Convention

Once more a Convention, this time the 40th, has gone down into history. After Miami we referred to that Convention as the "Happy Convention"—and now we can use the same title for this one. It was perfectly planned by a fine committee, ideally located as to background at the beautiful Huntington-Sheraton. Total registration was 1318—largest official Convention in the history of Pi Beta Phi, exceeded in numbers only by the unofficial Washington Conference in 1924, which made history with 1350 members in attendance, with no expenses paid by the national Fraternity.

Let's call it the "Flower Convention"! For everywhere were flowers. Truly the Pasadena Pi Phis had stripped their gardens and the florist shops to make the lovely pictures that greeted us everywhere—in the ballroom where meetings were held, on the beautiful tables in the dining room, in the colorful decorations of the sparkling luau beside the pool, complete with its orchid leis flown in from Hawaii, and culminating in the lovely gold and white decorations of the banquet tables—gilded magnolia leaves and white gardenias, set with lighted candles—all were planned by a special flower committee under the chairmanship of Ruth Schoenbaum.

In retrospect Convention was to the Editor a series of never-to-be-forgotten pictures, glittering and lovely, as a background for the pageant of fair women who made up the personnel of Convention. The minutes of the business meetings in this issue tell only the practical working part of the story—in the winter issue will be a story and pictures taken here and there.

Then Came Tragedy

The following announcement went out to clubs and chapters!

July 5, 1956

Pi Beta Phi has been saddened by the tragic air line crashes over the Grand Canyon on June 30. Four official delegates to the fraternity's 40th Biennial Convention were passengers on those planes as they returned to their homes from the Convention.

In loving memory of those whom many Pi Phis had come to know during the Convention Pi Beta Phi declares a period of official mourning from July 15 to July 25. In accordance with the Chapter Manual a small strip of black ribbon will be worn under the badge for that period in remembrance of:

Sally Laughlin, Pennsylvania Epsilon Active Chapter Delegate, of McKeesport, Pennsylvania.

Janice Haas, Missouri Gamma Active Chapter Delegate and Chapter President, of Springfield, Missouri.

Marie Wilson Klemp (Mrs. Fred), Colorado Alpha, President and Alumnae Club Delegate of Kansas City, Missouri.

Lois Klein Brock (Mrs. John), Colorado Beta, Alumnae Club Delegate for the Arlington-Alexandria, Virginia Club, of Falls Church, Virginia.

MARIANNE REID WILD, *Grand President*

SCHOLARSHIPS:

HARRIET RUTHERFORD JOHNSTONE: Sandra Lynn Adkisson, Wash. Alpha; Norma Jean Carpenter, Colorado Beta; Sonya Christopher, Ontario Beta; Marcia Jannasch, Michigan Alpha; Anne-Marie Kupfer, New York Alpha; Johanna B. Martin, Maryland Beta; Carol Neal, Ohio Zeta; Cynthia Pfennig, Ill. Beta-Delta; Marylyn Quigley, Ill. Eta; Sylvia Rambo, Penn. Gamma; Patricia Tavenner, Mich. Gamma.

RUTH BARRETT SMITH: Nancy Anne Roake, Illinois Theta.

CALIFORNIA ALPHA SCHOLARSHIPS: Kristine Anderson, Idaho Alpha; Frances DeYoung, Colorado Beta; Martha Hopkins, North Dakota Alpha.

Scholarships

For the coming year, scholarships will again be available to Pi Beta Phis who can qualify for them on the basis of need, fraternity service and loyalty, activity participation and scholastic record. These are given from three separate funds: the California Alpha Fund makes available three scholarships of \$340.00 each for undergraduate members. Applications for these scholarships should be sent to Mrs. W. B. Owens, 593 Alvarado Row, Stanford University, by May 1. A personal letter should be written by applicants covering the four points upon which the awards are based, and must be accompanied by a letter of recommendation from the Advisory Committee of her chapter.

The Ruth Barrett Smith Scholarship is given by the Alumnae Department, and applications for this should be sent to the Grand Vice President by May 1.

The Harriet Rutherford Johnstone Scholarships are awarded by the national fraternity, and their number depends upon the amount of money available in the Scholarship Fund, augmented by contributions from active chapters. This year ten scholarships were possible from this fund. Each year it is hard for Grand Council to decide on the award of these scholarships—so many worthy girls must be refused because there is just not money enough to supply all needs. Surely here is a project which should have ever-increasing support from our members! For many girls the receipt of one of these \$300.00 gifts means the difference between leaving college and staying to graduate, and this fund should be greatly enlarged by contributions; generous contributions these should be too, for surely this work is one of our major projects, and should be greatly expanded.

Applications for these scholarships should be sent to the Grand Secretary by May 1—the requirements are the same as for the others, and applications should be accompanied by a personal letter, and a letter from the chairman of the Advisory Board of the chapter.

Pi Beta Phi Fellowship 1956-57

For the year 1956-57 the Fraternity will offer one graduate fellowship with a value of \$500. The fellowship is open to any member of the Fraternity who has received her bachelor's degree, and it may be used at any university which offers special opportunities in graduate work along the line desired by its holder.

Two points will be considered by the Grand Council in awarding the fellowship: scholastic standing and all-around development of character with its resultant ability worthily to represent the Fraternity. Each applicant must state definitely the university she wishes to enter, the courses which she desires to pursue, and the ultimate aim of her graduate study.

Applications accompanied by photographs of applicants, transcripts of college grades, credentials from college professors, and other recommendations, must be in the hands of the Grand President not later than January 1, 1955.

All material should be collected by the applicant and submitted as a whole. Blank forms for application for the fellowship may be obtained from the Grand President at any time. If she so desires, any applicant of former years who has not received the fellowship may make a new application.

Minutes of the Fortieth Biennial Convention

The Huntington-Sheraton Hotel, Pasadena, California

June 24-30, 1956

The Fortieth Biennial Convention of Pi Beta Phi Fraternity opened Sunday evening, June twenty-fourth, 8:00 P.M., in the main ballroom of the Huntington-Sheraton Hotel. The Grand President, Marianne Reid Wild, presided. The meeting opened with the singing of "The Star Spangled Banner," the playing of "God Save the Queen," and the recitation of the Lord's Prayer. The invocation was given by Canon Billig.

The Convention Guide, Sally Wild Gordon, was presented to the Convention. Mr. Marples, President of the Pasadena Chamber of Commerce, brought greetings to the fraternity in session; Mr. S. W. Royce, Manager of the Huntington-Sheraton Hotel, welcomed Pi Beta Phi to the Huntington-Sheraton and to Pasadena as the first fraternity to select the Huntington and Pasadena for three conventions. Miss Peggy Beatty, assistant to Mr. Royce, was introduced, and the secretary of the Pasadena Chamber of Commerce was introduced.

Wine carnations were placed in silver vases by each active chapter delegate as a memorial tribute to Pi Beta Phi who have passed away since the last convention.

The Grand President introduced to convention Sarah Pomeroy Rugg, convention guest; Helene Higgins Bauer,

convention initiate; Gertrude Rothe Niblo, convention hospitality chairman; Dorothy White Thomas, convention registration chairman; former national officers, national officers, Golden Arrow Pi Phis, mothers and daughters in attendance, Katherine D. Kennedy, a former convention initiate; the granddaughter of founder, Clara Brownlee Hutchinson, Jane Tornquist Compton; the daughter of Founder, Inez Smith Soule, Myrta Soule Brown, Anna Clyde Vinzant, parliamentarian, and Vesta Wine, stenotypist.

A demonstration of the distinctive honors won by Pi Beta Phi chapters and individuals in the interim of conventions, including activity and scholastic accomplishments was led by the Grand President. The Grand President introduced the pages for the opening meeting: They represented honor chapters. Kansas Alpha, Sarah Chubb; Oklahoma Alpha, Gail Birckett; Ohio Alpha, Linda Callahan; Indiana Delta, Joan Marvel. Ruth Barret Smith, Mrs. W. T., Iowa Gamma, served as Chairman of Pages. Following announcements the Grand President spoke about the spirit of convention and the responsibility for wise deliberation by those chosen to meet in session for fraternity planning.

The meeting adjourned at 9:30 P.M.

REGULAR SESSION—FIRST BUSINESS MEETING

The first business meeting of the Regular Session of convention opened Monday, June twenty-fifth, nine a.m., with the singing of the Anthem, and the recitation of the Ritual. The parliamentarian and the stenotypist were seated.

The Grand President led in a demonstration of Pi Beta Phi attending previous conventions; Ruth Barrett Smith's record of twelve previous conventions accorded to her the Convention Old Timers' honor. The Grand President introduced the pages for the first business meeting; Mary Keyes, Indiana Beta, honored by the Grand President; Carol Sauer, Missouri Beta, honored by the Grand Vice President; Mary Jane Eason, Texas Beta, honored by the Grand Secretary.

The Grand President announced the Official Order of Business, and Special Orders of the Day. Workshops on Monday afternoon, Wednesday morning, and Thursday afternoon were announced as Special Orders of the Day. Tuesday morning active attendance at the alumnae meeting was described as a Special Order of the Day. Extension, Tuesday, two p.m. regular meeting; and elections, Thursday, nine a.m., split meeting, were designated as Special Orders of the Day.

Announcements were made and instructions given as to the special rules of convention. The Grand President stated that with the consent of Convention the minutes of the meetings of the convention in session would not be read at each meeting but would be approved by Grand Council at the conclusion of Convention.

