or to ignore them locally. What better way to destroy any organization than to preach deliberate disregard for the policies and requirements of the institution which people joined because they knew that it was good and which was good because of its policies and methods! Pi Beta Phi has no regulations which set up racial or religious restrictions for membership but it believes in its right to include only the people who, in its opinion, will be able to work constructively and happily with the fraternity not just on any one campus but within the entire fraternity, and it believes that any fraternity which wishes to set up specific regulations governing membership must be supported in that right. The 1946 Convention went on record as believing in and promising support to the statement of rights issued by the Interfraternity Research and Advisory Council. The experience of the past two years makes it increasingly evident that it is only as American college students stand firmly for their right to choose their friends and exercise their democratic right to free assembly that they can meet their responsibility to defend the American way of life from its greatest enemy. Fraternities as such are, of course, not the major target of Communism; they are a practice target, important in themselves but most important because if one democratic institution can be destroyed, the entire structure of America will be irreparably weakened. Pi Beta Phi must not fail to make itself felt for true democracy!

A convention must be a time when the fraternity reviews its past and present if it is to be one when it plans constructively for its future. Because present policies limit so greatly the number of reports which are actually presented to Convention, the officers whose reports are read must, necessarily, give brief analyses of the departments which are their special province. Since the Grand President has the privilege of working closely with Province Presidents and active chapters, she can report with pride and gratification that the active chapters, during the interim between conventions, have held high places in the esteem and confidence of their college deans, administrators and student bodies. The record of campus service given and honors received is a distinguished one, as a study of chapter delegates' reports will show. For the year 1946-47, sixteen chapters—two more than for the immediately preceding year—held first place for the entire year on their comparative scholarship lists, several others held that place for one term or semester, and thirty-five others held places in the upper third. Again, how-

ever, four chapters were lowest, scholastically, on their campuses, a record unworthy of them and inexcusable in any Pi Phi chapter. It is always a temptation to pass on, just as they come in, the reports of Deans for the way in which their respective Pi Phi chapters have measured up to their responsibility for helpfulness, dependability, democracy, ethical standards, business responsibility, social adequacy, participation in campus activities, and scholarship. Respect for the confidences of the deans, however, makes it impossible to do more than say that no fraternity, the Grand President is sure, holds a higher place in the esteem of college administrators. Dean after Dean wrote "very good" after all headings or said things like: "In each of the eight respects the Pi Beta Phi merit the highest rating"; "There is no finer group on the campus in every way than the Pi Beta Phi"; "I am grateful for the cooperation and standards of Pi Beta Phi"; or "I am sure you can see what an asset this group is to our campus." In these days when gracious living is so often discounted and careless social actions get by, it seems especially gratifying that Deans should have said: "I am very glad indeed to comment to you on the Pi Beta Phi chapter on this campus since my report can be a very good one. At College Panhellenic meetings, the representatives have made fine, thoughtful contributions. Both the counselor and I have been at dinner at the house and both are impressed with their enthusiasm, intelligence, and refinement"; "The girls are courteous, friendly, and act like ladies, I am glad to say"; and "As to Pi Beta Phi on this campus, I have nothing but praise to report except in its scholarship standard. The members are charming, dependable, cooperative, and democratic. I have perfect confidence in their integrity and good taste and take great delight and pride in their standards of living and conduct." It means something—not just for Pi Beta Phi but for all fraternities—when a Dean will write: "Last fall, when I came here I was altogether ignorant of the Greek letter organizations since I had been graduated from a university where fraternities and sororities were forbidden. Upon finding myself in the midst of rushing and presumably adviser to Panhellenic Council, I was over-awed and should have succumbed had it not been for the wonderful helpfulness of girls like yours. It is through association with them this school year that I am realizing what I have missed all these years in belonging to no Greek letter social organization." Criticism of fraternities? Not when they represent, rather than mis-represent, their national ideals! The time can come and this Convention can make it come quickly when there will be no Pi Beta Phi chapter which does not deserve the full approval of its Dean of Women and of its campus. The power of Pi Beta Phi is there; the responsibility for using it must be met!

As the first fraternity to establish a national philanthropic project and then to follow it with other projects such as the Loan Fund and Holt House, Pi Beta Phi has a continuing obligation to voluntarily assumed responsibilities, greater than those of most fraternities. Surely present day Pi Beta Phi in carrying on the service-ideal so plainly set by its Founders honor not only those twelve beloved women but themselves! The spirit with which members of the fraternity have accepted new calls upon them for other passing needs is an amazing thing and one which calls for the deepest pride. This has been especially clearly evident, during the past year. Because there had been such keen interest in the children sponsored during the year 1946-47 through Save the Children

and because, too, the need for help for them was still so exceedingly urgent, Grand Council at its meeting in the summer of 1947 considered the question as to what the fraternity's policy should be in regard to any altruistic project which would have to be carried on in addition to the fraternity's own three standing programs of service. Its decision was not to take on any new project as a formally sponsored one but instead simply to offer the services of the fraternity if alumnae clubs and chapters wished to have these children in war-torn countries again helped by Pi Beta Phi. That in response to only one letter, and that a letter which emphasized the constant responsibility to the Settlement School, the Loan Fund, and Holt House, and did little more than speak of the deep satisfaction which had come with the sponsorships of the year before (financed wholly by the money remaining in the Physiotherapy Fund), there should have been voluntary contributions of more than \$4,500 must, it seems, be unique in the history of any group. Sixteen active chapters assumed full sponsorships costing \$96 for the year, with Kansas Alpha sending \$108, since every member wanted the part in the service which a two dollar personal contribution meant; and thirteen alumnae clubs took on full sponsorships, while the Charlotte, North Carolina, alumnae club led all the rest with its wonderful contribution of \$300 which cared for three children for a full year and allowed additional help to another. No record is available of the many, many boxes of food, clothing, and other cheering gifts which found their way across the seas to the children in whom individual clubs and chapters felt special interest! Truly Pi Beta Phi have the will to serve!

As was said, two years ago, the ability of Pi Beta Phi to take on new financial obligations and at the same time to give generously to its established projects is truly remarkable. Interest in new projects should never dim the appreciation for those whose successful functioning and high services are hailed by the entire fraternity world—and far beyond it—as the most outstanding philanthropic contributions ever made by any fraternity and ones which bring prestige and favorable recognition for fraternities the world over. Mr. Lloyd G. Balfour, in speaking of the fraternities in the National Interfraternity Conference, has said that it is to the lasting discredit of these groups that not one of them has ever had a national altruistic project and that the men's fraternities are the only comparable type of group which has so failed to make unselfish interest in other people—or even in their own unfortunate members—evident. Nothing could adequately express the debt which our fraternity owes to the vision of its leaders who gave Pi Beta Phi its exalted place as the first national fraternity to establish an unselfish project to be supported not through dues or fees but through voluntary contributions which came from love for the fraternity and a desire to serve. Each of the full-member fraternities in National Panhellenic Conference now has a national project of some kind in which Pi Beta Phi should feel great pride; each has been a follower of Pi Beta Phi and Pi Beta Phi should not fail to feel here, too, the joy of leadership for good!

Ruth Barrett Smith, who succeeded Mildred Odell Sale as chairman of the Settlement School Committee, during the interim of conventions, has brought to the work of the Settlement School the wealth of understanding, ability, and devotion which her years of service as Grand Vice-President had accumulated. To these two wonderfully capable, unselfishly serving Pi Beta Phi goes the deep gratitude of the fraternity

for work done exceptionally well. These are days of transition and change everywhere so it is not strange that they are that at Gatlinburg. The Settlement School Committee, with its wise approach to all problems, is making the Settlement School a continued source of support for the soundest interests of the community and the school and has brought community cooperation which is reason for extreme gratification. Changes in the details of the service given have come with the years—and should have come unless Pi Beta Phi had been content to make what it did mean nothing in the way of the development of civic pride and ambition—but the basic service which fosters the best interests of each succeeding era has not and must not change if we are to be worthy of our heritage at Gatlinburg. The Grand President cannot refrain from speaking with great pride of the cooperation between the Settlement School and the University of Tennessee which has made possible the one crafts' workshop in the entire Southern Highlands area which is on a college-credit level and so, attracts not just people who like to play with crafts and to have some weeks in a delightful spot but people who are teachers and vocational directors and so take back to their communities and colleges not only greater personal skill in crafts but a new vision for their work which is passed on in constantly widening circles. The work of the Settlement School Committee calls for great ability as well as for sympathetic understanding and a high sense of obligation; Pi Beta Phi has suffered a truly great loss in having to release from the Committee, during the past interim of conventions, Mildred Odell Sale, chairman; Ann Munn, crafts director and secretary; and Emma J. Woerner, treasurer, but their successors, Ruth Barrett Smith, Olivia Smith Moore, Harriet Goodsell Rauch, and Grace Adams Granger, mean an assured future to this project so dear to Pi Beta Phi.

The financial condition of the fraternity continues to be cause for the very greatest gratitude to the past Grand Treasurers, Ann Stuart and Lois Franklin Stoolman, and to their supporting Grand Councils, and to the present efficient and capable Grand Treasurer, Lolita Snell Prouty. It is only because the fraternity has held to sound financial practices, has planned wisely, and has avoided the all too common practice of spending the money of an organization with less care than one would spend her personal funds, that Pi Beta Phi, during a period of constantly advancing costs in every department, is able to continue effective functioning without any increase in active chapter fees. A recent report on the business side of colleges and universities said that their costs of maintenance had advanced sixty per cent in the past few years and that, almost without exception, this is meaning a serious financial problem. The same thing is true of the cost of running the fraternity. A study of the financial reports will show clearly that present annual income for the Contingent Fund, from which organizational bills are paid, allows only a small leeway of surplus and that without the endowment funds, built up in the past, and without the surplus accumulated during the years when costs were less, it would not now be possible for the fraternity to function successfully on the basis of dues and fees which approach the minimum required by any fraternity. Pride in the unequalled amounts in its endowment funds should not blind any member of the fraternity to the fact that, in times like these when costs mount constantly in every department and interest rates tend to decline rather than advance, Pi Beta Phi must continue to follow its usual sound and

conservative program financially and no new projects which would be dependent upon fraternity funds for their support should be undertaken. Only the interest from an endowment fund may be used and that interest must go only to the special purpose for which the fund was established. It is well to note, too, that from the surplus accumulated in the Contingent Fund in the past through wise financial policies and methods, there has been set aside more than \$15,000 for a chapter House Building Fund, more than \$12,000 for Holt House, and \$50,000 for the Emma Harper Turner Fund. Perhaps few Pi Phis have thought of the loss of income for running expenses which this involves. All rejoice that these things have been possible, however, without crippling the service which the fraternity gives to its active chapters upon whose strength the future of Pi Beta Phi depends. As has been said before, Pi Beta Phi does not consider any one plan the panacea for all internal ills but, instead, it tries to find the one best way of assisting each new chapter and each one in need of special help. Any plan is possible of execution, however, only because the fraternity is financially sound.

Expansion by NPC fraternities continues to be at a rate probably unequalled in the past. Many fraternities seem to have had no real expansion policy but merely widely differing plans, used from time to time, with the result that their expansion has been sporadic, sometimes too conservative, sometimes too liberal. For many years, Pi Beta Phi has held to a policy which recognized both that the fraternity had developed to a place where no group should be chartered merely for the sake of adding another chapter and that to be a true national, any fraternity must be represented widely on the campuses which attract students who measure up to Pi Phi standards and give these students an education whose value scholastically and in recognition is high. The old idea that, when there is one strong chapter, it is ill-advised to place another chapter near it was exploded years ago when it was conclusively evident that when campuses draw from the same general section and are strong campuses, failure to be represented on one campus means a loss of strength for the chapter on the other campus. A case in point might well be cited in Southern Methodist University, now a big University but only an outstandingly fine small college in the days when Pi Beta Phi established itself there. Other large nationals found it practically a necessity to have chapters at S.M.U. in order to maintain the standing of their chapters at the University of Texas. No longer can a fraternity successfully tell itself that it is a national unless it is nationally known and represented—and the two things go together. Some of the most rapidly expanding fraternities, today, are those which for many years talked of their "exclusiveness," even while they were trying desperately to get footholds on more campuses! Pi Beta Phi has, for many years, granted charters on one basis only—a strong group on a strong campus, with local or nearby support from alumnae assured. During the just ending interim between conventions, Pi Beta Phi has been approached by many college administrations, interested Pi Phi alumnae, and already organized groups. By Province and Grand Council vote, it has installed, at the University of Tennessee, a colonized group made possible by the enthusiasm and hard work of the local alumnae and the splendid cooperation of the University of Tennessee. It was with a very special feeling of gratification that Pi Beta Phi's Grand Council received the unanimous vote of the chapters in Epsilon Province which established a chapter at a university which from the very beginning of the

Settlement School has made its interest and assistance constantly evident. To this Convention, Grand Council is presenting the petition of Kappa Sigma Theta, of the College of Puget Sound, Tacoma, Washington. This group is the oldest and strongest local on a campus which until now has been closed to nationals. It has the active support of the college administration, which first opened the doors of the college to fraternities because of Kappa Sigma Theta's wish to petition Pi Beta Phi, and of the alumnae of Tacoma. The group has been visited by Isabel Clark Winkler, as Grand Council representative, and by Emily Babcock Draper, Lambda Province President, and representatives of all active chapters in Lambda Province. Because the sentiment of the Province chapters was divided, no vote of the Province on granting a charter was called for. It seemed to Grand Council better to have a decision in regard to the group made at convention when the entire situation could be discussed and considered from a national standpoint and a decision could be made by the fraternity as a whole. Grand Council believes that this group and this campus represent a very fine field for Pi Beta Phi which it can scarcely afford not to enter at this time when it would be the first NPC fraternity on a campus where three NIC fraternities have already established chapters in the few months since the privilege of petitioning for nationalization was granted student groups, and where the excellent past, the splendid present, and the seemingly unquestionable future offer so much in the way of fine fraternity relationships.

On the treasured list of fraternity firsts for Pi Beta Phi stands its good fortune in acquiring for its own the house in which it was founded. Holt House with its atmosphere of warm hospitality, its air of un-hurried early-Victorian graciousness, and its practical contributions to its community, is indeed a memorial to the founding whose value in things of the spirit cannot be over-estimated. Under the able and devoted chairmanship of Gladys Stump Nall, the past two years have been splendid ones and Holt House is now, at long last, completely furnished and a joy to each privileged guest!

Fraternity awards are announced each year, so it is necessary at this time to report only on the current ones. All national awards will be announced, as usual, at the convention banquet. The Province winners of the Amy Burnham Onken awards for character, scholarship, and chapter service are as follows, for 1947-48:

Alpha East—Nancy Wilson, Nova Scotia Alpha.
 Alpha West—Jacqueline Fenton, New York Gamma.
 Beta—Phyllis Steward, Ohio Delta.
 Gamma—Shirley Sprague, Virginia Gamma.
 Delta—Nancy Kelsey, Indiana Delta.
 Epsilon—Martha Krauss, Kentucky Alpha.
 Zeta—Jean Bohrer Brown, Florida Gamma.
 Eta—Caroline Mahan, Wisconsin Alpha.
 Theta—Harriet Hoegh, Iowa Zeta.
 Iota—Carolyn Campbell, Kansas Alpha.
 Kappa—Jo Ann Mullendore, Oklahoma Beta.
 Lambda—Barbara Miller, Washington Alpha.
 Mu—Mary Elinor Mansfield, California Beta.

The Pi Beta Phi graduate fellowship for 1949 has been awarded to Susan Blaicher, Wisconsin B.

From the reports of other officers and committee chairmen, Convention will learn of the work of other departments of the fraternity but the Grand President cannot fail to express her own deep gratification and pride in the achievements of which those reports will tell. Service to one's fraternity calls for the best that one has to give and means the necessity, many times, of placing the fraternity, rather than one's personal interests, first. The debt which Pi Beta Phi owes to the

alumnae whose devotion has been evident in such high service during these two years cannot be measured. Everywhere, the Grand President has found deep loyalty to the fraternity, willingness to give unlimited time and ability to it, and a true desire to further the best interests of Pi Beta Phi. She wishes to speak with special fondness and appreciation of the officers with whom she has been privileged to work most closely—the members of Grand Council, Beatrice Purdunn Felmy and Gladys Hayes Scivally, the Settlement School Committee members and staff, Gladys Stump Nall, Marian Keck Simmons, Lillian Beck Holton, and the Province Presidents who make up her special "family" and whose cooperation and help have been so heartwarming. She would express her deep sense of obligation, too, to the standing committee chairmen and members, the Recommendations Committees, and the Alumnae Advisory Committees without whose devoted labors of love the fraternity would be poorer indeed, and to the chapter officers whose leadership is of such high calibre.

The report of the Grand President as Pi Beta Phi's Delegate to National Panhellenic Conference will cover that phase of her responsibility to the fraternity. She would like, here, however, to speak of her deep gratitude for the support which Pi Beta Phi officers, active members, and alumnae gave to her during her term as chairman of NPC. Without the consciousness that the fraternity was standing solidly back of her as she tried to carry the heavy responsibilities of that office and without the understanding way in which they accepted the necessity, now and then, of her putting Panhellenic work ahead of work for Pi Beta Phi, she could not possibly have carried the additional load. She sincerely tried to give her best, for Pi Beta Phi.

During the year which is just ending, the Grand President has had the pleasure and privilege of visiting all active chapters in Beta Province, the two Virginia Chapters, Texas A, Ontario B, and Michigan A; and of enjoying the hospitality of alumnae clubs in Columbus, Athens, Miami, Toledo, Lewisburg, Harrisburg-Carlisle, Richmond, Austin, Dallas, Morgantown, Fairmont, London, and Cincinnati. At the time of the meeting of NPC, she enjoyed the delightful hospitality of Colorado A, Colorado B, and the alumnae clubs of Colorado Springs and Denver. She shared with Indiana Γ and the Indianapolis Alumnae Club, the thrill of Indiana Γ's fiftieth anniversary celebration. She was guest speaker at Panhellenic Workshops held at the University of Nebraska and at Southwestern and Memphis State College, and had the very great pleasure, at those times, of meeting with Nebraska B, the Lincoln alumnae, and the Memphis alumnae. When she spoke at the North Shore Panhellenic, she had the privilege of delightful contacts with Illinois E and the Phi Beta Phi alumnae clubs in the Chicago area. The gracious hospitality of Pi Beta Phi is like no other in the way in which it warms the heart of a visiting officer; for this, much thanks and a life-long remembering.

For the immeasurably great privilege of having a part in making and keeping Pi Beta Phi a fraternity without a superior, for the opportunity to give support to the ideals and standards which are and must continue to be the directing force in Pi Beta Phi, and for the treasured friendships which alone would make her debt to the fraternity one which nothing could ever repay, the Grand President has attempted to express her appreciation through service.

AMY BURNHAM ONKEN

MESSAGE OF THE GRAND VICE-PRESIDENT

To the Alumnae of Pi Beta Phi:

IT is not often that the Grand Vice President has the privilege of both presenting her report to Convention, and at the same time of extending a welcome to the delegates and visitors to her home state. It is our hope that this convention will be both a constructive and an enjoyable one, and that you will carry home with you many ideas for ways of strengthening your clubs, and truly happy memories of Hoosier hospitality. This is the third national convention to be held in this state. The first meeting of Pi Phi in Indiana was the third convention of the fraternity, and was held in Greencastle in 1872. The next convention was held in Indianapolis in 1906. We hope that it will not be another forty years before we may again welcome you to Indiana.

In preparing the brief history of the Alumnae Department, which serves as a preface to the Manual for Alumnae Club Delegates to Convention we had an opportunity of studying the growth and development of that phase of the fraternity. One is struck by the fact that the growth of the Alumnae Department was not a mushroom type of growth, but that of an organization growing to meet its needs, feeling its way slowly but surely, building a firm foundation that would last through the years. This has meant added dignity and strength for the fraternity.

The past two years have not been phenomenal ones, but they have been marked by that same steady growth. We can point with pride to an increased membership, larger attendance at meetings, a fuller meeting of fraternity responsibilities, a growing sense of community obligations, and the realization of the force for good that we as fraternity women can wield in the world today.

These values have been apparent not only within our clubs, but in communities where there are no clubs with the result that when numbers and circumstances permitted they wished to be an official part of the fraternity. Within the two year interim between conventions nineteen new clubs have been chartered—eleven of them this year. Those chartered this year are Baton Rouge, Louisiana; Vancouver, British Columbia; Ogden, Utah; San Bernardino, California; Shelbyville, Indiana; Medford, Oregon; Crowley Ridge, Arkansas; Osceola, Arkansas; Fort Worth, Texas; Eastern Maine, and Bellingham, Washington. Through the chartering of these clubs nearly four hundred more members of the fraternity have become actively interested in serving Pi Beta Phi.

The real problem is how to arouse the interest of more of our alumnae. And it is not entirely a problem of organizing new clubs. Only thirteen clubs have fully utilized their potential strength by having 100% paid membership. We should like to give them special recognition. They are Poughkeepsie, New York; South Hills, Pennsylvania; Lansing-East Lansing, Michigan; Jefferson City, Missouri; Lakeland, Florida; Carthage, Illinois; Jacksonville, Illinois; Casper, Wyoming; Hutchinson, Kansas; Manhattan, Kansas; McAlester, Oklahoma; Muskogee, Oklahoma; and Okmulgee, Oklahoma. We recognize, of course, that such a record is not possible for the very large club, but we hope that the coming year will see a greater per cent of the resident members becoming paid members.

Perhaps the need is for a program of education within our chapters on the privileges, the values, and the responsibilities for continuing their active partici-

pation in fraternity affairs by joining their alumnae club immediately upon graduation. It is significant that one of the discussion topics at this convention will give consideration to this question. The alumnae can do so much toward this education by their approach to the matter of active-alumnae relations. Actives need to know the alumnae at times other than during rush week, so that they will look upon their affiliation with the alumnae club following their graduation as a natural transition, and something to be looked forward to. One club very interestingly celebrated Chapter Loyalty Day by pledging themselves to attend the next initiation service held by the chapter. The clubs must plan their meetings and activities so as to appeal to all age levels, and to all interests if they would have a large percent of their resident membership active and working.

Two hundred and two Questionnaires have been received this year and they along with the reports from the Province Vice-Presidents indicate that the year has been one of accomplishment for the clubs. As the year came to a close we had two hundred twenty-two alumnae clubs, but in the last few days we have had word from Mohawk Valley, New York, and Clarksburg, West Virginia, that they feel they cannot successfully continue as active alumnae clubs, and are relinquishing their charters. We lose these clubs with regret, and trust that in the future circumstances will change and that they will be back on the active roll of the fraternity.

Year Books were received from one hundred thirty-five clubs—a much larger number than last year. These, too, indicate busy times and interesting meetings for the clubs.

It appears that an increasing number of clubs have undertaken local projects of various sorts—a great many of them in the health field—but the three projects of Pi Beta Phi continue to command the interest and support of the clubs.

Pi Beta Phi is fortunate in having the outstanding national philanthropic project of all NPC groups, and one that is completely our own in that it was conceived, developed, and is administered by the fraternity rather than that of lending our aid and assistance to an already established project. The completion of the new Health Center marks another milestone in the history of the School. This summer will be the fourth year in which we have cooperated with the University of Tennessee in putting on the Summer Workshop program. Some of these students return year after year. A number of them have been speakers for our various clubs. The high quality of the staff for the Workshop this year assures another successful year for this recent development in our Settlement School program.

Clubs contributed a total of \$11,110.03 to our Settlement School this year while the chapters contributed a total of \$2,206.26. This represents an increase over last year. Fifteen clubs gave \$200.00 or more with St. Louis again leading all clubs with \$1200.00. The others are Northern New Jersey, New York City, N.Y.; Cleveland West, Ohio; Cleveland East, Ohio; Washington, D.C.; Senior; Kansas City, Mo.; Milwaukee, Wisconsin; Indianapolis, Indiana; Denver, Colorado; Dallas, Texas; Houston, Texas; Seattle, Washington; and Los Angeles, California.

There are two other ways in which the clubs assist the Settlement School. The Magazine Agency, and the sale of Arrowcraft products. In both of these we show excellent gains for the year. In magazine sales,

awards went this year to Denver, Colorado, for the highest total commissions, with Mrs. Walter Hultin as chairman; to Jefferson City, Missouri, for the highest per capita commissions with Mrs. George A. Rozier as chairman; and to Wichita Falls, Texas, for the highest per cent increase with Miss Mildred Norwood as chairman.

Two years ago there were thirteen clubs selling over \$600.00 worth of Arrowcraft, last year there were twenty-nine, but this year there are forty-two. Space does not permit our listing all of these so we shall instead speak a word of praise for this splendid showing on the part of so many clubs.

A further checking of information shows that many more clubs sold Arrowcraft articles than handled them last year. These sales are the finest kind of publicity for Pi Beta Phi.

Each year more members have had the pleasure of seeing Holt House. As that personal touch with the beginning of Pi Beta Phi has come to more of the members, interest in the support of Holt House has grown. In addition to the special gifts a total of \$2334.00 was given by the clubs and chapters. Kansas City gave more than \$100.00, while Pittsburgh gave \$50.00, Iowa City, \$35.00 and Monmouth \$25.00.

A few more requests for Loans have been received this year than last, but the contributions have far exceeded the present need, and for that reason Grand Council is recommending that the Emma Harper Fund be increased, and that contributions to this Fund be considered in recognized clubs for 100% support of fraternity projects. Columbus, Ohio, Madison, Austin, Berkeley, San Francisco and San Mateo all made Loan Fund contributions of \$25.00.

The following provinces have been 100% in the support of fraternity projects this year: Alpha East, Gamma, Delta, Epsilon, Zeta, for both clubs and chapters, with clubs alone on the 100% roster being Eta, Lambda, and Mu. The chapters in Kappa Province were 100%.

While Settlement School, Holt House, and Loan Fund are counted in reckoning 100% clubs, interest in and support of the active chapters is no less important. With the changing of the wording of one of the four required meetings from "interest of the nearest active chapter" to "active chapter interests," more clubs have understood that it applied to all clubs and not just those fortunate enough to have a chapter located in the same city. A great many clubs planned this meeting for January so that it might take place at the same time they celebrated Chapter Loyalty Day. While many clubs indicated only that gifts had been made to chapters without stating the actual amounts it is safe to say that well over \$4,000.00 has been given to the chapters. Service to the chapters cannot be counted in terms of dollars and cents alone, but must include the time and thought given in the many ways alumnae have of working with the active chapters.

This is the first convention for which delegates have received checks under the constitutional provision of the Convention Tax Fund. This ruling has caused more hours of work for the officers and Central Office, yet its benefits cannot be denied in the face of the fact that more clubs have delegates than at the 1946 Convention—many of them coming from clubs that have not within our knowledge had a representative at Convention. In order to reap the benefit and still overcome the clerical difficulties, Grand Council is recommending that the Convention Tax be changed to an outright increase in alumnae dues. We think it is of interest that along with the amount received

from the Convention Tax that 42 clubs are paying all the expenses of the delegates, and 54 are paying part of their expenses. Never have there been as many delegates who have not borne at least a portion of their expenses. Having over half of our clubs represented here at convention cannot help but mean a better year ahead for the Alumnae Department.

In reviewing the past year much of its success can be attributed to the fact that there have been no changes in office among the Province Vice-Presidents, and that added to this advantage of continuity of leadership has been the benefit of increased fraternity knowledge, and the experience gained in assisting and guiding clubs which the officers obtained during the summer conference of officers held at Gatlinburg last summer.

A large number of clubs have expressed a desire for help in program planning and in finding new means of increasing their budgets. A tabulation of the suggestions in both of these fields has been made from the questionnaires and will be given to delegates here and mailed later to those clubs not represented. Once in awhile one hears such comments as "let's do away with the History and Constitution meeting." But let us ask how else could we depend upon alumnae to keep themselves informed, and abreast of fraternity trends? One club in speaking of this particular meeting said they had had a skit and that "it was an hilarious evening, but in a sobering way we realized how little we knew of our Pi Phi Constitution and History." One Province Vice-President reported that at the beginning of the year some clubs had voiced objection to this meeting but later reported that the meeting turned out to be one of the most interesting of the year due to careful planning on the part of the program chairman.

In line with studying the fraternity constitution and history we have urged clubs to study their local by-laws and history. The dates of the chartering of all alumnae clubs as they are recorded in the files of the Grand Vice-President have been sent to the Province Vice-Presidents. Nine clubs asked for a reissue of their club's charter when they found theirs missing from their files, and paid the required one dollar for their reissue.

We should like to urge greater use of the alumnae transfer blank so that fewer alumnae in moving from one city to another become lost temporarily or otherwise.

It is a matter of great pride that so many of our alumnae clubs took the lead in organizing City Panhellenics. This is a contribution to the furthering of the cause of the fraternity system, because Panhellenics can do much to promote the value of fraternities as well as overcome the criticisms. This interest in Panhellenics on the part of our clubs is but a reflection of the fine leadership of our Grand President, who in her work with NPC groups has inspired all of us to an upholding of true Panhellenic attitudes.

This is the first report to convention since the establishment of The Order of the Golden Arrow as a part of our national fraternity. In the two year period, letters notifying members of their eligibility as members of the Order of the Golden Arrow have been sent to 1063. Some of these were returned to Central Office for various reasons with the result that 571 certificates have been issued. Of this number only 48 were for those eligible this year. The many letters received at Central Office from our Golden Arrow members express pride in fifty years of membership in Pi Beta Phi, and joy in receiving THE ARROW.

The continued interest in the Save the Children

Federation has been most gratifying. We know the clubs have gotten real pleasure out of this service to others.

In accordance with a decision of Grand Council last summer a committee was created to study the possibility of an alumnae award for service to fraternity and community. Questionnaires were sent to clubs to learn their opinions on the various questions involved and the report based on the finding will be presented to the Alumnae Session as will that of the Committee to study the proposal of a Home for Pi Beta Phis as authorized by the last convention.

Your Grand Vice-President could not bring this report to a close without expressing her appreciation for the many new friends she has made this year in serving the fraternity. The responsibility of directing and colonization of a petitioning group at the University of Tennessee was made easier by the wonderful assistance given by the Historian, and Delta Province Vice-Presidents, ten active from various chapters, and the members of the Knoxville-Little Pigeon Alumnae Club. Contact with this group and their special counselor, Peg Ward, Indiana E, through the year made it a very special privilege to return in the spring to install this group as Tennessee I chapter, assisted by the Epsilon Province President and Vice-President, and representatives of Tennessee Alpha and Beta.

Official visits were made to Maryland A, Arkansas

A, Oklahoma A and B, Texas B, Louisiana A and B and alumnae clubs in Fayetteville, Tulsa, Oklahoma City, Stillwater, Norman, Dallas, Ft. Worth, Shreveport, Houston, Corpus Christi, Baton Rouge, and New Orleans. Unofficial visits were enjoyed with the Denver Alumnae Club, and Colorado A and B following the National Panhellenic Conference meeting in Colorado Springs, and with Indiana A, I, and E. Founders' Day was celebrated with the Alumnae clubs of Chicago and Illinois E.

The record, of which this report speaks, could not be written were it not for the superior direction of the work of the clubs by our Province Vice-Presidents, and the Director of Alumnae Extension. I have enjoyed the contacts with each one and wish to thank them and the Director of Central Office for their loyalty and cooperation. Working with the other members of Grand Council is a treasured experience I shall always remember.

There is real joy in service when one is permitted to work with those whose interests one shares. The bonds of the fraternity do indeed become for alumnae everywhere the silver link, the silken tie—and when bound together by these common ideals and aspirations there is no limit to what may be accomplished by and for the Alumnae Department of Pi Beta Phi.

MARIANNE REID WILD

GRAND SECRETARY

THE INSPIRATION of fraternity work lies in deeply satisfying personal contacts, in the vision of "fraternity in action" available to the officer through incoming correspondence and reports, and in the pride which she feels in her fraternity because she has the opportunity to know of the excellent performance of many Pi Beta Phis, young and old. In such inspiration this officer has had her full share in the year just ending.

In regular line of duty the minutes of the annual meeting of Grand Council became the first task of the 1947-48 year. A special assignment was the reorganization of the "Policies and Standing Rules" so that they could be easily accessible and understood by the chapters and Advisory Committees. Officers and chairmen were notified of the recommendations made at the annual meeting affecting their work. Chapters holding the coveted fraternity awards were contacted and directed about shipping the trophies to the winning chapters. These duties, with the signing of some 1300 membership certificates, occupied the time of the secretary until the opening of the school year.

The Grand Secretary complied with the request of the Province Presidents for more frequent letters to the Alumnae Advisory Committees and offered, in her January letter, an analysis of her findings from the 1947 questionnaires. It was a rewarding effort to study the ninety-two individual replies and it is hoped that the committees have found the material gleaned from alumnae on many campuses practicable for use and for solving some of their own problems. Specific problems should be discussed with the Province President or the Grand President but we can build upon valuable experience if we use the questionnaire as a clearing house for general problems and for suggestions for improvement in any phase of the important service which the adult gives to the active chapter. Working with our ninety-three active chapters we have over four hundred and fifty alumnae who give of their time and their counsel. It is certain that

chapters find in the interested, understanding and active committee the confidence and sense of security which are essential to the progress of any good chapter and that the continuity provided by a responsible committee is of invaluable service to the chapter and the fraternity.

Closely linked with the supervision of the Advisory Committee work is the supervision of the new chapters who receive guidance for a period of two years after their installation; and of the chapters needing special guidance because of failure to meet fraternity standards. New Mexico A has just completed this period of special supervision for new chapters; Illinois O has another year; and Tennessee I, installed in May, begins the two-year period next fall. This involves monthly reports on the basis of a specified outline, from the chapter president and the special adviser to the new chapter. Personal letters acknowledge each. Because it has been her duty to supervise chapters under fraternity probation the Grand Secretary would like to express her pleasure in and pay tribute to the great bulk of quality chapters within the fraternity. In the roll of the ninety-three there have been remarkably few needing this supervision, which means remarkably few Pi Beta Phi chapters not representing their fraternity in a way of which the wearers of the Arrow may be proud.

The third assignment in supervision is actually less supervision and more particularly contact with the chairmen of all standing committees which are not specifically assigned to other officers in logical associations. The material sent out by these chairmen has been studied and reports and recommendations have been carefully considered. Many of these assignments require hours of work, wise planning, and patience in execution. Here again, we are impressed by the contribution of the alumnae of our fraternity, to its security and its progress.

In preparation for Convention, letters of instruction were sent out to all chapter delegates regarding their

reports and to all officers and chairmen concerning theirs. These reports were received and filed for the meeting of Grand Council and for the September ARROW. By order of Grand Council and due to publication restrictions the delegates' reports will be printed for distribution at Convention. Credentials for all active delegates and their alternates are now in the hands of the Grand Secretary.

It was the happy privilege of this officer to be the Grand Council visitor in Epsilon Province this year, as the guest of Missouri A, B and F, Kentucky A, and Tennessee A and B. Brief contacts were enjoyed with Colorado A and B and West Virginia A, and with the alumnae clubs of Denver, Columbia (Mo.), St.

Louis, and South Hills Pittsburgh.

The advisory committee chairmen, the special alumnae advisers, the presidents of chapters under supervision, the presidents of chapters visited and their chapters, the national committee chairmen, and the Director of Central Office have all cooperated so fully and so graciously that the heart is warmed in contemplation. Gratefully the Grand Secretary acknowledges her debt to each one, and, to her fraternity associates on Grand Council for the inspiration and privilege of working with them which has made her service in Pi Beta Phi so rewarding.

LUCILE DOUGLASS CARSON

ARROW EDITOR

IN REPORTING on the conduct of the office of the ARROW Editor, the magazine which comes into your hands four times a year tells in part its own story—if the members of Pi Beta Phi have found information and pleasure in its pages, then its publication has not been in vain, and the ARROW has carried out its essential mission, that of presenting a picture of the life of the Fraternity and its members.

Most of the difficulties of the war years have by now smoothed themselves out, but others always come to take their places. We are still hampered because we cannot get the fine type of book paper we once used, since its manufacture is still restricted as to quantity—magazines of smaller circulation than ours have not the great difficulty involved in meeting the needs of a magazine which now goes to 37,000 subscribers and uses 66,533 pounds or 1½ carloads of paper. Even if we could get all we need, the currently-rising cost of paper would forbid its use as a measure of economy. We have however, this year been able to get a paper of slightly better weight and finish, and in the pictures we have used, while fewer in number than they once were, have looked better. They would be better still if all pictures sent in complied with the size and finish requested—many times a hazy cut has resulted from making use of a picture of artistic portrait type of a girl whose achievements seemed important enough to warrant risking a poor cut.

Along with general printing expenses, the cost of engravings has risen also. The financial statement of the ARROW will be included in the report of the Grand Treasurer, and this will again this year show a deficit. This has been for the past several years made up from the contingent fund, since Grand Council has felt that the quality of the magazine could not be further reduced and still have the magazine a worthy representative of a fraternity of the size and importance of Pi Beta Phi. The Editor recommends that Convention give favorable consideration to the proposal of Grand Council in the recommendations which were distributed before Convention that ARROW Endowment funds over \$500,000 be used for investments in chapter house corporations, thus increasing the income of the ARROW. For the December and March issues of this year the number of pages was drastically cut, but for the May issue the pages had again to be increased, to take care of the Convention material, and to publish the long lists of active and alumnae rushing chairmen, and to restore the section of pictures of honor girls which had to be omitted last year.

In the choice of material to be used, we give preference to articles of national or international interest, and we have this year sacrificed much personality material in favor of that which had a broader type of

interest. As always, the ARROW has tried to give a picture of the life of the Fraternity, and at the same time to balance serious material with such lighter things as Beauty Queens. We hope that in each issue each member finds something of special interest to her, and we are grateful to those who take the trouble to let us know what they have liked.