The Nominating Committee for the Regular Session of Convention was announced as follows: Chairman, Iota Province Vice President, Alta Jones Bingaman; Kappa Province Vice President, Shirley Bradshaw; Kansas Alpha delegate, Diane Worthington; Arizona Alpha delegate, Kathryn Salmon; Montana Alpha Delta, Jean Painter. Attendance Award Committee: Chairman, Helen Moffet Russell, Illinois Eta, St. Louis Missouri; Ruth Mitchell Deeds, Illinois Epsilon, Santa Rosa, California; Idaho Alpha, Judy Purkhiser; Michigan Gamma, Ann Mottinger; Tennessee Gamma, Eleanor Harb. Resolutions Committee: Chairman, Iota Province President, Elsie Murray Hubbard, Michigan Beta. Zeta Province Vice President, Jane Wyrick Hettich, Indiana Alpha. Nevada Alpha delegate, Joanne Ortiz; North Dakota Alpha delegate, Mary Helen Hillman; Florida Beta delegate, Faye Anthony.

Iota Province Vice President moved that the custom of distributing suggestion slips for nominations in the convention be dispensed with. The Iota Province Vice President spoke to the question and emphasized that suggestions for nominations are available to the committee through the advance suggestion sheets used prior to convention. Motion carried.

Greetings were read at convention from the following: Alpha Chi Omega, Alpha Delta Phi, Alpha Epsilon Phi, Alpha Phi, Alpha Sigma Alpha, Alpha Xi Delta, Allene Wilson Groves, Wisconsin Alpha, President General, National Society of the Daughters' American Revolution, Delta Delta Delta, Delta Gamma, Delta Sigma Epsilon, Delta Zeta, Gamma Phi Beta, Kappa Alpha Theta, Kappa Delta, Kappa Kappa Gamma, Pi Kappa Sigma, Sigma Delta Tau, Sigma Sigma Sigma, Theta Upsilon, Zeta Tau Alpha, Clement Kennedy, New Ocean House, Swampscott, Massachusetts; Dean Dorothy J. Lipp, University of North Dakota; Ernest W. McFarland, Governor of Arizona; Goodwin J. Knight, Governor of California; Samuel Wilder King, Governor of Hawaii; Charles H. Russell, Governor of Nevada; Marie B. Hagee, Lois Stoolman, Vera Moss, Agnes Hildebrand Leonard, Edith H. Rankin, Julia Kingsbury Wright, Amy Burnham Onken, Ethel L. Gunderson, Lucile D. Carson, Miriam E. Williams, Mr. S. W. Royce, and Victor E. Anderson, Governor of Nebraska.

The reports of officers were heard. The annual report

of the Grand President included a message from National Panhellenic Conference, inasmuch as the Grand President is the designated Pi Beta Phi delegate to National Panhellenic Conference.

The Northern New Jersey alumnae club delegate, Jean Dunbar Socolowski, moved that the report of the Grand Vice President be deferred to the alumnae meeting. Motion carried. Nu Province President moved that the report of the Grand Secretary not be read but be printed in the information ARROW. Motion carried. The Grand Treasurer's report was given; inasmuch as the report is not a complete report, it is filed for audit. Michigan Beta active delegate moved that the interim report of the auditor be accepted. Motion carried. Claire Bentley Drake, California Delta, Santa Monica, Westwood, moved that the report of the ARROW Editor not be read but be printed in the information ARROW. Motion carried. The Epsilon Province President moved that the report of the Director of Rushing and Pledge Training not be read but be printed in the information ARROW. Motion carried. The Gamma Province President moved that the report of the Director of Extension be deferred to the alumnae meeting. Motion carried. The chair asked that the motions of the Northern New Jersey alumnae club delegate, and the Santa Monica, Westwood delegate be accepted inasmuch as they were out of order in the active meeting. Approval was given by convention delegates in session.

Pennsylvania Beta delegate moved that the report of the National Historian not be read but be printed in the information ARROW. Motion carried. Maine Alpha delegate moved that the report of the Director of Central Office be deferred to the alumnae meeting. Motion carried. The report of the Counselor for Chapter House Corporations was read. Michigan Alpha delegate moved to accept the report. Motion carried. The report of the Supervisor of Chapter Accounting was read. Indiana Delta moved that the report be accepted. Motion carried. The Delta Province President moved to defer the reports of the Settlement School to the alumnae meeting. Motion carried. Iota Province President moved that the report of the Holt House Chairman be deferred to the alumnae meeting. Motion carried. The D.C. Alpha delegate moved to defer the report of the Emma Harper Turner Memorial Fund to the alumnae meeting. Motion carried.

Recommendations of Grand Council were considered. The Grand Secretary read the recommendations. Grand Council recommended the adoption of the following motions:

1. That, Statutes, Part II, Article II, Section 3 (page 29-30), be amended by striking out Section 3 and substituting a new Section 3 to read:

"Sec. 3. Requirements for Initiation. A pledge shall be initiated into Pi Beta Phi only after—

- She has satisfactorily passed, in the institution concerned, the twelve semester or term hours required by the fraternity.
- She has served not less than ten weeks' pledgeship.
- She has satisfactorily passed the pledge examination.
- She has conformed further to all local college and fraternity requirements regarding scholarship and conduct.
- She has paid her initiation fee to the chapter treasurer, or the chapter concerned has formally voted to assume the responsibility for its payment.
- She has fully met all financial obligations to the chapter.
- If she is a person initiated as an alumna of a newly chartered chapter, either as a charter member or as an initiate at a date later than that of the installation, she has paid one year's annual alumnae dues."

Motion carried, unanimously.

2. That, Statutes, Part II, Article III, Section 4 (page 34-35), be amended by adding a new "g" to read:

"g. To be in charge of preparation for active chapter fraternity examinations."

Motion carried, unanimously.

3. That, Statutes, Part II, Article III, be amended by striking out Section 17 (page 38), and substituting a new Section 17 to read:

"Sec. 17. Election of Chapter Officers. The Annual election of chapter officers shall occur between March 15 and April 15, inclusive.

- The Rush Captain and the Assistant Rush Captain shall be elected at a regular meeting of the chapter within one month after the close of the major rushing season of the current year, and serve until the election at a regular chapter meeting within one month after the close of the major rushing season of the following year.
- The Historian and the Scholarship Chairman shall be elected at a regular meeting of the chapter to be held not less than one month before the close of the college year. The retiring Historian shall be responsible for completing and submitting the annual chapter history on the date due.
- The Rush Captain, the Assistant Rush Captain, and the Historian shall be installed by the chapter president within one week following their election."

The Grand President explained the variance of the recommendation as read and as previously submitted; the Province Officers desired to make the indicated changes in time of elections and inclusion of the scholarship chairman in Section 17-b-. The Parliamentarian advised that it was permissible to make such changes and submit the recommendation for consideration. Recommendations number six, thirteen, and fourteen follow this planning. There was general discussion and evaluation of Grand Council recommendation number three from the convention floor.

Epsilon Province President moved to postpone the consideration of recommendation number three until the regular meeting, Tuesday, June twenty-six, two p.m. Motion carried.

Grand Council recommendation number four was read and considered.

4. That, Statutes, Part II, Article III, Section 19 (page 38), be amended by striking out the heading "Installation Pledge" and inserting in its place the words, "Installation of Chapter Officers."

Motion carried, unanimously.

5. That, Statutes, Part I, Article VIII (page 24), be amended by striking out Section 4 and substituting a new Section 4 to read:

"Sec. 4. Gratuitous Distribution. Copies of the ARROW shall be furnished all National Officers, the chapter corresponding secretaries for their files, and members of the Order of the Golden Arrow, not already subscribers.

- Copy sent to the corresponding secretary must be placed in the chapter archives for permanent keeping."

Motion carried, unanimously.

6. That, Statutes, Part II, Article IV (page 38), be amended by striking out Article IV, Section 1, and substituting a new Article IV, to read:

"Article IV

I

"Chapter Meetings, Conventions of the National Fraternity and Chapter Presidents' Workshops.

"Section 1. Chapter Meetings. Chapters shall hold weekly meetings during the college year, which shall conform to the following order of business:

- Calling of house to order.
- Reading of the opening ritual.
- Roll Call.
- Reading and adoption of minutes of previous meeting.
- Reading from Constitution and Chapter Manual or Standing Rules and Policies.
- Reports of Officers and committees.

- g. Unfinished business.
- h. Presentation of names for membership.
- i. Balloting on election to membership.
- j. New business.
- k. Election of officers.
- l. Installation of officers.
- m. Reading of the closing ritual.
- n. Adjournment.

"Section 2. Forfeiting of vote. Any member absent from chapter meeting after notice of proposed meeting and of business to be transacted thereat, forfeits her vote on all previously announced questions decided at said meeting.

"Section 3. Programs. Chapters shall hold not less than ten programs each half of the school year.

- a. These may be a part of a regular chapter meeting, a joint pledge-active meeting, or a special occasion.
- b. They may have direct bearing on the objects of Pi Beta Phi, and must include:
 1. Four lessons on parliamentary procedure.
 2. A program on scholarship.
 3. A program on the Settlement School.
 4. Two Pi Phi Night programs in accordance with the outlines sent to the Program Chairman."

Motion carried, unanimously.

Recommendations numbers seven, eight, nine, and ten were referred to the alumnae meetings inasmuch as matters wholly and solely pertaining to alumnae business are considered in the alumnae meetings.

Recommendation number eleven, That, Statutes, Part I, Article 2, Section 8 g (page 11,) be amended by striking out section "g."

Motion carried, unanimously.

12. That, Statutes, Part I, Article 2, Section 4 (page 10), be amended by inserting a new "e" and that the sections which follow be relettered in accordance. The new section to read:

"e. To receive all applications for fraternity loans on chapter houses."

Motion carried, unanimously.

Michigan Alpha moved that recommendation number thirteen be deferred to the regular meeting, Tuesday, June twenty-six, two p.m. inasmuch as it should be considered with recommendation number three. Motion carried.

Recommendation number fourteen was deferred to the

Tuesday, June twenty-six regular meeting.

Recommendation number fifteen: That, the national chapter accounting system of the fraternity be placed in professional hands, and that the annual charge per chapter be borne one-third by each individual chapter and two-thirds by the fraternity.

The Maine Alpha chapter delegate spoke to the question and asked for a clarification of costs. The Grand Treasurer spoke to the question and reviewed accounting costs if the recommendation was accepted.

Motion carried, unanimously.

16. That, Statutes, Part II, Article 3, section 7 f (page 36), be amended by striking out "f" and substituting a new "f" as follows:

"f. To forward to the Central Office by October 15 the fees for the bonding of the chapter treasurer; for the bound ARROW for the chapter archives; and for the chapter's portion of the chapter accounting service."

Motion carried, unanimously.

17. That, an interim workshop meeting of Grand Council and the Province Presidents and Province Vice-Presidents be authorized for the summer of 1957.

Motion carried, unanimously.

The Province Presidents recommend the adoption of the following motion: That, Statutes, Part II, Article II, section 24 -a- (page 33), be amended by striking out Section 24a and substituting a new Section 24a to read:

"Section 24.

"a. Upon a three-fourths vote, a chapter may repledge a former pledge when her college record shows that she has satisfactorily met scholastic requirements for an entire college year, if the Alumnae Advisory Committee, by a four-fifths vote approves of such action."

There was general discussion of the question. The Director of Rushing and Pledge Training evaluated the merit of the recommendation and careful consideration of repledges, and indicated the tendency toward increased numbers of repledges and the danger of these members being scholastic risk.

One hundred forty-three votes cast, one hundred twenty-three votes cast in the affirmative, twenty negative. Motion carried.

REGULAR SESSION—SECOND BUSINESS MEETING

The Second Business Meeting of the Regular Session of Convention was held on Tuesday, June twenty-six, two p.m. Greetings were read and announcements made. Amma Hurt, Alabama Alpha, honored by the Grand President; Virginia Carr, Texas Gamma, honored by the Grand Secretary; Carol Caudill, Kentucky Alpha, honored by the Director of Rushing and Pledge Training were introduced as the Pages for this meeting.

The Grand Secretary, Chairman of the Credentials Committee, asked that the New Mexico Alpha official delegate present her credentials and that she be considered the official voting delegate replacing the alternate delegate previously seated. The Grand Secretary recommended that the convention initiate Helene Higgins Bauer be seated as a voting delegate of the convention. Upon acceptance of the recommendation, the Credentials Committee announced a total of one hundred forty seven voting personnel.

The Grand President directed that the Social Exchange Bulletins given to active chapter delegates at Convention be placed in the chapter's archives.

The Special Order of the Day was Extension. The Director of Extension reported on general extension policies of the fraternity.

The application for a charter for Pi Phi Delta, Texas Christian University, was presented by the Director of Extension. The Grand Secretary, Nu Province President, Fort Worth Alumnae Club President and convention dele-

gate, the Texas Beta alternate, and the Oklahoma Beta alternate spoke in favor of granting a charter to Pi Phi Delta.

The Director of Extension moved that a Pi Beta Phi charter be granted to Pi Phi Delta colony at Texas Christian University. The Montana Alpha delegate, Jean Painter, Chairman of Tellers for the Pi Phi Delta, Texas Christian University charter vote reported that a unanimous vote of convention favored the granting of the charter. A four-fifths vote of convention is required. Motion carried, unanimously.

The chair announced the tellers: Chairman, Montana Alpha delegate, Jean Painter; Massachusetts Alpha delegate, Elizabeth Ann Terp; Oklahoma Beta delegate, Nan Davis.

The Grand President announced that a chapter to be known as Texas Delta, Pi Beta Phi, will be installed on the Texas Christian University campus.

The Director of Extension reviewed the request for chartering a chapter of Pi Beta Phi at Alabama Polytechnic Institute, Auburn, Alabama; the review included a brief summary of the history and development of the school. The Director of Rushing and Pledge Training reported on an investigative campus and school trip; the academic and housing program. The Director of Extension moved that a Pi Beta Phi charter be granted to a group to be colonized at Alabama Polytechnic Institute, and

that the chapter be installed when college and fraternity requirements have been met. The Theta Province President, Theta Province Vice President, Norfolk Alumnae Club delegate, Alabama Alpha delegate, Alabama Beta delegate, Atlanta Alumnae club delegate, Jacksonville, Florida alumnae club delegate spoke to the question in favor of colonization at Auburn.

The tellers appointed for the colonization vote at Auburn were: Chairman, Illinois Epsilon delegate, Mary Hartung; Georgia Alpha delegate, Katherine Coiner, Utah Alpha delegate, Luana Love.

The chairman of tellers, Illinois Epsilon delegate, Mary Hartung reported that one hundred forty-five votes were cast; one hundred forty two votes favored colonization, three negative. Motion carried.

Grand Council recommendations were considered. Recommendation number three read at the first business meeting was discussed.

Iowa Zeta delegate moved to amend Statutes, Part II, Article III, Sec. 17, (page 38), as recommended by Grand Council, section 17 -b- by striking out the words "and the scholarship chairman." Motion lost.

There was general discussion from the floor as to the advisability of limiting chapter officer elections. The National Scholarship Chairman spoke to the question and cited that continuity of office strengthened chapter plan-

ning.

The California Epsilon delegate moved to substitute the following motion: Statutes, Part II, Article III, section 17, (page 38)—

"Section 17. Election of Chapter Officers. Election of chapter officers shall occur at the middle and the close of the college year, and shall take place between the times of January 1 and January 31, and May 1 and May 31. (Grand Council recommendation parts a, b, and c remain as recommended.)

Motion lost.

The Ohio Beta delegate moved to amend Recommendation number three, Statutes, Part II, Article III, section 17 (page 38), by striking out "between March 15 and April 15," and substituting "before March 1."

Motion lost—sixty one affirmative votes cast, sixty nine negative.

The California Epsilon delegate called for a division of the house with regard to the California Epsilon substitute motion. Motion lost; sixty three votes cast in the affirmative, three fourths vote required.

The Washington Beta delegate moved the previous question. Motion carried.

Grand Council recommendation number three—Motion lost. Sixty-three affirmative votes; seventy six negative votes, three fourths vote required.

REGULAR SESSION—THIRD BUSINESS MEETING

The Third Business Meeting of the Regular Session was called to order by the Grand President at nine a.m., Thursday, June 28, 1956. Greetings were read and announcements were made. The Pages for the third business meeting were announced: Josephine Hough, Pennsylvania Epsilon, honored by the Grand Vice President; Jane Bruce, Louisiana Alpha, honored by the Grand Treasurer; Janet Wilson, California Epsilon, honored by the ARROW Editor. The Grand President announced the report on the procedure notebook display and citations. Sixty three notebooks, containing eighteen officer and committee chairmen, were examined; the following were considered to be the most informative and outstanding: President's Notebook—Arkansas Alpha; Vice-President—Pennsylvania Gamma; Pledge Supervisor—Ohio Beta; Corresponding Secretary—California Beta; Treasurer—Arizona Alpha; Recording Secretary—Colorado Alpha; Historian—Ohio Zeta; Program—Indiana Epsilon; Rushing—Ohio Beta; Panhellenic—Oklahoma Beta; Social—Ontario Beta; House Manager—Michigan Gamma; Scholarship—California Epsilon; Activities—Texas Alpha; Magazine—California Epsilon; Publicity—California Gamma; Pledge Manual—West Virginia Alpha; Personnel Manual—Texas Beta.

The Director of Rushing and Pledge Training announced that a suggestion box was available for possible suggestions and comments for a better name for the Social Exchange Committee. Rush material, pamphlets, and brochures were on display and available for delegates' information.

The Illinois Alpha delegate moved that Convention send greetings to Amy Burnham Onken, Honorary Grand President. Motion carried.

The Special Order of the Day was Election. The Grand President called for the report of the Nominating Committee which was given by the chairman, Iota Province Vice-President. Instructions were given for voting by ballot, and disposition of the ballot. Following the report of the Nominating Committee, the Grand President called for nominations from the floor; there being no nominations the Grand President declared the nominations closed, and appointed the My Province Vice President chairman of tellers; and the tellers, Nova Scotia Alpha, North Carolina Alpha, Illinois Alpha, Arkansas Alpha, Wyoming Alpha, California Beta chapter delegates. The Parliamen-

tarian was appointed advisor to the tellers.

The next order of business was the continuation of consideration of Grand Council's recommendations to the 1956 convention.

13. That, Statutes, Part II, Article 3, Section 2 (page 34), be amended by striking out Section 2 and inserting a new Section 2. The new section 2 to read:

"Sec. 2. Restrictions Upon Election to Office. To be eligible for election to any chapter office, or to the chairmanship of the scholarship committee, a member must have a college scholarship record free from failure for the entire calendar year immediately preceding the date on which the election is held; and must have maintained her chapter's initiation average in the term immediately preceding the election. Election of chapter officers shall be by ballot. A majority vote of all members present shall elect."

Motion carried, unanimously.

14. That, Statutes, Part II, Article IV, II Convention. Section 2 (page 39), be amended by striking out Section 2 and inserting a new Section 2. The new section 2 to read:

"Sec. 2. Restriction Upon Chapter Delegate. To be eligible for election as a chapter delegate, a member must have maintained her chapter's initiation average and have a college scholarship record free from either failure after her freshman year or a grade incomplete at the time of elections. And must have met fully all financial obligations to the chapter."

Motion carried, unanimously.

The Grand President announced that the Province Officers had requested a statute clarification and that Grand Council be given authority to rearrange without changing content, Statutes, Part II, Article IV (Page 38-39). Request granted.