In March the Editor had an especially happy contact with the National Historian when she spent a day in Kansas City. Mrs. Simmons and her assistant, Mrs. Delaney, are classifying and arranging material, and have worked out a fine system for handling chapter histories. Mrs. Delaney's new files make these instantly accessible and of real value, and she has greatly simplified the work of the office. Plans for the Historian's exhibit at this Convention were discussed and heartily approved, and the resulting display of precious historical material is one that every one in attendance at Convention should see. With every passing year the work of the Historian becomes more important, with the necessity of preserving records which cannot be replaced because the people who lived when the history of the fraternity was in the making have gone, and we can no longer depend on their memories of events. To Mrs. Simmons and Mrs. Delaney are due the gratitude of the Fraternity.

The Committee on Publicity, under the chairmanship of Elva Ayler Cowan, has again been active, and much use is being made of the material which they have sent out—it is however, not always possible to get newspapers to accept such material. A special word of commendation from the Editor's point of view goes to the publicity director of the Convention Committee, whose plans for news releases are excellently worked out and should result in fine national publicity.

The question of publishing a Directory has been given much thought by the Editor and Grand Council, and one will be printed as soon as it is practicable. The cost will be very high, but seems justified by necessity, since the ten year period since the last one appeared has meant many changes of addresses, to say nothing of the listing of all initiates of those years.

During the Spring official visits were made to Zeta Province chapters, Alabama A, Georgia A, Florida A, B, and F, and as many alumnae were included as possible, with a formal meeting with the Atlanta Club and social gatherings with alumnae in Orlando, Deland, Birmingham, Tallahassee, and Kansas City. The Editor was happy to accept the invitation of the representatives of the Southern California clubs to attend their meeting in September, to meet twice with the South Coast club, twice with Long Beach, and with Santa Monica—this last visit included dinner with California Δ. It was again a pleasure to be the guest

of the San Francisco Bay Pi Phis at their beautiful Founders' Day luncheon at the Claremont Country Club, with 250 Pi Phis from the whole Bay area in attendance, including California B. It was also a pleasure to be at home with the San Diego club for their Founders' Day Banquet, held at the University Club.

The work of the Editor has been made pleasant by the cooperation of Grand Council, with Miss Onken as always the best source of material.

From the George Banta Publishing Company and

especially from Mr. Bachmann we have had as always the finest of cooperation. Special thanks go to the faithful ARROW staff—without them the task of getting out the ARROW would be impossible.

It has been a privilege to continue to serve the Fraternity, and the Editor is most grateful for all the assistance and the gracious courtesies extended to her by Pi Phis everywhere.

Respectfully submitted,

ADELE TAYLOR ALFORD

REPORT OF THE GRAND TREASURER

BESIDES fulfilling the regular duties of the office during the year 1947-1948, the Grand Treasurer reports the following special tasks accomplished: revising the Manual for alumnae financial advisers, composing a letter for parents of pledges and actives concerning fraternity finances, compiling a list of suggestions for chapter treasurer's note-books, and sending out a letter to chapter treasurers.

The N.P.C. meeting at Colorado Springs in No-

vember was attended, and during February and March, Nebraska B and the eight chapters of Delta Province were visited as well as Central Office and the National Supervisor of Chapter Accounting. The year has been an extremely busy one made happy by the contacts with Grand Council members and many other Pi Phis.

Respectfully submitted,

LOLITA S. PROUTY

Grand Council
Pi Beta Phi Fraternity
Office of Grand Treasurer
Denver, Colorado

WE HAVE examined the balance sheet of Pi Beta Phi Fraternity as of July 31, 1948, and the statements of fund transactions for the year then ended. Our examination was made in accordance with generally accepted auditing standards, including such tests of the accounting records and such other auditing

procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and the related statements of fund transactions present fairly the position of Pi Beta Phi Fraternity at July 31, 1948, and the changes in fund balances during the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

DIRECTOR OF RUSHING AND PLEDGE TRAINING

THIS second year on Grand Council has proven to be even more inspiring and interesting than the first year. The joy of working under Miss Onken's leadership as well as the delight of working with the other members of Grand Council last summer at Gatlinburg as well as by corresponding during the year and of being with them at National Panhellenic Conference cannot be surpassed. Gratitude for such experiences in friendship can never be sufficiently expressed.

The year began, or ended, in June with a Grand Council meeting at Gatlinburg where some of the time was spent in the meetings with Province Presidents and Province Vice Presidents, the first to be held in the interim of convention. You have read in THE ARROW about the success of that meeting. It is to be hoped that such meetings can continue to be held.

Out of the Grand Council meeting came the new requirement that a recommendation and consent to bid for each girl pledged to Pi Beta Phi must go to the Director of Rushing and Pledge Training. This requirement has been well met.

Out of the Province Presidents' meetings came the request that letters from national and province officers with the exception of that from the Grand President and Grand Vice President be cut to a page in length, and with that suggestion the Director of Rushing and Pledge Training attempted to comply in her correspondence with rush captains, pledge supervisors, and program chairmen. The past months have been spent in preparation for convention, working with the chapter delegates, planning for the pre-convention meeting of Province Presidents, and completing arrangements for Pi Phi Night at convention.

This officer was responsible for compiling a Manual for Program Chairmen, and has just finished the putting together of the Revised Manual for Province

Presidents. She is working on a Manual for Pledges. In working on all this material and in sending out some of her letters, the Director of Rushing and Pledge Training wishes to express her sincere gratitude to the Director of Central Office and her staff for their ever-generous assistance.

There was a rather heavy schedule of traveling last fall when the Director of Rushing and Pledge Training visited Lambda Province, at which time she had an opportunity to meet the newly formed Vancouver Club in British Columbia, Canada and enjoyed the hospitality of the alumnae at Portland, Spokane, Moscow and Bozeman. It was a joy, too, on that trip to have the opportunity of becoming acquainted with the College of Puget Sound and the Kappa Sigma Thetas, and with the son of Inez Smith Soule. Immediately following this trip she joined the other members of Grand Council at Colorado Springs to attend National Panhellenic Conference of which our Grand President was chairman. This most interesting and valuable experience was followed by a delightful week-end at the home of the Grand Treasurer when we had an opportunity to meet so many of the fine Pi Phis in and around Denver.

It was with real pleasure that this officer visited informally the February meeting of the Montreal Club. She was sorry not to be able to accept their kind invitation for Founders' Day.

With Convention comes the completion of two years for the Director of Rushing and Pledge Training on Grand Council. She wishes to thank the fraternity for the privilege of serving Pi Beta Phi in this way. Her special privilege has been once more to have had among her duties that of assisting the Grand President whenever possible.

Respectfully submitted,

ISABEL CLARK WINKLER

DIRECTOR OF ALUMNÆ EXTENSION

IN THIS second year in which the fraternity has had a Director of Alumnae Extension, there seems to have been an increase in the duties of this office, perhaps because greater familiarity has brought clearer vision of its possibilities.

The year started with writing a report of the interesting conference between Grand Council and the Province Officers which was held at Gatlinburg in June, 1947. As a result of this conference, and in accord with a motion made by the Province Vice Presidents, a letter was written by the Director of Alumnae Extension and sent out in the fall to the presidents of alumnae clubs, in an effort to present the four required meetings to them from a new angle.

Later, the annual letter was sent to the presidents of the Pi Phi Mothers' Clubs, with a request for the list of their new officers.

The routine check of chapter reports on those delinquent in meeting their financial responsibilities was made twice during the college year, and it may be well to note here that chapters do not yet fully understand that they *must* report, regardless of whether or not they have delinquents.

This year there has been a gratifying number of new clubs, eleven in all, with the honor going to Kappa Province of starting four. The sweep of our whole country is shown in the list of the names: Eastern Maine; Shelbyville, Indiana; Baton Rouge,

Louisiana; Crowley Ridge, Arkansas; Fort Worth, Texas; Osceola, Arkansas; Ogden, Utah; Medford, Ore.; Vancouver, B.C.; San Bernardino, California; and Bellingham, Washington. Inquiries from many others led to their being sent the blank application for a charter. To the newly chartered clubs have been sent greetings, with a proffer of help if they need it.

Because of the illness of Lois Stoolman, chairman of the Committee on Extension, the work of directing her committee was temporarily assumed by this office. Letters of inquiry were answered, and followed in some cases by sending the blanks on which to give information about the campus where the interested group was situated.

Among other activities were serving on the Alumnae Award Committee whose chairman was Irma Riley of Berkeley, and proofreading with the Director of Central Office, Gladys Scivally, the revised Constitution and Statutes when the proof was received from the printer this past month.

Of course constant contacts were kept with the Grand President, the Grand Vice President, and other members of Grand Council.

It was with the greatest of pleasure, and profit, that the Director of Alumnae Extension attended NPC in Colorado Springs last November. Afterwards as the guest of the Denver Alumnae Club, the Pi Phi Mothers' Club there, and of our two Colorado chap-

ters, she enjoyed true western hospitality in Pi Phi guise.

Later, Kansas City afforded her a most delightful week end when, as a guest of their club for Founders' Day, she met not only Kansas City Pi Phis, but members of Kansas A, Kansas B, Missouri A, and Missouri T.

As before, the visits to chapters proved a high point of the year. Alpha East Province supplied a series of delightful experiences while this officer was a guest of its seven chapters. Sometimes the weather failed to be pleasant and cooperative but never the Pi Phis!

Although the major work of the year was writing

the new *Manual for Social Chairman* for active chapters, it proved a most interesting and instructive labor. The necessary intensive study of Emily Post uncovered deficiencies in the officer of which she had been blithely unconscious these many years.

In closing, I wish to voice my appreciation of having been a national officer, with the opportunity to work for the fraternity with the other officers and members. It has been a privilege, the depth of which I have increasingly appreciated.

Respectfully submitted,
MARIE BACON HAGEE

NPC REPORT

To Pi Beta Phi Fraternity:

TWO YEARS ago, Pi Beta Phi's Panhellenic Delegate tasked of the fraternity that it give her its greatest possible support in her difficult position as Chairman of National Panhellenic Conference by a more complete-than-ever-before meeting of College and City Panhellenic responsibilities by active chapter and alumnae members. Today, she finds it difficult to express her appreciation for all that the immediate response to this request brought in increased service by Pi Beta Phi everywhere to the cause of Panhellenics. She feels sure that in the joy of increased and deepened interfraternity friendships and in the gratification at seeing fraternities as such gain added esteem from colleges and communities, these Pi Beta Phi themselves have found full compensation for the time, ability, and hard work which they have given to Panhellenic groups. For the Delegate, herself, their heartening cooperation meant the added support and courage needed for the obligations placed upon her by that automatic accession to the NPC chairmanship. This and the cooperation, too, to an amazing degree of the other fraternities which made up NPC made an experience which she had dreaded, one which she can remember with a large degree of happiness.

Since a report of the 30th Biennial National Panhellenic Congress was sent to each chapter, alumnae club, and officer, and appeared, too, in *THE ARROW*, no attempt will be made here to repeat the information given in it. It is again urged, however, that every Pi Beta Phi study that report and, if possible, the printed Minutes of the Congress which were sent to the files of all official fraternity groups; know Panhellenic regulations and conditions as they are today; and continue her active support for all inter-fraternity projects. The radical change in policy which admitted to National Panhellenic Conference national fraternities with restricted membership or in restricted fields has broadened the service of NPC and has given recognition and cooperation to splendid national groups. On June 1, the six fraternities which formerly comprised the Association of Education Sororities, each individually presented statements saying that all requirements of NPC, regarding dual membership and educational standing of campuses on which there had been chapters, had been met and each was then admitted to NPC as an associate member. Pi Beta Phi, as intelligent fraternity women, should familiarize themselves with the names of each of the present active and associate members of National Panhellenic. The newly admitted associate members are A Σ Φ, Φ Σ Σ, Δ Φ E, and Σ Δ T, fraternities selecting their members from the Jewish race; Θ Φ A, a fraternity for Catholic women; and Π K Σ, Σ Σ Σ, A Σ T, A Σ A, Θ Σ E, and Δ Σ E, fraternities which have up until

now had chapters only on teachers' college or normal school campuses. These active and associate member fraternities now represent NPC on 232 college campuses, all of which meet NPC's requirements for accreditation.

Special attention is called to the fact that, in order to allow the former education groups to establish themselves as NPC fraternities before they had to meet competition from the older, established NPC fraternities, NPC voted: "Not until January 1, 1949, shall any overtures leading to future chapters be made by or given consideration by any member group of NPC, active or associate, on campuses now occupied by the present A.E.S. groups." While many campuses, which until recent years were those of teachers' colleges but which are now established with full college ratings and which were formerly closed by the NPC-AES agreement, are now open to NPC extension, all campuses on which there was even one AES chapter in November, 1947, are still closed to NPC fraternities until January 1, 1949. No overtures leading towards the establishment of a chapter may be made by any NPC fraternity, through its officers, chapters, alumnae clubs, or individual members. Nor may any overtures from groups on such campuses be given consideration by any of the above listed representatives. Any violation of this NPC agreement by any other NPC fraternity should immediately be reported to Pi Beta Phi's delegate. Many campuses, formerly closed to NPC extension, are now open to it and some fraternities seem to be staging a real "rush" into those campuses. Some of these colleges are or will be excellent fraternity fields and will be given real consideration by Pi Beta Phi, undoubtedly, as they meet its requirements. As a rule, however, it would seem that the change from a teachers' college to a full college or university is not a thing which comes automatically with a change of name and status. Changes in campus traditions and customs, student and faculty personnels, and courses of study must all be made, and a radical change normally requires time to become effective. Some plan for a period of adjustment for such institutions would seem to have been a wise precaution for NPC but none has been made. Under all conditions, Pi Beta Phi's extension should continue to be in keeping with its regular dignified, proven procedures.

Pi Beta Phi's Delegate is now serving as Chairman of the NPC Committee on City Panhellenics and as a member of the National Panhellenic Conference—National Association of Deans of Women Committee. The recent meeting of NADW gave an opportunity for a full meeting of the NPC-NADW Committee which fosters cooperation between the two groups in the fields which are common to both, and plans were made for carrying out a number of projects which

should mean much to both groups. The City Panhellenic Committee members who were present at the National Association of Deans of Women meeting got together informally, at that time, also. The unlimited opportunity for service which these two committees represent is a challenge to any delegate to give her best. Convention may be interested to know that, on June 15, there were ninety-nine affiliated City Panhellenics, with NPC dues paid for 1948, an increase of fifteen since November, 1947, and that included in the list is NPC's first affiliated Panhellenic from outside continental United States—the Women's Panhellenic of Hawaii, the group of fraternity women whose service in all fields during World War II was so outstanding. Contacts have been established with a City Panhellenic in Korea and it is hoped that NPC will soon include its first Panhellenic on foreign soil.

Reports to National Panhellenic Conference on September 1, 1947, showed a gratifying growth for NPC fraternities during the two-year interim between its meetings. There were seventy-nine chapters installed during that period, in contrast to thirty-six during the immediately preceding two years, while only four chapters were lost, in contrast to nine which were lost during the corresponding earlier period. The number of new chapters installed by the different fraternities may be an interesting bit of statistics: $\Gamma \Phi B$ had installed one chapter only; Π Beta Phi, $\Lambda O \Pi$, $X \Omega$, and ΘT had installed two each; $\Lambda \Xi \Delta$, $B \Sigma \Theta$, $\Delta \Delta \Delta$, and $Z T A$, three each; $K \Delta$, $K K \Gamma$, and ΦM , four each; $\Lambda \Gamma \Delta$, $\Lambda \Phi$, $\Delta \Sigma$, and $K A \Theta$, five each; ΣK , six; $\Lambda \Delta \Pi$, 7; and $\Delta \Gamma$, 9. The ARROW Editor will report to Convention on the chapters installed by NPC fraternities since September 1, 1947. The total number of active chapters was reported as 1222 and the total number of organized alumnae groups, as 2237. $K K \Gamma$ claimed the most alumnae groups, 244, and a gain during the two-year interim of 71! Π Beta Phi was second in total number of alumnae groups with 214 but it had gained only 2 new clubs. The total membership of NPC fraternities was given as 492,882.

What a force for good these half million especially chosen, especially trained women could be!

Upon the invitation of the officers of the National Committee of College Fraternities and Societies and of the Interfraternity Research and Advisory Council, your delegate attended the recent meetings of these inter-Panhellenic groups at Cincinnati, late in April, although she is no longer officially affiliated with either. It was especially gratifying at the meeting of NCCFS to have NADW represented by the Dean of Women from the University of Kentucky and to have her assurance that she will recommend to NADW that it affiliate actively again with NCCFS. It seems very important that NADW be a part of this group whose purpose is "to encourage and assist all worthwhile national college fraternities and societies which include in their programs contributions to the broad educational objectives of the institutions of which they are a part." NCCFS gave special thought, at its recent meeting, to the forthcoming edition of Baird's Manual and will do everything within its power to see that the material included in the book is accurate and dependable. IRAC reports showed that progress has been made in the field of public relations. Plans were discussed for the first great all-fraternity banquet which is planned for Cincinnati, this fall, with nationally known speakers. It is hoped that, at that time, there will be the first presentation of a fraternity award which will go to a first-generation American of high achievements, in recognition both of that individual's service to America and of the service which the college fraternity has long given to American youth.

Π Beta Phi is a recognized leader not just as a fraternity among fraternities but as a part of National Panhellenic Conference. With a continuation of the fine Panhellenic spirit demonstrated by Π Beta Phi's, during the past two years, the fraternity itself will unquestionably make its contribution to inter-fraternity friendliness, interfraternity cooperation, and fraternity prestige still greater.

COUNSELOR FOR CHAPTER HOUSE CORPORATIONS

THE position of Counselor for Chapter House Corporations was established by the 1946 Convention. It takes the place of the Assistant to the Grand Treasurer. The work done is much the same except that it is now under the Grand President whose guidance is much appreciated. Close contact has been kept with the Grand Treasurer and she, too, has been most helpful. The work of the alumnae who are trustees of our fifty-seven chapter house corporations is of inestimable value to our chapters. It is with the treasurers of these corporations that the Counselor works, and they have been cooperative at all times in giving information to the Counselor and in following advice from the Counselor.

Two general letters were sent to all house corporation treasurers during the year. In September a letter went with a bulletin explaining what all chapters and house corporations must do to comply with federal tax regulations. Although ours are Not-for-Profit corporations, a blank must be filled out and sent by each one to the Federal Revenue office each year.

The Manual for Chapter House Planning and Building was revised and enlarged and copies went to each

corporation treasurer. Copies of this manual may be obtained at Central Office.

A second general letter was sent to all corporation treasurers the first of January with the blanks for the annual financial report due January fifteenth. This letter contained information about a new ruling requiring all chapters to carry some form of liability insurance and advising the corporations to see that there was coverage for all workmen employed at any time of the year. This insurance has been of great benefit in two cases where accidents occurred to servants.

The financial reports have been received from all of the 57 corporations and the \$5.00 fee for the required \$2000.00 bond from all. Each report was acknowledged and special points discussed. The reports show careful financing as usual, but in almost all cases larger amounts than usual were spent for upkeep, improvements, furnishings, and decorating. This was due to the fact that during the war years much of this work was impossible, and due also to present high costs. Almost all corporations had built up funds to take care of this added expense. In only two cases was it necessary to add to the in-

debtedness. A number of corporations have plans for more extensive improvements when materials are more plentiful and costs are not so high.

Help was given in forming two new house corporations. These are for Texas Beta and Maryland Beta chapters. With the four formed last year, there are six new corporations since last Convention. Correspondence with these and several older corporations concerning new houses or additions to old ones has been carried on. Information concerning loans from the Fraternity and suggestions for obtaining loans locally have been given. Great discouragement has been met by several groups when construction prices were learned.

The need of several of our newer chapters for houses is very great. Only a certain per cent, usually about 60% of the cost of the house, can be borrowed locally on a first mortgage. These chapters have not had time to accumulate much of a house fund. They do not have enough alumnæ to make the selling of small bonds feasible. They need to borrow from the Fraternity and at present not enough fraternity loans are available to take care of all the needs. Fraternity loans on chapter houses are made on second mortgages at 4½%. There has never been a loss on a Pi Phi house loan. Interest is kept up and payments on mortgages are made at stated intervals. On the Agenda for this Convention it is suggested that all funds of the Arrow endowment, in excess of

\$500,000.00, be made available for chapter house loans. As Assistant to the Grand Treasurer for six years and Counselor for Chapter House Corporations for the past two years, close touch has been kept with all of our house corporations and the excellent planning and careful financing done by the faithful alumnæ on the corporation boards has been followed. Mortgages have decreased and finally disappeared while houses were kept in good repair and living conditions made as attractive and convenient as possible.

Many houses are still over-crowded in order to give as many girls as possible the opportunity of membership and to help college administrations by leaving open other housing for non-fraternity women. If college enrollments keep to the present high level or near it, many of our older chapter houses will need to be enlarged or new houses built in the next few years. So both for the new chapters which need houses so desperately in the near future, and for the older chapters that must enlarge present houses or build new ones as soon as conditions are favorable, your Counselor for Chapter House Corporations hopes that this Convention will react favorably to the item on the Agenda proposed by Grand Council making more Fraternity funds available for Chapter house loans.

THE NATIONAL HISTORIAN

GREAT improvement has been shown in the quality of the chapter semester histories which were submitted this year. There were four which had fulfilled all manual requirements and were excellent in every respect. Since it was almost impossible to designate one as superior to another, the final choice for the Nita Hill Stark Award had to be based upon minor points of superiority. Because of the very close competition two chapters have been named for first place. The New York Delta history, prepared by Laura Eastman and Patricia Carry, entitles that chapter to retain the Vase for the first semester of 1948-49. The equally fine Colorado Beta history, prepared by Dorothy Lough and Doris Dillon, assisted by Jean Hill, entitles that chapter to receive the Vase for the second semester of 1948-49.

Honorable mention goes to two other chapters whose histories were in many respects equal, and in some respects superior, to those mentioned above. They are the Kansas Alpha history, prepared by Joan Gardner and Shirley Garst; and the North Carolina Beta history, prepared by Nancy Niles. The Kansas Alpha history was the longest one submitted and contained the most complete and orderly presentation of factual material. The North Carolina Beta history was notable for orderly and artistic presentation of factual material and for excellent portrayal of chapter morale.

For the second consecutive year the Illinois Beta-Delta history, prepared by Patricia Hug and Barbara Gerth, was the most artistic one received. Failure to fulfill all manual requirements prevented this chapter from placing among the first four.

The assistant national historian desires to commend the following individuals for unusual cooperation in bringing the archives up to date: Mrs. Jack N. Herod (Gamma Province President), Nancy Niles (North Carolina B), Shirley Garst (Kansas A), and Shirley Evans (Indiana T)

A letter was sent to each of the 92 chapters, listing histories which were missing from each chapter's file. In response to that letter 90 missing carbon copies were supplied by chapters during the year. At present the files contain 1440 semester histories. 275 still are missing. Twenty-three chapters now have complete files.

A revised manual was issued to all chapter historians last fall. All chapters are now required to use official chapter history paper and binders supplied by Central Office.

The National Historian announces the following acquisitions to the national archives of the fraternity:

Early group picture of Kansas A Chapter and some banquet programs—from Jane Griffith Stevens (Mrs. Richard S.), Kansas A.

Pi Beta Phi Edition of the Kansas University Weekly for March 16, 1901—from Caroline Waldron Coleman (Mrs. R. C.), Kansas A.

History of Nebraska A (1885-1893) by Flora S. McCloud (Mrs. C. A.), Nebraska A—from Mrs. Marjorie Wyckoff Woodbury, Iowa T.

History of Kansas A, handwritten by three alumnæ and covering the period from 1873-1896. Bound in red morocco—from Kansas A chapter.

Pi Beta Phi Alumnæ Letter, printed in 1892, four pages—from Agnes Wright Stone (Mrs. Homer A.), Iowa B; and Estella Hartman Perry (Mrs. E. W.), Iowa B.

One page of biographical material concerning the descendants of Inez Smith Soule—from Louise Rosser Kemp (Mrs. J. Page), Oklahoma A.

An account of the founding of Vermont A (1893)—from Mary Orenda Pollard (Vermont A charter member).

An I.C. pin, the property of Clara Morris Perkins (Mrs. Lucius H.), Kansas A charter member—from Edwina Reed Perkins (Mrs. Lucius J.), Kansas A.

Pi Beta Phi pin, opal and diamond set, period of the '90s—from Sylvia Y. DeNormandie, Illinois B. Pin was received by her at initiation in 1893.

Group picture of Colorado A charter members (1885) and group pictures of Colorado A (1888)—from Lolita Snell Prouty (Mrs. Frank H.), Colorado A.

Pledge pin and lead impression of arrow used by $\Pi \Phi \Xi$ (now Indiana E) as a petitioning group—from Marianne Reid Wild (Mrs. Robert), Kansas A.

Bound resume of the work of the Committee for War Work (years 1943, 1944, 1945, and 1946), by Lois Donaldson Koehler (Mrs. Henry A.), Florida A—from Mrs. Koehler.

Gold monogrammed Pi Beta Phi stickpin—from Lillian Beck Holton (Mrs. Edwin), Maryland A.

Group photograph of the convention of 1908; set of three silver crested bar pins (convention souvenirs); part of a crested bracelet (convention souvenir), once the property of Genevieve Herrick Smith—all from Grace Magaw Phelan (Mrs. William), Indiana A.

Copy of the Foundation Song—from Clara Dell Hageman (Mrs. J. F.), Missouri B.

Gilt-framed, velvet-covered display board for historic jewelry—from the L. G. Balfour Company.

Information in regard to Holt House and the Founding—from Marjorie Pratt (Mrs. Glen W.), Kansas B.

Pictures and additional data for the Michigan B history—from Rebecca White (Mrs. Alfred H.), Colorado B.

Clippings and data concerning Indiana A—from Elizabeth Hayward (Mrs. Sumner).

A printed *History of Iowa Alpha Chapter*, by Lillian Kendig Rogers, published at Mt. Pleasant, Iowa, in 1938. Iowa A's hand written copy of the *Constitution of I.C. Sorosis* for the year 1886. A minute book from Iowa A chapter for the years 1878-1881. All from Josephine Rogers Carper (Mrs. Don B.), Iowa A, and her mother, Lillian Kendig Rogers (Mrs. C. S.), Iowa A.

Estes Park Convention Group Picture—from Mary Otten Rose (Mrs. Fred W.), Indiana A.

Snapshot and letter from Inez Smith Soule on the occasion of her ninety-fourth birthday—from Camilla Taylor Cofer (Mrs. John W.), Kentucky A.

Across the Wide Missouri, Pulitzer prize winning history by Bernard De Voto and Mae Reed Porter (Mrs. Clyde H.), Iowa I. Illustrated first edition—from the Kansas City, Missouri Alumnae Club.

Pioneer Lawyer, a biography by Ula King Fairfield (Mrs. Golding), Colorado B—from Mrs. Fairfield.

The historian wishes to express appreciation to Miss Amy Burnham Onken, Grand President; Miss Katherine Ann Everett, Tennessee I; Miss Mary Varner, Kansas A; Mrs. John A. Nixon, Illinois A;

and Kansas A chapter for jewelry and other items lent for display at the 1948 convention.

The historian is grateful to Mary Ann Austin, Virginia Wilber Torrance (Mrs. Grant), and Gertrude Speck Newcomer (Mrs. Earl), all of Kansas A, for assistance in preserving and displaying material in the national archives.

The response to an appeal for items of historic interest has been gratifying.

During the year many pictures, banners, letters, and documents have been mounted for permanent preservation under leaves of acetate sheeting. One attractive addition to the archives consists of a red leather album with gilt lettering. It contains a collection of early charters. Each charter is fully annotated and protected by acetate sheeting.

In September the historian was privileged to assist in the work of colonizing the splendid Tennessee I chapter. She enjoyed the opportunity of visiting the Wichita Alumnae club and the Kansas A chapter on the occasion of their Founders' Day dinners. These contacts with Pi Phis from other clubs and chapters are always a source of inspiration. It was a pleasure to again attend the Founders' Day banquet of the Kansas City Alumnae club, at which Mrs. Hagee was the honored guest.

During the current year many helpful suggestions were received from Mrs. Hagee, Mrs. Holton, and Mrs. Alford who reviewed material in the archives. Mrs. Alford's visit to Kansas City in March was most encouraging and helpful. It has been a privilege to serve the fraternity under her direction.

In June of 1947 Grand Council created the office of assistant national historian and appointed Elizabeth Heryer Delaney of Kansas City to serve in that capacity. Mrs. Delaney now has complete charge of all chapter semester histories. Throughout the year she kept up a regular correspondence with all active chapter historians and received and graded all carbon copies of their semester histories. These are now kept in a new steel filing cabinet acquired for the purpose. An immense amount of time was required to work out the new system of filing. The historian wishes to take this opportunity to thank Mrs. Delaney for her capable and efficient work on the chapter histories, as well as for other assistance which she has so freely given.

To all the members of Grand Council who have taken a genuine interest in the acquisition and preservation of historical material, to the Director of Central Office who has extended many favors, and to individuals who have graciously presented jewelry and souvenirs—the historian is grateful.

It has been an honor and a pleasure to serve Pi Beta Phi throughout the past year.

Reports of Province Presidents

ALPHA EAST PROVINCE PRESIDENT

IT IS with mingled pride and sadness that I make my report for the year 1947-48: pride in my seven wonderful chapters, their admirable qualities and their astonishing accomplishments; sadness because I can not continue my duties as province president, should I be so honored.

The year started with our chapter presidents' conference at the Hotel Pioneer in Boston in September where the Balfour Cup as a Goal was used as our basis of discussion to improve and encourage the Alpha East chapters. At the dinner Saturday night at the Hotel Vendome attended also by Boston alumnae and the Alumnae Advisory Committee, Erminie Pollard, Province Vice President, spoke interestingly to the conference concerning alumnae relations and Beth Leroy, formerly of the Settlement School Committee gave an inspiring picture of the Settlement School which I wish every Pi Phi could hear. This opportunity for our "isolated" and widely scattered Alpha East Pi Phis to know each other has as much spiritual value as the conference discussions; and I would recommend that in the future the conference be held at one of the chapter houses in the province if it can be arranged. Chapter presidents who attended were Connecticut A, Jean Tice; Maine A, Elaine Craig; Massachusetts A, Elizabeth Speight; Massachusetts B, Jeannette Cynarski; Nova Scotia A, Eileen MacLean; Vermont A, Sally Finley; Vermont B, Martha Shaw; pledge supervisors Connecticut A, Jan Horton; Maine A, Esther Watson; Massachusetts B, Beverly Sykes; Vermont B Treasurer, Marie Lawler; and Massachusetts historian, Nancy Shaw.

During October, November, and December I made my official visits with their pleasant social contacts, and pride-bearing conferences with active chapters, alumnae advisory committees and club members.

The Amy Burnham Onken award candidates were Nova Scotia A, Nancy Wilson, province winner; Connecticut A, Jean Tice; Maine A, Constance Howe; Massachusetts A, Jeanne McLaughlin; Massachusetts B, Jeannette Cynarski; Vermont A, Elaine Phillippi; Vermont B, Marilyn Mills; The Portland Alumnae Club again gave a Pi Phi bracelet as award for the outstanding sophomore in the province. We had unusually fine candidates this year: Ora Belle Holdridge, Connecticut A, was the winner; Maine A, Pamela Townsend; Massachusetts A, Irene Pearson; Massachusetts B, Marion Moody; Nova Scotia A, Carol Wood; Vermont A, Joan Delamater; Vermont B, Katherine Kidder.

Connecticut A is the winner of the Alpha East Province Scholarship plaque, having had the highest scholarship in 1946-47. Maine A had the highest average above the All-Women's average in Alpha East Province, and Elinor Dickson, Maine A, won the new scholarship award of \$25.00.

Vermont A and Connecticut A were recommended for the Balfour Cup, having worked diligently and competently with notable results in scholarship, activity participation, national viewpoint and group personality.

Alpha East chapters again top the list of offices and honors on their campuses and every day added elections and awards give proof of the activity participation and achievement of Pi Phis: Connecticut A has 3 Laurels (similar to Mortar Board); President

and 2 Γ X Es (similar to Φ B K); 1 Σ Ξ; 2 HEH (honorary Home Ec); 1 Σ T I (honorary journalism); 1 Who's Who; 1 Danforth Scholarship; 1 representative to national 4H convention; 1 model 4H member written up in national 4H magazine; 6 representative UConn students presented on radio programs; 4 on the yearbook; 3 in Variety Club; 4 on W.S.G.A. Council, 2 in Senate; 1 leading role in University Players; President of Pencraft; 3 on CAMPUS; chairman of Career Conference; 2 Carolers; the senior fraternity woman with the highest average for 4 years. Maine A has 2 All-Maine Women (similar to Mortar Board), 3 Sophomore Eagles; 1 Φ K Φ, 2 Σ M Σs; 1 K Δ Φ; 3 in orchestra including president; Treasurer of Senate; President Home Ec club; 2 House Presidents; Athletic Seal award; 5 W.A.A. Council, including treasurer; 6 on CAMPUS; 3 Pine Needle; 6 Masque; 4 Womens Forum. Massachusetts A has 1 Φ B K; 1 Delta (honorary junior); 1 CLA-tor; Junior Prom Queen; 1 University Senator; Secretary of Γ Δ. Massachusetts B has 14 on W.A.A.; 5 Dorm proctors; 2 Band; 15 Glee Club; 2 Φ K Φs; 5 doing honors work; President and 2 in W.S.G.A.; 3 Isogon (like Mortar Board); 2 Naiads including president; 13 Drill Team; 1 Choral; 1 Who's Who; 5 Roister Doisters; Chief justice and 1 on Judiciary Board; 3 on COLLEGIAN; 3 Scrolls; 3 Handbook; Treasurer Freshman class; 1 Student Life Committee. Nova Scotia A won second place in Connolly Shield award contest; first prize for best actress in Connolly Shield award contest; 5 silver "D"s; 1 Gold "D"; Queen of Ice Carnival; Queen of Mardi Gras Ball; Life secretary and treasurer of graduating Law class; the only 2 girls on Students' Council; vice president and secretary Arts & Sciences; secretary Dentistry; 17 on athletic teams; 3 Midlothian; 3 managers of Glue Club, 8 in chorus, 3 Dramatics, 1 soloist, 3 other members; 4 on Pharos, yearbook; 3 House committee; 1 editor Gazette. Vermont A has 2 Φ B Ks; Vice President, secretary, treasurer and 2 new members Mortar Board; Editor Handbook; 3 queen candidates; Chairman Winter Carnival; Chairman Culture Conference; 2 Great Greeks; President and secretary Freshman class; 1 House President; President and Treasurer Student Union; 1 Skyline; President Womens Forum; President and Vice President W.A.A.; 4 All-Midd; Secretary and Treasurer Sailing Club; Treasurer Middlebury College Players; 3 choir; 6 Freshman Chorus; 2 CAMPUS; Assistant editor *Kaleidoscope*. Vermont B has 2 of 6 new Mortar Board, making a total of 5 in the chapter; 3 new Staff and Sandals making a total of 8 in the chapter; 5 of the 15 new Sophomore Aids making a total of 8 in the chapter; and 1 All Sports Club making a total of 3 in the chapter; 8 on ARIEL; 8 CYNIC; 4 on Student Government; 7 Womens Student Union Council; President S.C.A.; 6 choir; 1 University Players; 4 Joint Conference with Faculty; President & 9 W.A.A. Council; 1 Band; 3 WIND-FALL; 1 Blue Stockings; 1 Scribe.

Much credit is due the alumnae for their support and interest in the chapter nearest them. Connecticut A has only a few alumnae in Storrs, but they are members of the Hartford Alumnae Club and that contact with national and local affairs is of mutual bene-

fit. This year's highlight was a picnic at the club president's home in Manchester followed by installation of alumnae officers, senior farewell and initiation into Alumnae Club, and entertainment by the actives. The chapter is still inadequately housed in the University-owned house, but are pleased that their house mother, Mrs. Elizabeth Taylor, is returning next year. Over crowded conditions may possibly force freshmen to attend classes in the evening next year. Maine A is fortunate to have an increased number of alumnae in Orono who are members of the Bangor Alumnae Club, and give invaluable support to the chapter. Recent good news informs us that the alumnae in Orono are chartering their own club and will send a delegate to convention. This chapter has the use of a room in a dormitory and shares its storeroom with 2 other fraternities. There is talk of trying to buy or build a Panhellenic building. Massachusetts A has a devoted Alumnae Advisory Committee and excellent relations with the Boston Alumnae Club. They combined their Founders' Day observance in a luncheon at the Hotel Kenmore. Massachusetts B has a small group of alumnae who act on the Alumnae Advisory Committee in Amherst; but they maintain contact with the Springfield Alumnae. Plans for observing Founders' Day with them this year had to be abandoned. The charming atmosphere of their chapter-owned house is enhanced by the interest of the house mother, Mrs. Doering, who plans to return next year. Nova Scotia A is most fortunate to have cooperation with their alumnae in rushing and other chapter activities. Since they haven't any regular meeting place or even a storage room, the use of the homes of alumnae and patronesses is much appreciated. We hope that this chapter will find a satisfactory meeting place soon for it can do so much to provide real fraternity atmosphere difficult to attain without a regular meeting place. Vermont A also has a small group of loyal alumnae who act on the Alumnae Advisory Committee and give the chapter their interest and support. I regret that there is no chartered alumnae club in Middlebury for they miss much of the national correspondence and news which could be shared with the active chapter. Nevertheless the chapter possesses a high degree of national enthusiasm. They rent rooms in a college-owned building downtown but have hopes of a Panhellenic house in the future. Vermont B's alumnae club and Mothers' Club are large and active, and do much for the chapter in the concrete and abstract. Their beautiful house, alumnae-owned, is a treasure to be envied, and it is pleasant to know that the actives are taking a financial interest in decreasing the mortgage, the pledges have done some redecorating, and the alumnae are encouraging their increased use of the kitchen facilities to

supplement the very crowded dining places at U.V.M.