The chair reviewed discussion and intent of the Province Presidents' recommendation on replying, Statutes, Part II, Article II, Section 24, a (Page 33). The Grand President stated that a motion takes effect immediately unless otherwise stated. Several delegates did not understand this in voting on the recommendation. Inasmuch as Pi Beta Phi does not require previous notice on legislation before a convention the motion may be amended.

The Ohio Eta delegate moved to amend Statutes, Part II, Article II, section 24, a (page 33) by adding the

Election

words "This shall not affect those pledged prior to the 1956 Convention."

Motion carried. Three fourths vote of Convention required. Four negative votes cast.

New business was considered by the convention. The Kansas Alpha chapter delegate moved that, Statutes, Part II, Article III, Section 18 (page 38), be amended by adding an "a" to read:

"a. The Scholarship Chairman shall be elected at one

of the regular elections and shall remain in office for one calendar year."

Motion carried. Three fourths vote required. One negative vote cast. Michigan Gamma chapter delegate moved to adjourn. Motion carried. The Grand President made the following announcement: That Kappa Alpha Theta had voted to establish a chapter at Auburn. An Alumnae Advisory Committee workshop was scheduled for eight a.m. Friday, June 29.

The Convention Honor guest spoke of her gratitude and joy in being chosen to participate in the convention. The National Historian asked that the concluding poem given by the convention guest be included in an issue of the ARROW.

The Nu Province Vice-President moved that a committee of three be appointed by Grand Council to investigate the cost and need of publishing an up-to-date history of

Pi Beta Phi; such committee to report at the next convention.

Motion carried.

The chair announced that the committee would be appointed following convention.

The following report of the Committee on Resolutions was read by the chairman, Iota Province President, who moved its adoption:

WHEREAS, Pi Beta Phi Fraternity reviews with pride and satisfaction the accomplishments and pleasures of the past two years, and now closes another wonderful Convention; be it resolved,

that to our beloved Grand President, Marianne Reid Wild, we express our appreciation for the patient and warm-hearted guidance which she has so generously given to both the Active and Alumnae Departments. In her leadership of the Grand Council, National and Province Officers, and to the Fraternity at large, she has indeed contributed to the cultivation of a most noble womanhood.

To Alice Weber Mansfield, Grand Vice-President, we wish to extend our sincere gratitude for effective and untiring leadership of the Alumnae Department.

To Virginia Voorhees Speaker, Grand Secretary, we

offer our thanks for accurate records and competent handling of matters peculiar to her office.

To Olivia Smith Moore, Grand Treasurer, we are grateful for wise and meticulous management of the financial affairs of the fraternity.

To Adele Taylor Alford, ARROW Editor, we extend our gratitude for providing the membership with a fraternity magazine which is interesting and distinguished.

We express our appreciation to the Director of Rushing and Pledge Training, Helen Anderson Lewis, for her efficiency in carrying out her specific duties.

To Ruth Williams Hansen, Director of Extension, we are grateful for her contribution to the growth of our organization and her leadership in fraternity education.

To the Grand Council as a whole we offer our compliments and thanks for their foresighted policy making and earnest desire to hold fast to the high ideals and standards of our fraternity.

To May Lansfield Keller, President Emeritus, we offer special greetings. Her contribution to the fraternity continues through the years; our thanks to her is without measure.

To Amy Burnham Onken, Honorary Grand President, we send our dearest love. Her absence from our Convention was our great loss; her ever present inspiration one of our greatest assets.

To Lois Franklin Stoolman, Honorary Grand Treasurer, we extend our true friendship. Her work for Pi Beta Phi will be remembered always.

We were honored to have Sarah Pomeroy Rugg, former ARROW Editor, who so ably contributed to the development of our fraternity, as our Convention Guest.

We extend a Pi Phi welcome and a pledge of lasting friendship to our Convention Initiate, Helene Higgins Bauer.

We commend Lolita Snell Prouty, Councilor for Chapter House Corporations, for her efforts in encouraging and facilitating comfortable housing for our active members.

That to Marian Keck Simmons, National Historian, we give our sincere thanks for cherishing the historical treasures of Pi Beta Phi and for conveying their story to us.

We appreciate the patient reading and evaluation of Chapter Exhibits of Rose McColloch Dressler, National Supervisor of Chapter Histories.

That to Dorothea White Flint, National Supervisor of Chapter Accounting, we express our thanks for untiring assistance and necessary guidance in chapter financial matters.

To Janet L. Patton, Director of Central Office, we extend our gratitude for the gracious and efficient management of Central Office and the promotion of the Magazine Agency.

That to the Province Officers whose terms are completed we offer our thanks; to those whose responsibility continues we pledge our allegiance.

That we sincerely thank the Nominating Committees of the active and alumnae sessions, ably led by Alta Jones Bingaman and Josephine Rogers Hopkins. Their careful consideration of suggestions and their wise choice of leaders is indeed a contribution.

To the Settlement School Committee we offer our congratulations for the continued growth of our philanthropic project. We are grateful to Virginia Brackett Green, chairman of the committee, for her perseverance and most enjoyable convention program. To Marion Mueller, Director of Settlement School, and her staff, we express our thanks for efficient and capable management. To Elizabeth Waitt Rue, Manager of the Arrowcraft Shop, we extend our sincere appreciation for efficient and friendly direction and the attractive shop at Convention.

To Lillian Farrington McNaught, Chairman of the Emma Harper Turner Memorial Fund Committee, and the members of her committee, we extend our appreciation for the manner in which our friendship and loyalty is shown to our members.

We thank the members of the Holt House Committee and Maurine Firestone Cook, Chairman, for their supervision of the home where Pi Beta Phi was founded.

We compliment the Centennial Fund Committee for their first efforts toward the establishment of a second great national project.

That to Marie West Wever, National Scholarship Chairman, and her province supervisors, we extend sincere thanks for establishing a strong scholarship program and encouraging our members to become truly a society of educated women.

We convey our appreciation to Betty Stovall King, Chairman of the Committee on Fraternity Study and Examination, and her province supervisors, for an effective program.

To Virginia D. McMahan, Chairman of the Committee on Social Exchange, and to her province supervisors, we express our gratitude for a stimulating exchange of ideas.

We thank Dorothy Vale Kissinger, Chairman of the Committee on Fraternity Music, for our enjoyment of new and old fraternity songs and her leadership at Convention.

For their hard work and worthy contributions we commend Josephine McCleverty, Chairman of the Committee on Loan Fund; Helen Moffett Russell, Chairman of the Committee on Chaperons; Mildred Odell Sale, Chairman of the Committee on Manuals; Margaret Strum Acheson, Chairman of the Committee on Transfers; and Beatrice Roehm Miller, Chairman of the Committee on Public Relations.

We further resolve,

that to Sarah Pauline Wild Gordon, Convention Guide, we are extremely grateful for a well organized and most pleasant convention.

To Gertrude Rothe Niblo, Hospitality Chairman, we extend our thanks for the social arrangements.

To Dorothy White Thomas, Registration Chairman, we express our appreciation for a well planned and smoothly executed registration program.

To the active and alumnae of Pi Province, we give our compliments and heartfelt thanks.

That to the following Committee Chairmen and their assistants we offer our sincere understanding of the magnitude of their tasks and our congratulations that all of the roads leading to the fortieth biennial convention have been traversed so successfully: Memorial Service, Evelyn Long Fay; Informal Reception, Joanne Wilson Davis; Model Pledging and Initiation, Edith Bacon Vinson; Province Get-togethers, Ruth Field Curry and Margaret Fowler Albert; Historical Program, Virginia Diels; Settlement School Exhibit and Arrowcraft, Eva Jack Spencer; Settlement School Dinner, Ethel Hogan Copp; Recreation, Marian Kunkel Hild; Luau, Marcella McCormick Rhodes; Convention Hall and Seating, Elaine Hart Byrne and Carolyn Ryan Hopper; Exhibits, Ellen Kline Jefferson; Posters, Virginia Anderson Townsend; Photography, Florence L'Hommedieu Davis; Banquet, Helen Madden Russell; Phi Beta Kappa Breakfast, Jessie Moeur Hamilton; Canadian Day Breakfast, Mitzi Holcomb; Pi Phi Night, Lois Snyder Finger; Mortar Board Luncheon, Hazel Ellsworth Henry; Golden Arrow Luncheon, Carolyn Charlson Ross; Theta Sigma Phi Luncheon, Lucile McKay Kelly; Mother-Daughter Luncheon, Helena Dingle Moore; Convention Old Timers' Dinner, Barbara Heaney Mitchell; Dinner by Chapters, Ann Schering; Flowers, Ruth Tatroe Schoenbaum; Greeting, May Scroggin Scott; Censures, Hoige Williams Balbach; Information, Edith Beall Trowbridge; Favors, Barbara Jones Watts; Hostess Chairman, Elizabeth Wheat Hodges; Accompanists, Helen Macey and Martha Farmer; Publicity for ARROW, Dona Schmidt Kendall; Publicity for Newspapers, Betty Richards Ralston.

That we extend our gratitude and praise to those who have given us a record of this session through the *Convention Daily*: Ruth Wilson Cogshall, Editor; Elsa Hendrickson Davison, Assistant Editor; and Isabel Mulholland Cramer, Business Manager.

To Gertrude Thielan Whatley, we give our thanks for the distribution of alumnae convention allotments.

To those whose messages of greeting and good will added to our joy, we proffer our grateful appreciation.

We resolve also to express to Dr. G. Herbert Smith, Beta Theta Pi and President of Willamette University, our appreciation for his excellent message to Pi Beta Phi.

To Anna Clyde Vinzant, Parliamentarian, and Vesta Wine, stenotypist, our assurance that their professional assistance has added immeasurably to the efficiency of our meeting.

That we thank Mr. W. M. Moloney for our transportation arrangements, including the Special Train which did so much to begin the fun of getting acquainted.

Finally to the Huntington-Sheraton Hotel in Pasadena, California; to Mr. Steven W. Royce, general manager, to Mr. Vincent T. Burns, resident manager, Miss Peggy Beatty, and to the capable and courteous staff we present our compliments at the pleasant conclusion of our third Huntington Convention.

Following the acceptance of the report of the Credentials Committee, Mu Province Vice-President moved that Elizabeth Summerwill Koza be seated as the delegate from Iowa City, Iowa. Motion seconded and carried.

The Grand Vice-President announced that the Official Order of Business for the Alumnae Session would be:

- Reports of National Officers
- Reports of National Committees
- Recommendations of the Grand Council
- Recommendations of the Province Vice-Presidents
- Recommendations contained in Reports
- Election of Officers
- New Business

The Grand Vice-President announced that the Special Order of Business on Tuesday, June 26, from 9 a.m. to 12:00 Noon, a joint meeting with required attendance of active delegates, would be the Report of the Director of Central Office, and reports of Committees on the following projects: Centennial Fund, Canadian Project, Emma Harper Turner Memorial Fund, Holt House, and Settlement School.

The Grand Vice-President announced that the Special Order of Business for Wednesday, June 27, 9 a.m. to 12:00 Noon, and Thursday, June 28, 2:30 p.m. to 5:30 p.m. would be Alumnae Workshops. Workshop groups and their leaders were announced as follows:

Clubs with chapters:

- With membership under 30: Alpha PVP, Clara Dell Haggemann, and Eta PVP, Nancy Howard Breeding
- With membership 30-70: Zeta PVP, Jane Wyrick Hettich, and Delta PVP, Marie Tunstall Lingo
- With membership 70-130: Mu PVP, Dorothy Weaver Morgan, and Nu PVP, Ruth Sundell Orr

Clubs without chapters:

- With membership under 30: Beta PVP, Anne Logan Heflin, and Epsilon PVP, Leola McKinley Koch
- With membership 30-70: Theta PVP, Lois Overstreet Summers, and Gamma PVP, Velva DeMoss Shortz
- With membership 70-130: Lambda PVP, Betty Rowton Holt, and Xi PVP, Meryl Doherty Allison

All clubs with membership of 130 or over: Omicron PVP, Kathryn King Ross, and Pi PVP, Evelyn Peters Kyle. Sally Wild Gordon, Convention Guide, announced the places where the workshops would be held.

The Grand Vice-President announced that the Special Order of Business on Thursday, June 28, 11 a.m. to 12:00 Noon would be election of officers.

The Grand Vice-President said that if there were no objections, the minutes of the meetings of the Alumnae Session would not be read, but would be approved by the Grand Council and printed in the Fall issue of the ARROW. There were no objections.

The Chairman of the Nominating Committee, Gamma Province President, Josephine Ryan Hopkins, was introduced. The other members of the Nominating Committee for the Alumnae Session were announced: the delegates from Eastern Maine, Helen McElravy Buzzell; Pittsburgh, Pennsylvania, Dorothy Diggins Wiggins; Muncie, Indiana, Sally Bosman Schneiter; and Edmonton, Alberta, Canada, Ruth Shipley.

Gamma Province President moved that the custom of distributing suggestion slips for nominations in the Alumnae Session be dispensed with. Motion seconded and carried. Iota Province President stated that any person desiring to make suggestions for nominations could do so by putting a note in the mail box of the Chairman of the Nominating Committee.

The Committee on Nomination of clubs from which

members of the Holt House Committee will be chosen was announced: Norman, Oklahoma, Winifred Robertson Marrs, Chairman; Seattle, Washington, Catherine Franzen Wiedemann; and Jacksonville, Florida, Bessie G. Conley.

e. To forward to the Central Office and the Province Vice-President, by May 20, on forms provided by the Central Office, a list of incoming officers.

Section 7. Duties of the Alumnae Club Treasurer. The duties of the Alumnae Club Treasurer shall be:

a. To have charge of the club's treasury and to conduct all business as ordered promptly.

b. To send national alumnae dues to the Province Vice-President on November 15 and additional dues not later than April 15.

c. To issue all membership cards.

d. To send to the Province Vice-President all club contributions for national projects.

e. To have her Treasurer's books audited at the close of the club's fiscal year.

f. To secure from the office of the local Collector of Internal Revenue, Form 990, and file within five months following the close of the annual accounting period."

Everett, Washington Club moved that Article II, Section 7, d. be amended to read:

"d. To send to the Province Vice-Presidents a separate check for club contributions for each of the national projects." Motion seconded and carried.

Nu Province Vice-President moved that Article II, Section 6, d. be amended to read:

"d. To prepare a typewritten alumnae club letter following the instructions in the Corresponding Secretary's manual and send same to the Alumnae Club Editor according to the calendar in the ARROW." Seconded and carried.

North Shore moved that Article II, Section I, be amended by adding a new section, "f" to read: "f. Such other officers as deemed necessary." Seconded and carried.

The motion to amend the Statutes by adding a new Article II, as amended, was carried.

The Director of Extension moved the adoption of the following Grand Council recommendations: That, Statutes, Part III, Article I, Section 2, e, be amended by striking out "e" and inserting a new "e" to read:

"e. Maintain contact through either correspondence or attendance at meetings with an active chapter, if so situated geographically that such action is practicable."

Motion seconded and carried.

That, Statutes, Part III, Article I, Section 2 be amended by striking out "f" and inserting a new "f" to read:

"f. Elect two members for the Alumnae Advisory Committee if so situated geographically that such action is required."

Motion seconded and carried.

That, Statutes, Part III, Article I, Section 2 be amended by striking out "h, i, j, k, l" and inserting new sections as follows:

"h. Have complete official files including up-to-date copies of the Fraternity Constitution and Statutes for the club president and the Chairman of the Alumnae Advisory Committee.

i. Send annually to the Central Office a corrected list of resident alumnae.

j. Provide annual audit of club treasurer's books.

k. Elect all officers by ballot vote. A majority of all members present shall elect."

Motion seconded and carried.

"That, an interim workshop meeting of Grand Council and the Province Presidents and Province Vice-Presidents be authorized for the summer of 1957."

Motion seconded and carried.

Pi Province President announced that a breakfast for all Phi Kappa Phis, as well as Phi Beta Kappas, would be held at 7 a.m. Tuesday, and asked all eligible to attend.

Beta Province President moved that the meeting be adjourned. Meeting adjourned at 12:00 Noon.

ALUMNAE SESSION—SECOND BUSINESS MEETING

The second meeting of the Alumnae Session of the 40th Convention of Pi Beta Phi, which was a joint meeting with required attendance by active chapter delegates, was called to order by the Grand Vice-President at 9:00 a.m., Tuesday, June 26, 1956.

The Convention Guide announced that the Convention picture would be taken at noon.

Pages for the day were daughters of national officers, honored by the Grand Council: Jean Van Buren, California Delta, daughter of Mary Van Buren, member of the National Board of Trustee Funds; Susan Flint, Indiana Delta, daughter of Dortha W. Flint, National Supervisor of Chapter Accounting; and Carolyn Green, Indiana Gamma, daughter of Virginia B. Green, Chairman of the Settlement School Committee.

The Chairman of the Credentials Committee reported that no further credentials had been received, and that the Credentials Committee recommended that Helene Higgins Bauer, Convention Initiate, be seated. The recommendation was adopted. The Chairman of the Credentials Committee reported that the voting personnel of the meeting was 194.

The Special Order of Business, the Report of the Director of Central Office and the Reports of National Committees, was then in order.

The Director of Central Office, Janet Patton, gave her report by means of slides and commentary.

Before the report on Holt House was given, the Grand Vice-President asked the delegates from the following clubs to come forward: Kansas City, Missouri; St. Louis, Missouri; Monmouth, Illinois; North Shore, Illinois; Pittsburgh-South Hills, Pennsylvania; and Northern New Jersey. These clubs made the largest contributions to Holt House during 1955-56. The Grand Vice-President asked the delegates from the three chapters making the highest contributions to Holt House to stand: Texas Alpha, Louisiana Alpha, and Oklahoma Alpha.

The Chairman of the Holt House Committee, Maurine Firestone Cook, accompanied her report with slides of Holt House and a skit.

The report of the Centennial Fund Committee was given by the Treasurer of the Committee, Elizabeth Johnson. Clubs making the highest contributions were Pasadena, California; Kansas City, Missouri; and Northern New Jersey. Chapters making the highest contributions were Texas Beta, Arizona Alpha, and Ohio Beta.

The report of the Canadian Project was given by the Edmonton delegate, Ruth Shipley. Clubs and chapters making the largest contributions were Toronto, Ontario; Montreal, Quebec; Winnipeg, Manitoba; London, Ontario;

Manitoba Alpha; and Ontario Alpha.

The report of the Emma Harper Turner Memorial Fund was given by the Chairman of the Committee, Lillian Farrington McNaught. Clubs making the highest donations to this fund were Kansas City, Missouri; St. Louis, Missouri; Berkeley, California; and Springfield, Illinois.

The Grand Vice-President announced that clubs making the largest contributions to the Settlement School were St. Louis, Missouri; Northern New Jersey; and Champaign-Urbana, Illinois. Chapters making the highest contributions were Texas Gamma, Missouri Beta, and Texas Alpha.

The report of the Settlement School was given by the

Chairman of the Settlement School Committee, Virginia Brackett Green.

The Chairman of Distribution of Alumnae Convention Fund Allotments, Gertrude Whatley, explained the method of distribution of checks to club delegates.

Announcements regarding the Convention picture were made by the Convention Guide.