Rushing conditions vary in the province. Most campuses have had late rushing, but in compliance with National Panhellenic ruling, they will have early rushing next year. Connecticut A rushed early last year and found it very satisfactory and the results were excellent. They will rush early again this fall. Massachusetts A also rushes early, but their very strenuous commuting from home to classes and from building to building with rushing done chiefly in the crowded college cafeteria put a heavy burden on the chapter's rushing program. The Panhellenic House where each chapter has a room and two or three members living in, offers little aid in rushing for it is so far from the new C.L.A. building. Massachusetts B and Vermont B pledged and initiated large freshman classes. Vermont A was confined to a small class due to the Panhellenic quota system. Nova Scotia A rushes at the beginning of the sophomore year and pledged a large group this year. Alpha East Province may well be proud of its new members.

The main item of interest now is Convention. Every chapter but Maine A is sending an alternate delegate with the regular delegate. This is made possible through the cooperation of the other chapter members, the sacrificing of luxuries by the regular delegates, the earning of money through various channels by chapter members, contributions of parents and alumnae, and the great desire to bring convention home to every Alpha East Pi Phi. Alumnae Advisory Committee members and other active members from Connecticut A, Maine A, Nova Scotia A, Vermont B and Vermont A and Massachusetts B plan to attend. I look forward to renewing acquaintances and fraternity associations with these devoted Alpha East Pi Phis at French Lick Springs Hotel, Indiana.

It has been a privilege and a pleasure to serve as Province President. I relinquish my duties with humble appreciation of my own fraternity membership in an organization which really inspires the cultivation of noble womanhood, through personal development, social service, mind culture, and true friendship. To Miss Onken and the other members of Grand Council, to the Alumnae Advisory Committees and all other assisting alumnae, to the house mothers and very helpful and interested Deans of Women, I give my sincere thanks. To the active chapter officers and members I express my good wishes for your continued progress and achievement, and I heartily commend to my fortunate successor, your cheerful cooperation, your generous forbearance with my own shortcomings, and your goodwill in all things we have attempted together or separately.

Respectfully submitted,

ELIZABETH NEWBERRY MOTYCKA

ALPHA PROVINCE WEST PRESIDENT

THIS college year, 1947-48, has gone by very speedily and we now find ourselves at the point of taking an inventory of the year's progress. Three of my visits, those to the New York chapters, were made in November and the two Ontario chapters were visited early in March. These chapter visits, as always, were a joy and an inspiration. The personal contacts with the members mean more than all of the letters that pass back and forth during the year.

All of the chapters in this Province own their own houses. New York Δ and New York Γ are hoping to build new chapter houses in the near future, due

to the fact that their present houses give inadequate accommodation.

The comparative scholarship ratings are unavailable on two of the campuses and some of the ratings which are to be announced later cannot be included in this report. There are no firsts on campus in scholarship in this Province this year. All of the chapters are putting forth an effort to make a good scholastic showing. All of the chapters are backed by interested and helpful Alumnae Advisory Committee.

There is a quota system on all but one of the campuses—the Ontario B campus. No two of the

quota systems are alike but all restrict the number of freshmen and upper-classmen who can be pledged.

This year the chapters of the Province have continued to send assistance to our little French boy whom we adopted through the Save-the-Child Federation last year. New York I sent \$25.00 and the other chapters sent contributions of food or clothing. Ontario A sent \$96.00 for the full support of one child.

To date, a full report of the contributions of the chapters to the various Pi Phi funds has not been received. All of the chapters had budgeted for these contributions.

The Amy B. Onken Award for this Province went to Jacqueline Fenton of New York I. Jacqueline was president of her chapter for two terms and because of her fine work, her excellent example, and her outstanding leadership in the chapter, deserves this recognition.

I would like to give some recognition to the important work done by our chaperons in our chapter houses. These women carry a great deal of responsibility and their example and leadership are indispensable to a smoothly running house.

All of the chapters have, either during the Summer or during the year, done redecorating or refurbishing in their houses and have made improvements which have been necessary and have done a great deal to build up morale. Keeping our chapter houses attractive and comfortable is most necessary.

Only a partial list of the extra-curricular activities can be made here, but to each girl who has made a contribution to her chapter through extra activities goes our recognition. Following are some of the extra-curricular achievements in the province:

Ontario A has an editor of "The Undergrad" (College magazine). There are three class Presidents,

President of the Aquatic Club, President of Badminton Club, President of W.A.A. for Physical and Health Education; one member excels in dramatic work and another has composed songs for the University Follies.

Ontario B has sub-perfect, which is the highest office for a woman on the campus, one member elected to the Honor Society this year, three members on the Student Administrative Assembly and two on the University Students' Commission, the President and Vice-President of W.A.A., and 15 members who took part in a water pageant presented by the University this Spring.

New York A has the President of the new Student Union, Junior Editor of the *Onandagan* (year book), executive secretary, senior guide and two junior guides on Women's Student Government, secretary of W.A.A., and one member who has been elected to three Honorary Fraternities.

New York I has 8 active in "The Hill News" (campus weekly) and two on the "Laurentian" (literary magazine), three girls have had leads in major productions this year and two have had leads in minor productions. The President of the Modern Dance Club is a Pi Phi and six members are in Honorary Fraternities.

New York A has three dormitory Presidents and eight dormitory Vice Presidents in W.S.G.A. They have the art editor of "The Cornelian" (year book) and four have won scholarships and four are in Honor Societies.

To Miss Onken, members of Grand Council, and National Committee chairmen who have given guidance and helpful assistance during the year, I wish to express my thanks and appreciation.

Respectfully submitted,

CLARA HALL SIPHERD

BETA PROVINCE PRESIDENT

IN LOOKING back over the year it is gratifying to realize that the chapters can be proud of their achievements and point with pride to their improved rating in scholarship, well rounded activity programs, and not a few real honors. But probably the greatest thrill which came to the Pi Phis this year was the opportunity to have Miss Onken as their guest and have her share in their college fun as well as give them invaluable advice and inspiration. I am sure that I speak for the Province when I herein express our appreciation.

While I visited the Pennsylvania chapters early in December, it was May before I finished my schedule but the chapter officers were so efficient in sending the required reports that I felt close to each group until I had the opportunity to be with them. As before, I appreciated the many courtesies extended and the hours of service rendered by the Advisory Committees, Alumnae Clubs and Mothers' Clubs. The opportunity to share in fraternity development does not cease at a Pi Phi's graduation.

Every chapter but one has improved its scholastic standing during the year, and several have attained enviable positions on the campus. Ohio Z again holds the Φ B K trophy for first place on the campus as a chapter, and the pledges, not to be outdone, were awarded the A O II scholarship trophy. Ohio E maintains her place as first among the Nationals, and Ohio B soared to second place from an unenviable

position, as did Ohio A. In every case the Scholarship Chairman has done a most competent piece of work and the chapter members have cooperated by improving individual records if possible. Dorothy Svenson at Ohio Z was the winner of the award going to the girl whose grades showed the greatest improvement over the period of a year.

Emphasis has been placed on the advantages found in a well directed activity program, and here again the chairmen are to be commended for their careful planning and encouragement, for the results have been gratifying. It is not possible to name the individual honors and offices, but a few outstanding ones from each chapter will show the diversity of their accomplishments. Pennsylvania B had two members in Mortar Board, one Φ B K, one Dormitory president, the president of the Student-Faculty Congress, two girls living in Honor House, and representation in W.S.G.A. by two Senate members, the Treasurer, the Public Relations Chairman and four members on Honor Council. Nine were members of Cap and Dagger, fifteen were on the staffs of the two publications and one was president and another member of A A Δ . A Pi Phi was the Sophomore Cotillion Queen and the chapter received the "All-Year Athletic Trophy."

Pennsylvania I went in for dramatics with the Treasurer and eight members of the Little Theater, a Senior Representative on W.A.A., twelve in the

Choral Club, ten working on the school publications, member in T Δ II and in Departmental and Language Clubs.

Ohio A had the President and Vice-president of the Y.W.C.A., Vice-president of the Red Cross, the Treasurer of Panhellenic and the Director of the Prep Follies. Two members were members of Mortar Board and one was elected to Φ B K.

Ohio B's latest activity honors include four new members of "Mirrors," the Sophomore Honorary, four "Links," members of the W.S.G.A. one Mortar Board, one Φ B K, the Treasurer of the Sophomore Class and a member of the May Queen's Court. A Pi Phi was president of A Δ Δ, one member was on Pomerene Board of Control and one on Pomerene Council. Another member is the new Red Cross Treasurer.

Ohio Δ is the chapter having the winner of the Province Amy B. Onken Award, Phyllis Steward. Representation in campus activities includes the President of Mortar Board, two new members, the President of Austin Hall, the State Vice-president of the Y.W.C.A., Recording Sec'y of the W.A.A., two W.S.G.A. members, President of Monnett Hall and President of the W.A.A.

Ohio E has the President of the Y.W.C.A., Editor of the Year Book (*Blockhouse*), as well as the Assistant Editor, the Assistant Editor and Circulation Manager of the weekly paper, the Secretary of the American Pharmaceutical Association, the Secretary of the Canterbury Club, and six Juniors were recently tapped for "Peppers." The chapter won the trophies for Volleyball and Basketball and a member is the May Queen and another the sophomore class Treasurer.

Pi Phis have been especially active at Miami University where Ohio Z is located. There were three Student-Faculty Council members, the newly elected President of the Y.W.C.A., the Vice-President, Treasurer and five Board members. A Pi Phi was the Secretary-Treasurer of the Women's League, and a senior has been Vice-president and was recently elected the permanent Secretary of the graduating class. One member is Business Manager of the Year Book *Resencio* and there are two desk editors of the *Student*. Four girls were tapped for Mortar Board, two elected to Φ B K, and five Sophomores were elected to "Cwen," the Sophomore Honorary. A pledge was elected Queen of the Freshman Strut.

West Virginia A had two on the Y.W.C.A. Cabinet and three in Press Club. Two were tapped for the Sophomore Honorary and twelve are in Departmental Honoraries. The chapter won first place in the Homecoming Parade of Floats, a member was the Homecoming Queen and another has been chosen Miss University of West Virginia. A member is the Sponsor for the R.O.T.C. and another the Secretary of Panhellenic.

The housing situation remains the same with only Ohio A, Ohio B, and West Virginia A living in their own homes. Pennsylvania B and Ohio Z have a

room called a "suite" in a dormitory and the others have apartments. Ohio A improved the outside appearance by removing all the old shrubbery and replacing it with new, putting in a new cement sidewalk and drive. The members of Ohio E completely redecorated their five room apartment doing all of the work themselves. Pennsylvania B had their suite redecorated also and many smaller improvements were made every place. The Housemothers have served faithfully and well in their capacity and the girls are appreciative of their capable management of the houses or apartments.

The eight chapters contributed 100% to Settlement School and Holt House, the pledges at Ohio A raising \$50.00 for Settlement School. The chapter at Ohio A also sponsored a Football Game which netted \$450.00 for the National Cancer Fund. The A Ξ Δs were the opponents and the score was a tie—0-0! Some of the chapters continued their interest in the "Save-the-Children Fund" and sent individual packages as well as contributions of money. The letters received were pitiful in their expressions of appreciation.

In addition to Phyllis Steward who won the Amy B. Onken Award in the province the candidates from other chapters were: Ohio A, Margaret Sheard; Ohio B, Marjorie Patton; Ohio E, Margaret Tomlinson; Ohio Z, Maralou Juday; Pennsylvania B, Georgia Hutchinson; and Pennsylvania F, Mary Jeanne Reynolds. The decision was extremely difficult to make, as every candidate was a girl of exceptional ability.

The members of the Alumnae Advisory Committees have been very conscientious in lending every bit of help, encouragement, and mature direction to the active chapters and I wish to express my appreciation to them, as well as for their personal contacts with me.

I cannot close without briefly mentioning the chapter Presidents Province Conference held in Findlay, Ohio, in August. The girls attending were Jane Farr, Pennsylvania B; Mary Jeanne Reynolds, Pennsylvania F; Peggy Sheard, Ohio A; Jane Talley, Ohio B; Peggy Jo Gordon, Ohio Δ; Pat Dolan, Ohio E; Maralou Juday, Ohio Z; and Jane Brown, West Virginia A. Dorothy Mathews, from Pennsylvania came as Pledge Supervisor. From the exchange of ideas and discussions of chapter affairs the girls received much help from one another. Edith Rankin kindly talked to them on Chapter-Alumnae relations.

To Miss Onken and all the members of Grand Council who helped us so much during the Conference at Gatlinburg last June, I again express my feeling of gratitude for the encouragement and guidance given during the year. To all of the actives and alumnae in the Province I say "thank you" for the splendid cooperation during these past two years and I wish all of them the greatest degree of success in the future.

Respectfully submitted,
MARGARET B. HUMPHREY

GAMMA PROVINCE PRESIDENT

THE Gamma Province Workshop was held in June, 1947, and it was at that time that I began my close contact with the chapters. The workshop, planned, and conducted under the able leadership of Katherine Black Massenburg, my predecessor, was a most successful meeting. It has led to remarkable growth in each of the chapters which was represented. Unfor-

tunately, two of the eight chapters were unable to be represented. I was indebted to Kitty Massenburg for her complete records, explanations, and follow-up letters, in orienting me for the province work. This has been a most successful year on the whole, with not too many ups-and-downs, though a few problems should doubtless be expected!

My chapter visits were made throughout the year, starting with Virginia Γ in early October, at which time I presented to that chapter the Province plaque for "Best All-round Chapter," and concluding with Maryland A in May. The province plaque for highest scholarship was won by Virginia Γ and North Carolina A, with a tie; therefore, each chapter had possession of the plaque for one semester. All of my visits were highly successful and I left each group with a feeling of closer friendship and pride in the achievements of each through the efforts of the individuals, the alumnae advisory boards, and the chaperones. Miss Onken visited the two Virginia chapters during the spring, having had to postpone those visits when she was in the province last year. Both chapters gained immeasurably from her help and inspiration.

Reports on scholastic ratings for the second semester will not be complete until later in the fall, but for the first semester, Virginia Γ held a first place (tying with K Δ); Virginia A, Maryland B, and D.C. A were in second place; and D.C. A and North Carolina B both came up several places. Unfortunately, North Carolina A dropped down from the first place which it has held for so many years, and Maryland A also dropped down. South Carolina A is still unable to obtain ratings, but individual averages showed slight improvement over last year.

Maryland A was happy to find another apartment during the year, this one more conveniently located and much easier on their treasury! South Carolina A moved into Wauchope House, the old President's home which the University has converted for occupancy by two fraternities, each for a two year period. The remaining chapters continued with the same arrangements enjoyed last year, though North Carolina A is now faced with the necessity of buying their house or moving. With the tight housing situation in Chapel Hill, they will probably have to buy, though none of us are too pleased with that prospect. Maryland B, now occupying a new little house built for them by the University last year on a temporary basis, are working on the floor plans for a permanent chapter house, which will be built on Sorority Row along with other new houses being planned by each group on the campus. It is pleasing to note that the University of Maryland has given land on the main campus for the future Fraternity and Sorority Rows. In Gamma Province, we have four chapters in houses, three in apartments, and one with a room in Panhellenic House. North Carolina A and Maryland B regret to lose their chaperones this year, both of whom have been real assets and loyal friends of the chapters. Mrs. Gold (of North Carolina A) was initiated by that chapter last year, so although she will no longer be their chaperone, she will always be close to the chapter and we are happy to have her serving on the alumnae advisory committee this year.

The chapters have contributed 100% to Fraternity funds, and at the six-months' report from the Magazine Agency, Gamma Province active chapters stood first with Maryland B being the top chapter in the whole Fraternity. We really concentrated on our efforts to hold that record for the entire year.

The Province Amy Burnham Onken Award went to Shirley Ann Sprague, Virginia Γ, who has served as president of the Women's Student Government at William and Mary and who won the Chi Omega Award at her commencement exercises for the highest average in the Department of Sociology. The other candidates were: Mary Louise Wise, Maryland A; Jacquelin Hastings, Maryland B; Sally Dessez, D.C. A; Nancy Tucker, Virginia A; Ruth Evans, North

Carolina A; Polly Weedin, North Carolina B; and there was no nomination from South Carolina A.

Founders' Day was celebrated by Maryland A in Baltimore with their local alumnae; Maryland B sent representatives to the banquet in Washington while the rest of the chapter remained in College Park for their own observance and to take part in the campus Sing because of the conflicting date. The D.C. As joined many alumnae from the Washington, D.C., Club and that vicinity for a lovely banquet, at which Mrs. Truman and Margaret were the honor guests. I was disappointed in having to miss that occasion, but was happy to attend the banquet in Williamsburg, sponsored by Virginia Γ. There was a good representation there from Virginia A as well as a number of alumnae from the Richmond and Norfolk clubs. Dr. May L. Keller, our President Emeritus, gave an inspiring talk on the Founders. The following weekend, I was in Columbia and was present for the South Carolina A picnic and sunset ceremony in honor of the Founders. The two North Carolina chapters had a joint get-together for the occasion in Durham this year.

Participation in campus activities has been excellent throughout the year in every chapter. I could not possibly list here everything which indicates the contributions of Pi Beta Phi in the province, but I shall try to select those things which are considered most important by the respective chapters. For the sake of brevity, I shall list, rather than put them in paragraph form.

Maryland A: 7 class officers; 2 dormitory presidents and 5 dormitory officers; managers of hockey, basketball and badminton; sports editor of yearbook; chairman of Junior Advisors; president of Outing Club; 2 members on President's Council; secretary of Student Organization and of Interfaith Association.

Maryland B: Editor and assistant circulation manager of newspaper; organizations and copy editors of yearbook; president and secretary of Sociology Club; secretary and treasurer of Orchesis; secretary of Art Club; assistant director, costume chairman and several leads in dramatic productions; manager of Volleyball; secretary of Gymkana Troupe; treasurer of Human Relations Club; secretary of Senior Class; chairman College Board of Home Economics Magazine; Π Δ E, 2; Σ T E, 1; Mortar Board, 2; Φ K Φ, 1; Drum Majorette, 1; O N, 1; Σ A O, 1; A Λ Δ, 1; Π E Δ, 2; Who's Who in American Colleges and Universities, 2; Freshman Elections Committee, 8; Student Government Association, 5; Publications Board, 1.

Virginia A: President Women's Student Government Association, also vice-president and 2 Junior representatives; chairman Executive Committee and 5 members; Judiciary Committee, 1; President of Athletic Association; 3 All-Stars; stage manager and lead in dramatic production; lead in Greek Play; president of Sock and Buskin; advertising manager and photography editor of yearbook; editor, assistant editor, head of typing staff, and business manager of humor magazine; critical editor of literary magazine; advertising manager of newspaper; president of Y.W.C.A.; Dean's List, 10; 37 members in secret societies; president of Junior and Senior classes; May Court, 5; 5 Training Group Leaders; Sophomore Ask Me, 2; T K A, president and 2 members; Φ B K, 1; Who's Who in American Colleges and Universities, 2.

Virginia Γ: President of Women Students' Co-operative Government Association, chairman of Honor Council and also secretary; chairman Senior Nominat-

ing Committee; representative-at-large to Judicial Committee, secretary of Elections Committee; columnist and feature editor of newspaper; 4 cheerleaders; manager of tennis; Freshman Athletic Council, 1; student director of choir; Historian Class of '48 and Class of '50; secretary-treasurer of Class of '51; president of Psychology Club; secretary of Red Cross; Student Senate, 2; Student Assembly, 5 and secretary; Mortar Board, 2; X Δ Φ treasurer and 4 members; K Δ Π secretary and 3 members; K X K, 1; H Σ Φ, 1; Φ B K, 2; Homecoming Queen, Freshman Queen, X Ω Award for highest average in Department of Sociology.

North Carolina A: President and 4 members of Women's Council; Coed Senate, 18, speaker, speaker pro tem., and clerk; Student Legislature, 4; Orientation Committee, 2; 4 student advisors; 1 House President; treasurer of Panhellenic; 1 on Graham Memorial Board of Directors; 2 on President's Coalition Cabinet; president, vice-president and 9 cabinet members Y.W.C.A.; president Women's Athletic Association; 2 cheerleaders; vice-president and secretary of Town Girls Association; Φ B K, 2; Valkyries (equivalent to Mortar Board), 10; X Δ Φ, president, vice-president, 5; May Court, 5; and 11 dance sponsors.

North Carolina B: Vice-president and freshman representative WSGA; Assistant Treasurer and 3 members on Social Standards Committee; 8 members on Y.W.C.A. cabinet; 3 on Freshman Advisory Council; Chairman and secretary of Student Forum Committee; vice-president Glee Club; President Triple Trio; Publicity chairman WAA; 2 cheerleaders; Coed

business manager yearbook; coed editor newspaper; 6 on house committees; vice-president Senior Class; chairman Union Committee; Sandals, 2, secretary; Σ Δ Π, 3; Φ K Δ, vice-president, 2; White Duchy, 1; X Δ Φ, 2; Δ Φ P A, 2; Ivy, 1; Who's Who in American Colleges and Universities, 2; Great Greeks, 2; Δ Φ P A special award.

South Carolina A: W.A.A., 2; business manager and managing editor of Carolina Review; news editor newspaper; Y.W.C.A. cabinet member; historian Freshman Class; historian Sophomore class; secretary of Mediterna Society; Φ B K, 1; A K Γ, 1; Δ O, 1; II E M, 1; II Γ M, 2; Honor Board, 1; Student Council, 1; second vice-president student body; secretary-treasurer of sophomore and junior classes; 1 cheerleader; 1st prize for homecoming decorations; 1st prize for display for Carolina-Clemson game; and 2nd place in Stunt Night.

Let me take this opportunity to thank all the members of Grand Council and other officers in the Fraternity for their help, particularly Miss Onken and Miss Johnstone, on whom I have had to call so frequently. The experience as Province President has meant a great deal to me and it is with reluctance that I must give it up. I have deep appreciation for the opportunity to have served the Fraternity. With all good wishes to each chapter, the alumnae advisory committees, and all others who are serving II B Φ for much success in the future.

Respectfully submitted,

JACQUELINE FOWLKES HEROD

DELTA PROVINCE PRESIDENT

IT IS a pleasure to review the activities and achievements of the eight chapters in Delta Province during the past year, and to report a steady growth and progress. This record has been made possible only through close cooperation and leadership of chapter officers, and the excellent guidance of the fine advisory boards and housemothers.

The province was fortunate in having Mrs. Frank H. Prouty, Grand Treasurer, visit in February and March. The chapters gained much in knowledge and inspiration and were only sorry that the visits had to be so short. Official province president's visits were made to six chapters during the first semester, and to the remaining two chapters in April. These were most enjoyable and proved to be inspirational and helpful to this officer.

Our emphasis again this year has been on scholarship, and while we do not have any first place chapters reported for the year 1946-47, we can boast of three second places, all very close to the top ranking group on their respective campuses. The first semester of this year showed some improvement generally although two chapters failed to come up to expectations. All the girls have been trying earnestly to bring up individual averages and we feel sure that we will see good results at the end of this year. Michigan Γ won the honor of being the chapter which had the greatest percentage over the all-women's average, and Sue Coleman was the recipient of the \$25 award given for the first time this year to the girl who had made the greatest improvement in grades. Michigan A had two members of E Δ A (scholastic honorary), Michigan B, two Φ B Ks and two Φ Ks, and Michigan Γ had one Φ K and three elections to Tower Guard (sophomore

honorary). Indiana A had one election to A (similar to Φ B K), Indiana B, one Φ B K and three elections to A Δ Δ. Indiana Γ had three elections to Φ X N (freshman scholastic honorary), and one of its pledges received the Panhellenic award made to the pledge with the highest grades on campus. Indiana Δ had five elections to A Δ Δ, while Indiana E had two.

The housing situation in Delta Province remains the same. Michigan A occupies a college-owned house which is attractive, but not large enough to house all the members. Michigan B's home is the only one in the province completely paid for. It is nicely furnished and beautifully kept. Michigan Γ's home is very comfortable and homelike, but it, too, is not large enough. Indiana A's suite of rooms in the dormitory has been re-decorated and is very much improved in looks. Indiana B's house is the largest in the province and is very beautiful inside and out. Indiana Γ's house had some extensive redecorating done last summer and as a result the downstairs is improved 100%. Indiana Δ's home is most attractive and very adequate for the chapter's needs. Indiana E's house has a certain charm which goes with an old, historic dwelling, but is far from adequate in size and equipment. This chapter and Michigan Γ are looking forward to the day when they can build homes which will be a credit to the fraternity, and will compare favorably with other houses on their respective campuses.

The Delta Province Amy Burnham Onken Award this year went to Nancy Kelsey, Indiana Δ, and it was a pleasure to present this award in person at the annual Indiana State Founders' Day Luncheon. The other nominees were: Michigan A, Barbara Boughner;

Michigan B, Cynthia Cotes; Michigan Γ, Sarah Dimmers; Indiana A, Ellen Spencer; Indiana B, Kathryn Cookson; Indiana Γ, Betty Beck, and Indiana E, Jean Soltow. The Indiana Cup, awarded each year to the outstanding chapter in Indiana, was returned to Indiana B.

The Indiana State Luncheon was attended by approximately 550 Π Φs a record attendance. We were fortunate to have Ruth Wilson Cogshall, Kentucky A, as our speaker, and to have Virginia Brackett Green, Convention Guide, bring us up to date on arrangements being made to entertain the Fraternity at French Lick this June.

One of the highlights of the year was the Chapter Presidents' Conference which was held in Indianapolis in September. All chapter presidents were present and not only enjoyed the opportunity to know one another, but gained much from the informal discussions of mutual problems and the exchange of ideas.

Indiana Γ joined the ranks of other 50-year-old chapters this year, and held a celebration early in October, which this officer unfortunately could not attend. Miss Onken was present to share the joy of this occasion and remained an extra day to preside at initiation services for seventeen girls.

Delta Province chapters have continued their interest and participation in campus activities, and for the most part have been very outstanding in this field. It is impossible to list all activities, but the more important ones are as follows:

Michigan A—E Δ A, 2; Vice-president Junior Class; Who's Who, 1; Yearbook staff, 2; Great Greeks in American Colleges and Universities, 1; Valedictorian of Graduating Class; Winner of Graduate Scholarship to University of Michigan.

Michigan B—Φ B K, 2; Φ K Φ, 2; Mortar Board, 3; Scroll, 6; Wyvern, 3; Senior Class Treasurer; Business Manager of the Michigan Daily; Women's Sports Editor of the Ensign; President of W.A.A.; President of Women's League, and five of twenty voting chairmen on League Council.

Michigan Γ—Φ K Φ, 1; Mortar Board, 1; Tower Guard, 5; Θ A Φ, 5; A Δ Θ, 2; Corresponding Secretary Y.W.C.A.; State News Staff, 2; Annual Staff, 4; Studio Theater, 2; Radio Guild, 3; Class Representatives, 3; J-Hop Committee, 1; President of Spartan Women's League.

Indiana A—A, 1; Who's Who, 1; Θ Σ Φ, 1; Gold Quill, 3; Laurels, 11; Θ A Φ, 1; Student Council, 2; The Franklin Staff, 3; The Almanac Staff, 6; W.A.A., 21; Wigs and Cues, 20; Homecoming Attendant; Junior Prom Attendant; May Queen Attendant.

Indiana B—Φ B K, 1; Mortar Board, 2; A Δ Δ, 3; Pleiades, 4; Tophets, 4; Θ Σ Φ, 1; Θ A Φ, 2; Mortar Board Recognition, 4; Indiana Daily Student Staff, 2 and Associate Editor; The Arbutus Staff, 13; Copy Editor and Assistant Circulation Manager; University Theater Business Manager and 4 members of staff; X Ω Sociology Award winner; Editor Panhellenic Guide; "Miss Bloomington"; President A.W.S.

Indiana Γ—Φ X N, 8; Spurs, 8; Student Council, 1; A.W.S., 60 and one Cabinet member; Y.W.C.A., 60 and one Cabinet member; W.A.A., 36 and one

Cabinet member; The Collegian Staff, 5; Drift Staff, 3; Secretary Senior Class; Blue Gills, 8 including president; Winner Θ Σ Φ Award to outstanding Sophomore woman in journalism; Winner Panhellenic Award to pledge with highest grades on campus.

Indiana Δ—Mortar Board, 3, including Treasurer and Editor; Θ N, 2; Gold Peppers, 7; A Δ Δ, 5; Who's Who, 1; A.W.S. secretary; W.A.A., 3 on Council; Debris Staff, 2; Triton, 3; Varsity Sweetheart; Sophomore Cotillion Queen; May Queen Attendant; Student Senate, 2; Activities Bureau, 2; Winner of Indianapolis Alliance Française Medal for Proficiency in French; Junior Prom Committee, 1.

Indiana E—Mortar Board, 1; A Δ Δ, 2; M Φ E, 3, including president and secretary; Θ Σ Φ, 5; A.W.S., treasurer, 6 board members; W.R.A., 3 board members; Y.W.C.A., secretary, 3 Cabinet members; Vice-president Freshman Class; Secretary-treasurer Junior Class; The DePauw, Business Manager, State Advertising Manager, 4 members business staff, 7 members editorial staff; The Mirage, Business Manager and assistant, 5 members business staff; The Boulder, Business Manager, Circulation Manager, Advertising Manager.

All the chapters rushed successfully and won many new fine Pi Phis. Hillsdale, Franklin, Butler and DePauw rush the first semester, while Michigan, Michigan State, Indiana and Purdue have second semester rush. Hillsdale tried a nine weeks' deferred rush the first semester of this year, but Panhellenic has voted to return to the old system next year. Hillsdale is the only campus which does not have a quota system in effect.

Delta Province chapters are proud that for the second successive year, they are 100% in their support of the Fraternity projects. Contributions totaled \$173.70 for the Settlement School, \$65 for the Holt House Fund, and \$70 for the Loan Fund.

Without exception, the Deans of Women had only words of praise for the chapters in this province, which proves that the girls are earnestly trying to live up to the standards of the Fraternity in meeting their responsibilities to their College Administrations.

No report of a province president could be complete without including mention of the fine work done by the alumnae advisory committees. Without the unselfish labors of these loyal, interested Pi Phis, no chapter could hope to continue along the road to progress and achievement. This officer wishes to thank all those who served during the past year and hopes that the work they have done has given them satisfaction through the opportunity to know and work with our fine active chapters.

In concluding a report of this year's activities, Delta Province President wishes to express her sincere thanks and appreciation to all the chapters for their cooperation, and for their many expressions of their friendship. She regrets very much that it was impossible to accept all of the invitations extended to her by the chapters. Their many kindnesses will always be one of her happy Pi Beta Phi memories.

Our sincere thanks also go to the members of Grand Council and especially to Miss Onken and to Mrs. Wild who, as always, have been most helpful.

HELEN ANDERSON LEWIS

EPSILON PROVINCE PRESIDENT

EPSILON province delightedly welcomes Tennessee Γ to our family. The new colonized group at the University of Tennessee was installed by Marianne Reid Wild in May, with thrillingly beautiful ceremonies witnessed by large groups of happy Pi Phis from other chapters in the province. To Marianne Wild, to Peg Ward the supervisor, and to the devoted, hard-working alumnae in Knoxville go our sincere thanks for giving us these 16 fine new Pi Phis, this splendid new chapter, truly a shining star in our province galaxy. The chapter ranks first in scholarship on its campus, has already won important campus recognition, and has had the friendship and loyal support of the entire campus from the start. Its enthusiasm and ambition, its persistence and solidarity, have been an inspiration to all of us.

The year began with the friendship and high morale resulting from the Chapter President's Workshop held in St. Louis in August. While the presidents worked the numerous visitors played, and exchanged ideas too on their own chapter jobs. A swimming party followed by a buffet supper prepared by the Missouri B Advisory Board led to an animated discussion of active-alumnae relations, and another evening at the Municipal Opera brought relaxation to the hard working chapter presidents and the visitors too.

Contacts within the province continued with the delegates meeting in Knoxville in February to inspect the petitioning $\Pi \Phi \Gamma$'s, and later with another meeting for the installation. With such wide province friendships the girls eagerly seek province news, gaining "family" warmth, and wider appreciation.

All our chapters were 100% contributors to our Pi Phi projects, as well as to many local campus and civic needs. In addition all of them raised money to send extra girls to convention besides their alternates. Many of them continued their custom of sending a "bonus" gift to Settlement School, and all of them decided to send Tennessee Γ gifts of money instead of flowers or other items, so that the new chapter could get the things that were most needed.

Martha Krauss, of Kentucky A, won the province Amy Burnham Onken Award this year. The other nominees were Alberta Barnsdorff of Missouri A; Nancy Baber of Missouri B; Mary Helen Barrett of Missouri Γ ; Dorothy Bradley of Tennessee A; and Bettye Brasfield of Tennessee B.

Epsilon Province had the honor of Mrs. Carson's visits this year and her charm and inspiration were deeply felt and appreciated by each chapter.

It has been a continuing joy to the Province President to know of the high regard in which each chapter is held by its Dean of Women, to watch the constant growth in chapter spirit and morale everywhere evident, to learn of successful rushing and pledge training in each chapter, and to see the increasing efficiency in chapter administration and know-how that results in such joyous service to the fraternity. Chapter visits are always the highlight of the year, and were especially so this year since they seemed more like family reunions, or gatherings of old and beloved friends, than like "official," or "working" visits. This third year in office has brought added appreciation of the prestige and responsibility of leadership that is vested in Pi Phi, and ever deepening gratitude for the loyal friendship, and splendid cooperation, of all the girls and of their alumnae advisors.

A province scholarship trophy was inaugurated this

year, and was awarded to Missouri A for the year 1946-47.

It is unfortunate that so many of the final honors are not yet available at the time this report is due. All chapters have won distinction in their contributions to their campus activities. Only a few are listed for each chapter due to the limitations of space.

Missouri A won Sorority Sing this spring, have one Mortar Board member, another graduating "with distinction," and had five girls invited to attend the banquet given by $\Theta \Sigma \Phi$ for the 50 most outstanding girls on campus. One chaired the AWS dance, another led the Community Chest Drive, another had the lead in two major dramatic productions, while the society editor of the paper and the secretary of the pep club have both been Pi Phis, as was the captain of the hockey team. For next year the chapter has the Treasurer of Panhellenic, the AWS chairman of Freshman Orientation, members of SGA committees, and Intramurals Board, and dramatics club board. They have had the president of sophomore women's honorary, and committee posts on Y.W.C.A., one member of sophomore scholastic honorary, and ten members have been chosen for departmental honoraries. The chapter has worked with crippled children. They have the Panhellenic Scholarship Cup for 1946-47.

Missouri B actives won the Scholarship Cup again, and to make the score perfect, the pledges won the Pledge Scholarship Cup too! Four were tapped for Mortar Board, one being elected vice-president. Four made the junior women's honorary, while five girls made the sophomore women's honorary with one being elected president and another becoming vice-president. Pi Phi will be well represented next year. This is usual with Missouri B, however. The new Sweetheart of ΣX is a Pi Phi, as is the new co-chairman of Student Senate, the president of the dormitory, copy editor of the yearbook, president of the swimming club, and secretary of the Student Center Board, and Esquire Queen. The president of Panhellenic for next year will be one of our girls. This post is not rotating, and is one of the top campus honors. The chapter won the Quad Club prize for selling the most tickets to Quad Show, on which most of the chapter worked. One of the chapter is the program chairman for Quad Club for next year, another is chairman of Red Cross while another heads Red Cross classes, and others are circulation manager of the magazine, social chairman of WAA, office managers of the magazine, secretary of the Architectural Society, and several are Board members in the two dramatic clubs. One had the lead in the major production this year. Several are members of departmental honoraries. The chapter has been working with a Girl Scout troop for deficient and handicapped children.

Missouri Γ had the secretary of the freshman class, and the Sou'Wester Queen. Two were elected to the equivalent of Mortar Board. One succeeds a Pi Phi sister as president of the pep club. The dramatic club has had a Pi Phi president this year, and will have Pi Phis as secretary and as program chairman for next year. The entire chapter is widely represented in all campus activities. They have had the president of Panhellenic this year as well as the secretary of the French Club, the social chairman of WAA, many on the magazine staff, and several members of departmental honoraries. Late honors have not yet been

announced. They won the Panhellenic Scholarship Cup for the second successive year.

Kentucky A has the new Thoroughbred Queen, while the Homecoming Queen was also Pi Phi. Two members have been tapped for the Mortar Board equivalent, one is president of the Religious Council, and another is editor for Thoroughbred for next year. Two were elected to Who's Who. One is on Student Council, another is president of Physical Education Majors, and president of Westminster Club. The chapter won the basketball tournament and has had the secretary of the freshman class, and secretary of the law school junior class, and the editor of the newspaper, as well as the vice-president of the Student Council, and cabinet members of WRA, with many working on the paper and yearbook and dramatic club affairs. They have had the vice-president of WRA and several chairmen of student government committees, in addition to secretaries of both the Home Economics Club and the Pep Club, and captain of the basketball team.