The Grand Vice-President announced that since Workshops were the Special Order of Business on Wednesday that the next business meeting of the Alumnae Session would be held at 11:00 a.m., Thursday, June 28, 1956.

Meeting adjourned at 12:00 Noon.

ALUMNAE SESSION—THIRD BUSINESS MEETING

The third meeting of the Alumnae Session of the 40th Biennial Convention was called to order by the Grand Vice-President at 11:00 a.m., Thursday, June 28, 1956.

The Chairman of the Credentials Committee reported that no further credentials had been received and that the voting personnel of the meeting was 194.

The Special Order of Business for the day was the election of officers.

The Grand Vice-President announced the Tellers Committee: Arlington-Alexandria, Virginia, Lois Klein Brock, Chairman; and delegates from Albany, New York; Detroit, Michigan; Avon, Illinois; Fayetteville, Arkansas; Sioux City, Iowa; and Pueblo, Colorado.

Nu Province Vice-President moved that the alternate delegate from Houston, Texas, Lois Agnor, be seated. Motion seconded and carried.

The Chairman of the Nominating Committee, Gamma Province President, gave the following report:

Grand Vice-President—Alice Weber Mansfield
Director of Extension—Ruth Williams Hansen

PROVINCE VICE-PRESIDENTS

Alpha—Helen McElravy Buzzell
Beta—Anne Logan Heflin
Gamma—Helen Boucher Dix
Delta—Marie Tunstall Lingo
Epsilon—Leola Royce McKinley Koch
Zeta—Lena Pavey Morrow
Eta—Nancy Howard Breeding
Theta—Lois Overstreet Summers
Iota—Betty Phares Shelton
Kappa—Shirley Bradshaw
Lambda—Betty Rowton Holt
Mu—Dorothy Weaver Morgan
Nu—Ruth Sundell Orr
Xi—Evelyn Lowman Darby
Omicron—Kathryn Mattes Laing
Pi—Evelyn Peters Kyle

The Grand Vice-President called for nominations from the floor. Seattle delegate nominated Sarahjane Paulsen Vanasse for Omicron Province Vice-President. There being no further nominations, the Chair declared the nominations closed.

Instructions were given for balloting.

The Grand Vice-President announced that the votes would be given by the tellers to the Parliamentarian, and that they would be counted and results announced at the next meeting.

Announcements regarding time and place of alumnae workshops were made by the Convention Guide.

The report of the Nominating Committee for clubs to serve on the Holt House Committee was given by the Norman, Oklahoma delegate, as Chairman of the Committee: Galesburg, Illinois and Fort Wayne, Indiana. Norman delegate moved the adoption of the report. Motion seconded and carried.

The report of the Nominating Committee for clubs from which members of the Centennial Fund Committee will be chosen for a six year term was given by the State College, Pennsylvania delegate, as Chairman of the Committee: Salt Lake City, Utah and Champaign-Urbana, Illinois. State College delegate moved the adoption of this report. Motion seconded and carried.

The next Order of Business was Recommendations of the Province Vice-Presidents. The Director of Extension read the following recommendation of the Province Vice-Presidents and moved its adoption: "That \$200.00 be allocated from the Alumnae Fund to the Centennial Fund for running expenses for the next biennium." Motion adopted.

Marin County delegate announced that a "wishing well" had been set up at the entrance to the dining room to collect a fund for a sterilizer for the Health Center at Settlement School.

Beta Province Vice-President moved to adjourn. Meeting adjourned at 11:48 a.m.

ALUMNAE SESSION—FOURTH BUSINESS MEETING

The fourth meeting of the Alumnae Session of the 40th Biennial Convention was called to order by the Grand Vice-President at 9 a.m., Friday, June 29, 1956.

Following announcements by the Convention Guide, pages for the day were introduced: Jeanne S. Clark, New York Alpha, honored by the Grand Vice-President; Marilyn McCready, Kansas Beta, honored by the Director of Rushing and Pledge Training; and Phyllis MacAlexander, Idaho Alpha, honored by the Director of Extension.

Athens, Ohio delegate moved that in order to expedite business, the complete report of the tellers be filed, that it not be read to the Assembly, and that the Chair declare the results. Seconded and carried.

The Arlington-Alexandria delegate, Lois Klein Brock, as Chairman of the Tellers Committee gave the report of that committee. The Grand Vice-President declared that

the following were the duly elected officers of the Alumnae Department for 1956-1958:

Grand Vice-President—Alice Weber Mansfield
Director of Extension—Ruth Williams Hansen
Alpha Province Vice-President—Helen McElravy Buzzell
Beta Province Vice-President—Anne Logan Heflin
Gamma Province Vice-President—Helen Boucher Dix
Delta Province Vice-President—Marie Tunstall Lingo
Epsilon Province Vice-President—Leola Royce McKinley Koch
Zeta Province Vice-President—Lena Pavey Morrow
Eta Province Vice-President—Nancy Howard Breeding
Theta Province Vice-President—Lois Overstreet Summers
Iota Province Vice-President—Betty Phares Shelton
Kappa Province Vice-President—Shirley Bradshaw
Lambda Province Vice-President—Betty Rowton Holt
Mu Province Vice-President—Dorothy Weaver Morgan
Nu Province Vice-President—Ruth Sundell Orr
Xi Province Vice-President—Evelyn Lowman Darby
Omicron Province Vice-President—Sarahjane Paulsen Vanasse
Pi Province Vice-President—Evelyn Peters Kyle

The next order of business was New Business.

The Director of Extension read the following recommendation of the Grand Council and moved its adoption: "That the Alumnae Session recommend to the Regular Session the adoption of the following amendment to the Statutes:

"That, Statutes, Part IV, General, Article I, Section I, be amended and apply to all action taken at the 1956 Convention by adding a new paragraph 'a' to read:

"a. Part III shall require a $\frac{3}{4}$ vote of the Alumnae Session only."

The recommendation was adopted.

The Boston delegate, upon request of the Boston Alumnae Club, moved that Grand Council consider as the site for the 1958 Convention the New Ocean House in Swampscott, Massachusetts. Motion seconded and carried.

The Delta Province Vice-President, by direction of the Delta Province delegates to the 40th Biennial Convention, moved that "Pi Beta Phi reaffirm the resolution passed at the 38th Biennial Pi Beta Phi Convention 'To go on record as working for an informed and useful citizenship,' be further amplified with programs on the rights and privileges of American citizenship guaranteed by the

three great documents: the Bill of Rights, the Declaration of Independence, and the Constitution." Motion seconded and carried.

The Grand Vice-President announced that the Chairman of the Nominating Committee for the 1958 Convention would be the Zeta Province President.

Announcements were made by the *Convention Guide* regarding transportation and check-out time.

Marin County delegate announced that the "wishing well" for the Settlement School had received \$80.00. The delegate from Jackson, Michigan, Luella Martin Speakman, announced that she would like to contribute, in memory of the founders of Vermont Alpha, the additional \$20.00 needed to buy the sterilizer.

Edmonton delegate, Ruth Shipley, said that for all the Canadians, she wished to thank the American Pi Beta Phi for their wonderful hospitality.

Following the closing Ritual, the Epsilon Province Vice-President moved that the meeting be adjourned. Motion carried. The meeting was adjourned at 9:45 a.m.

RUTH WILLIAMS HANSEN
Director of Extension
Secretary for the Alumnae Session

Do you know that . . .

Total attendance at the recent Convention was 1318, counting both full registrations and those for part time only?

Out of the present count of 267 alumnae clubs, 146 were represented by delegates at Convention?

Pi Province was represented by a delegate from each one of its 31 clubs?

The ARROW for 1956-57 will go to more than 49,000 subscribers?

The Pi Beta Phi Magazine Agency for the past year showed gross commissions of \$11,917.98?

The Craft Workshop the past summer at the Settlement School was very successful, with 24 states represented in its attendance?

For 1956-57 pledges to active chapters numbered 2512; of these 2082 were initiated?

Two new chapters were established by Convention, Texas Delta at Texas Christian University at Fort Worth, and Alabama Gamma, at Alabama Polytechnic Institute at Auburn?

The Canadian Project, providing loans for students in the field of Social Service, has received to date \$5,000?

The Centennial Fund, planned to honor the Founders on the 100th anniversary of Pi Beta Phi, reported receipts to June 1 of \$8,926.38?

Annual Reports of the National Officers

MESSAGE OF THE GRAND PRESIDENT

To Pi Beta Phi:

Today we are assembled as Pi Beta Phi's 40th biennial convention. From our vantage point we can look back over eighty-nine years to that first convention of the fraternity held in the summer of 1867 at Oquawka, Illinois, in the home of Fannie Thomson. It was sixteen years ago, in this very hall that the Fraternity was privileged for the last time to have one of its Founders, Fannie Whitenack Libbey, in attendance at convention. At that first convention, as at all others which have followed, plans were made for the future of the Fraternity. Each fall many of our chapters hold "goal-setting" meetings to chart the course for the year. In the larger sense we must make plans during these next few days for the future of Pi Beta Phi.

In Holland on the monumental tower marking the point where the last opening in the barrier dyke was closed, is the inscription "A nation that lives builds for its future." Similarly, if Pi Beta Phi is to live, and to continue to be a leader among fraternities for women, it must build for its future.

One cannot build for the future without taking stock of the past and the present. Gerald Herton Bath speaking at Stetson University said, "History is like a surveyor's transit. Unless we use it frequently to look back and get our bearing, it will not be of much help to us in running a straight line ahead." To get our bearings we would give you a look at the year immediately past.