Tennessee A had two elected to Who's Who, and secretaries of both the Honor Council and International Relations Club, as well as University Players, and Student Council. Three of the four tapped for Mortar Board equivalent were Pi Phi, and five were tapped for Coed Cotillion. They had the Dream Girl of II K A. Four were elected to the service honorary. One is vice-president of YWCA, another has the same post in WAA. The class poet, the best dressed girl, the prettiest girl, the junior class treasurer, the program chairman of YWCA, and the president of Panhellenic were chosen from the chapter. Three were chosen for office in the Mocettes, the president, vice-president, and secretary, while three offices of the student body also came their way—the secretary, the pianist, the reporter. The chapter won the swimming meet, and the Panhellenic Scholarship Cup for 1946-47. There are members on YWCA council, Religious Council, and in departmental honoraries, as well as on Honor Council, and in Art Club. The secretary and the vice-president of Coed Cotillion have been Pi Phis as has the vice-president of the service honorary.

Tennessee B has two new Φ B Ks and a new member of Mortar Board, in addition to secretary of Honor Council, president of swimming club, and

Φ K Girl. The highest honor on campus is president of WSGA, who is now a Pi Phi. There are WSGA representatives, members on the Athletic Board, and on SCA cabinets, as well as on Social Standards Committee, Freshman Forum, and the VUT executive board. Several are members of departmental honoraries. There have been two in the sophomore and two in the junior honoraries, with a secretary of each, and secretary of SCA. The chapter won the prize for the third year for Homecoming Decorations. One is Fashion Editor of the Masquerader, and many work on the publications. They have president of Athletic Board.

Tennessee I will make itself felt at the University of Tennessee next year, despite its newness as a group. The chapter is first in scholarship. One member has made A A Δ . Three will be on the staff of the yearbook, one will be office manager, one on the advertising staff. One will be advertising manager of the magazine. One will be on YWCA cabinet, three on freshman cabinet of Blue Triangle, and one on Blue Triangle International Committee, while another will serve on the Campus Traditions Committee to plan all traditional festivities for the year. They are represented in the dramatic fraternity and one is vice-president of the Playhouse.

On the whole Epsilon province members serve their campuses well. Participation is complete in each chapter, bringing prestige to the fraternity and, even more important perhaps, broadening the friendships, and developing the abilities of the girls themselves, besides eliminating the barrier between Greek and Independent which so harms the fraternity system so long as it stands.

Each chapter has planned its goals and striven toward them in ever increasing harmony. Anything is possible to the chapter which has high morale, and unity, and if this lesson has been truly learned province progress is assured.

To Grand Council and to the personnel of Central Office I would express by deep appreciation for their constant help. To the Advisory Boards, and chapters, go my affection and gratitude for their loyal cooperation and warm friendship.

Respectfully submitted,

CLARE B. WILLIAMS

ZETA PROVINCE PRESIDENT

A REVIEW of this year as Province President brings out of the mass of correspondence and reports a sense of real progress and high hopes for the future of Zeta Province. The year began with a chapter president's conference at Daytona Beach, Florida, in September. This proved to be inspirational and informative to the chapter presidents and pledge-supervisors attending, and every chapter had both president and pledge-supervisor present except Alabama A and only a death in the family of that pledge-supervisor prevented her attending. This was an enriching experience for me as well as the chapter delegates.

Chapter visits were made by the Province President in January and it was a joy to see again those I had known and to meet the pledge groups. Every effort was made by the chapters and the individual girls to extend a friendly welcome and the eager cooperation of the girls made the visit even more pleasant. Zeta Province had the privilege of having Mrs. Alford visit us this year and this proved to be the highlight of the year. The chapters and the clubs in the province

will profit by her challenging and helpful suggestions.

All the chapters in the province had a successful year with regard to the girls they pledged and initiated. It is regrettable that the quota system keeps the chapters from pledging all the fine girls they would like to have as Pi Phis; only Alabama A is not penalized by the quota. The chapters are larger than they have ever been and this has made for more internal efficiency and more unity in the chapters. Every chapter is congenial, happy and successful, with aims set high; perhaps all the aims will not be realized but there have been and will be victories, fine achievements, and many dreams come true.

There is no question of the ambition of the chapters for the fraternity and this is demonstrated by their generous contributions to the national projects. Every chapter has contributed to Settlement School, Holt House and Loan Fund.

Scholarship is the weakest point in the province and there are no firsts to report for this year, but there is an Alabama A first for the year 1946-47.

The chapters, as a whole, stand well in scholarship on their respective campuses and they are all aiming at the first place. We can only hope that our ambitions will be realized next year.

In extracurricular activities the chapters excel and their list of honors is an imposing one. Intramurals have played an important part and all games have been participated in with Florida B and Alabama A taking the cup for all intramurals.

Every chapter participated in Fraternity Sings and Florida A won first place with the "Sweetheart Song" by Meredith Wilson. Alabama A won first place in "Stunt Night." Florida B defeated K A Θ in the Powder Puff Football Game. Georgia A placed second in "Sorority Sing." Florida Γ has had several taking leading roles in theatrical productions.

There are seven girls elected to Who's Who and every chapter represented on the list. Mortar Board, or its equivalent, has tapped girls in all chapters and there are nine members to report. In the field of journalism we find many Pi Phis active and carrying the responsibility of Editors, Associate Editors and Staff members. Every newspaper, annual, and magazine has a Pi Phi on the staff. Student Government and class officers are numerous. Space would not permit me to mention all the offices held by an individual chapter. Four of the five chapters have had members elected to Φ B K, of its equivalent.

There were five excellent nominations for the Amy Burnham Onken Award and it was indeed a difficult choice. Jean Bohrer Brown was the one chosen for Zeta Province and her list of honors, her lovely personality, and service to the fraternity and chapter should make her good competition for the national award.

No report would be complete without expressing appreciation for the splendid work of the Alumnae Advisory Committees. This alumnae backing is of vital importance to the chapters at all times and in times of emergency when problems arise which require

experience, the alumnae have been ready to give advice and to assist in any manner in which they could. Their kindly advice and constructive suggestions are needed and welcomed by the chapters. The relationship between active and alumnae is exceedingly fine and the inspiring contacts made on both sides is invaluable.

The Pi Phis in Zeta Province, with all their many varied activities and responsibilities seldom slight their social programs. Their parties invariably get full consideration and vary from "Crackers and Coke" affairs, given on the slightest provocation, to beautiful, formal affairs. All chapters have had at least one formal dance this year and the decorations have been outstanding, and in many instances very inexpensively made by the committee in charge. There are Beauty Queens in all the chapters and while every chapter cannot boast of having the Beauty Queen they have all been represented in this competition.

The cooperation of the chapters has been heart-warming and has made the work of the Province President a joy. Often too little tribute is paid to those loyal hardworking actives who do not hold important offices in the chapters. Their support and willingness to carry any responsibility should be recognized. The officers have done their work well and it is through their leadership that the chapters have reached and maintained the place they hold on the campuses. I am grateful to the girls for the inspiration they have given me.

To the members of Grand Council and other national officers, and particularly to Miss Onken I want to express my gratitude. Their advice and cooperation have furnished the inspiration needed to enable me to carry on this work. This year is crowded with memories of Pi Phi friends I will cherish always, and I am grateful for this opportunity to serve Pi Beta Phi.

Respectfully submitted,
EDYTHE BELTON TYLER

ETA PROVINCE PRESIDENT

THE chapters of Eta Province again have had the unique experience of having served under the guidance of more than one Province President during the college year, 1947-48. This report is based upon a term of office which has been of four months duration and such information obtained in the reports and correspondence between the former Province Presidents and the chapters. Since the Easter holiday was early this year and there were mid-term examinations, quarter term finals and other important Calendar events, it was April 1 before the visiting schedule could be worked out. Therefore, six chapters were visited after that date, starting with Illinois E and ending Memorial Day week-end in Madison. Illinois Z and E were visited by the Province President who immediately preceded me. A short unofficial visit to Illinois A and Holt House was a pleasant interlude between Founders' Day celebrations in Peoria and that in Galesburg. Bradley Chapter experienced the thrill of Founders' Day for the first time. Monmouth and Knox, to my knowledge, held their first joint celebration of that occasion. Each one was thrilling.

Despite the heavy social calendar, chapter members, deans and even presidents, in the case of three colleges, were most cooperative and exceedingly gracious about receiving an official visitor so late in the school year.

It has not been easy for the chapters to work with so much change in one school year. They have done very well under the trying circumstances of having a province president whose visits and schedules were all set, then canceled, then set again, but with an entirely different province president. It is surprising that the reports came in very promptly even when such a state of confusion existed.

The chapters were requested to forego any formal entertaining since it was so late in the year and their social season finished.

The alumnae clubs have been very prompt in their reports to me. In the case of Illinois Θ, their Special Advisor, Carmen Pletz, was very helpful.

On the whole, the scholastic average in the province is gratifying, considering the tightening up in grades on every campus. Illinois H and Wisconsin B stood first, the latter for the fourth consecutive semester, after having been in fourth place a few years ago. An added thrill came at convention time when it was announced that the chapter had tied as one of the three to win a place on the scholarship plaque. As a result of the error in the banquet announcement, Wisconsin B will hold the plaque first in time for the fall rushing.

In every chapter I found sincere and fine attitudes toward scholarship. Good study habits were aimed

for and awards for improvement as well as attainment given even at Monmouth and Lawrence which were lowest on their campus. Illinois A had a disastrous time with a pledge dropping out leaving 14 hours of "F" behind. The girls are making every effort, but the system of averaging pledges with actives has proved unfortunate for this chapter. Of course the other groups on the campus have the same hurdle. That chapter has some very outstanding girls who would credit any university, both in activities and grades.

Illinois Z has four Φ B K, University Honors, and A Δ Δ , and one Φ K Φ . Mortar Board chose four, one vice-president; Shi-ai three, one treasurer; Σ A I, one treasurer and editor; Z Φ H, vice-president, three in Orchesis, and Colleege Honors numbered fifteen. Additional activities too numerous to mention included beauty as well as brains. An ILLIO Beauty Queen, Military Ball Queen and Tribe-of-Illini Queen were only a few of that distinction. As the list is scanned fully one wonders if any of the other groups have any jobs at all even on that huge campus. And Illinois Z ranked third in scholarship on the campus of twenty-five women's fraternities! Next in size comes Wisconsin A. Four were tapped for Mortar Board, 2 Θ Σ Φ , 2 Senior Honors and the Amy Burnham Onken Award for Eta Province. Wisconsin B has an enviable record. Two graduated Magna Cum Laude and Φ B K, a third, Cum Laude, and the fourth who held one of the California undergraduate scholarships won the Pi Beta Phi Graduate Fellowship as well as the Taft Memorial Fund scholarship for graduate study, given by the University of Cincinnati, and the Graduate Award of Beloit College, an award both old and coveted. Naturally that girl was one of five chapter members to be chosen for Senior Bench, the equivalent of Mortar Board. Two were selected for the college Who's Who and one was the recipient of the California Scholarship for next year to continue at Beloit. The chapter ranked first on the campus for the fourth consecutive semester and thereby tied for a place on the Pi Beta Phi Scholarship plaque. Space does not allow for mention of anything more about this chapter lest the six others cannot be named.

Knox college is a very busy campus and the Pi Phi chapter an important factor of it. In scholarship it has second place by a small margin. First place next year is its aim. In Honors awards one Cum Laude, one Φ B K, one Faculty Scholarship as well as 3 Prize scholarships, and 4 Mortar Board is its record this year. Ten Phi Betas, 5 Σ A I, President of Orchesis, 19 Staff members of *Student*, campus newspaper, 6 YWCA Cabinet members, 3 Student Council members, and two selected for Who's Who are far from the entire list for this fine chapter. Illinois H leads the campus again in scholarship. Five were selected for the Mortar Board equivalent. Three Student Council members, 2 Junior class officers and 4 in the college Who's Who as well as Eta Province scholarship award tells only a part of the story of this campus. Fourteen members of Illinois E chapter served on the Wildcat Council at Northwestern. One

Mortar Board, president of Shi-Ai with 2 additional members, and many actives in YWCA, WAA, WSGA, WAA-MU Show, as well as in the editorial field indicates the busy life on that campus a very large one. A comparative scholarship rating is not published on that campus but initiation of 28 of the first pledge class of 30 showed the scholarship rating to the envy of all of the other groups of the campus.

Lawrence and Monmouth have the doubtful distinction of holding the last place on their respective campuses. At the latter the Dean's list shows one Tau Pi (Mortar Board equivalent), and three other members with above A- average. The scholarship chairman (one of those four) has fine ideas and methods, one of which is to watch the rushees from their High school average since it has been the pledges' grades which have brought the whole chapter down to its rock bottom spot. Our new Bradley chapter has a reputation to retain with its Pi Phi heritage and that of A Φ which has held first place in every way for so long a time. Illinois Θ is very aware of that challenge. It is making plans to secure that position again. And that is the same spot for Lawrence except that Wisconsin I started from scratch as a colonized chapter. As the President said in the interview at the time of the visit to the chapter the Pi Phi chapter began in top position and retained it for several years. Now the chapter is determined to reach that position again very soon.

House Mothers and Advisory Boards have been forces behind chapter accomplishments. The Deans, or Counsellors for Women, have been most cooperative. To have Mrs. McCarn leave the Northwestern campus and Charlotte Wollager resign to serve elsewhere is regrettable. It will be most difficult to replace them since they have shown such wisdom in these past adjusting years.

Amy Burnham Onken Award candidates from each chapter were: Wisconsin A, Caroline Mahan; Wisconsin B, Phyllis Cox; Wisconsin I, Mary Anschuetz; Illinois A, Beverley Jones; Illinois B- Δ , Nancy Siegle; Illinois H, Emily Buchman; Illinois Z, Mary McLaughlin; Illinois E, Betty Williams; Illinois Θ did not qualify this year. Caroline Mahan received the Province Award which was presented to her on the occasion of Founders' Day both in Evanston at the Chicago Area-Northwestern University luncheon and at a later celebration in Madison with her own chapter and the alumnae. Wisconsin had spring vacation on the date of actual Pi Phi founding and Caroline's home is in Oak Park, Illinois.

My term of office as Eta Province president has been short. But it has been a wonderful and privileged experience especially the chapter visits. I wish to express my appreciation for the gracious way the chapters and alumnae received me. There is a very special thank-you to Miss Onken for my appointment. I enjoyed the position and only wish that I could have given better account of the Province and the correspondence.

MILDRED KINNEY SCHROEDER

THETA PROVINCE PRESIDENT

THIS past academic year has seen campus activities return to "normal" for the first time since the beginning of the war. The huge influx of students has made competition keen, but many fine honors have

come to the chapters of Theta Province.

Scholarship standards have been high. Iowa A, B, I, and Z all received top honors, Iowa B for the third consecutive semester, thus permitting it to keep

the scholarship cup permanently. Six chapters were in the upper third scholastically on their respective campuses.

Harriet Hoegh of Iowa Z is the Theta Province candidate for the Amy B. Onken Award. Others recommended were: Patricia Richardson, Iowa A; Marynetta Leitch, Iowa B; Elizabeth Hake, Iowa G; Donaldia Murdock, Manitoba A; and Irene Raihle, Minnesota A.

One hundred fourteen girls were pledged during the year. After one year's unsuccessful trial of second semester rushing, Iowa Z is returning to the fall semester system. Next year Minnesota A will experiment with second semester rushing.

Iowa G and Iowa Z were recommended for the Balfour Cup Award from Theta Province.

It is impossible to mention all the many achievements and honors which have come to Theta Province Pi Phi girls, so I shall list those which seem most important.

Iowa A: Hershey Hall Council, 3 (Vice President and Secretary); Qui Est, 2; candidate to National Baton Twirlers Contest; Who's Who on American Campuses, 1; Iota Phi, 4.

Iowa B: Sweetheart of the Red and Gold; 3 of the 6 Representative Women; 1st place in Varsity Skit; 3 Homecoming attendants; A Ψ Ω, 5 (Secretary); Σ T Δ, 3; Psychology Club, 5 (President); Collegiate Choir, 6; Blackfriars, 8 (President and Secretary-Treasurer); WRA, 20; WRA Honor Society, 3 (President); WRA Board, 4 (Secretary); Winners of Inter-Fraternity Volley Ball Tournament; Plays and Crews, 11; Pep Club Vice President; Future Teachers of America, 5; International Relations Club, 5; Publications, 4 (Zenith Editor); M Φ E, 2; Student Congress Secretary; Home-Ec Club, 1; Debate Team, 2; Π K Δ, 1; Social Life Committee, 1; K X, 1; Student Fellowship Cabinet, 1; Who's Who on American Campuses, 1.

Iowa G: Φ B K, 2; Mortar Board, 2; Φ T O, 10 (President and Corresponding Secretary); O N, 5; Δ Φ Δ, 3 (Treasurer); Σ A I, 1; Θ Σ Φ, 2 (President and Vice President); 1 Σ Φ, 1; Γ Σ Δ, 1; WAA, 5; Outstanding Freshman Athlete; Home-Ec Club, 6; YWCA Council, 4; Publications, 8; Science Women's Club, 5; Iowa State Players, 8; Cheerleaders, 3; 4-H Council, 1; Radio Players, 1; Iowa Chemical Society Award, 1; Chairman Christmas Seal Drive; Religious Life Committee, 4; Orchestra, 1; Pledge Trainers

Council President; Veishea members, 23; Veishea Queen; Bomb Beauty; Sordor Sorority Sing, 1st place; Snow Sculpturing Contest, 2nd place; Scholarships to Lake Geneva Conference, 2.

Iowa Z: Φ B K, 1; A Δ Δ, 2 (Secretary); winner of province award for raising grade point the most; Secretary, Future Teachers of America; Γ A X, 3; Z Φ H, 2; YWCA Cabinet, 3; YWCA Executive Council, 1; Orientation group leaders, 4, assistants, 2; Freshman UWA Council, 1; Vocational Conference Committee, 1; Home-Ec Club, 1; Highlanders, 2; Information First hostesses, 2; American Pharmaceutical Association, 1; Panhellenic delegate to Student Council; Panhellenic delegate to National Student's Assembly; Vice President of Panhellenic Council; Φ Γ N, 1; Tailfeathers, 3; Chairman of UWA Style Show Committee; Vice President of Westminster Fellowship; Π A Θ, 1; Orientation Council, 1; Seals, 1; Art Editor, Panhellenic Handbook; Art Editor, Code for Coeds; UWA Treasurer; Central Party Committee, 1; YWCA Cabinet, 2; Tied for first in All-University Sing.

Manitoba A: Outstanding Activity girls, 5; Home Economics Executives, 2; Music Committee, 3; Dramatics, 2; Publications, 6; Radio, 5; University Athletics, 13; Cheerleaders, 6; United College Coed Representative; Senior Science Council, 1.

Minnesota A: Governing boards and councils, 10; Associated Women Students, 8; Δ Φ Δ, 1; Mortar Board, 1; Σ E Σ, 1; Mademoiselle College Board, 1; 2 delegates to Students Project for Amity Among Nations to be held in England; K E, 1; Φ E O, 1; Σ A I, 1; Θ Σ Φ, 2; All-U-Artists, 1; Ω P, 1; Russian Club, 1; Spanish Club, 1; United World Federalists, 3; University Chorus, 3; Chamber Music Group, 1; Theater, 2; Publications, 5; WAA, 13; YWCA Cabinet, 1; Homecoming Queen; Education Day Queen; 3 beauty queen attendants, 7 finalists.

I would like to express my sincere appreciation to all the members of Grand Council and to Gladys Scivally for their council and advice.

VERA L. MOSS

IOTA PROVINCE PRESIDENT

THIS has been a most gratifying and outstanding year for Iota Province, for many singular honors have come to the eight chapters comprising the membership of our province, and it has been a distinct pleasure and privilege to work with such fine, representative groups. The honor and distinction of having two chapters receive national recognition last year—Kansas A sharing the Stoolman Vase and Kansas B sharing the Philadelphia Award—has spurred us on to greater effort. My experience as their leader has broadened my knowledge of the fraternity and has strengthened my affection for it. The guidance and cooperation of national officers has been increasingly inspiring throughout my two years, and I would like to acknowledge gratitude to the various chapter officers for their fine service.

The Iota Province Conference for chapter presi-

dents and pledge supervisors was held August 22-23 in Lawrence, Kansas. The two-day conference covered several phases of chapter work and gave all of us a feeling of readiness and enthusiasm to start the year's work. All the delegates seemed to have profited by this chance to exchange ideas and become acquainted.

The Amy Burnham Onken Award for our province this year went to Carolyn Ann Campbell of Kansas A. Carolyn's exceptional scholarship, her whole-hearted participation in campus and sorority activities, and her fine personality have made her a credit to her chapter and to Pi Beta Phi as a whole. Other girls nominated for this honor were: Colorado A, Catherine Butto; Colorado B, June Newton; Kansas B, Ann Huddleston; Nebraska B, Priscilla Bailey; South Dakota A, Dona Lou Schmidt; Utah A, Margaret Ann Woodruff; Wyoming A, Ann Schmidt. All of these

girls have very fine records.

The \$25 Scholarship Award for the province went to Dorothy Barton of South Dakota A.

In scholarship all but two chapters are in the upper third of sorority groups on their campuses. Wyoming A has held the Panhellenic Cup for six years and Kansas B for five.

Rushing in the province was successful and resulted in the pledging of 182 girls. Panhellenic has been active on most campuses, though in some cases this group has been working on new rushing procedures for next fall.

Iota Province chapters have again supported sorority projects with generous gifts, contributing 100%. Seven of the chapters are sponsoring a foreign child. Kansas A donated \$108 and the others \$96 each.

Activities continue to play an important part in the lives of the various groups. Both actives and pledges in all chapters have shown an eagerness and enthusiasm for the extra-curricular work on their campuses. Some of the outstanding activities and achievements are:

Colorado A—1 Who's Who in American Colleges and Universities; Vice-president of Junior Class; Treasurer of Junior Class; Treasurer of Sophomore Class; 1 AWS; Miss Scholarship (AWS); Secretary of $\Delta \Phi \Delta$ and Corresponding Secretary; 1 T Δ ; 1 Social Science Honorary; 1 Creative Artists Guild; 2 Spurs; Distribution Manager and Assistant Distribution Manager of Silver and Gold and 5 staff members; "Dodo" (humor magazine) 7 staff members; The Window (literary magazine) 2 staff members; Colorado 12 staff members; 1 group leader of Y.W.C.A.; 2 Board Members of WAA; 3 Porpoise (Swimming); 6 Ski Club; Winter Carnival, 8 committee members; Secretary of Panhellenic; 1 member of House of Representatives; 3rd place in house decorations.

Colorado B—1 $\Phi \beta \kappa$; Treasurer, Social Chairman, Editor, Publicity Chairman of Mortar Board and 2 others; 3 Who's Who in American Colleges and Universities; 1 Senior girl with highest grades in Chemistry Department; President and Historian of $\Lambda \Delta \Delta$ and 5 others; President of AWS; Mentor President and 5 members; President and 3 members of Parakeets and 11 pledges; Clarion Editor; Vice-president of Co-ed Journalists; 2 $\Psi \chi$; President of French Club; 1 Women's Student Council; $\Phi \Sigma \iota$ Secretary and Treasurer; Vice-president of $\Delta \Phi \Delta$; $\iota \Sigma \Pi$ Treasurer; President of $\Phi \Sigma$; Secretary of International Relations Club; Vice-president of Panhellenic; D.U. Miss Scholarship; President of $\Lambda \Sigma \chi$; 1 Board of Governors; 1st place in house decorations.

Kansas A—1 $\Phi \beta \kappa$; 1 $\Phi \Lambda \Theta$; 2 Mortar Boards; President and 2 $\Gamma \Lambda \chi$; 3 were on University's upper 10% in Scholarship; 3 Quill Club; Vice-president of WAA; Secretary and Treasurer of AWS; 6 $\Phi \Lambda \Theta$ s (History); 1 $\iota \Sigma \Phi$ (Chemistry); 1 House of Representative and 1 Senate; 3 $\Delta \Phi \Delta$ s (1 received award for outstanding Freshman in Art Department); Carolyn Ann Campbell was outstanding girl in School of Education, making a 3.0 average; Associate Editor of Jayhawker magazine; Editor of Y-Knot; 2 Cabinet Members of Y.W.C.A.; President and 1 Jay Jane; 1 Honor initiate of Jay Jane; President of Pledge Class of $M \Phi E$ and 1 other; Vice-president of UNESCO; Secretary of State-wide Activity Executive Board; Secretary of N.O.W.; Co-chairman of drive of World Student Service Fund; Secretary of Senior Class; President of French Club; President and Treasurer of $\iota \Sigma \Phi$; Vice-president of the Architectural Society; Associate Editor of Bitter Bird magazine;

Associate Editor and Business Manager of *Kansas Engineer* magazine; Editor of *Gamma Alpha Chi* magazine; Secretary of Student Union Activities; Chairman of Clubs and Organization Committee; Homecoming Queen; Union Carnival Queen; Engineer Hobnail Hop Queen; Navy ROTC Queen; Sweetheart of Sigma Chi; Cover Girl winter issue of *Bitter Bird*; finalist in *Jayhawk* Beauty Contest; 3 in cast of Trojan Women; 1 in cast of Blithe Spirit; 1 in cast of Harvey; 2 in Senior Class Committees; 2nd in Swimming Meet; 2nd in Homecoming house decorations.

Kansas B—4 $\Phi \kappa \Phi$ s; President and 1 Mortar Board; Secretary and Treasurer of Prix; 2 *Who's Who in American Colleges and Universities*; Secretary of Quill Club and 2 members; $\Theta \Sigma \Phi$ President, Secretary, and 2 members; $\Phi \Lambda M$ Censor and 6 members; Vice-president of $\Phi \chi \Delta$; 4 Cabinet Members of Y.W.C.A.; 3 Junior Cabinet Members of Y.W.C.A.; President of Radio Guild; 2 Cheer Leaders; 11 received Publication Keys for outstanding work in Journalism; 3 Assistant Editors of the Royal Purple (Editor of Class section, Editor of Intramural section; and Editor of Religious section); Homecoming Queen and first attendant; second place in volley ball; 1st place in posture; and 1st place in Ping Pong.

Utah A—2 $\Phi \beta \kappa$ s; 2 Mortar Boards; 3 $\Phi \kappa \Phi$; 3 Spurs; 1 Cwean (Junior honorary); 1 Junior Sweater Award; Secretary and Treasurer of Red Cross; Sophomore representative AWS; Vice-president of Sophomore Class; Senior girl received the Schropman Club Graduate Scholarship Award; 2 $\Lambda \Delta \Delta$; 2 $\Psi \chi$; Founders' Day Queen (founding of the University of Utah); Dream Girl of $\Pi \kappa \Lambda$; Attendant to $P \Sigma M$ Queen; White Star of $K \Sigma$ Queen; Citizenship Award for services in charity work and school drives; Historian of Student Body.

Wyoming A—3 *Who's Who in American Colleges and Universities*; President and 1 $\Phi \beta \kappa$; 1 $\Phi \kappa \Phi$; 2 Mortar Board; 3 Big Sisters; 2 Spurs; Winner of Red Derby at the Gridiron Banquet (one of the highest honors to be received on the campus); AWS Board member; 2 Iron Skulls; President of $\Theta \Lambda \Phi$; Secretary and Treasurer of Senior Class; President of $\Phi \Sigma \iota$; 1 $\Phi \Gamma M$; Cadet Engineering Queen; 3 Cheer Leaders; 3 Blue Pencil; Championship Volley Ball Team; 1st place in Rifle Team.

This is not a complete list of honors.

In closing I wish to thank all the Pi Phis who have helped make this year such a pleasant one for me, and in particular I want to express my appreciation to the members of Advisory Boards who have

cooperated so willingly and who have given unstintingly of their time and services in order that their chapters may be the very best. Miss Onken's help had been invaluable and I am more than grateful for it

and for that of other members of Grand Council.
Respectfully submitted,
HELEN FRIEND LINDSEY

KAPPA PROVINCE PRESIDENT

APPOINTED in July to complete the unexpired term of Margaret Jacoway as Kappa Province President, my introduction to the province work took the very pleasant form of attending the Province Workshop, held in early September in Little Rock. Planned and directed by Miss Jacoway, this was but one more splendid example of the fine leadership which she had given to Kappa Province for the past two years.

As a result of a most heartening discussion at Little Rock, the province chapters decided to devote a part of their Chapter Loyalty Day celebration to giving pleasure to others, thereby at one and the same time deepening their own appreciation for the privilege of Pi Beta Phi membership and practically expressing their realization of the attendant responsibilities for service. These activities took various forms: entertaining under-privileged children for a show and lunch (Louisiana B); presentation of color books to a nearby children's home (Oklahoma A); giving of funds to provide equipment for a local negro school, and a dinner invitation and financial aid to a French student whose home conditions had left her here in the United States without sufficient funds to continue her education (Oklahoma B); extra treats for the chapter's Save-the-Children orphan (Texas B); and the organization of the entire campus under Pi Phi leadership to collect clothes for the Drive for European Children (Texas A).

Kappa Province philanthropies have not been confined to these, however, as all chapters have contributed to Campus Chest Drives where held, to the Red Cross, the Save-the-Children Foundation, the Cancer Drive, and the World Student Service Fund. Arkansas A gave ten boxes through CARE, and has continued its regular monthly assistance to a blind student who, a June graduate, was this year named Arkansas' most outstanding student. Oklahoma A earned \$228.00 at a Coterie for the March of Dimes; and Texas A made the most of all the girl's concessions at their Varsity Carnival with its Bingo table (profits went to philanthropy). Texas B assisted with a campus Book Drive for three foreign universities and organized and directed a Brownie Troop. Louisiana A has continued its services at the Gumbo Home for Children.

The chapters were one hundred percent in their support of Pi Beta Phi projects, giving \$175.00 to Holt House, \$375.00 to the Settlement School, and \$190.00 to the Loan Fund—a very commendable average for seven chapters.

Scholarship has received much attention this year and with some gratifying results, even though some of the goals set have not as yet been accomplished. Only one chapter held first place for the entire year, 1946-47, and again this first semester of 1947-48—Oklahoma B—a six semester first placer, whose pledges also ranked first on campus last fall, all but one making initiation average, and that only a tenth of a point miss! Louisiana B has shown the greatest progress, coming up from seventh place first semester of last year, to fourth second semester, and third (and that very close to second) first semester of this year. Another third-close-to-second was won by Texas B

first semester, after being dropped down to fifth second semester of last year. Two second places on campus were won first semester of this year by Louisiana A and Arkansas A, both having raised from third place the semester before. In spite of a tutor and an excellent study hall, Oklahoma A dropped to seventh place second semester of last year and first semester had only regained one place—ranking sixth. Texas A receives comparative ratings only on the annual basis, but has been showing considerable improvement in averages since the eleventh place ranking for 1946-47. Later reports from all chapters will tell whether the gains made were held for the spring, 1948 semester—or as was each chapter's goal, bettered!

Oklahoma A and B began the year in shining, redecorated houses, both most attractive and with that "new look." Louisiana A has just, with the enthusiastic assistance of its Mothers' Club refurnished and refurbished its lodge, and Louisiana B is in the midst of a solicitation of funds from alumnae to finance a redecoration of its room in Panhellenic House. Arkansas A reports plans for the summer to keep its attractive house in fine condition, and Texas A added a railing to their third-floor roof for the benefit of sun-bathers. Texas B is again, after an enforced delay, hopefully planning for an apartment to house twenty girls and provide adequate chapter rooms in a contemplated Panhellenic House on the SMU campus.

One change in house chaperonage took place this year, Oklahoma A securing the fine helpfulness of Mrs. Margaret Quigley, mother of a Pi Phi, when their former chaperon, Gladys Scivally, accepted the Directorship of Central Office. Mrs. Clifton and Mrs. Winton, Arkansas A and Texas A, remain our loyal and fine Pi Phi chaperones in Kappa Province, and Mrs. Campbell again served most capably as hostess at Oklahoma B. Texas B was fortunate in having Mrs. McMillan continue sharing their apartment and serving as chaperon for chapter functions there.

To these valuable cooperators in maintaining Pi Beta Phi homes for gracious living, and to the alumnae who so willingly and effectively guided Kappa Province chapters as members of advisory committees, goes the deepest appreciation of all our chapter members and their Province President.

Rushing was most successful, with one possible exception but even there the pledges were truly fine additions to Pi Beta Phi. Quotas or limitations are imposed on every campus except Oklahoma A & M, three (Louisiana A and B, Texas B) based on an equal division of entering students among the Panhellenic fraternities, Arkansas A a combination limitation and quota system, and Texas A and Oklahoma A a chapter limitation, the latter designed to prevent chapters from pledging any more than they can satisfactorily house.

Arkansas' Panhellenic this year has been debating the advantages and disadvantages of a freshman dormitory and deferred rushing. Oklahoma A and B are both expecting completion of freshman dormitories next year or soon thereafter, and with that the housing of all pledges in these dormitories. This will neces-

sitate some revision of Oklahoma A's limitation system and considerable adjustment in both chapters' pledge programs.

Oklahoma University's Panhellenic has eliminated all large summer parties this year, while Louisiana A has added a limited amount of summer rushing for the first time, and Texas B will probably return to its former policy of no summer rushing. Considerable change has been made in SMU's rushing plan for fall following the recommendation of Texas Beta's spring semester President. Louisiana A's "compact," new last fall and on which Pi Beta Phi labored diligently, active and alumnae alike, was most enthusiastically received and with some changes will be used again next fall. Arkansas A, Oklahoma A and B continue to hold week-end parties for high school students each spring, although Arkansas A has reduced the extent of these somewhat.

Inter-chapter contacts this year have included a dinner in Louisiana A's lodge attended by twenty Louisiana Bs in New Orleans for the Tulane-LSU game, and the usual Founders' Day celebration in Oklahoma City with Oklahoma A and B participating. Oklahoma chapters were most enthusiastic over the first season with the State Rushing Committee operating.

All candidates for the Amy Burnham Onken award were excellent representatives of the high standards on which this is granted, and included Adelaide Phillips, Louisiana A; Anne Jordan, Arkansas A; Jean Bailey, Oklahoma A; Cynthia Rowan, Texas A; and Sally Neff Guynes, Texas B. Jo Anne Mullendore, Oklahoma B, was named recipient of the Kappa Province award.

All chapters have maintained fine participation in campus activities, with outstanding leaders in many fields, and with almost one hundred percent of the pledge and active membership entering actively into the campus organizational program of her choice. Let me give only a partial illustration:

Arkansas A: 2 Φ B K, 2 Mortarboards, 1 Λ A Δ , 16 in honor organizations in nine different departmental fields, winner of the Wilson Award in journalism, of the AAU Award, the Sweetheart of Sigma Chi and the Commerce Queen, two "Frolic" cover girls, two winners of Westminster Fellowships, the Junior Class President, a member of the Student Senate, four members on the Sophomore Council, two *Razorback* Beauties, two on Student Union committees, two on the *Razorback* staff and 3 on the *Business Administration* magazine, 100% chapter membership in Associated Women Students, Young Democratic Club, and YWCA.

Louisiana A: 2 Λ Σ Σ (leadership), 2 Assets (freshman honor society) (one is President), 4 on the Dean's List, 2 *Who's Who*, 12 in three departmental honor organizations, the president of the Senior and the Sophomore classes, Vice-president of the Student Body, President of the Athletic Council, winner of a Student Activities Key, President of the Dance Club, 1 on *Jambalaya* (yearbook) staff, one on *Hullabaloo* (newspaper), 1 on *Urchin* (magazine) staff, 5 "Big Sisters" on Orientation Committee, 2 on Honor Board, 1 on Student-Faculty Relations Committee, one recipient of an "N" (athletic honor), and one B Σ O English prize, vice-president of the Art School, Secretary of the Publications Board, Queen of the entire Mardi Gras Carnival, and five other Mardi Gras queens, Queen and 1 Maid of Honor of the Urchin Beauty Court, 2 members of the Freshman Beauty Court, 1 member of the Urchin Freshman Beauty Court, Sweetheart of Sigma Chi, 3 Dukes

(juniors) and 2 Maids (seniors) in May Day.

Louisiana B: 2 M Σ P (Φ B K), 1 officer and 1 member of Λ A Δ , 10 members of 7 departmental honor organizations, secretary of Home Economics Club, one president and 14 members of three inter-sorority organizations, secretary and 2 members on AWS Governing Board, 1 on YWCA cabinet, 1 on WRA Council, 2 on LSU Rifle Team and 1 on Archery team, 1 leading role in school production, 1 on school paper staff, 1 Dormitory vice-president, 3 on Dormitory Councils, 3 Senior Advisers, 2 in Commerce Day Court, one in Favorite Section, President of Φ B (music-speech), Treasurer of Ψ X and Editor of A B X, both departmental honor organizations.

Kappa Province was indeed fortunate this year in having Grand Council visits—Amy B. Onken to Texas A, and Marianne Reid Wild to the other chapters. The inspiration from these has been reflected in increased enthusiasm and a heightening of chapter activity.

The high-lights of my own year have been the personal contacts with these two Grand Council visitors and with my fine province chapters. The experiences of this Province President have been exhilarating and gratifying, and she is continually grateful for the privilege of close contacts with Grand Council, national committee members, and chapter officers and members, which her small Pi Beta Phi service in this capacity permits.

LAMBDA PROVINCE PRESIDENT

IN THE Province President's report to the ARROW for last year it was stated that emphasis was being given to two objectives—scholarship, and student activity participation. This year's report indicates that the chapters have shown a marked improvement in these fields, which manifests a changed attitude towards a more commendable loyalty to both the institution, and to the fraternity.

The most significant accomplishment in scholarship these past two years was made by Oregon A, when this chapter raised its scholarship from eighth place to first place, and maintained this position for four consecutive quarters. With this achievement Oregon A won the Burt Brown Barker Scholarship award for having the highest scholarship, 2.75, for the past year. This is the first time this award has been won by a fraternity. Another chapter to receive outstanding recognition in scholarship is Oregon I with a scholastic average of 3.065 the first semester of this year—establishing a record at Willamette. Honorable mention is due four chapters for the splendid showing made on their respective campuses: Alberta A, winning second; Washington A in third position with an average of 2.86 the highest that this chapter has attained since 1936; Oregon B raising its average from eleventh to fourth place with a scholarship average of 2.67; and Montana A recently announcing that it has moved up to fourth place in scholarship with an excellent chance to be soon in first position. The remaining chapters are working diligently to make their contributions, and if this report were not due before the close of college I am confident that Lambda Province would show additional achievements.

There were twenty-three girls in Washington A who had a 3. average or above. There were four girls from this chapter who made a 4.: Helen Veatch, Mary King, DeEtte Bryan, and Shirley Willis.

Dorothy Polley, Washington B, is the only Φ B K in the Province at present, but next year should bring many more to our chapters.

In Mortar Board, Lambda Province has the following: Marion Eisenhower, Idaho A (president); Nancy Austin (president), Bobbie Davis, Pat Galt, Elizabeth Haglund, Montana A; Helen Hicks (president), Jordis Benke, Nila Desinger, Beverley Pitman, Oregon A; Barbara Anderson, Charlene Collins, Joanne Lindberg, Margaret Schuster, Oregon B; Jean Lawton, Washington A; Shirley Glann, Helen Bendixen, Washington B.

The Blue Stocking Club at the University of Alberta which corresponds to Mortar Board has three members who are Pi Phis: Dorothy Shaner, Lillian Guitard, and Beth Weir.

Lambda Province has the following significant individual recognition:

Most outstanding woman in WAA, Cup won by Jackie Ritchie, Idaho A.

Invited to Matrix Table, Beverley Whitson, Idaho A.

Chosen to Big Ten (Selection from Senior class), Nancy Austin, Montana A.

Selected to attend the Merrill-Palmer School in Detroit, Elizabeth Haglund, Ruth Morris, Montana A.

Gerlinger Cup—for the most outstanding Junior woman. The most coveted prize on the campus at the University of Oregon, Jordis Benke, Oregon A.

The Φ B K Award—given to the underclassman with the highest accumulative scholarship, Nan Umphries, Oregon A.

Lambda Province Scholarship Award—\$25, Barbara Byers, Oregon A.

Lyman Wolf Senior Award—\$50, Danforth Senior Scholarship, Borden Scholarship, Barbara Anderson, Oregon B.

Lyman Wolf Junior Award—\$25, Marjorie Buerger, Oregon B.

Phi Chi Theta, Freshman Award, Doris Emerson, Oregon B.

Featured in September 1948 issue of *Ladies' Home Journal* in, "How America Lives," Marilyn Nelson, Oregon B.

Invited to Matrix Table, Barbara Miller, Washington A.

Oregon I initiated a fine project this year when it collected clothing for the girls at Hillcrest Home for Girls. One of the members taught "charm" classes at the Hillcrest Home. Oregon I pledges prepared boxes of food to be sent to European families. Idaho A entertained with a Children's Christmas party which proved to be most successful.

The following served as presidents for the following organizations: Marion Eisenhauer, Idaho A, Home Economics Club; Rosemary Fitzgerald, Idaho A, Spurs; Jackie Ritchie, Idaho A, WAA; Polly Harris, Idaho A, Panhellenic; Lois Hill, Alberta A, Panhellenic; Nancy Austin, Montana A, Panhellenic and AWS; Beverley Pitman, Oregon A, AWS; Oregon A had the presidency of WAA; Eleanor Chapman, Oregon B, Panhellenic; Muriel Oliver, Oregon I, YWCA; Dona Adams, Oregon I, Panhellenic 1948; Shirley Glenn, Washington B, YWCA.

There are four members of *Who's Who in American Colleges and Universities*: Helen Hicks, Nila Desinger, Oregon A; Kay Karnopp, Winona Dillard, Oregon I.

Barbara Miller, Washington A, won the Amy Burnham Onken Award for Lambda Province this year. Her recognized leadership, her fraternity loyalty, and her splendid scholastic average of 3. were significant factors in her election. Other candidates for the Award were: Elizabeth Weir, Alberta A; Marion Eisenhauer, Idaho A; Nancy Austin, Montana A; Helen Hicks, Oregon A; Barbara Anderson, Oregon B; Kay Karnopp, Oregon I; and Joan Lee, Washington B.

There is an average of 31 girls per chapter who are actively interested in the following: Women's

scholastic honoraries; professional honoraries; and activity honoraries. The fields covered are: Art, Advertising, Commerce, Dancing, Debate, Dramatics, Education, Far East, International Relations, Journalism, Music, Psychology, Political Science, Publications, Swimming, YWCA, and Home Economics. Twenty-five girls in the Province are holding prominent executive positions. Besides this representation there are many committee appointments which will provide continuity to the activity program of the chapters.

The chapters in Lambda Province can well be proud of their attitudes towards transfers from other campuses where there are chapters of Pi Beta Phi. In this the chapters have shown a true interpretation of "fraternity," and it is sincerely hoped that this outstanding characteristic will continue to be exemplified in this Province.

Working with the active chapters these past two years has been most delightful, and the manner in which the officers assumed their responsibilities towards developing strong chapters has been most gratifying.

The Province President wishes to express her personal and official appreciation for the splendid cooperation the Alumnae Advisory Committees have given the chapters in Lambda Province. Many of the fine accomplishments were possible because these alumnae gave so unselfishly of their time, energy, and thoughts in developing strong chapters. There is an excellent spirit of cooperation between the Alumnae Advisory Committees and the active chapters in Lambda Province and where chapters are willing to counsel often with these alumnae the results are most gratifying.

EMILY DRAPER

MU PROVINCE PRESIDENT

THE YEAR for Mu Province really started when the six presidents of our chapters and two pledge supervisors attended our Province Conference in Oceanside, California. The meeting took the form of a house party. A beach cottage was rented and we had opportunity for swimming and sunning on the beach between meetings. Mrs. Alford came to lunch with us the first day and spent the afternoon telling us of Settlement School, problems of the ARROW, and events of national interest. We were most grateful that she could be with us and all of us gained a much greater sense of national feeling than we had had previously. We covered every phase of fraternity work in our discussions and our presidents were not alone in gaining a great deal from the meeting.

Our Province Conference saw the adoption of scholarship recognition for chapters in the Province in the form of a cup to be awarded to the chapter with the highest standing each semester. California I was the first winner with the highest grade by the Pi Phi formula and standing first on the USC campus.

An additional honor went to Jean Roesch of the Gamma chapter when she won the new \$25 award for the girl with the greatest improvement in grade, in the chapter with the highest average over the all-fraternity women's average on the campus.

With the exception of California Δ which I visited in the Fall, all the chapter visits were made late in the year. An accident, in which my husband broke his arm, prevented my leaving home before Spring. However, I found every chapter in Mu Province in ex-

cellent condition, in good standing on their respective campuses and holding their just share of campus honors.

The ABO nominees for the Province were Polly Mansfield, California B, the winner; Jackie Bradford, California Δ; Betty Tracy, Nevada A; Barbara Peabody, Arizona A; Ann Johnson, New Mexico A; and Madelyn Hale, California I.

All our chapters maintain their own homes with the exception of New Mexico A and she has bought her lot and is making plans for building. Nevada has made notable improvement this past year with the installation of a beautiful new knotty pine study room on the third floor and new rugs and reupholstering throughout the living room and den. Additional redecorating will be done during the summer so that the house will be in beautiful condition for the opening of school in the Fall. Arizona A also plans extensive redecorating during the summer.

Our chaperones are all gracious hostesses for us and deserve much credit for running our houses so capably.

General scholarship conditions have been good, although some averages have dropped badly in the last semester. California B was 2nd in the Spring semester but dropped to 14th in the Fall semester. California I was first and dropped to 16th. California Δ raised from 7th to 4th. Nevada raised from 4th to 2nd, Arizona remained at 3rd for the full period and New Mexico dropped from 3rd to 4th. Great emphasis is placed on scholarship and our chapters are particularly conscious that if a Mu

Province chapter is to win Balfour Cup in the future, our scholarship must come up. Scholarship is the greatest hurdle for us in that race. In other respects our chapters are of high enough quality to be very definite contenders for the highest honors.

One hundred thirty-one girls were pledged during the Fall and Spring semesters by our six chapters and 57 initiated in the Fall and 68 in the Spring.

The internal organization of our chapters has been outstanding this year and the fraternity spirit splendid. Aside from scholarship, I do not have a serious criticism of any chapter.

In listing chapter honors, I shall mention only the most outstanding.

California Δ—1 Φ Β Κ; 1 Key and Scroll; 5 Spurs, secretary; 1 Α Μ Γ; 1 Δ Υ; 1 Π Δ Τ; 1 attendant to Homecoming Queen; Σ Ν White Rose Queen; Attendant to Junior Prom Queen; Girl of the Golden West in Pasadena Rose Parade; AWS Women's representative and representative at large; AWS President for next year; WRA, Chairman of intramural and assistant to chairman; Editor YWCA Newspaper; Y Council, 3 members; Presidents of 2 Freshman Clubs, 1 secretary; OCB, 3 secretaries; Yearbook, junior editor, photograph editor; President, Red Cross Unit; Freshman Council, secretary and 5 members; Junior Council, 3 members; Winner of University Sing.

California Γ—President of Troeds; President of Spurs, 3 others; President of Key and Scroll, 2 others; Vice-President of Student Body, next year; Senior Justice on Judicial Court, next year; AWS Cabinet, 2; AWS Social Chairman; AWS Associate Cabinet, 1; 3 Amazons; Red Cross, secretary; 1 Mortar Board; Scroll of Honor for one of 10 most outstanding senior women.

Nevada A—1 Φ Κ Φ; 1 X Δ Φ; 2 Φ Α Θ; 3 A E Δ;

5 Sagens; AWS President; 1 Cap and Scroll (similar to Mortar Board); 4 Women's Upper Class Committee, Chairman; 1 University Senate; Office Manager of Newspaper; WRA President, Vice-President, 1 Executive Board; YWCA Treasurer, 2 Cabinet; 3 Finance Control Board.

New Mexico A—AWS, 11 on Council, social chairman; Assistant Manager Paper; Yearbook, Business Manager; 3 Student Senate; WRA Council, Chairman, 3 others; 1 Π Α Θ, President; 1 Σ Α Ι; 6 Spurs, secretary, alumnae editor, chairman Homecoming Committee; Popularity Queen; Mirage Beauty Queen; Homecoming Queen Attendant; Ski Queen Attendant; Dream Girl of Π Κ Α; Most outstanding new initiate on campus (Panhellenic); First place in swimming meet.

Arizona A—1 Mortar Board; 1 FST, junior honorary; 4 Spurs, president; 1 Α Ρ Τ; 3 A E; 1 Π Δ Φ; 2 Ζ Φ Η; 1 University Players; 1 Π Α Θ; 5 A Club (1000 athletic points); 1 Who's Who; WAA, secretary; Treasurer, senior class; Secretary, junior class; AWS, president; AWS, vice-president next year; AWS, secretary next year; First for Homecoming decorations; Phi Delt Dream Girl; 2nd Swimming meet; 2nd Tennis.

California B—1 Mortar Board; 3 Prytanean; 1 Torch and Shield, President; 1 Cal Club; Yearbook, Associate Editor; Yearbook, Associate Manager; Vice-President Senior Class; Vice-President Senior Class, next year; Women's Judicial Committee, Secretary; 2 Rally Committee; 1 Sophomore Council; 2 Freshman Council; 2 Chairmanships, NSA; 1 Φ Β Κ.

May I extend a special word of thanks to all our Advisory Committee members for their splendid work with our chapters and for their kindness to me.

At the University of Oregon there is a group of librarians composed of a representative from each living organization of the campus. They formed a club with regular meetings once a month to bring more reading for recreation to students on the campus, and to stress using the library not only as a place for studying, but also for leisure time. At these regular meetings of the librarians there is a business meeting and a program, ending with refreshments. The business meeting consists of reports from different officers and committees. This group has established a way of making money for buying more books for the traveling library. They sell cupcakes, cookies, or something in the way of food in the main hall of the library and it proves to be a very profitable business. For the program there is always a speaker, who is vitally interested in books, such as the head of the library on the campus who speaks on a topic pertaining to books and reading material.—*Banta's Greek Exchange*

Reports of Province Vice-Presidents

ALPHA EAST PROVINCE VICE-PRESIDENT

CONVENTION and a new club at Orono, Maine, are the centers of interest. For the first time in several years this province is 100% in both clubs and chapters and there is an increase in membership.

Boston assumed full sponsorship of a child from the "Save the Children Federation" while other clubs have contributed money or sent boxes to the province child of last year. Montreal contributed \$150 to endow a bed at the Children's Hospital.

Arrowcraft Sales were held by five clubs and New Haven showed a splendid increase in amount sold. Hartford and New Haven sent a box to the Settlement School at Christmas. All clubs except one helped the Settlement School through magazine commissions.

Portland presented the Sophomore award in the province to Ora Belle Holdridge, Connecticut A. Hartford bought a stair carpet for Connecticut A and other clubs helped chapters with rushing and contributions.

Official visits to clubs at Stamford, Boston and

Hartford were very pleasant. Founders' Day was celebrated at Hartford with the Hartford and New Haven Clubs. Other Pi Beta Phi meetings I attended were at Vermont A initiation, a "covered dish" supper at Burlington, a tea in Rutland, Vermont, and the fiftieth anniversary of Vermont B. The Burlington Club is in charge of the celebration of the fiftieth anniversary of the founding of Vermont B. There will be the annual Vermont picnic in July at Rutland and another meeting at Bellows Falls in August. The State of Maine group has a state conference the last of July.

The ever ready help of Grand Council, committee chairmen, Director of Central Office, my province president, and the cooperation and loyalty of officers and club members have made the work stimulating and pleasant; to all I am most grateful.

Respectfully submitted,

ERMINIE L. POLLARD

ALPHA WEST PROVINCE VICE-PRESIDENT

WE WELCOMED during the year the chartered club at Ithaca, making thirteen clubs in our Province. Eleven of the thirteen rated 100% in their support of the major projects of the fraternity.

Our Settlement School contributions show an increase over last year of about \$400.00. There were gains also in the Holt House contributions.

Eight of the clubs contributed to the care of the little French boy who was sponsored by our Province last year. Northern New Jersey sponsored a child of their own thru Save the Children Federation. The Buffalo Club sent boxes of clothing to several European families. Several of the clubs assisted in local projects thru donations.

Our Arrowcraft sales increased from \$2167.55 last year to \$3808.48. In order of the amount sold are: Northern New Jersey, which leads with gross sales totaling \$1320.55, New York City, Albany, Schenectady, Mohawk, Valley Buffalo, Rochester and Westchester.

New York City Club did very well financially with their benefit performances of "A Street Car Named Desire"—they sold 200 tickets, the money was sent to Settlement School.

Ithaca, Syracuse, London, and Toronto Clubs were most fortunate in being able to hold joint meetings with the active chapter for Founders' Day.

Most of the clubs have written about their Founders' Day celebration; they were all very interesting. The decorations used at the Northern New Jersey luncheon sounded especially attractive. There were Settlement School place mats on the table with blue candles and wine and blue flowers. At the speakers' table was a large bouquet which had long white tapers inserted in it. These were lighted, one in memory of each Founder. Mrs. Herbert Rauch of the New York City Club, also a member of the Settlement School Committee, told of the wonderful work going on at the school, also of the transformation it has made in the entire community.

My thanks and deepest appreciation to the club officers and members for their grand cooperation and interest. To Grand Council, Committee Chairman and Central Office, I am especially grateful for their inspiration and guidance.

Respectfully submitted,

EDNA O. ARCHIBALD

BETA PROVINCE VICE-PRESIDENT

INCREASED enthusiasm for and interest in Pi Beta Phi has manifested itself throughout Beta Province this year, to be climaxed by seventeen out of the twenty active clubs sending delegates to Convention. Many are sending their alternate as well.

Very substantial contributions were made to the "Save the Children Federation." While our contributions to the Settlement School were \$2347.00, they were about eighty-five dollars less than last year, but Arrowcraft gross sales increased over one thousand dollars. A number of bonus gifts were also sent to the School. Cleveland East still holds first place in

contributions to the Settlement School, Philadelphia second, and Cleveland West third. Our contributions to Holt House increased, with the Pittsburgh Club making the largest gift.

Nineteen of the twenty active clubs are 100%. Ten clubs have increased their membership. I regret very much that the Clarksburg Club has found it necessary to disband.

Pi Phis continue to take part in their local philanthropies with contributions being made to hospital building funds, children's hospitals, schools for the handicapped, many needy families, Red Cross, and

Cancer Fund.

Assistance to active chapters has increased and cooperation between club and chapter in the same city has been most helpful. One club prepared hot lunches for the actives between rush periods, saving them time and energy for the next party. Service as well as financial aid was given in all instances. Several clubs located where there was no active chapter sent gifts and money to some active chapter. Recommendation Committees, and Advisory Boards were anxious for helpful suggestions as to how they might serve the actives better. As well as remembering the younger Pi Phis, each group has also demonstrated its pride in its Golden Arrow members, honoring each one in some way as they reached their fifty year mark in Pi Phi.

Beta Province was especially privileged to have Miss Onken as their visitor from Grand Council. Each group she visited reported both joy at seeing her

and renewed fraternity inspiration.

It was my pleasure to visit eleven clubs this year, thus completing Beta Province visits for the two year interim. Meeting old friends, making new ones, enjoying gracious hospitality and cooperation in fraternity obligation—all these were a great inspiration to me to serve Pi Phi better. The manner in which the fine officers and loyal alumnae of each club have met their obligations has made it possible for Beta Province to complete a successful year in point of achievement and record.

It has been a pleasure and privilege to serve as your province officer and to each of you goes my sincere thanks. I am very grateful to Miss Onken, Marianne Wild and the other members of Grand Council, as well as Central Office for their inspiration, guidance, and patience throughout the year's work.

Respectfully submitted,

EDITH HOYER RANKIN

GAMMA PROVINCE VICE-PRESIDENT

EVERY club in Gamma Province has had the four required meetings, has contributed to the three national projects, and has sent in the convention tax. Six clubs sent packages and money to the war orphans, with the smallest club, Charlotte, N.C., setting a record of making a contribution of \$300.00.

Some outstanding local projects were the Elizabeth Kates Foundation which Richmond sponsors, the City Panhellenic Association started by the Norfolk Club (the first such organization in Virginia), and the French Student Scholarship raised by the Washington Club. In addition, Chapel Hill gave a Community Fund donation, Columbia volunteered in the Teenage Canteen and Washington still helps in U.S.O. work. The Baltimore Club has sent some books to the S.S. library in memory of Doris Stamats who died this past winter.

The clubs have helped the active chapters with decorating the rooms and houses, garden parties and teas for local girls going away to college, parties at Christmas for local Pi Phis home for the holidays and the "hardy perennial" help in rushing, pledge banquets and initiation. There is a fine spirit of cooperation between the actives and alumnae and the Advisory Boards meet regularly with the girls.

Seven clubs had S.S. sales and teas and three observed Chapter Loyalty Day. It is on Founders' Day that the Clubs and chapters have their outstanding "get-togethers." Columbia celebrated with South Carolina A, Baltimore with Maryland A, Norfolk and Richmond with Virginia T, Chapel Hill and Durham with North Carolina A and North Carolina B and they had the special joy of having Mamma G., the housemother at North Carolina A a full-fledged Pi Phi this time as she had been initiated this year. Although Charlotte and Wilmington could not join with an active chapter, they both had celebrations with candle-lighting service and Wilmington honored a

Golden Arrow member. The largest and most distinguished celebration was in Washington, where the junior and senior groups joined with D.C. A and Maryland B in a buffet supper with Mrs. Truman and Margaret as the guests of honor. Mrs. Truman is a most charming and gracious "First Lady" and pointed with pride to her Mothers' Club pin which she was wearing. I had the privilege of sitting at her right and can thank Pi Phi for my office which was responsible for a very enjoyable evening.

The clubs' committees on Rushing Recommendations have worked efficiently, although at times under great hardship and difficulty.

Membership runs from 13 to 117 and with one exception all clubs have sent in the questionnaire, the audit cards, program reports, and new officer lists. In several cases the presidents have spoken with enthusiasm of having secured young officers and that seems a healthy sign. Many of the clubs have year-books of program folders which they send out in the fall.

Just to make some of the inland clubs envious, I must tell you that the Norfolk club had its May meeting with luncheon on the yacht of one of the members. Cruising on our beautiful Chesapeake Bay in good company should be all that is needed to plan a successful club year!

Officers and members of the clubs have been most cooperative as well as the national officers and Central Office and it was a pleasure to have visits (although short) with Marianne Wild and Jackie Herod during the year. I have enjoyed serving Pi Phi but any success in my province has been due to "the everlasting teamwork of every blooming soul." I shall look forward to seeing many of you at Convention.

Respectfully submitted,

ISABEL DRURY HEUBECK

DELTA PROVINCE VICE-PRESIDENT

THE GOALS toward which the clubs of Delta province were urged were high and many, but due to the splendid efforts and cooperation from the officers and members of each club, we were able to attain those goals on a province, if not on a 100% individual club basis. The province is 100% in contributions,

has increased contributions to the three major projects of the fraternity, has increased membership, magazine subscriptions sales and Arrowcraft gross sales, this year. In addition, we welcomed the 17th club, Shelbyville, Indiana, chartered February 12, into our province.

Membership increased from 608, plus 14 affiliated seniors to 658, plus 20 affiliated seniors this year—a gain of 61 alumnae and 6 seniors. Lansing was the one club to have paid membership of every resident alumna. Thirteen of the seventeen clubs showed membership increases. They are, in order of largest gains first, Shelbyville, Jackson, Grand Rapids, Southwestern Indiana, Bloomfield Hills, Indianapolis, Franklin, Gary, Lafayette, Lansing, Hillsdale, Bloomington, and Richmond.

With all clubs contributing to Settlement School, Holt House, and Loan Fund, the totals rose appreciably. Settlement School contributions totaled \$615.47 an increase of \$117.40 over last year's amount with Lafayette, Bloomfield Hills, Gary, Jackson, Northern Indiana, and Southwestern Indiana clubs showing increased amounts this year. Holt House contributions totaled \$62.50, a gain of \$8.00 over last year. Clubs which increased contributions to Holt House are Bloomfield Hills, Gary, Jackson, and Northern Indiana. Loan Fund contributions totaled \$77.50, a gain of \$16.00 over last year's contributions. Bloomfield Hills, Gary, Grand Rapids, Jackson, Northern Indiana, and Southwestern Indiana clubs increased their support to Loan Fund this year.

Arrowcraft Sales totaled \$5,678.42, a gain of \$1115.84 over last year's sales. The ten clubs participating, in order of amount were, Lafayette, which led with gross sales totaling \$1412.38, Bloomfield Hills, Southwestern Indiana, Bloomington, Lansing, Fort Wayne, Ann Arbor, Franklin, Indianapolis and Jackson.

A splendid cooperation exists between clubs and chapters in the province. Rushing recommendations Committees of all clubs functioned well. While clubs located in towns where there are chapters give unlimited rush week assistance, all clubs which are

isolated from chapters, with two exceptions, hold annual rush parties for local girls planning to enter college. In addition, six clubs located where there is no chapter, made substantial gifts to chapters this year. The seven clubs located in towns where there are chapters give untiring and ceaseless support to those chapters and are always ready to offer counsel and encouragement or the more tangible assistance to gain needed money or equipment. Those clubs held joint club-chapter functions, encouraged achievements by giving awards to actives with outstanding records and provided the chapters with needed equipment or with the cash for purchase of it. The eight chapters in the province have received this year, a total of approximately \$650.00 in cash and gifts, from the clubs in the province. In addition, Franklin started the Mary Beard Blackard Home Fund, which now totals \$5,337.11, for Indiana A use if and when that chapter's campus permits women's fraternity houses, and Lansing gave \$300.00 to the Building Corporation for Michigan I this year.

It was a pleasure to visit eleven clubs this year. The position our members hold in the civic service and social activities of their localities is an enviable one and I was impressed by their efforts in behalf of the things in which they believe. Thanks to all who helped to make my visits so pleasant.

Now, as my term of office with you ends, to the members of Grand Council, national officers and chairmen, Director of Central Office and, particularly, to officers and members of all of my clubs, may I express my appreciation for your loyalty, cooperation, and friendship, and for the effort expended in complying with all of my requests during these past two years.

Respectfully submitted,

IRENE HAGGATT

EPSILON PROVINCE VICE-PRESIDENT

AGAIN all the clubs in Epsilon Province qualify for the 100% rating. They still have the challenge of many resident alumnae who are not active but several of them have shown a good increase in membership. There are now ten of these clubs, Knoxville and Little Pigeon having combined for greater strength and efficiency. This group did a real service to the Fraternity by devoting time and energy toward helping the recently installed chapter of Tennessee I. This chapter was the dream of the alumnae group and its realization is due in great measure to their enthusiasm and hard work.

The support of our national projects by all the clubs has been good. The largest contribution to Settlement School came from St. Louis, which for the second year sent \$1400 as a result of their Fashion Show. Kansas City again headed the Holt House contributions with \$100.00 and Columbia gave \$100.00 to Settlement School—their largest gift to date. The province joined together on the gift to Holt House of a silver service, all clubs able to do so giving toward its purchase. Members of the St. Louis Club were the guiding spirits in this and the appreciation of the Province goes to them for their efforts. The Loan Fund received \$53.00, a slight increase over last year. St. Louis and Kansas City each gave \$96.00 for the support of a European child and several other clubs sent money and clothing for the same purpose.

Arrowcraft sales for the year are about the same as last but more clubs have held sales. Magazine

Chairmen have been busy and it is hoped that the final report will show an increase. All clubs have helped the chapters with rushing and many have given them substantial financial aid. The Knoxville-Little Pigeon group helped the new chapter to the extent of \$403.93.

The clubs in the province have furnished volunteer and financial aid to various local altruistic projects. Kansas City is furnishing volunteers and money to the recently established Rehabilitation Institute, St. Louis is helping the Girl Scouts and giving service at the Shriners' Hospital for Crippled Children. Springfield is active in raising money for the Drury College building fund, and Nashville is working on the organization of a City Panhellenic.

Eight of the ten clubs in the province will send delegates to Convention and many more alumnae expect to be in attendance. With the inspiration and help they will receive, it is to be hoped that next year will show increased activity for the Fraternity.

For the effort and cooperation given by the club membership and the officers, this officer is most grateful. For the ever-ready help and support of the members of Grand Council and the other officers and committee chairmen who have helped to make the year easier and more satisfying she expresses her appreciation.

ZETA PROVINCE VICE-PRESIDENT

ANOTHER year has ended with a job well done by the nine clubs of Zeta Province. Again this year, all of the clubs were 100% in their contributions to the three national projects of the fraternity. They contributed a total of \$286.00, a decrease of \$34.00 compared with last year's total. In addition to the fraternity projects, the clubs contributed \$55.00 to the Save the Children Sponsorships and \$90.00 plus a War Bond to the active chapters in the province. Our province child, Urho Joutilla of Finland, received many fine gifts of clothing, food, and supplies from the clubs.

The total club membership in the province, including seniors, is 287, as compared with 298 last year. The Birmingham, DeLand, and Orlando Clubs had an increase in membership, while the other six clubs had a slight decrease. The Lakeland Club was 100% in paid memberships again this year despite the fact that four of her most active members moved away.

Five clubs held Arrowcraft Sales totaling \$1041.45 as compared with \$643.21 last year. The Orlando Club had the most successful sale with a total gross of \$407.25. The St. Petersburg Club was second with \$246.75. The other clubs having had sales were Birmingham, \$172.85; Miami, \$112.10, and Jacksonville, \$102.20.

Every club has assisted the active chapters in some way by helping with rushing, by contributing furnishings and gifts for chapter houses, and by entertaining visiting officers. The Birmingham Club gave an intermission party at the chapters spring formal; it helped the chapter at the city-wide Panhellenic Workshop, and it gave the chapter a generous gift of money to be used in redecorating the chapter room. The Atlanta Club made an annual gift of \$25.00 to Georgia A, and it gave a recognition pin to the pledge with the highest scholastic average. Since the chapter house was in need of repairs this year, the club put forth special effort. Together with the House Corporation,

the club sponsored a luncheon for the benefit of Georgia A, and raised \$63.00. At present, the club is conducting an extensive drive called the "Mile of Pennies." Every Pi Phi in the Atlanta area, and those who have gone to Georgia, were sent eighteen envelopes. One foot of pennies equals 16¢. Each envelope is to be returned with one foot of pennies. It will be interesting to see the results.

The DeLand and Orlando Clubs have also worked very closely with their chapters. DeLand gave Florida A a War Bond for the building fund, and assisted the chapter in many other ways. The Orlando Club celebrated its Silver Anniversary at Founders' Day this year with the Florida F Chapter present. The Club presented a plaque to the senior with the highest average.

While the statistical report for Zeta Province does not seem as good as that of last year, I feel that we have had a splendid year. There has been a growth and development in those intangible things which are the bases of the fraternity; true friendships, a feeling of closeness among the club members, and Founders' Day meetings which have been unexcelled in real meaning as well as in attendance.

My sincere appreciation goes to my clubs and to their officers, and especially to the club presidents for the cooperation which they have given me during my two years in office. It has been a pleasure to have worked with you. Thank you, for preparing those lovely pages for our Province Scrapbook.

To the members of Grand Council, especially Miss Onken and Mrs. Wild; to the Directors of Central Office, and to the National Committee Chairmen, I wish to say thank you for all of the wonderful assistance and inspiration given me during my two years in this office. It has been a never-to-be-forgotten experience.

Respectfully submitted,
LILLIAN ELLISON LINDLEY

ETA PROVINCE VICE-PRESIDENT

IT IS indeed a pleasure to make a report of conditions in Eta Province this year. I am very proud of all of our alumnae clubs, their accomplishments, cooperation and loyalty. This province of 24 clubs is 100% in contributions to fraternity projects.

Fourteen clubs contributed to local charities this year while only eight of them took part in civic projects a year ago. We have an increase of 127 members, 14 clubs showing increases, with 3 clubs having all resident alumnae as paid members. Our contributions to our three national projects are not so startling in their increases over a year ago, but any addition is certainly an indication that clubs are loyal to our philanthropies. The active chapters reaped the harvest of our clubs' financial gains. Last year they only received \$52.36, while this year Alumnae Clubs gave them \$335.29, making an increase of \$482.93. I would like to call special attention to the fact that the Peoria Alumnae Club gave \$280.00 to their new baby, Illinois Θ, to be used to enable more actives to attend convention this year.

I am sorry that I cannot tell you what the increases in magazine commissions will be. I feel confident that there will be an increase because all of

the clubs have really put forth such effort to increase subscriptions for our Agency. We can only hope that the final accounting will show that their efforts were successful.

Most of the clubs in the province cooperated in caring for our French boy again this year, either contributing money or sending him clothes or food. Three clubs sponsored their own child, contributing \$96.00 each through the Save the Children Federation.

A busy club is a healthy club and from the activities of our groups, we are disgustingly healthy. A great variety of money making projects were undertaken. The Monmouth club was fortunate to have an etching of Holt House made by Mr. Pescheret. His wife is a Pi Phi, incidentally. The club plans to sell reproductions of this as their big project for the year. Other clubs have had great financial gains from the sale of Arrowcraft and Stuart Nye jewelry. Peoria had a rummage sale which netted them \$400.00 and a Charity Ball which gave them a profit of \$800.00. The Milwaukee club started what they hope will be an annual affair, a Style Revue followed by dancing and card playing netting them \$200.00. Benefit bridge parties, white elephant auctions, selling Pi Phi Cook

Books and various other products such as Pressure Cookers, stationery, and gift wrappings took much effort but proved to be financially successful.

Club members haven't spent all of their time making money. They have had fun playing together, Square dancing with husbands and friends, box lunch socials, picnics and entertaining for actives, showing that they enjoy their contacts in continuing their loyalty to Pi Beta Phi in work or play.

My association with Eta Province alumnae clubs

has been a never to be forgotten experience and has indebted me still further to the fraternity, being eternally grateful for the many benefits already received from being a member of Pi Beta Phi. I want to extend my appreciation for the privilege of serving the fraternity and thank all club officers, the Director of Central Office, and Grand Council for support and inspiration during the past two years.

Respectfully submitted,

Laura Wood

THETA PROVINCE VICE-PRESIDENT

WHEN the responsibility of the Theta Province alumnae clubs was turned over to me a year ago, I was most pleased to find the province rated in the 100% class. Once again, thanks to the cooperation of all club members and officers, it has reached the 100% goal.

However there were 28 less paid members than the year previous, but there has been a substantial increase in the amounts given to the various projects of Pi Beta Phi. Nine clubs held Arrowcraft sales this year and netted \$541.69 over last year's total. There was also a slight gain in the Loan Fund and Holt House contributions, but a small decrease in the amounts given to the Settlement School and to the Magazine Agency.

All clubs near active chapters, have given gifts and helpful assistance to their chapters. The Save The Children Fund received \$73.00 in cash gifts, and several clubs sent shipments of clothing and supplies. Two clubs have established memorial funds, and many have given generously to Red Cross, Needlework Guild, and other worth while local philanthropies. Winnipeg gave \$10.00 to the Greater Winnipeg Christmas Fund, and established a \$100.00 scholarship.

All groups are making a home for the young wives of G I's and they in turn are assuming their share of the responsibility in the clubs.

The monthly letters have come in on regular schedule and it has been a great help to me to be able to rely on that dependable source for my information regarding the work of the clubs. I am

greatly impressed with the large number of our alumnae who are taking active part in worth while community projects in their respective cities and towns. This is indeed a splendid way to publicize fraternity leadership.

All groups are vitally interested in rushing and several groups have sent in constructive suggestions for improvement in the general plans for recommendations.

It was my privilege to make two official visits during the year, one to my own club in Indianola, and the other to the Duluth-Superior group. As ever the Indianola group is in close contact with the Iowa B chapter and most proud of all their recent accomplishments. This club has suffered loss by death of some of its most cherished members but has been most fortunate in having several capable and talented younger members come into the group. The Duluth-Superior club is a very active group. The loyalty and interest manifested at the Founders' Day Luncheon gave proof that this was one group that could be depended upon to assume all responsibilities. Their gift to the Settlement School led all other clubs in the province.

With devotion to Pi Beta Phi, I close this, my first year as Province Vice-President of Theta Province. I am most grateful to the club officers, to all members of Grand Council, and to Gladys Scivally for kind guidance and assistance throughout the year.

Respectfully submitted,

HELEN WRIGHT GRANT

IOTA PROVINCE VICE-PRESIDENT

IOTA PROVINCE is so happy to report a new member, Ogden, Utah, a group of interested enthusiastic members, and I believe the second new club will make its debut at Convention time. This makes nineteen clubs all 100%, with Casper, Hutchinson, and Manhattan having every available Pi Phi, a member.

With the final reports to be studied, one wonders if the figures tell all the story. Personally I doubt it, for who can put in black and white the wonderful spirit that pervades even the smallest club in the Province. This spirit of loyalty is priceless.

Membership in several instances has fallen off considerably, due no doubt to the moving of GIs, but in other clubs there are notable increases in membership. One of the most gratifying signs of improvement is the average attendance in every club.

Every club in the Province reported a highly successful Settlement School sale where they proudly displayed our products to old and new friends. The results also are gratifying. Denver's sales amounted to \$1,531.78; Manhattan's \$1,103.30; Lawrence

\$800.00; the small Fort Collins first sale \$750; Wichita \$631.73; Omaha \$611.25; Boulder \$544; Laramie \$517 and Colorado Springs \$387.55. But the real thrill is to have had each club holding a successful sale for Settlement School.

Again Iota Province leads in Magazine subscriptions, in spite of the fact that thorough canvasses had been made previously.

The support of Holt House and the Loan Fund remained approximately the same with every club 100%. Many substantial gifts were made to local projects in addition to the many hours of personal service. Packages have continued to go to our little Finnish boy and his family who are eternally grateful for warm clothes and blankets, in addition to the little unobtainable luxuries and necessities.

Early this fall the inspiration of personal visits to clubs was mine from our summer home at Estes Park; Fort Collins, Boulder, Colorado Springs, and Pueblo. Then in October and November, my daughter Grace, drove me through Kansas where I visited

Lawrence, Kansas City, Kansas, Wichita, Hutchinson, Manhattan, and Topeka. On my way to and from California and the Northwest, I visited Salt Lake City and twice I visited Lincoln. The first time at the Founders' Day banquet, the second, at the cooky-shine at Nebraska B's newly decorated house. Our meeting following was a wonderful exchange of ideas. My own Omaha Club has had but fleeting glimpses of me, but they are in excellent shape.

Until you can visit other clubs, you do not fully appreciate all they are and are doing. I have loved it. To see the interest manifested in the active chapters by all, both living there and away, is something real. It is with intense regret that I was unable to visit the remainder of my clubs.

In every case, I predict finer interest and accom-

plishment for next year when my successor takes over. To her I pledge my untiring interest and moral support.

These have been two happy, very busy years. I have tried, in spite of enforced sojourns in Tuscon—the second year for ten weeks, to keep up all correspondence and have had my monthly letter in the President's hands. Their letters in return have more than compensated. If in any little way I have helped, I'm grateful, for my Pi Phi friendships have become even dearer and more numerous.