Just twelve months ago new province boundaries were created and new officers appointed to preside over them. This convention sees for the first time four new province designations. This has meant that each province officer could devote more time to her chapters and clubs with a resulting increase in efficiency, and closer relationships between them and her. We feel fortunate to be able to report that no changes in personnel have been necessitated, and that those same officers appointed a year ago are in attendance. To each of them, and to all other national officers and committee members we express our sincere gratitude for their wonderful cooperation, and for their loyalty and service to the fraternity.

If we would measure our accomplishments using as a yardstick our objectives—personal development, mind culture, social service, and true friendship—we would find that we have reason to be proud of our record.

In annual reports received from Deans of Women each reports favorably the fact that the chapter on her campus is successfully developing qualities of leadership among its members. It would seem a worthy goal to make it possible for each Dean to say of her Pi Beta Phi chapter what one reported, "They seem very aware of each individual member and are striving to have a program that develops each one." This consideration for the individual has many facets. It is concerned not only with developing talents in leadership, but also personal qualities of character. The ideals of the fraternity are in themselves something to strive for, and the ceremonies of the fraternity beautifully conducted can help to make those ideals a personal part of every member's life. We have been concerned that more emphasis has not been placed upon social training in the chapters. Campus administrators share this concern. It was also expressed in a resolution adopted at the November meeting of the National Panhellenic Conference, "That the National Panhellenic Conference re-emphasize its interest in social standards." We suggest that as a goal for the coming year we do our part towards making that resolution a reality, that we re-emphasize our interest in good social standards by giving training in the

small things as well as the larger ones, and that we think twice before participating in some chapter or campus event which might tend to reflect discredit upon ourselves or the campus.

We take pride in the number of chapters standing first in comparative scholarship ratings, and in the number of those in the upper third. Thomas Carlyle said "That there should one man die ignorant who had capacity for knowledge, this I call tragedy." Our tragedy rests with those chapters which have not recognized their own capacity for knowledge and are lowest or nearly so on their campuses. In our scholarship programs special emphasis has been placed in giving assistance to those chapters by appointing a special assistant to the National Scholarship Chairman whose duty it is to work especially with them. The wisdom of this policy is evidenced by the splendid gains which those chapters have made. We are confident that a real desire for improvement exists within all chapters and commend them for their desire to fulfill the main reason for being in an institution of higher learning.

Our Harriet Rutherford Johnstone Scholarships continue to be an important part of the fraternity's program for encouraging worthy students to continue their education. It is of interest that three members who held these scholarships this past year are in attendance at this convention. Winners for the coming year will be announced at the banquet. Our Pi Beta Phi Fellowship for the coming year was awarded to Glenna Berry, Nebraska Beta, who expects to do her graduate work in the field of Spanish at a university in South America.

The highest of distinctions is service to others. Pi Beta Phi, beginning with our Founders, thought not of themselves alone. Chapters and clubs expend thousands of dollars, and thousands of work hours in doing for others each year. Not the least part of this effort is directed toward carrying on that plan adopted by the fraternity in 1910, that of establishing a Settlement School in the mountain area in order to fulfill the need of the people for education and thereby "opening the door of opportunity to Pi Beta Phi to become a pioneer among women's fraternities in one of the great altruistic movements of the present day." How well that plan has been executed was realized this spring at the annual meeting of the Settlement School Committee when Marion Heard, our 1954 Convention initiate remarked "You have built a town." One can fully see the development and growth of that town first after a visit to the Museum at Hometown Valley where pictures of the people are displayed and of the buildings of "The Burg" in those early days, and then a stroll down the main street of the town. The early education of the young people of our first days in Gatlinburg and since has made it possible for those same people to be today the owners of shops, hotels and motels. Our health program has helped to make them sturdier people, and our craft program has furnished them an opportunity for a livelihood.

Our other projects—Holt House, the Emma Harper Turner Fund, our Canadian Project Fund, and undoubtedly our Centennial Fund are all further evidence of the unselfishness of all Pi Beta Phis.

That final objective, true friendship, is actually the first and is in reality the very basis of the entire fraternity system. Members are selected for character and congeniality. Each year over 2000 new members are added to the already over 60,000 who wear the arrow, our badge of friendship. As they, and other actives and alumnae move about in our country, or abroad, they may find a circle of friends of like interest and like background who will be their new associates in that community. This very fact

places a burden of responsibility upon each chapter to choose its members on a basis of acceptability so that all other Pi Beta Phis may truly offer them the fellowship, interest, and loyalty pledged to them upon their initiation.

It is a matter of concern to all fraternities that efforts are being made on some campuses today to control the basis upon which these choices of membership may be made. Attention was focused this spring upon the University of Colorado. A proposal was made concerning fraternities which would mean the abandonment of the system by which national fraternities have maintained their homogeneous memberships through the years. This recommendation was not adopted by the Board of Regents, but in its place another resolution was voted, the end result of which would be that by 1962 fraternities on that campus would be denied the fundamental right guaranteed to all citizens of the United States in the federal constitution of choosing friends upon whatever basis they might wish.

The widespread publicity given this action at Colorado has meant that as officers of all fraternities visited with their chapters and clubs they were asked about it. Perhaps the best interpretation of what is involved is to be found in a recent editorial in *Banta's Greek Exchange*, and we would quote it for you now.

"The action of the Regents of the University of Colorado may well point the way for others in the campaign to destroy the college fraternity as it was originally conceived and as most of us have known it. The people behind the movement are taking advantage of a situation with much wider ramification, but they are apparently succeeding where others in generations past have failed. Fraternities have long been the target of reformers but they have withstood almost constant attack because of what they were and what they have done. The first assailants of fraternities opposed them because of their 'secrecy.' No one hears much about that now. Then they were assailed because they were undemocratic, political, and hot beds of evil. None of these arguments stood up when they were finally sifted and considered intelligently.

"The fraternity which the present day 'reformers' wish to change or destroy is not the fraternity which that group of kindred spirits organized when they gathered around the table in the Apollo Room in the Raleigh Tavern in Williamsburg in 1776. These people think of the fraternity as a college public service institution. If it were that then it is conceivable that they would at least be within their rights in specifying who is to be eligible for membership.

"This conception of public responsibility stems from the fact that in the last fifty or sixty years the fraternities assumed an important position in student housing. That was merely an unplanned by-product and took place because no one else met the need for proper dormitory facilities. The fraternities who rented or bought the first chapter houses had no thought of surrendering their right to invite as members their intimate associates and friends on any basis they chose to fix. Fraternities naturally became adjuncts to the personnel departments of the colleges and gave assistance to the Deans in personnel problems. Their very strength and their ability to do this effectively came from the fact that they were a self selected body with the general idea of 'all for one and one for all.'

"What the present day 'reformers' have in mind should be thoroughly understood now. They not only wish to make every student on a campus eligible for every organization on it, but they want to divorce the chapters or local groups from any national or international affiliation they may have. In other words they want to make each transient local undergraduate group a law unto itself. They would force them to break vows they have made and defy alumni and others who recognize some obligation to an organized society of college people operating in other institutions. And make no mistake about it, the people behind this movement are not going to stop at this. If the members of the groups they profess to befriend are not taken by

fraternity chapters voluntarily, they will be doled out to the various chapters on the theory that they are duty bound to affiliate them.

"The Regents of the University of Colorado have issued an ultimatum and set a date. The fraternities which do not meet their requirements will expire on the Colorado campus. Those who are honest about it will lose their chapters first; those who follow the letter of the prohibition but not the spirit will follow, as their records will be kept and they will be forced to do the university's bidding or else. There will be those who either agree with the position of the university or who are willing to accept it to stay alive. Right or wrong, these are not fraternities whose religious background is important or whose ideas of membership followed the basic principle of the American Greek letter college society.

"We repeat what we have said many times before, if the ideas of these 'reformers' prevail, citizens of American colleges will have lost one of the basic rights given us under our form of government. Only totalitarian governments have, up to this time, ordered the social life of their citizens."

That events of this sort have been a growing concern is evidenced by the fact that our Honorary Grand President, Amy Burnham Onken, in her message to the 1950 Convention as Grand President, cautioned Pi Beta Phis that they dare not shut their eyes to the fact that Communism has declared its intention of taking over America by way of the college campuses on which it is playing upon the idealism of college students. She said, in part: "On some campuses, newspaper propaganda aimed at active chapter members has urged them to ignore their national officers, fraternity regulations, and National Panhellenic Conference rulings, saying that they should make decisions on the basis of local opinion and preferences only. Loyalty to oneself as well as to one's fraternity demands that undergraduate fraternity members make it very clear that they realize that with their privilege of national affiliation came national obligations which they assumed voluntarily and both wish and expect to honor. A campus on which all decisions are made solely upon the basis of local sentiment should offer local affiliations only since its students are not yet ready for broad responsibilities and privileges such as those of national fraternity membership."

Your Grand President is grateful for the opportunity and privilege of visiting personally with many Pi Beta Phis during the year. These visits gave her assurance of the loyalty of alumnae and actives to the ideals of the fraternity, and of their perseverance in working to maintain the good name of Pi Beta Phi. During the year we participated in the mortgage burning ceremony at West Virginia Alpha, and spoke at the final banquet held on the University of Nebraska campus by its College Panhellenic. We visited chapters in Florida, Georgia and Alabama as well as Indiana Alpha, Beta, and Zeta. While in Tuscaloosa we spoke at the opening meeting of the Southeastern Regional Panhellenic Conference. We attended State Day in Oklahoma, the annual meeting of the National Association of Women Deans and Counsellors, the annual meeting of the Interfraternity Research and Advisory Committee, which is composed of representatives from the National Panhellenic Conference, the Professional Panhellenic Association, the National Interfraternity Council, the Professional Interfraternity Council, and the National Conference of College Fraternities and Societies.

During the course of our travels we had the added pleasure of visiting with alumnae clubs in De Land and Orlando-Winter Park, Florida; Birmingham, Alabama; Atlanta, Georgia; and Indianapolis, Muncie, and Franklin, Indiana.