My gratitude to Miss Onken and Marianne Wild and Marie Hagee cannot be expressed. If my work has fallen short, I'm truly sorry.

Respectfully submitted,

MARY McCULLOCH NIXON

KAPPA PROVINCE VICE-PRESIDENT

KAPPA PROVINCE has gained four new clubs this year, Baton Rouge, Louisiana, Crowley Ridge and Osceola, Ark., and Ft. Worth, Texas, bringing the total to 29. The province shows a total of 1147 paid members, an increase of 166. Three clubs, Muskogee with 26 members, McAlester with 14, and Okmulgee with 18, have all resident Pi Phis enrolled as paid members, making 100% membership. Four clubs have a membership of over 100, Dallas having 163, Tulsa 129, Oklahoma City 116, and Houston 109.

Twenty of the twenty-nine clubs may be classed as 100% clubs, having made contributions to all three Pi Phi projects, as against 17 such clubs last year. Five clubs have not contributed to the Settlement School this year, but three of these were just organized in April. Total contributions to the Settlement School show a very small gain, from \$1033.44 to \$1035.66. Arrowcraft sales show a huge gain, from \$5012.21 to \$9139.55 as shown on reports of fifteen clubs reporting sales. This is due to the greater amount of material available as well as added interest on the part of some clubs. Contributions to the Loan Fund also show a small increase from \$145 to \$165, but Holt House contributions show a decline from \$206.25 to \$160. Besides these contributions, eleven clubs gave a total of \$297.70 to the Save the Children Federation, and ten clubs gave a total of \$437.35 to active chapters, plus one gift of silver. Ten clubs reported support of local charities, as Red Cross, Cancer Fund, TB Milk Fund, and others.

Official visits were paid by the Province Vice President to four clubs, Tulsa, Muskogee, Little Rock, and McAlester. As always, making new Pi Phi friends

as well as seeing many very old and dear ones made it a great pleasure. The loyalty to Pi Phi and interest in its welfare shown by members of all clubs is always stimulating. Clubs in Fayetteville, Tulsa, Oklahoma City, Stillwater, Norman, Dallas, Shreveport, Houston, Ft. Worth, Corpus Christi, New Orleans, and Baton Rouge had the pleasure of meeting Marianne Wild in February, and the Dallas and Austin Clubs enjoyed the visit of Miss Onken to Texas A in September.

The meeting of the Oklahoma State Alumnae Association in November was attended by 65 Pi Phis from many towns, and real progress is being made in strengthening the alumnae department of the fraternity in the state, through coordination of rush for the two chapters as well as stronger organization. Founders' Day was celebrated in some way by all clubs. Those so situated as to be able to celebrate with one of the chapters were especially fortunate. Fayetteville club and Arkansas A, Austin and Texas A, Dallas and Texas B, and Oklahoma City and both Oklahoma A and Oklahoma B were some of these.

To work for the growth and strengthening of the fraternity has been a richly rewarding experience for this officer. For the cooperation of individual club presidents and treasurers as well as the support of club members in general, I am most grateful. May I also express my appreciation to Miss Onken, Mrs. Wild and Miss Scivally for the help and inspiration they have given.

Respectfully submitted,

THERESA GIBSON GRAHAM

LAMBDA PROVINCE VICE-PRESIDENT

IF ONE had only the increase of dollars and numbers as a yardstick, the achievement of Lambda Province Alumnae Clubs this past year would indeed be noteworthy; but behind those figures is a wonderful spirit of comradeship and cooperation which means such a lot to those of us who cherish the wine and blue.

Although we began the year with 19 clubs, we have a net gain of 2 despite the 3 new ones which have been chartered during the year because Billings has returned to inactive status. The three new Clubs are in Vancouver, B.C., where 33 enthusiastic workers have completed a most successful first year; in Medford, Oregon, where 24 Pi Phis banded together in

April; and in Bellingham, Washington, where a club of at least 15 members will receive a charter just before Convention.

Total membership is 759 exclusive of the Bellingham group and last year's seniors, and Settlement School giving averages nearly \$1.00 per member with a total of \$702.00—the most we have ever donated. Other contributions remain about the same as last year and again we have attained the goal of being 100 percent as a Province. Wenatchee again is the only club with 100 percent in membership, though Everett and Pullman missed the mark by one member. Seattle will no doubt lead the country again in size

of club, for they have 149 paid members.

The 13 clubs which held Arrowcraft sales did a gross business in excess of \$10,000—another high mark, with Pullman and Portland topping the list with more than \$1300 each.

Interest in our Save the Federation orphan ran high with more than \$150 in cash and a dozen boxes of food, clothing, and vitamins going to Rheino in Finland. Besides generous assistance to active chapters in the Province, many clubs undertook special local charities, some of them most outstanding. Such was the \$2,000 which the club in Yakima has pledged and paid in full to the new city hospital, giving the fund in memory of a loved Pi Phi nurse. In addition, that club gave to the local Red Cross, the Polio Drive, and the Community Chest. In Spokane the Pi Phi gave \$45.00 to assist in spastic work for children;

Portland gave \$25.00 to a local school for crippled children and also assisted the blind; Pullman contributed \$25.00 toward a new city hospital; Vancouver assisted individuals in a convalescent home; Calgary gave parcels at Christmas-time to patients in Colonel Belcher hospital; and Tacoma made contributions to the Red Cross, the Community Chest, and \$25.00 to the appeal to aid Europe's children.

This year brings to a close my term as Province Vice-President. . . . To all of you who have made that term pleasant and successful, I am deeply grateful. Your splendid cooperation, your fine spirit, and your tireless effort are the qualities that will keep the Arrow gold and shining and pointing ever upward.

Respectfully submitted,

LOUISE WHELOCK DOBLER

MU PROVINCE VICE-PRESIDENT

THE RECORD of Mu Province for the past year is a gratifying one. There are now twenty-four chartered clubs in the province, the new club being San Bernardino. Although seven clubs decreased in membership, due in most cases to loss of war-time population in their communities, fifteen clubs showed a gain in membership, and one remained the same. Los Angeles retained its three sections, Senior, Junior, and Professional. Pasadena and Berkeley had Senior and Junior Groups, with Berkeley having organized their Junior Group this year. The total membership in the province is now 1193, a gain of 72 over last year.

An interesting development in the province has been the growth of the Southern California Area Council and the organization of the Northern California Area Council. Clubs in each of those areas are represented by two delegates at each meeting of the Councils. The Northern group arranged for the Founders' Day celebration of the clubs and the California Beta Chapter. The Southern group inaugurated a most successful Bazaar Benefit, the proceeds of which were used to purchase a station wagon for the Los Angeles County Crippled Children's Center, and arranged a Founders' Day Luncheon which was well attended by member clubs and the California Δ and California Γ Chapters.

Constitutional requirements were met by all clubs and donations were made by all clubs to all projects necessary to place them on the 100% Honor Roll. All contributions show a gain over the previous year. Contributions to the Settlement School totaled \$766.88, to Holt House \$159.50 and to the Loan Fund \$196.00. The Settlement School Memorial Fund received a \$5.00 gift, and a gift of new books was made to the school.

Two clubs, Berkeley and Honolulu, supported one child each for one year through the Save the Children Federation. Pasadena, Long Beach, Sacramento, San Francisco, Fresno, New Mexico, San Fernando, El Paso, and Santa Barbara donated to that project. CARE packages, and packages made up by the clubs, were sent to European points by Berkeley, Santa Barbara, Honolulu, Phoenix, and Nevada. Scholarship awards, donations to orphanages, entertainment of the sick, support of a kindergarten for the blind, and participation in other local projects was made by Fresno, Marin County, El Paso, Palo Alto, Nevada, San Francisco, and San Mateo.

Ways and means projects, besides that of the Southern California Area Council, included dessert-bridge parties, hobby shows, carnivals, rummage

sales, white elephant sales, raffles, and sponsorship of performances of plays and programs by professional entertainers. South Coast kept a "pottery pig" handy, the proceeds of which were donated to the Settlement School.

In Berkeley, three private homes were opened to the public, admission by ticket only, in which displays of rare "table settings" and sales of Arrowcraft goods were held. An interest incident in Fresno occurred when the K K Γ Alumnae Club displayed and sold Arrowcraft products at the Kappa meeting! Due both to the fact that goods were available and that the province was active in that field, Arrowcraft sales increased to \$12,306.74.

Only seven clubs in the province failed to make some substantial gift to an active chapter. Nevada set up a House Maintenance Committee and did some remodeling and refurnishing of the Nevada A House. New Mexico made several substantial gifts to the New Mexico A Chapter, and is continuing to collect a fund to be used to furnish the chapter house which is soon to be built. Tucson presented a silver tea service to Arizona A. Besides the numerous gifts whose value would be hard to evaluate, active chapters received \$917.00 in cash from clubs in the province during the year.

Cooperation in regard to rushing between the active chapters and the clubs will be furthered by the plan the clubs in the province have inaugurated of obtaining copies of the rush rules for the schools their rushees plan to enter.

Official visits to every club in the province, except San Bernardino, were made early in the club year by the Province Vice President. Business was combined with the genuine pleasure of meeting friends, old and new, who wear the Arrow.

Attendance at the meeting of Province Officers in Gatlinburg, Tennessee, in June, 1947, was both an education and an inspiration to this officer.

As she finishes the term of office to which she was appointed, the Mu PVP would like to thank all those who made it possible for her to serve, and for their confidence in her. She is especially grateful to the members of Grand Council, her fellow officers, the national committee members, Central Office, and the alumnae whom she has represented, for their excellent cooperation. Her sincere hope is that she has in no way discredited those who have served before her or failed to inspire the alumnae of Mu Province to uphold the ideals of Pi Beta Phi.

Settlement School Reports

We give in full these reports instead of merely summarizing them. They seemed too vital and interesting to be omitted.

REPORT OF CHAIRMAN OF SETTLEMENT SCHOOL COMMITTEE

IN 1711 Joseph Addison wrote in the "Spectator," "I consider a human soul without education like marble in the quarry which shows none of its inherent beauties 'till the skill of the polisher fetches out the couleurs, makes the surface shine and discovers every ornamental cloud, spot, and vein that runs through the body of it."

Pi Beta Phi found its quarry in Gatlinburg, Tennessee in 1912, a spot inaccessible and isolated for more than a century but where the marble thereof was of purest texture, having been Anglo-Saxon in its origin. With but one teacher to do the original polishing of thirteen pupils, the Pi Beta Phi Settlement School had its beginnings thirty six years ago. Hundreds of willing hands and loyal spirits have labored to bring out the best therein; other hundreds have continued to improve and polish into highlights, that original project. It stands today as a living memorial to our Founders and continues to hold our interest beyond college years. We are envied by the other fraternities and admired by all for our accomplishments in the Southern Appalachians, familiarly known as the Smokies.

From humblest beginnings the Settlement School has grown to one which offers a full curriculum of twelve grades where this year ten teachers taught more than five hundred pupils and both grade and high school buildings were crowded beyond capacity.

For the past five years, the County has assumed as far as possible the same basic responsibility toward the Gatlinburg Schools as toward the others of Sevier County. In 1943 the plan which had been recommended by Dr. Holton and again by Dr. William S. Taylor in his survey, and for which the Settlement School Committee with Ethel H. Copp as Chairman had worked so tirelessly, went into effect. The buildings were leased for a nominal sum to the County and the County assumed the salaries of the teachers but Pi Beta Phi continued to supervise and direct the activities.

Pi Beta Phi was soon to discover that the "basic" responsibilities assumed by Sevier County were not all that was desired or needed for our School. In consequence we have supplemented the program in various ways in order to give the children some of those things which make for better living anywhere.

Again this year we have paid the full salaries for a Physical Education teacher, a Music Supervisor, a Crafts teacher, and for a part-time teacher in Woodworking. Also in order to be assured of the return of Mr. William King, who had received his Master's degree during the past summer, as Superintendent, Pi Beta Phi found it necessary to supplement the salary paid by the County. Mr. King remained at the School until January 1 when he resigned to accept a position with the Veterans' Administration in Nashville, Tennessee. Though the community was sorry to lose Mr. King, Gatlinburg and Pi Beta Phi were proud to have the County Board of Education ask our Mr. Joe Johnson to assume the temporary assignment of Superintendent in addition to his other duties.

Mr. Johnson came to Pi Beta Phi at Pi Phi's expense two years ago as the Physical Education teacher and through his integrity, his ability, and his interest in young people, made for himself a niche which he alone can fill in Gatlinburg. This was attested to when he and his basketball teams were honored with a banquet early this spring. While ably carrying on his duties as superintendent, this was not Mr. Johnson's chosen field and he will be back next fall on the old teaching and coaching schedule again.

Knowing that "Music must take rank as the highest of the fine arts—as the one which, more than any other, ministers to human welfare," the Settlement School Committee two years ago brought Mrs. Aletha Armstrong to the school as its Music Supervisor. When one hears her objectives as she teaches nine elementary grades, has an elementary chorus, a High School Glee Club, plans for music for school assemblies, leads one of the church choirs, volunteers her services on every occasion, one knows she is almost indispensable to Gatlinburg. These were her objectives: "To afford the joy of singing for each child; to enable pupils to use their voices correctly, thus encouraging beauty of tone and safe-guarding voices for maturity; to provide a background of musical culture; to promote a sense of cooperation and service through group activity in home, church, and community; and to encourage the creative spirit." It is a far step from the harp singing of previous decades and Mrs. Armstrong feels that the best sign of increasing musical appreciation has been the increasing demand for our singing groups on the part of the community, as well as the wholesome eagerness with which they perform.

The fraternity policy has long been that of furthering interest in the Crafts among the younger mountaineer people by giving them the opportunity to learn some of them at least at school. Our wood-working instructor, Mr. Huskey, has taught the boys how to produce creditable pieces of small furniture while Miss Petrie with her own fine appreciation of the beautiful has endeavored to instill that same appreciation in her students. Weaving, Pottery, Block-printing, Leather work, all came in for attention. If we are to keep step with others in the encouragement of all types of crafts, this is a splendid starting place.

This spring, our Home Economics department, under the direction of our Home Economics teacher was used as a practice teaching center for Seniors from the University of Tennessee. There is talk that our school will be named one of fifteen such practice centers in the state and this would assure us a teacher of experience and a higher level of instruction. Pi Beta Phi would welcome this.

Since the arrival of the first nurse in 1920, programs of community nursing, public health instruction in hygiene, home nursing clinics, and regular health inspections in our school and three rural mountain schools have been maintained. In 1933, 1600 pupil inspections were made, while this year there were 4180. Friday afternoon is always set aside as Clinic

day with special emphasis on Maternal Health and Infant Welfare. A large group of our own former pupils marry and establish homes in the community and start their families. Mrs. Chalmers says, "We don't expect too much change from the old-timey ways of the parents but we do see results every year." With nearly seven hundred children of school age and almost as many younger children the importance of Health Education can be seen. Community health education requires leadership; this, Pi Phi, through the fine work of Mrs. Chalmers and abetted by the two local doctors and local organizations, gives.

Those of you who attended Convention two years ago will recall the résumé of the Pi Phi Health program given by Mrs. Chalmers and her dream of a new Health unit for Gatlinburg. Today that dream is a reality; for last month the new Jennie Nicol Health Center was opened. The building is modern throughout with an office clinic, first aid rooms, class room with full connecting bath for sick-room demonstration. Its exterior is of hand hewn white oak shingles and native stone, with slate roof. It stands conveniently on the highway not far from the Arrowcraft Shop, with which architecture it harmonizes. It is cheery inside, with bright Arrowcraft hangings against knotty pine walls and with necessary new equipment added to the old. Funds for the building came largely from the estate of Dr. W. P. Gershweiler of Indianapolis, whose wife was Florence Province Gershweiler, Indiana B, and the generosity of the California A and the District of Columbia Alpha Chapters. Next month while the Committee is meeting in Gatlinburg, this lovely new building will be appropriately dedicated to broadened health service.

From the first days of the Settlement School when a Chicago committee member was inspired to take some of the native artistry home to sell, this branch of our activity has held the interest of Pi Beta Phis from coast to coast. True, there were years when the regular Settlement School funds had to carry the cost of the Arrowcraft Shop; true, there have been lush years, particularly those when foreign imports were unprocurable; but through lean years and rich we have rendered a great service to the capable mountaineer who otherwise would have had little outlet for her artistry and no income from it. At the same time thousands of Pi Phis and others have enjoyed the beauty of these wares.

To Ethel Snow whose business ability has carried the Shop through depression as well as prosperity we owe a great deal. Sales, both last year and this, mounted above previous years and work has been assigned to a greater number of weavers. Twenty-six more clubs and three more active chapters have carried Arrowcraft products (though there have been more goods returned). Clubs and chapters must bear in mind that the Arrowcraft Shop has definite rules on what percentage of an order may be returned if unsold and what things cannot be sent back.

Two changes in the personnel at Arrowcraft came this year. August first our talented "Miss Meta" Schattschneider resigned as Weaving Supervisor to accept a teaching position at Highlands University, Las Vegas, New Mexico. Hers was a difficult place to fill. Then this spring "Miss Georgie" Duffield who had been a friend of Pi Phi in Gatlinburg for many years, who had woven the beautiful distinctive afghans for many of us, and who had kept our shop in the Mountain View Hotel, felt she must resign because of ill health. She will be greatly missed. Mrs. McCutchan, with Pi Phi relatives and Pi Phi interest, has taken over the shop and her love both for

Pi Phi and for the crafts should make her a valuable asset.

We were without a Weaving Supervisor until March and Lura Ownby Porter, the assistant, deserves special commendation for the way she carried on alone, keeping the weavers supplied with warps and the stock built up while we searched for a successor to "Miss Meta." We feel fortunate indeed to have convinced Tina McMorrin of Eugene, Oregon, to come to Gatlinburg. She knew the opportunities through having attended our Workshop in 1947 and she brings years of weaving experience and an understanding personality to her associations with the weavers. Evidences of her ability are on display here.

To walk into our grade school and high school buildings today one could scarcely recognize them as places where the three Rs, or Science or Math are taught for nine months of the year. In the High School building is the bang of the beater as the weavers do their stint for the day, or the sound of a hammer tells you that some rare, original piece of jewelry is being evolved from a flat piece of silver, or the sight of screens laid carefully on yardage shows that soon Textile decorations will be finished. All the classrooms have become workrooms but the most amazing transformation appears at the grade school where thirty-five students are now living for six weeks.

This then is the Summer Workshop in progress. Started four years ago on a trial basis, it operates in conjunction with the University of Tennessee to teach the Crafts and by now has survived the experimental period. This is the second year for the dormitory system. With the University's access to war assets and its willingness to loan some of its surplus to us, cots, mattresses, chests, blankets, pillows, mirrors, and many other things helped to furnish the schoolhouse-dormitory. Staff and students are also housed in Teachers' Cottage, in the old Health Center, and in the regular dormitories, Stuart and Pollard.

This year the session, with two three week periods extends from June 14 to July 21. For the first session twenty-four of the forty eight states are represented, spreading from Oregon to Florida, and New Mexico to Massachusetts. The larger percentage are teachers of Home Economics, Art and Occupational Therapy though Home Demonstration Agents, Recreational Center program directors and college students are there, too. Enrollment is limited by the amount of space and equipment available. The largest of the weaving classes accommodates only twenty students.

It pays to have Pi Phis in high places. The satisfying and happy relations with the University of Tennessee are largely due to Miss Jessie W. Harris, Tennessee A, Vice-Dean of the College of Home Economics there. We could neither visualize nor execute the Workshop without her guidance and her contacts. The extensive correspondence and the transition from school to workshop, as well as the execution of the plans fell upon Ruth Dyer and Esther Mines.

This summer our staff includes as Director, Miss Marian Heard of the University of Tennessee who will also instruct in Advanced Jewelry; Mary Elizabeth Sullivan, Washington A, who studied with Dorothy Liebes, in Sweden, and at Cranbrook Academy, heads the weaving; Ingeborg Longbers, now on the faculty at the University of Tennessee but formerly one of the heads of her own weaving school in Sweden, who will teach advanced weaving and rug making; Jane Glass of the Tennessee faculty who teaches Textile Design and Recreational Crafts; Helen B. Watson, also of the University of Tennessee, who

is Director of Social Activities and Community Recreation; Mr. Allen H. Eaton, outstanding authority on American Crafts, formerly with the Russell Sage Foundation, as lecturer. We have two graduate assistants there on scholarships, Nancy Alexander, Iowa U., of Iowa State, and Margaret Gibson of the University of Tennessee.

Recreation, both organized and impromptu, is always part of every summer program and Gatlinburg, with its easy access to the trails and streams of the Smoky Mountain National Park, offers endless opportunities. This year the Gateway Stock Company of New York City under the direction of Mr. John Richards asked to return to Gatlinburg and lease the High School Auditorium where for five nights a week, they will offer another form of recreation to the residents and visitors to Gatlinburg. The plays are well selected and well staged and could point the way to a summer theater project of our own, one day.

This year we are delighted to have placed our stamp of approval on the first Craftsman's Fair ever to be held in the southern mountains by loaning our grounds for that purpose for four days following the close of the Summer Workshop. It is sponsored jointly by the Southern Highlands Handicraft Guild and Southern Highlanders, Inc. to both of which we belong. It is a venture to show the highest standards of the crafts of the region as well as to acquaint the public with the difference between poor and well-made articles.

In our area of the Southern Appalachian range there is greater diversity of crafts and a larger number of craftsmen than in any other comparable area in the entire country. This Fair will allow people not only to see well-planned exhibits of these crafts but also to see representatives of at least sixteen crafts such as Weaving, Basketry, Cabinet making, Pottery, Metal work, Leather work, Stone-polishing, Wood-working and Wood-carving, Glass-blowing, and Chair-making demonstrating their various skills. Never before has one had such an opportunity to see and talk with as many craftsmen in one place. You will perhaps recall that in Dr. Taylor's survey he visualized cottages placed on our beautiful hill-sides where Master Craftsmen might one day come and work with their students. This time they will be under canvas tops but the idea is perhaps there for us.

Thus far we have told you of much that is done at the Pi Beta Phi Settlement School but there has been little said of *how* these things get done. To read the Manual for the Director of the Settlement School gives no complete concept of her responsibilities. One needs to spend a few days at Teachers' Cottage to appreciate the many demands made upon her time. To cite a few:

The janitor for the schools has broken his leg—and someone must be found to fire the furnaces; not that it's OUR job—it's the County's—but in zero weather our boilers must be protected.

Three Pi Phis from Colorado, or was it Maine, full of interest and questions, too, come to call and would appreciate a personally conducted tour.

The cows are out and into the field newly landscaped by the hotel!

Or the Southern Highlanders are meeting and wouldn't it be nice to have a tea for them in Stuart Cottage?

Or perhaps even the Committee chairman writes and wants bids on a new note-book!

Hats off to Ruth Dyer; her slogan is ever the protection of our property in Gatlinburg and of a job completed on time.

Last year Helen Borgstrom, North Carolina A. who served as Assistant to the Director, resigned to be married. From the opposite coast in January came Esther Hensel Mines, Washington A. Her training in Music and in social welfare makes us feel we are fortunate in finding her and she has already endeared herself to the community.

This spring, in memory of Dorothy Cansler Geis Oklahoma A, who passed away in December, her husband and family, her alumnae club (Houston) and other friends donated to the children of Little Pigeon an Ampro 16 mm movie projector equipped with sound recorder and screen. This will be much used and appreciated as fine educational films are available through the University of Tennessee Extension Department.

We have also received a number of contributions to the Memorial Fund which will be wisely expended.

We have also received a number of contributions. We need more Pi Phis working for Pi Phi in Gatlinburg to help spread their spirit of good will. In times past we have been both envied and criticized in the 'Burg. It was gratifying this spring to receive a letter which spoke of the fine feeling toward Pi Phi and the wonderful spirit that the Pi Phis bring to Gatlinburg as they come there. Also to learn of the life at the school itself through the closing paragraph of one of the reports this year: "May I tell you how much I enjoy my work . . . with its congenial co-operative staff and the happy family life at Teachers' Cottage!"

Wishing to keep you informed as far as possible, the Committee reports these recent developments for the School. In 1943, following the joint acceptance by the County and Pi Beta Phi of the "Lease and Agreement," we had felt assured that Sevier County would acquire suitable land and build a grade school building adequate in size to care for the increasing enrollment. Other than that Pi Beta Phi was to approve the plans before the building was started and that it be constructed on land adjacent to the school, there were no restrictions placed on the County concerning size of the site nor upon the size, type and cost of the building itself.

At no time has Sevier County been able to carry on an adequate school program without state and federal aid. In 1946-47, the County budget allotted \$20,000 for the Gatlinburg area, but of this only \$6,000 came from the County itself, the balance being from State and Federal aid.

The County purchased a small lot adjoining our School property in compliance with the lease but did no building because of the war.

This past year financial help has come to Tennessee Schools through the new sales tax voted by the legislature and effective June 1, 1947. Seventy percent of the first twenty million dollar (\$20,000,000) income from this sales tax is assigned to educational purposes. A little more than half will be used toward increased salaries for all teachers while the balance will aid the budgets of all state and county schools. A percentage of any overage above the first mentioned twenty millions will be assigned the County schools for building, maintenance and transportation purposes. Sevier County in its planning has relied on this last source to assist in building four County schools.

In the spring of 1947 a survey of the Sevier County school system was made by the State School Planning Commission. Its findings for the Gatlinburg area are these:

It recommended consolidating with Gatlinburg, four neighboring one and two room schools:

Gatlinburg	345	pupils	9	teachers
The Glades	67	pupils	2	teachers
Banner	53	pupils	2	teachers
Cartertown	26	pupils	1	teacher
Big Ridge (isolated)	17	pupils	1	teacher
	508	pupils	15	teachers

It recommended the acquisition of sufficient acreage for a large elementary school unit and the eventual construction of a High School building here also. Though the present High School set-up is fairly adequate, they advocated keeping the two schools together.

It felt the site acquired by the County adjoining our property too small.

It considered a lease-agreement with Pi Beta Phi on a twenty year basis, too short a period to justify the expenditure of funds by the state.

Since this survey, the town of Gatlinburg, the County, and Pi Beta Phi have attempted to work out a solution with the County Court and the State Board of Education.

Last year the Gatlinburg Site Committee reported the following motion made and unanimously carried: "That the Committee go on record and make preference that the Pi Phi School property be selected as the first choice site for the development of schools for the Gatlinburg area for present and long range development, providing sufficient acreage could be secured to meet the requirements of the State Board of Education."

Mr. Lee, lawyer to Pi Beta Phi, did not advise selling any of our acreage. It was found that buying adjacent property would work a hardship on the owners since some of it was income property (tourist cabins). The State did not recommend building the grade school property on leased ground which was proffered by Pi Beta Phi for a fifty year lease, renewable.

Last August the Settlement School Committee and Grand Council jointly agreed (a fraternity requirement) to offer this proposition as per this telegram sent to Squire Charlie Clabo of Gatlinburg, August 3, 1947:

"In order to help Gatlinburg people satisfy State recommendations for School property, Pi Beta Phi will give one acre land where present grammar school stands in addition to eight-tenths (8/10) acre already offered. Boundaries of said acre will be determined by Phillip Elwood, Landscape architect. Grammar school and other buildings to remain property of Pi Beta Phi and may be removed if necessary. All property leased or given must revert to Pi Beta Phi if used for other than school purposes. The fraternity hopes happy relations with community for best interest of your schools will long continue." (signed by your Chairman)

The County Court has now put the matter into the hands of the County Board of Education. Southern mountaineers do not always move with the dispatch evident in some other parts of the country and though investigations proceed, no conclusions as to site have been reached and no final decisions made.

Our latest word from the County Superintendent and Gatlinburg's City Manager is that each anticipates meeting with the Settlement School Committee during our July meeting at Gatlinburg.

This is America where we live in the democratic manner. We choose our leaders and once chosen we stand behind them but nevertheless we are free to criticize if we desire. This holds in Pi Phi, too. The Settlement School Committee welcomes your criticisms for, favorable or otherwise, they will help us to guide

the destinies of your Settlement School. We also, however, ask for your understanding. If and when you visit Gatlinburg please try to remember that the school is understaffed and over-crowded and in consequence, the staff lives under high pressure; that the native mountaineers are retiring people, sometimes reticent to talk. When one goes visiting with the nurse one sees how long it takes her to arrive at the real object of her visit, although they know her. If your questions receive an answer which seems incomplete, or unsatisfactory, write someone in close touch who knows the answer. The Publicity member of the Committee or its Chairman *should* know. We would like funds to maintain a "Public Relations" Pi Phi in Gatlinburg who could clarify some of your requests.

One of these questions might be, "Are we still badly needed in Gatlinburg?" Our help *is* needed. The County could not meet the full state requirements without our aid. By our providing the extra teachers, by lending laboratory and other equipment we have helped to place the school on the accredited list of Tennessee schools.

The evident income-producing main street does not extend far. Next time you visit Gatlinburg, turn right at Charlie Ogle's store and follow the river bank lane!

The health of the community still depends upon our services. The arrival of two doctors in Gatlinburg relieves us of critical responsibilities but their fees, though not exorbitant, are beyond the pocketbooks of many. A program of disease prevention is important, too, and our nurse can supplement the work of the doctors in many ways.

Everywhere there is a trend toward consolidated schools. With our school serving as a central unit and drawing pupils from the outlying mountain districts, we offer an Extension program such as was started in the Sugarlands some years ago but without the cost of added equipment.

The School is the heart of the community, serving as a center for elections, civic and PTA gatherings, and entertainments.

There is no doubt that the whole cause of fraternities would suffer if the enterprise which was the pioneer altruistic project for both men's and women's fraternities, the one still most successful in its achievements, and the one universally recognized were to be curtailed.

To get down to cold hard facts: At present the County receives no income from us in taxes but the lack of that revenue is more than balanced by many other returns they receive from us.

Without our school, we would lose the "Not for Profit" classification and our holdings would become subject to local, county, state and federal taxes. And to go just one step farther: were this to happen even the "Not for Profit" classification of the fraternity itself might be in jeopardy.

Your Committee knows that without the backing of the fraternity as a whole—its chapters and its clubs—we could do nothing. We constantly find more things to do than our budget allows. One could scarcely imagine the helplessness which would be evident both in the community and at the School were our interests there to be withdrawn. As in a family more children bring widened horizons, heavier duties and larger expenses, yet we would not neglect our oldest child in favor of one of the others. Nor do we send our adult children who have depended upon us out into cold reality without giving them our best assistance. Your committee asks that as you plan your chapter budget or your club activities for the year, consider please that the fraternity's oldest child is the

Settlement School and dedicated to our Founders.

Starting out in a new fraternity position as in any other is not easy to do. There is much to learn and three of us were new on the committee during this convention interim. To Emma Woerner of Louisville, our Treasurer who goes off the Committee this summer and whom we shall sorely miss, we owe much for her knowledge of the Committee background and for her faithfulness. Also I owe much to my predecessor, Milder Odell Sale, for her counsel. From a personal standpoint, to have known all of my committee previously has made my tasks pleasant and their complete cooperation has made them lighter. Miss Onken, as contact member from the Grand Council has been of great assistance, for her experience and her judgement furnish a balance for what sometimes might be termed mis-directed enthusiasm. We welcome Grace Adams Granger, Indiana Δ of Indianapolis as our new Committee member.

The April issue of Coronet magazine carries an

illumination dedicated to American Teachers. The prose is by John Ruskin and might typify a part of that which we would do in Gatlinburg:

"Education does not mean teaching people what they do not know. It means teaching them to behave. It is not teaching the youth the shapes of the letters and the tricks of numbers, and then leaving them to turn their arithmetic to roguery and their literature to lust. It means, on the contrary, training them into the perfect exercise and kingly continence of their bodies and souls. It is a painful, continual, and difficult work to be done by kindness, by watching, by warning, by precept, and by praise; but above all, by example."

To the Grand Council for its confidence in appointing me to this committee I am grateful. To the Fraternity, my pledge is to carry out its wishes to the best of my ability.

Respectfully submitted,
RUTH BARRITT SMITH

REPORT OF DIRECTOR

YEARS ago Anna E. Hamilton wrote a little poem called Influence. The words are these:

"This learned I from the shadow of a tree,
That to and fro did sway against a wall.
Our shadow selves, our influence, may fall
Where we ourselves can never be."

This little poem has always reminded me of the thousands of loyal Pi Phis who, through the thirty-six years of the existence of the Settlement School, have contributed of their time, energy, and money to the success of our project in the Smokies. Times change and the isolated mountain settlement has become a thriving tourist town. It is hard to say just how much of this transformation can be traced to the influence of the Fraternity and the Settlement School. The advancement of education, better methods of sanitation and health, the cultivation of beauty of surroundings and the economic help given through the years, has helped to widen the pathway to the gate of the Great Smoky Mountain National Park and to enrich the lives of many peoples.

Community

Visitors to the village will notice a number of changes that have taken place in the last year. There are a number of new shops and homes. Other places have been made more modern in appearance. The new Methodist Church is gradually nearing completion. A visiting tourist gave the church a carillon system by means of which music is sent out over the valley every Sunday and on special occasions. The American Legion purchased four acres of ground from Squire Maples and is developing the area as their funds permit. This summer they are sponsoring a ball team with a well laid out diamond. They hope to make the facilities of the grounds available for community recreation. Gatlinburg now has a very creditable little newspaper that is published each week by The Mountain Press. There has long been a need for such a venture so we are grateful that in The Gatlinburg Press the news of the community is so well presented. The city still has no water or sewage systems but plans are more advanced for the installation of the water system. A Tourist Bureau has been of much service in placing visitors and tourists in wanted accommodations as well as advertising the area in other resort sections.

Pi Phi visitors will be most interested in two

changes that have greatly enhanced the beauty of our property. Approaching from Knoxville, the removal of two fences from the field in front of the Mountain View Hotel has made a green expanse of lawn a most welcome break in the closely built up town. The second improvement is even more noticeable. The old privet hedge along the street east of Arrow Craft Shop has been removed exposing to view the new Health Center. A small hemlock hedge has been set out back of the building and while the season is too late to permit of landscaping we will have a green lawn and some annual plantings around the base of the building.

Two contributions to community life last summer were the third Workshop held by Pi Beta Phi and the University of Tennessee and the theatrical engagement of the Gateway Stock Company of New York. Ninety different people attended the Workshop for six weeks of intensive study in crafts and recreation. The Stock Company played in the school gymnasium for nine weeks, giving plays in a professional manner.

Office

Helen Borgstrom, North Carolina A, who was my very efficient assistant for fifteen months, resigned in August to be married. She is now Mrs. J. K. Lydecker of Midland, Texas. It was difficult to secure a Pi Phi successor but in January Esther Mines of Washington A came to join the staff. She brings new enthusiasm and varied talents that are proving to be most helpful.

School

Starting with the 1947-1948 school year, newly enacted school laws made a nine months' school year mandatory for all rural and elementary schools in Tennessee and gave salary increases to all teachers. Additional revenue from the two per cent state sales tax is also to be allocated to the counties for building purposes. Sevier County Court action has been very slow. To date \$40,000 has been set aside for the purchase of a school site in Gatlinburg but nothing has been acquired. School enrollment is over 500 with all facilities crowded. We have had two first and two second grade rooms making ten teachers in the Elementary School. It was necessary to convert the room adjoining the Home Economics laboratory into a class room for one of the first grades. Enrollment

in the high school has been such that the County would provide another teacher if space for a class room could be found. The only change in teaching personnel occurred at Christmas time when Mr. King resigned to accept a position with the Veterans' Administration in their training department, at Nashville. Mr. J. B. Johnson, the teacher hired by the Fraternity for Physical Education work, took over the duties of the principal and Mr. Lawson, a former Science teacher, was secured for the necessary class work.

The usual plays and programs were given. The Senior play, "Let's Grow Up," was especially well cast and produced. This class has been very active during their four years in school. They earned enough money to take the class and two chaperones to Washington, D.C., in a chartered bus, for their class trip. Twenty seniors will graduate May 21.

Basketball is the favorite sport. Our teams did well during the season, finishing up with several victories. The girls' team from the Elementary School won the County Tournament. The high school boys won the consolation trophy and the girls the runner-up trophy at the Tenth District Tournament. A new addition to the gymnasium, housing shower rooms for boys and girls, has added to the physical education program. This project was paid for by PTA, County and Pi Phi funds. Mr. Johnson did some extra work making shelves and benches to make the rooms more comfortable.

This spring the Home Economics Department of the University of Tennessee used our Home Economics department as a practice teaching center. Two seniors from the University spent a month at the school teaching under Miss William's direction. They lived at Teachers' Cottage and entered into the life of the school and community. Should this be a permanent thing it would mean that the teacher in our school would automatically be selected by the University. A high level of instruction could be expected.

The school program has again been enriched by fraternity funds that have provided two full time teachers, one for music and one for arts and crafts, plus a part time wood working teacher for the boys. Mrs. Stanley Armstrong has handled the music instruction with Esther assisting at the piano for assembly and chapel programs. The children have a natural love for music. Their soft voices respond beautifully. Miss Petrie has increased their love of the beautiful in arts and crafts and given them the joy of constructing things with their hands. Weaving, pottery and other skills have been used in the classes. Mr. Carl Huskey has devoted two hours a day to instructing the boys in wood working.

PTA contributed to worth-while improvements at the School. They have operated the school lunch room all year and have made plans for a summer Bingo campaign to raise money for next year's projects. In addition to the \$750 paid towards the showers they spent \$400 rewiring the high school building. They also spent some money renovating the office of the Elementary School principal. This room serves as the library of the grade school children. Proceeds from one rummage sale was spent to buy books for this library. Funds were provided for a platform in the music room. The high school library has also received some nice gifts from clubs and individuals. Mrs. Benjamin Wier gave a steel filing cabinet and a handsome handmade walnut desk. Committee purchased a set of the New World Book Encyclopedia which has been most useful to all the students. In memory of Dorothy Cansler Geis, Oklahoma A, who died

in December, 1947, her family and husband presented the School with an Ampre 16 mm movie projector equipped with sound recorder and screen. These articles, marked with appropriate silver plates, add the service of the latest aids in visual education to our equipment.

Dormitory

With the use of the kitchen for feeding the Workshop students it was necessary to modernize as much as possible. The old coal range was replaced by two electric ranges. One electric hot water heater proved to be inadequate so a booster heater which is connected to the furnace had to be added. A radiator to provide heat in winter, new linoleum and fresh paint have all helped to make the kitchen more comfortable and efficient. Before Workshop, many more dishes had to be purchased and some cooking equipment. At Stuart an electric ventilating fan for the third floor made that house more livable during hot weather. It was necessary to treat this house for termites as they had made quite a start on the living room floor.

Most of the year we have had three boys living in the dormitory under Mr. Johnson's guidance. Miss Hodgen has the supervision of the eight girls in their work schedules and until the time that Esther Mines came was also their chaperone. Since January Esther has lived in the downstairs suite at Stuart and has been in charge of the girls. All the students seem to enjoy life at the school and I am sure receive more benefit than they realize.

Farm

The Farm continues to supply the school table with eggs, chickens, dairy products and fresh vegetables. Workshop students especially appreciated this feature of life at the school. We have sold some eggs and chickens to the Mountain View Hotel. Increased cost on baby chicks and all feeds made it imperative that we raise fewer chickens this season. There is some revenue from the rental of the mules. A number of people like their help in getting in small gardens.

Health Center

Before many weeks the new Health Center building made possible by a most generous gift from the estate of Dr. W. P. Gershwiler (the wife of Dr. Gershwiler was Florence Province Gershwiler, a member of Indiana B), of Indianapolis, Ind.; gifts from California A and D.C. A chapters and Fraternity funds, will be in use. Barber and McMurray of Knoxville designed the building to harmonize with Arrow Craft. The exterior is of hand hewn white oak shingles and native stone with a slate roof. Inside finish is of random width knotty pine for hall, class room and office. The first aid and clinic rooms are in gleaming white enamel. There is a lavatory near the front door and a full bath connected to the class room so that home sick room care may be demonstrated. Such an addition to the physical plant will mean much to our very important health program.

Mrs. Chalmers has carried on this program through the year with the usual inoculations and inspections in our school and the three rural schools that we include in our work. Special emphasis has been placed on education along health lines. Talks to parents of school children and newspaper publicity added to the work done in classrooms all helps to spread the gospel of good health. The State Mobile X-Ray Unit spent two days in the village. Between 400 and 500 people were given free chest X-rays. Friday afternoon Clinics have been held all during the year

with special stress on Maternal Health and Infant Welfare. Many new names have been added to the files. $\Sigma \Phi \Gamma$ sent fifty dollars towards our health program. There have been other gifts of money and material items to advance the work. Most of the year there was no County doctor or nurse. Thanks to Pi Beta Phi the health of this community is good.

Arrowcraft

There have been two important changes in personnel in this program during the year. Our talented, artistic Miss Meta resigned to accept a position at Highlands University in Las Vegas, New Mexico, on September 1. From then until March 1 we had no designer or "Weave Boss," as the weavers say. Mrs. Snow and Lura carried on with splendid help from the girls in the shop. The new designer is Tina McMorrin of Eugene, Oregon, who was one of the students at the Workshop last summer. With a fine background of study and many years of weaving experience she has already proved that she is capable of handling our rather complex system and of working out beautiful new designs for the shop. Another change occurred when Miss Georgie, after many years of faithful service, felt that her health made it impossible for her to continue her work as manager of the Hotel Shop. She will be greatly missed. The distinctive afghans that she has woven to satisfy many customers may never be duplicated. At present that shop is closed but we hope to have a manager for it before the real

season opens.

The year has been a banner one for the shop. Twenty-six more clubs and three more active chapters than last year have had goods. This increase is partly offset by more returns than last year. In many instances more than the twenty-five per cent allowed was returned. Money returns from seven clubs have averaged over \$1,000 each. The checks for weavers reached an all time high in April when they amounted to over \$5,000. We have considerable stock on the shelves and hope that it is not too much for the demands of the coming season. Each year there are more shops opening in town. The quality of the weaving offered for sale by them is improving and more real competition is experienced. We are fortunate in that in addition to the tourist trade in town we have our Club orders and outlets through the different Guild shops. Mrs. Snow expects to take a large stock to Convention and we have been asked to have stock ready for the big Craftsman's Fair to be held on the School grounds later in the summer.

At the close of another year I wish to thank all members of Pi Beta Phi who have made possible the extension of the influence of the Settlement School far beyond its boundaries. It has been a pleasure to work with the Grand Officers and members of the Settlement School Committee who give so many hours of unselfish labor to the work.

Respectfully submitted,

RUTH DYER

ARROWCRAFT REPORT

LAST year I compared gross sales from June, 1935, to the present. This year while we are still making a profit it might be interesting to compare that phase of Arrowcraft. There were months around Christmas of that first year when our own pay checks had to wait so as to meet the pay roll for the weavers. If the Clubs would send in their money as they sell the goods it should never happen. Their reports are due in May, I believe, but if you noted accounts receivable as of April 30 report, they still owe in cash or have goods amounting to over \$25,000. 1935 did show a profit, even so, of \$2,992.04; 1936—\$4,663.83; 1937—\$6,702.86; 1938 something over \$9,000. 1939 increased \$2,700 but 1940 remained stationary. In 1941 the trend was decidedly up, profit amounted to \$14,103.08. 1942 and 1943 dropped back to something over \$12,000. Then we began to climb again. 1944 was \$18,095.88; 1945—\$20,762.85; 1946—\$28,217.63; 1947—\$37,377.58. 1948 so far is \$31,768.61, which is two months short of a year. If more of the Clubs settle this month we should come out ahead of last year. April just past doubled the profit for March. May is usually low again but we should then have some good months through the summer.

As far as stock goes we have never before had as large an inventory, \$36,306.62 as of April 30. But with weaving supplies still a bit over \$25,000 it seemed wise to get as much of that as possible ready for the summer months, Convention, The Craftsman's Fair, and the Southern Highland Shops. Quite a few of the Clubs had Spring sales, in fact there has never been a quiet month throughout the year. Back in the thirties there were three or four months when we had to look for things to do instead of wondering if there would come a time for the year's thorough cleaning.

But I do think this is the time to Stop, Look, and Listen. With more and better handicrafts throughout

the Country there may come a saturation point, especially if money gets tighter and tighter and living cost keeps on soaring. Competition is also getting much keener in Gatlinburg and some of the things other shops sell a bit better. After not having enough to satisfy either the Pi Phis or customers for the past several years, one hesitated about curtailing production for this year at least. But there soon may be a danger of overproduction. Returns from the Clubs were much worse than last year. Many sent way more than 25% back. There were 26 more Clubs sent for goods than last year and three more Chapters. There have been only seven Clubs who have sent over \$1,000 in return. The next two months should change that also.

You all know how very much I like to work with Tina McMorrin. It is a joy to feel she is behind me 100% and will cooperate in any way possible. There is no reason why we cannot have some very beautiful weaving to sell with the cheaper things. But we can not lose track of the fact that very beautiful weaving commands a high price. While our basket bags were selling for \$3.50 a Pi Phi wrote me they were selling in New York for \$15, \$20, and \$22.50. That cheapens our things instead of enhancing their value, and a young man in the Shop told me ours were every bit as good as Saks.

Lura deserves honorable mention as never before. She carried a hard and difficult job from the time Miss Meta left until Tina arrived. She kept the weavers busy as they have never been busy before and it is due to her that we have so many shelves and boxes of finished products.

I am quite sure that anyone in Gatlinburg will agree with me that I have three of the best girls in the village. Tina had only been here a short time when she was marveling at their loyalty to me, and

by being loyal to me I consider them loyal to Pi Phi. They take a personal interest in the appearance of the Shop and a keen interest in the things that they sell. From the little I wait on customers, Pi Phi and otherwise, there are many difficult and impossible questions to answer. It is too bad there has not been a folder to hand out for the past three years, because there is propaganda against the Shop and the School up and down the street. It is safe to say that more than half of the Pi Phis who come along still say

"this is all made in the School." In closing I want to give due praise to my good friend, Eunice Cole. She not only keeps me straight on facts and figures but is the balance that is needed. The two months I was away from the job this winter went smoothly due to her help to the girls. I only hope that I can keep all the staff at Arrowcraft until my own retirement.

REPORT OF WEAVING DEPARTMENT

HAVING been at Arrowcraft but two short months, my report will of necessity be short.

With Lura's able guidance, I have called on some thirty-five of the weavers in their homes and have met most of the others through office calls and our spring meeting of the Weaver's Guild.

Mindful of the suggestions from the committee, I have given special effort to planning items which will put into production old stocks of materials on hand. While this may not show up at once in reduced inventory, it will clear the way for newer and more interesting threads.

Also at the suggestion of the committee, I have tried to find a source of supply for the heavy chenille which was used in the bath rugs of some years ago. So far, I have found nothing available without a wait of several weeks for special dyeing. We are weaving a small number from old stocks on hand and trying out some in candlewick and Rugro for your approval. We have quite a supply of Rugro in dark colors and feel that rugs of these will sell for bedroom use as well as bath rugs. These will run somewhat less expensive than chenille.

We are submitting an adaptation of the Greensboro prize napery in a doilie and napkin and a simple doilie in Pi Phi colors which will tie in with our pastel blue napkin for the trade, but will have a blue napkin with Pi Phi letters for orders.

We are indebted to Mary Elizabeth Starr Sullivan, Washington A, for the Whig Rose apron with its ingenious belt arrangement. It simplifies the sewing so we can have the weaver bring them in finished instead of having to handle them twice through the shop. We also adapted the idea to our other apron, as well as the dirndls.

The Mother and Daughter dirndls are selling in limited quantities and since they and the basket bags are seasonal, we are making them cautiously. The basket bags are selling rather briskly and the basket makers are working out new shapes to our order. They make a splendid project for using many materials, some very old and some in limited amounts. We have also used up a large box of old warps on these and the small runners and doll mats.

We still have a large stock of the Irish linen and filler linens bought during the war emergency and for these we designed the new towel set in Spanish lace weave, a dresser scarf in the same weave and part of the Greensboro set. We feel that these can all run for a year with no new addition of those threads.

There are a few new ties with neck scarves to match some of them, and two new neck scarves with head squares to match.

Due to the increase in volume of weaving, as shown in the attached report, we are having difficulty in finding space to store our stocks of materials. Putting surplus upstairs necessitates many trips a day carrying heavy packages. Orlie is working on getting some more shelves in the work-shop, which should give us a more orderly arrangement and save much time.

In conclusion, may I tell you how much I enjoy my work at Arrowcraft with its congenial, co-operative staff and the happy family life at Teacher's Cottage. I am doubly appreciative of the opportunity for the summer classes with Miss Langbers which will, I hope, bring profit to us both.

Respectfully submitted,

TINA I. McMORRAN

THE JENNIE NICOL MEMORIAL HEALTH CENTER

THE MODERN tendency for education and prevention in medicine is quite apparent in comparing the work of the past fifteen years. It is a surprising thing to note the variation in some things. For instance, Typhoid and Diphtheria inoculations have not increased much, while vaccinations for Small Pox, forbidden in some homes in 1933, have trebled in number. Serum for Whooping Cough was not given then, and is almost universal, now.

Field visits have dropped nearly a third, but office calls are up two and one half times. This year, three times as many First Aid dressings were done, although in those days, they had a full time assistant constantly on duty. We realize there has been an increase in population, but we now have two doctors in town, and many cases go directly to the office of one or the other.

In 1933, 1,600 pupil inspections were made, and last year, there were 4,180. We made nearly three times as many health talks, and picture shows and newspaper articles helped in the educational program. Mothers' meetings were held in the rural schools, and though the attendance was poor, a start was made.

When we stop to consider there are nearly seven hundred students in the district served by the Health Center, and about as many younger children, we realize the importance of education. We have, also, a large group of young folk, out of school, who are working in the area. Many of them marry and settle down in the community, establish their homes and start raising their families. We don't expect too much change from the old time ways by the parents, but we do see results every year.

The regular Friday afternoon Well Baby Clinics were held throughout the year, with special ones added from time to time. Last year, we didn't have a County Health Doctor or Nurse, and were unable to secure the services of the State Officers for the annual Pre-School Round-Up. As a consequence, we had a serial affair, which lasted most of the summer. By means of cards and home visits, we managed to contact most of the beginners, and had a satisfactory response.

This year, the Parent-Teacher Organization has taken over the responsibility of advertising the Round-Up. They have secured the services of a local doctor and dentist for consultation, as well as a State Nutritionist. They have promised to provide assistants for the day, and transportation to and from the Clinic, if necessary. It has already been postponed twice, but will be held as soon as the new building is ready for occupancy. It is very gratifying to know that there is such a spirit of cooperation and interest in the work of the Health Center.

Reminder cards are sent to parents of small children during the year, for inoculations and checkup. Reports to parents are sent home with each child following the annual physical examination in the schools. The records show a goodly response, and in many instances, defects are promptly corrected. Students are given inoculations when due, and individual inspections are given regularly.

This Spring, State Health Officers contacted dentists of each locality, and secured the promise of every one to give some time regularly to the school program. Students who were unable to pay for the service were given dental corrections, and the cost of the material was paid by the State and the Board of Education. Only one of our dentists cooperated, and he so reluctantly that but five of our children received the benefits. It was a great disappointment to the teachers and the students, for we had worked hard to create interest and enthusiasm in the venture.

The State Mobile X-Ray Unit gave us two whole days in February, and between four and five hundred people were processed. We arranged programs in all the High Schools of Sevier County, with speakers and uniformed nurses from Knoxville. We assisted the city officials during the Rabies danger, giving Pasteur treatment for the children and Anti-Rabic shots for dogs.

With the assistance of the $\Sigma \Phi \Gamma$ Corrective Fund, and the wholehearted cooperation of the local Lion's Club, several children were provided with glasses. Six children were given milk to supplement their diets until the parents could make arrangements to provide it regularly. Two girls were given tonics, and clothing of various sorts and sizes was distributed. Our one Polio case was taken to the Crippled Children's Clinic several times, provided with braces, and given prescribed therapy daily for a period of time. He was admitted to the Children's Hospital this past month, and will remain there for an indefinite time.

Maternal health and Infant welfare continue to be an important part of our work. Special inoculations ordered by different physicians for allergies, asthma, anemia, and the like, are given, and First Aid is given in emergencies, as usual. Talks for various groups, and in the school room, picture shows, and newspaper articles are ways of spreading the gospel of health, and we try to help any agency that will advance that end.

The days are very full, and the years seem to pass all too rapidly to accomplish the things that should be done. We look with longing eyes at the beautiful new building, and wonder if we will be able to reach more people from that center. The doctors are very

helpful, and no request has ever been refused. The members of the Fraternity are generous and interested, and the local organizations most cooperative.

Community health is a community problem. It is bigger than any one individual or any one organization. It requires leadership, but more than that, it must have approval and support of the community itself. Through the many years of service, the Fraternity has provided the leaders, and community support has grown steadily. It should be a source of pride and satisfaction to know that we can have the support of individuals and civic organizations. Without it, we would be, to a certain extent, interlopers. With it, we can go far in service to humanity.

MARJORIE CHALMERS, R.N.

REPORT OF THE PRINCIPAL

AT THE start of the school year of 1947-48 I instructed all the High School and the 6th, 7th, and 8th grades in Physical Education. I taught all the High School Boys and Girls in Health. I also did all the coaching for the boys and girls basketball teams.

Our basketball season extended over five months and during this time we practiced from 3:15 to 5:15 and from 6:30 to 9:00, five days a week, with the girls practicing in the afternoon and the boys at night.

Though we did a lot of extra work practicing, I am sure it paid off. Despite the handicap of having the worst gymnasium and smallest school in our district, our boys won third place in our basketball tournament and our girls second. This is the first time in our school's history a boy's team has won a trophy and the second for our girls. Our girls won their first one last year.

We placed two boys and three girls on the all-tournament team—only one other school was able to do this. Newport with 400 students, Sevierville with 600 and Pi Beta Phi with 140 students, each had two teams on the floor receiving trophies at the conclusion of the tournament. Both Newport and Sevierville had a coach for each of their teams but I was the only coach from Pi Beta Phi.

Besides the trophies, we received \$161 as our part of the gate receipts, the largest amount received by any school.

During the regular season our girls won 20 out of 23 games. This is a record that is seldom reached. Our boys won 15 out of 25 games, which, I think, is an outstanding record as all of our opposing schools are much larger than ours.

With the help of the PTA, which gave \$650, Pi Beta Phi Fraternity, which gave \$300, and the county, which gave \$300, we were able to install showers in

our school. In addition, an estimated \$250 improvement in the shower rooms, was made by the school in building shelves, benches and putting a rubber mat on the floor. The money for these improvements was taken out of the athletic fund and I did the work.

There are four shower heads in each of the shower rooms, and our showers are the best I have seen in our county.

The senior class of 1946-47 left \$35 for which to build stage scenery. With this money I bought material and built stage props with an estimated value of \$200. These are so constructed that they can be used year after year.

When Mr. King left and I assumed the duties of Principal, I discontinued instructing the 6-7-8 grades in physical education, but I continued teaching health until the end of the 6th month. I have continued to instruct all the high school students in physical education in addition to duties of Principal.

As co-sponsor of the senior class I helped with all the class functions as far as time would permit. As "house father" I feel sure I should have more time to spend with the boys. We are still a little too easy with them though two of the boys left because they thought we were too tight on them. I do feel the boys have improved in most respects unless it is their work on the farm. To me they are lazy in this respect.

The PTA paid for the installing of new lights in our school building. They have proven to be very successful. The PTA also paid for the installing of a stage in the music room.

With money from the PTA we have been able to keep soap and paper towels in our wash rooms.

REPORT OF CRAFT DEPARTMENT

FIVE years of Crafts in Pi Beta Phi school has proved to be a satisfactory and enjoyable experience. The children are eager for each new project, and take pleasure in the discovered use of their hands.

This has been the busiest of the five years because of three additional classes. There have been two first grades, and because of the size of the seventh and eighth grades and the limited space in the shop, those two grades were divided into two classes each. This made twelve grade school classes, and the high school class which met for two hours every day.

Both the boys and girls high school classes were made up of juniors and seniors this year, because so many seniors who planned to enter college found they lacked credits and had to take extra math. This left room for juniors to enter the craft classes. Both Mr. Husky and I felt the change in the type of student this year and we found it necessary to make every effort in order to produce satisfactory results in our high school classes. The girls were happy in their work and some did very well, but I missed the enthusiasm of previous classes.

Weaving instruction was carried on in the usual manner, then pottery which became even more popular. We visited the Pigeon Forge Pottery, and Marcus Ceramics, the new pottery here in Gatlinburg. Block printing proved to be especially interesting this year as each girl used her name from which to make her design and printed it on aprons, skirts, and other items. Bound books with crayon decorated covers were made, leather purses, braided gimp bracelets and character dolls. We were fortunate at Christmas to have Mrs. Lexow come to the shop and give a demonstration of Christmas decorations which could be made at home. Miss Williams was invited to join us with her third year Home Economics class. Both classes later made several of the items.

I reserved a loom for the 8th grade girls and they came in whenever possible the entire year until each girl has had the opportunity of weaving a small piece

of overshot material. They have also done pottery made leather purses, gimp bracelets, stenciled Christmas cards, learned to make cross stitch designs on checked cloth, and finally asked if they might make character dolls too. The 7th and 8th grade classes have visited our local pottery and Mrs. McDonald gave a demonstration of turning a pot on the wheel. The 7th grade story is practically the same as the 8th.

The junior group of the 4th, 5th and 6th grades, have studied lettering, color and design. Some interesting pictures were made with crayons, then painted with black tempera. Many of these were quite charming and the teachers were happy to pin them up in their rooms. Pottery was done in the 6th grade but there were too many children in each of the other grades for work in clay.

A table loom with a colorful warp was put in a second grade room and in the third grade. There was much excitement the day I brought the looms. I have been pleasantly surprised with the weaving these little children have done. I took clay to one of the second grades, one of the mothers wanted to come help, and it was one of the happiest class periods of the year. Charles Earl Ogle modeled his father's motor boat, and Miranda made a turtle.

At the beginning of the year I bought twelve copies of famous paintings and at various times we had a lesson in art appreciation. The story of the artist was told, and the painting described. The children showed great interest and each teacher was well pleased and has said she would like that particular work continued.

I believe the five years of crafts has been helpful as well as enjoyed by the children. Many mothers have spoken to me of the work done, and that they were pleased with the crafts taught the children. It has been a happy time for the children and for me, and we have learned much from each other.

HOME ECONOMICS DEPARTMENT

AT THE close of this first year of teaching experience, I leave with many happy memories collected from working with students. As I am getting married this summer, I will not be returning to Gatlinburg this fall. I have enjoyed working with the faculty and living at our Teacher's Cottage.

From the remaining money in my budget, plans have been made to secure a new treadle Singer machine. Providing this machine is not obtainable at the present time, other pieces of sewing equipment will be purchased. With the other money, a much needed Irish linen table cloth has been added, several new books and many small pieces of kitchen equipment.

The students enjoyed a very interesting as well as

profitable experience. The University of Tennessee chose Pi Beta Phi as one of their training centers for girls majoring in Home Economics. Two Senior girls were sent to work with me and the students for one month. During this time, they lived at the Teacher's cottage and assumed the responsibilities of a faculty member. The student teachers felt it was a privilege to come to Gatlinburg and work with our students.

The FHA has been very active this year in that we had several community activities. We attended several meetings at UT and Sevierville. At the meeting in Sevierville, two of the girls were elected officers and I was chosen as their counselor.

In the Junior class, the girls especially enjoyed

their project on refinishing the floors of the department. They did a beautiful piece of work and it was a good learning experience for them. Other individual projects were: clothing construction, advanced meal preparation, candy cookery, management of department, planning Junior-Senior banquet, vocational guidance and Courtship-Marriage. Outside speakers and film were used to aid in interest development.

The sophomore class enjoyed their study of clothing construction, meal preparation, manners, child care. Their most interesting problem was on Courtship-Marriage. We had as our guest speaker, Reverend Ashley who read the marriage ceremony and discussed the importance of a happy marriage. I feel

that the girls learned a great deal of practical knowledge from this problem.

The freshman girls greatly enjoyed their problem on child care. We had a playschool for children from the ages of 2-6. The students enjoyed working with them. Other projects were: nutrition, personal grooming, manners, basic foods and basic clothing techniques.

As sponsor of the Junior class, there were many extracurricular activities which included chapel programs, class social functions, money making ideas, class play and Junior-Senior banquet.

SUPERVISOR OF PUBLIC SCHOOL MUSIC

A. Area of Instruction

Nine elementary grades; elementary chorus; high school glee club; high school assembly.

B. Objectives for the Year

Afford the joy of singing for each child. Enable pupils to use their voices correctly, thus encouraging beauty of tone and safe-guarding voices for maturity. Provide a background of musical culture. Promote a sense of co-operation and service through group activity in home, church and community. Encourage the creative spirit.

C. Record of Work Done in the Elementary Grades

Grade One: Procedure—Careful attention to voices, especial help to those unable to sing on pitch. Conservation of the voice above all; presenting songs as enjoyment; something pleasant to hear—pleasant to express in words and melody; rhythmic activities; impersonation-creative interpretation; listening to suitable records. Accomplishments—Two Assembly programs presented; Mother Goose, School Days; Rhythm Band functioning.

Grade Two: Procedure—Rote songs as in first grade; use text book for Study songs; ear-training program extended to make association with eye training; further rhythm experiences; dramatizing songs. Accomplishments—Successful assembly programs: Safety First, Health Program, Valentine; tonal effects "Chimes" for Christmas program.

Grade Three: Procedure—In addition to Rote songs, using study and observation songs; new ideas of musical notation; time drills; reading readiness emphasis; use of piano keyboard—as pictured in textbook; appreciation emphasis. Accomplishments—Assembly program "February calendar"; choral reading and Russian folk song for Christmas program; "Easter chorus."

Grade Four: Procedure—Tone drills; rhythm exercises, stepping and clapping; tonal patterns; studying types of music; discovery of contemporary composers; singing rounds as preparation for two-part singing. Accomplishments—Program of unusual folk songs presented at P.T.A. installation; Appalachian carols used at Christmas; "Seven Joys of Mary"; "Twelve Days of Christmas"; story of the flag, an original sketch using six new flag songs.

Grade Five: Procedure—Further notation; emphasis upon ability to use the printed language of music; time drills; drills in the music of our country; recognition of classical themes; tonal elements in music reading, chording; development of a song

repertory; chromatic sharps and flats. Accomplishments—Modern songs learned, among the most popular—"April Showers"—Silvers; songs by Hoagy Carmichael, Romberg, Berlin; carols from the French and Dutch given at Christmas program; traditional mountain ballads given at Weaver's meetings; folk songs presented at annual P.T.A. meeting; use of talented pupils in accompanying class.

Grade six: Procedure—Continued appreciation periods, singing along with favorites records; correlate folk music with other subjects, such as history, customs, geography; notation drills; creative chording. Accomplishments—Many new songs presented at assembly; unusual songs from Belgium and England for Christmas programs; vocal arrangements of "Blue Danube" and "Tales from the Vienna Woods," Strauss.

Grades Seven and Eight: Procedure—Added emphasis upon notation; two- and three-part songs; study of keys and time; development of good tones; formation of elementary chorus; teaching chorus manners. Accomplishments—Rare carols presented at Christmas; Patriotic service, using "The Freedom Train," "An American Prayer." At promotion, featuring: "The Skaters' Waltz," Waldteufel; "That's America to Me," Robinson; "Chiapanecas," Mexican folk song; "Joshua Fit de Battle of Jericho," spiritual. The eighth grade gave an unusual musical sketch at Lion Club Banquet "Mountain Drama." In April, the elementary grades presented the Operetta "The Obliging Clock," learning twenty-five new choruses, besides supplying leads and solos and duets, etc. More than a hundred children were used on the stage.

D. Record of Work Done in the High School

Procedure: Accent on good tone work; drilling on chorus manners; coaching of many individual singers, ensembles; aiding the various classes in their assembly programs; developing a larger glee club. Accomplishments—Seasonal musical numbers; on two occasions glee club was presented at assembly programs; the phonograph-radio combination has proved popular; music department has furnished two assembly programs, featuring various types of music; glee club attempting three-part as well as two-part. At P.T.A. meeting gave: "Gay Fiesta"—Tejada; "Grandma" Cain. At baccalaureate service sang: "The Lord's Prayer" Malotte; "Verdant Pastures" Handel. Class night, "Serenade," Romberg; "A Wish," Chopin-McKay; "One Alone," Romberg. At library Valentine Party presented: "Voices of the Wood" Rubinstein; "Short'nin' Bread" traditional; "Soldier, Will

You Marry Me?"; Mountain ballad. Commencement Program: "Serenade" Franz Schubert; "River, River" Chilean folk song. Christmas Program: "Birthday of a King"; "Angels and Shepherds" Bohemian folk song. Have furnished soloists for Community meetings; At Library party: "Rose Marie"; "L'Amour Toujours, L'Amour" Friml. For Church specials, several groups.

E. Recapitulation

Probably the best sign of increasing musical appreciation has been the increasing demand for our singing

groups on the part of the community. And on the part of the youngsters themselves, is the wholesome eagerness with which they perform.

Since the local P.T.A. has given the platform for the Music room, there has been an evident development of poise, grace, self-discipline and social-mindedness. The use of good records is showing the value of the record-player as many different groups request access to our library.

Respectfully submitted,

ALETHA MAY ARMSTRONG

PI BETA PHI SETTLEMENT SCHOOL, GATLINBURG, TENNESSEE, REPORT ON AUDIT, YEAR ENDED JUNE 30, 1948

August 11, 1948

To the Settlement School Committee
Pi Beta Phi Fraternity
Office of Settlement School Treasurer
Louisville, Kentucky

DEAR MESDAMES:

We have examined the Statement of Financial Condition of Pi Beta Phi Settlement School of Gatlinburg, Tennessee, as of June 30, 1948, and the Statement of Operations for the year ended on that date, have reviewed the system of internal control and the accounting procedure of the organization and without making a detailed audit of all the transactions, have examined or tested accounting records of the organization and other supporting evidence by methods and to the extent we deemed appropriate.

The subsidiary records of the School and its Arrowcraft Shop at Gatlinburg, Tennessee, were not included in our audit. The report for the eleven months ended May 31, 1948, concerning these records, rendered by Homer K. Jones and Company, Public Accountants of

Knoxville, Tennessee, and the monthly reports for the month of June, 1948, rendered by the management, were accepted by us without further verification. Combining the data furnished by Homer K. Jones and Company, the management and the information taken from the treasurer's books, we have prepared the attached financial and operating statements.

Our examination was made in accordance with generally accepted auditing standards applicable to the circumstances and include all procedures which we considered necessary and which are shown below as Scope of Engagement.

In our opinion, subject to all comments contained herein, the accompanying Statement of Financial Condition and related Statement of Operations, present fairly the position of the Pi Beta Phi Settlement School at June 30, 1948, and the result of its operations for the fiscal year ended on that date in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,

JOHN S. PETOT AND COMPANY

SCOPE OF ENGAGEMENT

The procedure followed in our examination of the subject organization included the following methods and extent of verifications:

Assets and Liabilities

Cash—On Hand—Balance taken from audit report rendered by Homer K. Jones and Company.

Accounts Receivable—Customers—Balance taken from reports rendered by the management and audit report of Homer K. Jones and Company.

Inventories—Balance taken from reports rendered by the management and audit report of Homer K. Jones and Company.

Investments—Endowment Fund—Confirmed with trustee.

Other Funds—Bonds and other supporting data examined and inspected.

Fixed Assets—Balance to July 1, 1947 verified with prior audit reports. Invoices and other supporting data inspected for current additions on Treasurer's books. Other current additions were taken from reports rendered by the management and audit report of Homer K. Jones and Company.

Deferred Charges—Computed by us.

Employees' Withholding Tax—Balance taken from reports rendered by the management and audit report of Homer K. Jones and Company.

Reserves

Balance to July 1, 1947 verified with prior audit reports.

Current year's changes computed by us.

Net Worth

Surplus—Balance to July 1, 1947 verified with prior audit reports. Current year's changes computed by us.

Operating Transactions

Comprehensive test checks were made of certain income and expense accounts on the Treasurer's books. The operating statement of the School and its Arrowcraft Shop, located at Gatlinburg, Tennessee, was taken from the audit report rendered by Homer K. Jones and Company and reports furnished by the management without further verification.

New York City Panhellenic Fellowship Loan Fund

Since one of the objects expressed in the constitution of the New York City Panhellenic, Inc., is "to stand always for the encouragement of higher education," the members are happy to announce they are resuming their major pre-war project, i.e., a Fellowship Loan Fund.

Here are the stipulations for carrying out this plan:

1. Loan is to be awarded for graduate work in New York City.
2. This loan is open to N.P.C. women only.
3. Amount of loan is \$400.00.
4. Loan available every two years.
5. Loan to be made on basis of recommendations, investigations, need and type of study.
6. Notification of award is to be sent to the sorority organs and to such publications as committee deems advisable.
7. Selection of recipient and administration of fund to be in hands of committee of five appointed by the president of New York City Panhellenic with the approval of the Board of Governors.

If you are interested in applying for this Fellowship Loan award, please furnish the following information:

1. A completely filled in Application Form. (This blank may be obtained by writing your request to the chairman of the New York City Panhellenic Fellowship Loan Fund.)
2. Recommendations from:
 - a. Two professors, concerning your qualifications for work desired
 - b. Two alumnae or friends, not on faculty
 - c. A dean of women
 - d. A national or district officer of your fraternity
3. Transcript of college record
4. Health certificate from a graduate physician
5. Recent photograph

The name of the successful applicant will be announced April 30, 1949 and the Fellowship award will be available for use in the Fall of 1949. The closing date for the filing of the above data is February 15, 1949. Send all applications and communications to the chairman of New York City Panhellenic Fellowship Loan Fund.

MRS. RICHARD TRAPIER BELL, *Chairman*

COMMITTEE ON PUBLICITY

THE PERSONNEL of the Publicity Committee has remained unchanged for the past two years. Our aim has been to educate active and alumnae groups to give their chapters good publicity through their local papers. Newspapers welcome articles on meetings and social events. It also gives a Pi Phi newscorner to a community an opportunity to become acquainted with the local club. Founders' Day and Pi Phi loyalty day are always opportunities for good newspaper articles. News about the Settlement School is always welcomed by the press, especially Settlement School sales. The beautiful articles are always in demand in any community and it gives us a chance to publicize the wonderful work we are doing at the School.

The Committee has furnished material on the Holt House, Settlement School, and Founders' Day to clubs

which have asked for assistance. We prepared an article on Pi Phi Loyalty day to be used for publicity.

Active chapters who have asked for assistance in arranging material for their local use have received special attention. It has been recommended that when possible, a picture of a local event or of a visiting officer be used as an added attraction to an article.

It has been a real pleasure to serve my fraternity in the capacity of Publicity Chairman. I would like to thank our splendid group of national officers for their help and encouragement and also the members of my Committee who have been so cooperative and helpful. I feel that I have been very fortunate to have had the privilege of working with these fine women.

Respectfully submitted,
ELVA AYLER COWAN

COMMITTEE ON EXTENSION

THE popularity of the Fraternity System seems to have gained much momentum in the past year and the interest of the alumnae is becoming increasingly strengthened in extension. The opportunity to go on campuses with fine educational ratings and excellent types of students has been offered frequently to Pi Beta Phi.

Correspondence has been carried on with alumnae, alumnae clubs, and organizations themselves in many places. These have been reported to Grand Council and investigated through persons who knew conditions in the school and province concerned. The Alumnae Club of Birmingham and other clubs through Zeta Province have shown great interest and enthusiasm in a chapter at the University of Alabama. The President of the University of Alabama has been most helpful in making this an interesting field for extension and colonization there has been voted by convention action. The Alpha Omegas at Kent State College continued to be interested in being granted a charter. Beta Province Chapters were asked for their opinions. Since there were five active chapters in the State there was not sufficient enthusiasm for this to be carried further. The alumnae in Florida have shown much interest in the University of Florida and the University of Miami as well as the University of Alabama.

The alumnae of Tulsa and of Santa Barbara are in touch with your committee and show their continued interest.

The required province visits for K Σ Θ at the College of Puget Sound were made as authorized and this group formally petitioned for a charter which was granted by this Convention.

Of special interest to all Pi Beta Phis has been the establishment of Tennessee Γ at the University of Tennessee. Because of the visits of many Pi Phis to the Settlement School the feeling of belonging to the University has been often expressed. This fills a long felt want. The Grand Vice-President was in charge of the arrangements for the colonization and was the installing officer.

Inquiries from many groups keep your Extension Committee ever mindful of the opportunities which are frequently afforded and developments are carefully followed.

Your Chairman wishes to express her deep gratitude to each of those many persons who have made this work possible. It has been a real joy to be associated with this phase of fraternity work which has always been dear to her.

Respectfully submitted,

LOIS F. STOOLMAN

COMMITTEE ON SCHOLARSHIP

THIRTY-SIX years ago, in 1912, Pi Beta Phi established the first definitely organized scholarship work—national in its scope—to be undertaken by any fraternity. This was the beginning and since that time, we of the scholarship committees have worked faithfully to reach our goal—EVERY CHAPTER IN THE UPPER THIRD.

We are happy to report that the majority of colleges have returned to their prewar schedules, but there is still the late problem of over-crowded classes and insufficient supply of textbooks. As in these previous years, this influences greatly the records made in scholarship by our different chapters.

For the year 1946-1947, sixteen of our chapters have been first on their campuses; 34 others were in the upper third, making 50 in the upper third; 22 in the middle third; but 14 in the lower third, including the four lowest chapters. Six chapters were unable to obtain their averages; eight were first for part of the year. Of the 16 that were first for the entire year, North Carolina A has been first for seven consecutive years; Wyoming A, six; Illinois H, five; Kansas B, four. According to the files since the year 1935-36, but not for consecutive years, Illinois H has been first on her campus nine times (she was unable to get the averages for the year '35-'36 and '36-'37); North Carolina A and Wyoming A, nine; Illinois B-Δ, seven; Colorado A, six; Iowa A and Iowa B, five. These are wonderful records and the girls are to be commended for their fine attitude towards their college work.

The average for the provinces is 26.847, a little higher—1.077—than that of the year 1945-46 and 1.671 higher than that of the year 1944-45. Two provinces—Epsilon and Theta—are outstanding for each had four chapters ranking first on their campuses. Iota and Lambda are unique in that they, as provinces, have ranked in the upper third for the last

three years.

The committee appreciates the awarding again by the Fraternity of the scholarship ring. All chapters except Massachusetts A, New York I, Ontario B, Georgia A, Illinois E, and Manitoba A have sent in their applications. The chapters have been very enthusiastic over the new award of \$25.00 given by the fraternity to the girl showing the greatest improvement for the year in the chapter having the highest percentage above the all-women's average. It is to be regretted that all chapters could not compete, for not all colleges issue comparative averages, nor give the all-women's average. Permission was given to some chapters to use the all-fraternity women's average instead of that of the all-college women. It is hoped that this new award will help to create in the chapters an added interest in higher scholarship.

The December ARROW published the names and pictures of our honor girls, of whom we are justly proud. There were 183 honor students as compared to 110 for the year ending June 1946, and 69 for the year ending June 1945. It was possible this year to include in our list those winning A Δ Δ; we hope that soon we can include all academic honors.

The national chairman wishes to express her sincere appreciation of the fine cooperation and work of the province presidents, of her assistant, Barbara Merrick, and of the help given her by Lucile Carson, and Gladys Scivally of the Central Office, and by Miss Onken, who has always been so eager and willing to share her enthusiasm and inspiration. It has been a great pleasure to work with this committee and it is hoped that we have made a good beginning towards higher scholarship in all chapters. "Life is just a series of completed beginnings."

Respectfully submitted,

COMMITTEE ON TRANSFERS

IN THE fall I sent the usual form letter asking chapter secretaries to inform me of the names and addresses of two groups of girls: those who had transferred to another campus where there is a chapter of Pi Beta Phi; and all the rest of the undergraduate actives who had not returned.

Replies were received from 69 chapters giving the following information: 44 chapters reported 72 transfers to 40 campuses; 69 chapters reported 321 undergraduate actives who did not return.

Letters were sent personally to each of these girls. Their status as alumnae and the general rules for affiliation were explained. The other girls were reminded that they were alumnae and were urged to become active in the alumnae work. The chapters where transfers were reported were also notified and urged to make it easy for the transferring Pi Phis to keep up their ties.

COMMITTEE ON SOCIAL EXCHANGE

THE Social Exchange Committee looks back on a most gratifying year of work. Its new members have proven their ability and those who have been on the committee for some time report renewed interest in keeping track of the active chapters through their accounts of social events and Founders' Day celebrations.

The Committee compiles the best material sent in by the chapters, grades it, and passes it on for publication at the Central Office. The Bulletin includes information on rushing parties, skits, clever songs, unusual decorations, favors, Homecoming activities, prize-winning floats, and any out-of-the-ordinary suggestions made by actives to make social activities noteworthy.

The grades are based on neatness of the report, promptness, and content. A perfect score is ten (10).

There were eighty-six chapters who contributed during the school year of 1947-48, eight more than last year. Only six failed to report, as against thirteen last year.

With a score of ten (10) representing a perfect report twenty-one chapters rated a top grade. They are: Connecticut A, Pennsylvania B, Ohio A, Ohio Δ, Ohio E, West Virginia A, Maryland B, D.C. A, Virginia A, North Carolina A, Michigan Γ, Indiana B, Missouri B, Tennessee B, Illinois Θ, Kansas A, Kansas B, Colorado A, Colorado B, Oklahoma A and Texas A.

Beta Province is the top rater for the most chapters

receiving a grade of ten per cent. Epsilon Province still holds its last year's record of more chapters reporting both Founders' Day and Rushing material.

Texas A is the winner for cooperation, having received a perfect score on both reports. Their material was beautifully presented and was very original.

District of Columbia A wins the award for originality and the completeness of their Rushing and Homecoming report. A close second to them came Washington A with a fine presentation of their year's activities—with stunts written out in full.

Songs were not in abundance this year but those submitted were of good quality. Honorable mention in the Social Exchange Hall of Fame goes to: Idaho A, Washington A, Pennsylvania B, and North Carolina A.

California B Faculty dinner and Homecoming float are mentioned for their originality, as are California Δ Matinee party and Wynken, Blynken and Nod party, Nevada A float, Indiana Δ "Rush" party for men, and Indiana E decorations for Sweet Shoppe party.

With a convention to look forward to, ideas to exchange with real live Pi Phis from far and near, old friends to greet again, this committee chairman is glad to submit the above report. Her sincere thanks to Miss Amy B. and the Central Office and Gladys Scivally are gratefully expressed, as well as to her capable province chairmen.

COMMITTEE ON FRATERNITY MUSIC

WITH the recent publication of our new song book, "Songs of Pi Beta Phi," musical activity this past year has mainly been concentrated on making the book an important basis for chapter singing.

It is gratifying to the committee to have the reports of many chapters which are using the song book. Without exception, all have been interested in bettering their group singing, and have felt that the arrangements have helped toward this end.

Pi Phi chapters continue to win or place high in campus competitive singing. Many have been doing extracurricular work at local radio stations or in civic enterprises. All recognize the importance of good music as part of their Fraternity life.

Twenty-two chapters submitted original songs for the 1948 Convention contest. The committee feels that this year's entries show an unusually high calibre and

is happy with the interest shown by Pi Phi composers.

In an effort to further the musical work of individual chapters, the committee is recommending that the Song Leader be an elective office, carrying with it the responsibility and authority of such office. A desire for this distinction has been indicated by a number of chapters.

We have continued the practice of sending periodic letters to all chapters with music suggestions, exchange of chapter music news, and a sustained program for the Song Leaders to follow. Response from chapters has been interested and appreciative.

The committee thanks all who have cooperated with us in our work, and extends sincere good wishes to Pi Phis everywhere.

COMMITTEE ON CHAPERONS

THE Committee on Chaperons wishes to report a second interesting year which began in September when the cards and data on chaperons began coming in from the active chapter corresponding secretaries. May I pause here—and it really is a "pause that refreshes"—to pin an orchid upon all these efficient young officers who have acquired the habit of promptness.

It was with much enthusiasm that we announced Purdue's Summer Workshop on Guidance and Child Behavior. Letters were sent to all our chaperons telling them that our Grand Council considered this training of such importance that it would pay the tuition of any Pi Beta Phi house director who wishes to attend these Workshops.

We extended a welcome to sixteen new chaperons this year, all of whom are qualified culturally and educationally for their positions. Several of these chaperons have expressed their appreciation for our bulletin on Relations between Chapter and Chaperon,

our House Rules and Rules for Chaperons, and also for Maria Leonard's splendid book, The Chaperon and Housemother, which Grand Council has so thoughtfully provided.

Since our last report one of our finest Chaperons, Oklahoma Alpha's beloved Gladys Scivally, who had been with us for many years, resigned in order to take the position of Director of Central Office. We regret losing her from our Chaperon group but we are fortunate that she is still serving Pi Beta Phi. To her and her office I express my sincere appreciation for the assistance they have given to me.

To our Grand Secretary who so untiringly gives of her time to Committee Chairmen, to all members of Grand Council who never fail to support us, and to Miss Onken especially, to whom I repeatedly turn for information and assistance, I wish to say, Thank You.

LEILA GRAY CLIFTON

EMMA HARPER TURNER MEMORIAL FUND COMMITTEE

THIS committee feels indebted to the Fraternity for giving us so pleasant a privilege. It is a pleasure indeed to bestow, for you, a surprise gift to gladden the heart of a friend. Though our achievements, to date, are small we are endeavoring to establish this courtesy to members as authorized at the 1946 Convention. Soon, with your cooperation, we expect to make full use of all available funds for the happiness of Pi Phis.

To date only two suggestions have come for use of

this fund. Both have been cared for happily. Though our friendship fund is small, tiny gifts of love are being sent out on heart-warming missions. There is great happiness in store for all of us since the Emma Harper Turner Memorial Fund now opens the way for remembering when a remembrance really counts.

We invite your suggestions. We will appreciate your assistance in furthering this delightful gesture.

HOME FOR PI PHIS COMMITTEE

THE Convention of 1946 authorized the appointment of a Committee whose assignment was to make a nation-wide survey of the interest and need for such a home, and to gather information about the number of members who might be interested in living in such a home and to collect such general facts as would be pertinent to such an undertaking; in short, a fact-finding commission.

The committee appointed by Grand Council includes: Mrs. M. M. Adams, East Cleveland, Ohio; Mrs. J. T. Brand, Salem, Ore.; Mrs. Frank H. Gar-

rott, Dallas, Tex.; Mrs. George Pierce, Winthrop, Mass.; Mrs. Edward L. Middleton, Evanston, Ill., chairman.

In the interim between conventions the Committee has contacted all alumnae clubs and active chapters asking opinions on a home for elderly members. They have been offered questionnaires to help crystallize their ideas and they have been further urged to offer suggestions.

This fact-finding commission has corresponded directly with many homes now operating and has had

many personal interviews with directors of such homes. With the information thus collected and convinced of increasing need, your committee offers the following recommendations:

1. That as an Alumnae project, to be directed and financed by the Alumnae Associates, one house shall be opened as soon as possible and the home to be located wherever it seems most advantageous from every standpoint.

2. The plan of organization should be that followed by similar groups, and the group must become organized in conformity with the laws of the particular state in which it is to operate. Any home for Pi Phi should be operated not for profit. Any surplus may be expended only for the improvement of the institution or to meet the expenses in caring for those who are unable to pay for their own care.

No definite statements can be made as to the organization of a Pi Beta Phi corporation not for profit because the procedure and documents to be used depend upon the laws of the state in which the corporation is to be organized.

Local counsel should be consulted in the organization of a unit or board where a home is to be established. There are various forms which may be followed and which should be drafted by legal counsel.

3. The Corporation should be called PI BETA ALUMNAE ASSOCIATES and should consist of a central governing board to be located in one of the following cities: Los Angeles, Dallas, Chicago, Cleveland or Washington, D.C. A local board should be located wherever a house is to be established and should be set up according to state laws.

The purpose of the corporation is to establish and maintain a home for elderly Pi Phis and not for profit; to buy and to hold real estate for the use of said home and to sell the same when deemed necessary; to receive, hold, use, and dispose of gifts, donations and bequests for the benefit of said home and to do all things necessary to establish, maintain, and to carry on such a home.

On this thin skeleton are strung what seems to be the most vital parts of the work of this committee. At this time I wish to express my great gratitude to those of my committee who have aided in the work, to the Grand Council for making such a survey possible and to Miss Onken, in particular, who has been so sympathetic and so cooperative and so wise in her comments.

Respectfully submitted,
MAY CARNEY MIDDLETON

RUSHING SURVEY COMMITTEE

THIS committee was authorized by a vote of the delegates to the 1946 Convention which read: "That Pi Beta Phi assume leadership in developing a new method for selection of membership and give wholehearted support to the NPC committee appointed to study this problem. 1) That Grand Council appoint a committee from Pi Beta Phi to make an independent study cooperating with the NPC committee. 2) That the report of this committee be made to the next Convention."

The primary consideration of this committee has thus been an overall Panhellenic one rather than one which looked to the internal changes in Pi Beta Phi procedures. Those internal procedures have, however, been given some consideration also and some suggestions are presented herewith.

The actual working with the NPC Membership Selection Committee did not appear practical, for Grand Council felt that the NPC Committee might consider such interference an indication of Pi Phi's lack of confidence in it. The report of the NPC Committee was studied by the Pi Phi Committee however, and the obstacles it faced were noted. Seven plans were worked out by the NPC committee for different types of campuses, but trial of these plans was not made. These plans might or might not have proved practical if tried.

Our committee believes that one of the primary reasons for the existence of fraternities is the bringing into close relationship girls of similar tastes, interests, and standards—a congenial group. There is only one way in which the active members may judge the prospective members and that is by getting to know the new girls on the campus. Therefore, personal contacts must be made. The committee felt that if there were to be a substitute for rushing, the term "rushing," which carries with it the thought of haste, turbulent motion, confused struggle, should be eliminated. This term is one which has long been associated with the fraternity system and would not be discarded easily, but surely there should be some word which would give more dignity to the very serious

task of selecting members for dignified organizations. However, until the turbulent rushing process is eliminated, to call it by another name would accomplish nothing. As yet the committee has not found the right word, but is using the term "affiliation week" for the following plan.

Since the disappointed girl is the great problem of our selection, this committee suggests an "affiliation week" to be set up in such a way that incoming women students would have an opportunity to study all social organization on the campus by meeting informally girls belonging to fraternities and girls from the independent groups. They could thus learn the advantages and disadvantages of fraternity membership. This might be worked out so that every girl who wishes to belong to a social group might know that while the fraternities are invitational, there are also shall we say a "Town Club" open *only* to non-fraternity town girls, and "Campus Club" open *only* to non-fraternity resident women students. On campuses not having these non-selective groups Panhellenic might sponsor their organization. During "affiliation week" the non-selective organizations would have the same opportunities of knowing the new girls and the new girls of knowing them. Social entertaining such as our present rush parties would be eliminated entirely, and a series of "get acquainted" all-women affairs would be substituted. At the time of giving preference Town Club and Campus Clubs, with appropriate names, would be listed right along with the fraternities and girls wishing to join these independent clubs would express themselves thus at this time. Thus all girls wishing to join a social group could do so at the same time.

This committee favors the affiliation program which immediately precedes registration. One of the greatest criticisms of the fraternity rush program by college faculties and administration is its interference with the college curriculum and class attendance. When pre-school affiliation is not feasible, the short period at the start of school, as now recommended by NPC, is acceptable. The committee disapproves a

deferred affiliation because of the loss to the new members of the service rendered by the fraternity in assisting in orienting, guidance, and counseling, so valuable to the new girls in their first few weeks in new environs.

This committee requested that Pi Beta Phi recommend to NPC that Rushing Information Committee be appointed by City Panhellenics to procure from each local high school comprehensive information about its graduates, such information to be pooled and made available to any interested fraternity and sent to the college Panhellenic concerned. This suggestion was made because the committee believed that the information would more readily be made available to Panhellenic than to any one group, and it would avoid duplication by the different groups.

The following are proposed changes in Pi Beta Phi procedure:

1. Require that all girls bid be recommended by a member of Pi Beta Phi.
2. That recommendation blanks be sent by the person recommending a girl to the Alumnae Recommendations Committee of the girl's home town. The Alumnae Recommendation Committee would then investigate and forward the blank to the chapter concerned. Supplementary letters could go from the recommending member to the chapter.
3. That the Recommending Blank be revised to include more complete information.

The following are policies recommended by this committee:

1. That local Panhellenics be urged to hold

publicity to a minimum and do all within its power to eliminate public demonstrations during affiliation week and on pledge day.

2. That local Panhellenics eliminate rushing fees.
3. That Pi Beta Phi not favor a Panhellenic or university controlled quota system.
4. That NPC be urged to prepare a brochure telling of fraternity aims and purposes and containing information of each of the member groups, such brochure to be made available to prospective members and their parents.

In the matter of consideration of girls with Pi Beta Phi background, this committee recommends to chapters that they consider this heritage as a very great asset, and that they give these girls a fair advantage over other prospective members when the legacy's qualifications are commensurate with others being considered.

The committee feels that NPC has made a great stride in improving the situation this year by admitting to Associate Membership eleven groups, some with a restricted membership and others formerly restricted to a specific field. NPC is thus extending its services and valuable association to these well established groups and is extending membership in NPC groups to many more girls attending college.

This committee has worked at decided disadvantage in not having had the opportunity of meeting together in this study, but hopes that some of its work and thinking will be of service to the fraternity and to the fraternity system.

COMMITTEE ON ALUMNÆ AWARDS

THE Committee on Alumnae Awards has carried out its work by correspondence. Questionnaires, a copy of which is submitted, were sent to all alumnae clubs. The final tally showed that of the one hundred thirty-five clubs responding, sixty-six favored an award, and sixty-nine were opposed. The only other point on which the returns were so close as to seem hardly decisive was the matter of the nature of the award: twenty-eight clubs favored a certificate of recognition with a life-membership in the alumnae department, and twenty-four favored a special guard pin to be attached to the Pi Beta Phi badge.

In view of these returns, the Committee wishes to recommend to the Alumnae Sessions of Convention that an alumnae award be given annually for service to fraternity and community. The honoree shall be nominated to the Province Vice President concerned,

with Province Vice President selecting the outstanding nominee from her province for submission to a committee of three to be elected by the Alumnae Sessions of Convention to serve for the interim of convention.

The honoree should be a member of a club when possible, but if no club exists in her locality club membership should not exclude her from eligibility for the award.

The committee votes to have a certificate of recognition accompany the award, but leaves the matter of the nature of the award to the decision of the Alumnae Sessions of Convention.

COOPERATION OF PI BETA PHI WITH SAVE THE CHILDREN FEDERATION

EARLY in October one questionnaire was sent through the office of the Grand President of Pi Beta Phi to every active chapter and alumnae club, requesting information as to whether or not a contribution would be made during the year 1947-1948 to sponsor the work with underprivileged children of European countries—made destitute by World War II.

It has been my privilege to organize these questionnaires and as the money has been pledged and contributed, to requisition its expenditure through the Save the Children Federation. All money has been handled through our Grand Treasurer, Lolita Snell Prouty.

To date, the results of the effort of Pi Beta Phi to alleviate the suffering among children is as follows: Contributions received as of June 14, 1948—\$4,455.28

Number of active chapters contributing—45
Number of alumnae clubs contributing—94
Number of children receiving aid—55

Undoubtedly the several pledges which are still outstanding will soon be paid, and this report can be supplemented accordingly.

In the morning's mail came a letter from the Save the Children Federation in which the names of four children who seem most in need are given. It is my

hope that the complete payment of all pledges will make possible the sponsoring of these four children.

This letter closes with the following paragraph:

"We do want to take this opportunity to express our sincere thanks both to you and to Mrs. Prouty and Miss Onken for the time and effort which you have given so generously to the sponsorship program of Pi Beta Phi, and ask you to extend to the members of the fraternity at convention our deep appreciation for

their enthusiastic response to the appeal for aid for overseas children."

(Signed) Florence L. Batson,
Director Overseas Sponsorships.

To Miss Onken, to Mrs. Prouty, and to each Pi Phi whose influence and cash has made possible the above report, I, too, add my most sincere "thank you."

EDITOR OF THE CONVENTION DAILY

IF THE hotel orchestra had played, "I've been working on the railroad," some day at lunch time, I am confident the entire *Daily* staff would have risen in a body to take a bow, thinking of course it was their theme song. The Monon tracks in front of the hotel, and perhaps the depths of old Pluto's spring, were about the only places in French Lick where the *Daily* office was not moved in its wanderings throughout the week of Convention.

It is a wonder to me there were not more mistakes, for I can truthfully say no one ever worked under such trying conditions. If I hadn't had a superb staff and a reading public that seemed to understand, I never could have come through with the first issue, to say nothing of the succeeding ones.

Grand Council may recall that after Swampscott I explicitly stated that I did not care to undertake editing another paper unless we had adequate accessible space somewhere along the beaten path. With this in mind, the Convention Guide in her early planning assigned me ideal quarters. These, however, were re-allocated to the Historical Exhibits before we ever reached French Lick. Mrs. Wild had assured Mrs. Green, and rightly so, that I was once more concerned with clean, light, well located space, than one with all the trimmings.

It is an old story to most of you how we never got inside our quarters because of express packages and uncrated machinery. When it looked as though we might have to postpone the first issue, we were given the press room. This was a tiny hot hole in the wall that answered none of our requirements. Had we remained there, I am certain our reporters would never have returned to bring in their stories. At Mrs. Alford's insistence, we were then moved to the North Porch. This proved quite adequate although it meant we had to carry our typewriters inside each night and I had to transport to my room the large suitcase that served as my file. I don't know what ever became of our request for a file. For two issues we functioned from this porch then we found we were to be moved again. This time because the overlapping machinists' convention insisted on it for their cocktail party.

When I left for lunch that day Mr. Ames assured me he had placated the machinists who had agreed to hold forth in the Demon's Den. When I returned from lunch with two hours to do all the last minute work, we were being evacuated to the Dance Studio. In order to get a breath of air, we had to place our table near the doorway. Every time a waiter wanted to haul through a tub of Old Fitzgerald or a plate of shrimp, our equipment had to be shoved back out of the way. Our next move was back to the North Porch, but this time to the far end because someone had scheduled a meeting in our original location. This constant disruption of work at the very busiest time was a real source of annoyance to all of us. It ceased to be funny, and only my earlier statement to the Convention Guide that I had a sense of humor and a good disposition, kept me from "blowing my top."

Maybe I should have let off steam some way. You would have had a better paper.

Now that I look back on that week, I simply do not see how we ever got that paper out on time . . . or out at all, for that matter. Our printer was fine and cooperative, but his typesetter was a problem. He needed an orientation course in fraternity publications and an elementary one in spelling. It was quite disheartening to have our attractive Convention Initiative say, after complimenting us in a general way, "But you misspelled judgment." That wasn't all that was misspelled. But I offer no apologies. I am rather proud that things weren't printed upside down or crosswise.

Mr. Gruber of the Spring Valley *Herald* came for our copy about four-thirty, but it was nearer five-thirty when we turned it all over to him. He was patience itself and he did a marvelous job of fitting our stories into the space and making our heads fit. We had no time to count words or read proof. We might have had time for the former if we hadn't spent so much time moving and setting up office each day. At both Pasadena and Asheville we read proof and counted our words. Naturally there were very few typographical errors. I can think of a lot of things that would have improved the appearance of the paper, but at the time the main problem was to get it into copy form.

I have taken about half of this report to explain our main problem. It exasperated me because I had felt that surely this year we could edit the perfect paper.

As usual three main things stand out in my mind as contributing greatly to the success of any convention daily; the editor, the staff, and the printer. Add to these adequate quarters, a schedule which will enable the staff to cover late news, and facilities for securing live art, and the result should be a paper full of news, peppered with lively features and new art, and one which is distributed before that news is too old to be interesting. Since this was my fourth convention as editor, I felt I was in a position to profit by my former mistakes. Experience undoubtedly had given me more confidence and a clearer idea of what I might expect in the way of staff cooperation. I knew too what should be done ahead of time. If there was one thing my past performances had taught me it was that everything that can be done before reaching Convention is just that much time saved and will release the editor when she is pushed later on. Advance work counts in many ways.

First of all I planned the five issues, using the program as it appeared in the *ARROW*. I had a notebook with suggested stories for each day and worked out from this program just what should be our lead story. This was a real help since we had to take into account that the paper which appeared let's say on Tuesday noon, went to press on Monday at five o'clock. For this reason the lead story had to be whatever happened *two* evenings previous or else we had to write an advance story. Only someone who is

familiar with newspaper work can understand how disheartening it is to leave uncovered the big stories of the night before. Or rather to have to postpone the coverage until the next day. I mention this because I feel future editors may be able to work out a different time schedule.

In the past I have written most of the editorials myself, but a few years ago the Grand Council members each wrote one. These proved so successful that I wished to have them again. However I decided instead to ask Isabel Winkler, Marie Hagee, Virginia Weaver, Ruth Smith, and Francese Evans Ives. The first three responded with splendid editorials which were used on three succeeding days. Mrs. Smith decided not to write one and Mrs. Ives evidently did not receive my letter. I wrote the other five editorials. When I broached the subject of Grand Council members contributing editorials I had no desire to get out of work. I simply felt that they would bring a fresh viewpoint to the column. After all I've been saying the same thing now for four conventions and I feel it may sound trite.

With the hope of adding something just a bit different, I searched through the history and compiled the "Looking Backward" column which helped fill in one of the early issues.

Filler is important in any paper. I wrote reams of it using the interesting little bits of news about chapters and clubs which were included in Miss Onken's monthly letter to the Province Presidents. This took a lot of time at home, since it was important that the items be as up-to-date as possible.

When applications for reporter jobs began to come in a few weeks prior to convention, I immediately wrote each girl, asking her preference in coverage and soliciting material about her college activities. These personal bits I turned over to one of the reporters after I reached convention and she embodied them in an article on the staff. I had found from experience that it is almost impossible to "run down" such material after we are in the actual process of editing. I also kept an assignment book and when a reporter came in the first time I gave her an assignment with the day and hour it should be in. Not a single girl failed to complete her assignment on time. Several girls asked for more than one assignment, but with seventeen staff members only a few had more than two articles to write. I tried to keep active delegates from working on the paper since I knew from past experience that they would be tremendously busy with their official duties. However Jan Jeans and Jeanne Hall, from Missouri A and New Mexico A, respectively, begged to be allowed to cover the active sessions and although they were often worn to a frazzle, they came through on time. My only staff disappointment was an alumna who had written in ahead of time asking if she could help, and had seemed delighted when I asked her to cover the alumnae sessions. She appeared as we were putting the last issue to bed. If the alumnae sessions did not receive adequate coverage, please lay the blame on the reporter who wasn't dependable.

The rest of the staff was simply marvelous. Three of them rendered special help: Virginia Sherman, New York A, who not only wrote articles, covered the Settlement School notes for Warp and Woof, but

relieved me of a lot of office and leg work; Marilyn Campen, Missouri B, and Marj Brink, our efficient and talented business manager. It was a joy to work with them!

My greatest disappointment was that we could not have live art. We were told ahead of time that no cuts could be made at French Lick. This meant we'd have to have our cuts made in advance in Louisville. I wrote to Banta for cuts of Grand Council but they did not show up, altho I did receive and use cuts of Dr. Smith, and the Convention Committee. Through the courtesy of the Louisville *Courier-Journal* where my husband is the Assistant Managing Editor, we had made free of charge three new cuts and were given one large one which had been used on their society page. The three were of Mrs. Enteman, Miss Guthrie, and Mrs. Ives. The donated cut was of five Kentucky A girls and since it had action in it I felt it represented the whole spirit of the active delegates.

Five issues were published beginning with one on Monday and ending with the one on Friday noon. This meant that nothing that happened after Thursday at 5 P.M. was covered in the last issue. It meant we had to "fake" the initiation ceremony coverage, something which I feel is dangerous inasmuch as something might not come off as scheduled and we might have to waste a lot of papers. We were lucky; everything went off as planned. It meant too that the list of officers and the main awards had to be printed on a sort of handbill which was distributed at breakfast the last morning of convention. Of course I realize why this was necessary. It was felt that many of the delegates would not be around to pick up their last copy of the paper if it came out Saturday noon. However from the requests I have received since I got home for copies of the handbill and the last issue, I feel they would have welcomed an issue on Saturday morning. Of course I had more free time to enjoy myself but after all I was there to give the convention a good paper, not to have fun.

I feel that in some ways this *Daily* was better than the preceding ones. Certainly it was the easiest I have ever edited. It could have been the most pleasant had our housing problems not loomed large and annoying. With the efficient staff at my command, with the happy encouragement and the smiles of Grand Council who never failed in passing to say a word of praise, and with the backing of our beloved "boss," Adele Alford, I can truthfully say I enjoyed my work in spite of the handicap of office space.

I deeply appreciate being housed with the Convention Committee and particularly rooming with Mrs. Green, the Convention Guide. The association with the three charming women is something I shall always cherish. If I have seemed to grumble it is because I had hoped to edit the perfect paper and so justify the faith Grand Council has placed in me and to leave a record from which future editors may profit.

If I have contributed anything to the success of the Thirty-sixth Biennial Convention of Pi Beta Phi, I am happy. It is truly a joy to do anything for the fraternity that has given so many shining hours of happiness.

Respectfully submitted,
RUTH WILSON COGSHALL, *Editor*

HOLT HOUSE COMMITTEE

SERVING on the Holt House Committee the past two years has been a most enjoyable experience. The increasing interest of Pi Phi everywhere towards this memorial to our founding, has given great encouragement and inspiration to the members of the committee in their work. Pi Phi have fully shown their pride, and unswerving loyalty to Holt House, by their desire to have it a finished project. They learned by reading the History of Pi Beta Phi, and listening to talks on Founders' Day, that the roots of our great fraternity are embedded in this beautiful memorial.

This committee has furnished the guest lounge, and the historical room. Two handmade rugs, a walnut chair, and two pictures were added to the Founders' Room, the chair and the walnut frames for the pictures, were gifts from the Tacoma, Washington, Alumnae Club in honor of a former member of their club, Inez Smith Soule, one of our founders. In the parlor, brass ball andirons were placed in the fireplace, and over the lovely Victorian sofa opposite, have been hung four prints depicting the year of 1867. A blue bowl lamp was purchased for the pine room. The color of the lamp corresponds with the blue dress worn by Fannie Thompson in the Alice Hyde painting of her, which hangs on the west wall. In the powder room a new skirt adorns the dressing table, and the two benches have been recovered which are in front of the table. These new furnishings have been made possible by the splendid support from active chapters and clubs. The committee feels confident that members of the fraternity will always respond enthusiastically to sustain this memorial which they have helped to rebuild.

The number of alumnae clubs contributing to the Holt House Fund greatly increased this year. The Kansas City, Missouri, alumnae club contributed the largest amount—\$100; the Pittsburgh, Pennsylvania, alumnae club contributed \$50; the Oklahoma City, Oklahoma, alumnae club contributed \$45; the clubs from Iowa City, Iowa, and Tacoma, Washington, each contributed \$35; and the Monmouth, Illinois, club contributed \$25.

The active chapters increased their contributions this past year. Louisiana A was highest—contributing \$50. Oklahoma A was second highest—donating \$35. Iowa Z and Alabama A tie for third highest—each donating \$30. The following chapters each gave \$25 to the fund; Missouri B, Kansas B, Arkansas A, Texas A, Louisiana B, and Iowa G.

The highest contributing provinces (alumnae) were Kappa, Eta, Beta, Mu, Epsilon, and Lambda. Every club in the following provinces contributed: Gamma, Delta, Epsilon, Zeta, and Eta.

The highest contributing provinces (active) were Kappa, Theta, Iota, Zeta, and Epsilon. Every chapter in the following provinces contributed: Theta, Iota, Kappa, Zeta, Epsilon, Delta, and Gamma.

It is most interesting to note that every club and chapter in Gamma, Delta, Epsilon, and Zeta provinces donated this past year to the Holt House Fund.

The committee wishes to thank the Mt. Pleasant, Iowa, Alumnae Club for their generous gift of \$75 to purchase a needed piece of furniture for the Historical Room. A black walnut cupboard with the shelves and the background lined with mirrored glass, now displays the figurines, for which the committee is most grateful to the Mt. Pleasant Club.

The beautiful silver tea service from Epsilon Province arrived at Holt House in May. The com-

mittee appreciates the time and efforts of Alice Mansfield, president of the St. Louis club, and Margaret Foster, province president, in raising a fund among eleven clubs to purchase the tea service which has been so needed at the House. The committee thanks Mrs. Hector C. McNaught and Miss Naomi Holt for their contributions of money to the Holt House Fund.

Besides active chapters and alumnae clubs in and near Monmouth using the House this past year, the following organizations have enjoyed the privilege of holding meetings there: Women's Club, O.G.M., P.E.O., and the Garden Club. Private teas and receptions have also been accommodated.

To Mrs. Carey, who has so graciously presided as receptionist for eight years, a great deal of credit must be given for her fine management, and for the growing interest and popularity of the House in the community, and elsewhere.

The chairman is most grateful to Mrs. Philip P. Murkland for her fine cooperation, and the efficient manner in which she has served as treasurer; and many thanks to Mrs. Jack Woodward, of Monmouth, Illinois; Mrs. F. L. Lippman, of Springfield, Missouri; and Mrs. William Bohan, of Galesburg, Illinois, for their services on the committee.

Mere words fail to express to Miss Onken, how grateful the chairman is, for her advice, patience, and constant willingness to help in all matters pertaining to Holt House. To the members of Grand Council, whose assistance has been invaluable; and to Gladys Hayes Scivally, Director of Central Office, for many favors, the chairman expresses her sincere appreciation. The assistance and cooperation of the province officers has greatly aided the committee in making this year a successful one for Holt House.

\$7,855.90 Paid to S. S. Our check #6165

June 11, 1948

Dear Alumnae Club Magazine Chairman:

If a check is enclosed in this envelope you will know at once that your club was one of the winners of a magazine prize for the year 1947-48. The three winners are listed below:

Denver, Colorado—Mrs. Walter Hultin, Chairman, for making the highest total commissions, \$251.15—wins \$10.00.
Jefferson City, Missouri—Mrs. Geo. A. Rozier, Chairman, for making the highest per-capita commissions, \$5.36—wins \$10.00.
Wichita Falls, Texas—Mildred Norwood, Chairman, for making the greatest percentage increase, 3,120.00%—wins \$5.00.

We are enclosing a statistics page showing the magazine agency data for the year and a page showing the profits the clubs and chapters in your province have made. You will also find a postal card. Will you please return this card promptly, giving the quantity of supplies needed? If this is not received by us before July 1, we will estimate supplies to be sent to you, using last year's request as a basis. These supplies including order blanks, price lists, and so forth, will be sent to you or your successor just as early as possible in the fall. They are expensive and we do not like to over-supply clubs, so we ask that you only order as many as you can use.

If you are to have a successor, kindly give her full instructions about magazine sales. Magazine Manuals may be secured for 25¢ by writing to the Pi Beta Phi Magazine Agency.

You will find a complete 1947-48 magazine report in the September 1948 Information ARROW.

Please send as many magazine subscriptions in the summer time as possible to avoid the fall and winter rush.

Thank you for your fine cooperation this year. We came nearer to our goal of \$10,000 than we ever have and with your help we believe we can exceed this amount next year.

Sincerely yours in Pi Beta Phi,
GLADYS H. SCIVALLY

Dear Active Chapter Magazine Chairman:

If a check is enclosed in this envelope you will know at once that your chapter was one of the winners of a magazine prize for the year 1947-48. The winners are listed below:

Maryland Beta—Jeanne Reynolds, Chairman, for making the highest total commissions, \$130.55—wins \$10.00.
Maryland Beta—Jeanne Reynolds, Chairman, for making the highest per capita commissions, \$5.18—wins \$10.00.
New York Delta—Shirley Nagler, Chairman, for making the greatest percentage increase, 4,526.66%—wins \$5.00.

Congratulations and especially to Maryland Beta, the double winner!

Three army wives in Yokohama, Japan, formed a Panhellenic. They discussed the benefits that could be derived from the formation of such a group and announcements were made in the *Stars and Stripes* of the first meeting to be held in the lower lounge of the new Grand Hotel in Yokohama. Mrs. Frank C. McConnell, a Delta Gamma, and Helen Hacke, Chi Omega, made the first arrangements. Fifty fraternity women met for the luncheon. That was the first of the monthly meetings which will probably continue as long as there are Occupation Forces in Japan. Fifteen national fraternities were represented at the luncheon, and Chi Omega led with the largest attendance of any single group with six.—*Banta's Greek Exchange*

Members of the Panhellenic Alumnae Association in St. Louis are serving as "play ladies" as the children express it, in the various wards of the Shriners' Hospital for Crippled Children. Under the sponsorship of Panhellenic all of the 19 national sororities represented have contributed money for equipping a large toy closet and play cart. Members of these groups visit the hospital three days a week and entertain the children with toys, games, stories, and occupational therapy of different types such as sewing, making letter holders, crepe paper ornaments, vases, etc.—*Banta's Greek Exchange*

Tuitions Increase

College and university tuition and fees are now at the highest point in history and will increase more by the fall term of 1948, according to information gathered from 120 leading educational institutions regarding their current tuition, their pre-war rates, and their contemplated changes.

The average tuition of all the institutions this year approximates \$550. The fees of the women's colleges are highest, those of the privately-endowed institutions are medium and the state institutions are lowest.

Their average tuitions were \$132 in 1907, \$163 in 1917, \$329 in 1936, and \$410 in 1941.

In regard to further increases (for the average institution they were 5.3 per cent last year alone) there were evidences of leveling off. It is indicated that additional revenue necessary for balanced budgets will be sought from other sources than student fees: (1) increased governmental or state aid, and (2) increased private and foundation giving.

A tabulation of the information secured from 54 privately-endowed institutions shows that their average rate of tuition has increased from \$366.45 in 1941 to \$453.08, an over-all gain of 23.6 per cent since pre-war.

In 33 state-supported institutions, a very marked difference is noted between the resident and non-resident tuition increases. In this group, six universities made no change in the rates charged residents and compensated for standing-pat by average increases of 43.2 per cent in the tuition for out-of-state students. Average figures for the whole group of public-supported institutions show, however, that the state resident tuitions have raised 8.2 per cent and non-resident tuition by 26.5 per cent.

Women's colleges have increased their tuitions by an average of 23.4 per cent, from about \$514 to \$635.

Some institutions may be attempting to cushion the effect of their higher rates by making an increasing number of scholarships available. However, since the excess demand for admission to the institutions has not apparently been arrested by the increased fees, and studies indicate there will be greatly expanded college enrollments for some years to come, it may be that the current high tuitions will have no serious effect on the level of college enrollments for some years. College administrators who seek to accommodate deserving students and who at the same time must have more funds to operate due to large enrollments have a few problems these days. More and more the college president must be persuasive with his legislature or an expert in fund-raising.

NOTICE TO CANADIAN CHAPTERS

Canadian chapters make all checks for payments of initiation fees, contributions to all funds, and payments for Bound ARROWS and Treasurers' Bonds, payable to the Director of Rushing and Pledge Training, Isabel A. Clark Winkler (Mrs. Howard W.), 196 Elm St., Winnipeg, Manitoba, Canada.

GENERAL INSTRUCTIONS

Chapter treasurers should see that the Financial Statements to Parents and Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.

Chapter treasurers should see that badges are ordered through the Central Office. It takes six weeks or more, under present conditions, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.

Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to the Director of Rushing and Pledge Training.

Chapter Treasurers should send monthly reports to Busey Fraternity Accounting System.

The corresponding secretary should report to the Central Office changes in chapter officers if they are made, any time during the year.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office, explain the situations, and receive special permission to vary from the established dates.

Traditional Balfour Service

Your arrow pin, made by master Balfour craftsmen and set with precious stones—pearls, emeralds, rubies or diamonds—is a beautiful symbol of your association with Pi Beta Phi.

It will be treasured always, not only for its intrinsic worth and beauty, but also for the association it recalls.

In later years as an alumna, your badge, or perhaps the crested ring you wear, will be a means of recognition and the beginning of new and enjoyable friendships.

Insignia Price List and instructions for ordering are given on adjacent page.