Of special fraternity inspiration was the experience of assisting in the colonization of Pi Phi Delta on the Texas Christian University campus. The final fraternity contact of the year was the privilege of attending the dedication of New York Delta's new chapter house.

As Pi Beta Phi's National Panhellenic Conference Delegate we attended the biennial meeting of the Conference held in November at White Sulphur Springs, West Virginia. This brought to a conclusion our service during the past two years as Chairman of the National Panhellenic Conference Education Committee, and as a member of the Citizenship Committee. During the Conference we served as Chairman of the Resolutions Committee which has the responsibility for presenting all business resolutions to the Conference. For the coming biennium we are serving as Chairman of the Committee on Housing, as a member of the Research and Public Relations Committee, and

as one of NPC's representatives to IRAC.

As we anticipate the days ahead which we are to share here in California one cannot help recalling the words of Oliver Wendell Holmes. He said: "I find the real things in the world is not so much where we stand as in what direction we are moving." It will matter little where we stand in 1956. But it does matter in what direction we will move. Let us work together now and during the years ahead to make Pi Beta Phi not only a great fraternity, but a good fraternity, worthy of the best hopes and aspirations of our Founders.

MARIANNE REID WILD, *Grand President*

MESSAGE OF THE GRAND VICE-PRESIDENT

In retrospect the two years between conventions passed very quickly. They have been good years and it is a pleasure to relive them in memory, for any disappointments and failures have been more than offset by successes and gains as our Alumnae Department continues its steady progress and development.

The Alumnae Department of Pi Beta Phi began as the Alumnae Association that was organized on the evening of July 18, 1893 by the alumnae members of the Convention held that year in the Isabella House in Chicago. It was the first organization of its kind to be formed by any national women's Greek letter fraternity, and a forward step, destined to have far reaching results in the Greek letter world. Emma Harper Turner and other devoted members of the fraternity had been urging this step for several years for its advantages were obvious. The interest of the older members in the fraternity would give it a dignity it could never have as a mere college society, and would serve as a good influence on the undergraduates. Several articles had appeared in the *ARROW*, and one by Anna E. Ross of Des Moines stated the case in words as applicable to-day as they were in the late 1880s. She said:

"If a sister imagines that upon graduation she has discharged the last duty she owes Pi Beta Phi and her sisters, that from that time onward her path is to be this way, the chapter's that, and that her relations to the chapter are a memory only, she has failed to understand the true meaning of fraternity. If to the chapter she gives nothing, she can expect nothing in return. The vows we made were not for a day, nor yet for a year, but for all time, and we are just as much Pi Phis to-day as we were when we were active members of a chapter. Our work is different; that is all. We served then an apprenticeship, now we have in life's great work to live the principles we have sworn to uphold and defend."

To-day in 267 clubs some 12,146 alumnae are proving that they do indeed understand the true meaning of fraternity. The national projects, The Settlement School, the Emma Harper Turner Fund, and Holt House are loyally supported, as may be seen in the financial reports of the project committees. In addition the clubs give generously to active chapters, the Harriet Rutherford Johnstone Scholarship Fund, and in the two years since the 1954 Miami Convention individual alumnae in the clubs and many isolated ones have made donations to the Centennial Fund. In 1952 the Canadian Pi Phis set up the Canadian Project, a Loan Fund for students in the field of Social Work, to which the Canadian clubs have made generous contributions. A list of these donations may be seen on the charts prepared by the Province Vice-Presidents which appear in this issue of the *ARROW*. They add up to rather substantial totals, and when these totals are further added to the contributions made by clubs in their own communities the figures are truly impressive.

But impressive as the figures are and wonderful, because in them we have the proof of our accomplishments through the years, the fascinating part of the alumnae

"story," to this officer anyway, is the means by which these figures were effected. For there is to be found the story of congenial friends working together and enjoying each other. Our fraternity system develops leaders, and these leaders form clubs and inspire others to work with them. The Grand Vice-President, serving the alumnae as their secretary, is a sort of co-ordinator of the work done by the clubs. From a study of the questionnaires sent in by the club presidents, and from the monthly reports of the Province Vice-Presidents, she is in a position to know the whole picture of alumnae activity, and to appreciate the ingenuity and effort that produce successful results.

The alumnae of Pi Beta Phi have learned that the best way to increase club membership is through personal contact. Accordingly the Membership Chairmen have set up telephone committees, arranged car pools, and have planned parties for newcomers, and have done these things not only at the beginning of the club year, but have kept at their work from month to month. While unfortunately there are some Pi Phis who are disinterested, there are many others who are delighted to be contacted, and make strong, hard working club members when they realize how welcome they are and how much their support is needed. While we are still far short of the 100% paid alumnae membership that is our goal, our membership has increased 923 for the year and we look ahead with hope for even a greater increase next year.

191 club yearbooks found their way to the desk of the Grand Vice-President this year, more than she has ever before received. These books vary in size and make-up, but not in their usefulness to the club officers and members to whom they are invaluable. The club programs, described in them, vary as greatly as the books themselves. Having read the books, it has been most interesting to read the year end reports of the Program Chairmen, for apparently they have planned programs to sustain the interest of the members and assure good attendance at meetings. With the help of the Province Vice-Presidents, a list of novel and ingenious ideas for programs has been compiled, which will be used in the Alumnae Workshops at this convention, and will be sent to all clubs in the Fall Mailing. Some Program Chairmen were so kind as to include actual programs in their entirety, and all of these that may be adapted for use by other clubs will be sent to clubs later in the year so that they may be kept in the club files for use when they are needed.

The necessity for raising money is ever present in the planning of our club officers. There are few if any, complaints about this for we have learned from years of experience that if an organization is to be strong, it must have some worthwhile purpose. The Settlement School, of which Pi Phis are so proud, was a tremendous stimulus to the development of the Alumnae Department. As one Golden Arrow Pi Phi remarked, "We talk a great deal about what we have done for the mountain people, but let us not forget what we have gained from them." It may be trite to say that one gets out of anything what one puts into it, but it is nevertheless true. Alumnae

clubs, whether large or small, have found that they profit, and that their clubs are strengthened from work on a rummage sale or bazaar, or some other project. Often club presidents are amazed and delighted at the co-operation they find among Pi Phis, for the fraternity system which develops leaders, also develops dependable members who follow through and finish anything they undertake to do. Working together we take the measure of each other, and as alumnae share the thrill of a successful project, they learn a mutual respect that strengthens the bonds of friendship as no merely social contact can. Many and varied are the projects of the alumnae clubs, and a list of these money making schemes has been compiled also, for use in the Alumnae Workshops and for the Fall Mailing.

Alumnae of Pi Beta Phi never lose interest in the active chapters. Clubs located near chapters have better opportunity to keep in touch, but club by club the others are "adopting" chapters or giving province awards, or in some other way, keeping up their contact with the actives. These efforts are much appreciated by the active members of the fraternity. This officer happened to be visiting a chapter at a time when a letter came from a distant club expressing a wish to send a gift if the girls in the chapter would let the clubs know its needs, and she wished she had a camera or some means of recording the pleasure expressed by the girls—pleasure that had nothing to do with the size of the gift—so that she might let that club know what a thrill the evidence of interest had given the actives. For actives are always grateful for the interest and help of the older members of the fraternity. Even during rush week, the girls are receptive to advice that is given with a sincere desire to help solve a problem. Mutual understanding and good active-alumnae relations are among our primary objectives, and it is fine to know that so many clubs are devoting effort to their realization.

Travel for the fraternity is a factor in the work of a member of Grand Council. In the course of a year each Council member visits 8 or 9 of the active chapters. In November the Grand Vice-President spent two days with each of the three New York chapters on her way to attend the meeting of the National Panhellenic Conference at the Greenbrier, at which she served as alternate for Pi Beta Phi. In February she was the guest of the Ohio Eta chapter for the chapter initiation, and the speaker at the initiation banquet. In March she visited the chapters in Pennsylvania and West Virginia, fitting in the trip with attendance at the meeting of the National Association of Deans of Women in Cincinnati. An added pleasure on this trip was the opportunity to attend meetings of the Pittsburgh, State College, and Cincinnati alumnae clubs. In April she was the guest of the Northern New Jersey club at its

Founders' Day luncheon, and arrived home in time for a similar celebration of the St. Louis club. These contacts with Pi Beta Phis, both active and alumnae are a source of pleasure and inspiration to an officer of the fraternity. From them she gains knowledge and understanding of problems that enable her to work more constructively for the development of the organization, and it is the consensus of opinion that Pi Beta Phi's set-up of officer visits is one of the reasons for its strength.

This year fifteen applicants for the Ruth Barrett Smith Scholarship sent in the necessary information and recommendations. The recipient of this scholarship is chosen by vote of the Counselor for Chapter House Corporations, the Director of Extension, and the Grand Vice-President. The winner will be announced at the Convention banquet.

Due to loss of members, one of our clubs, Tallahassee, Florida, felt it necessary to turn in its charter. It is our hope that in the near future this club will once more function as part of our organization for we are sad at losing it. On the bright side it is a pleasure to announce the formation of five new clubs this year, Siloam Springs, Arkansas; Bellevue, Washington; Milton Township, Illinois; Grayson County, Texas; Eastern Connecticut, and Stockton, California. The Gamma Province Vice-President brought with her to Convention an application from Hamilton, Ohio, so that our total number of Pi Beta Phi alumnae clubs is 267, fifteen having been added since the 1954 Convention.

The change from 13 to 16 provinces brought about by the redistricting was effected smoothly. Much credit for this is due to the fine work done by the Province Vice-Presidents and the splendid co-operation of the alumnae club officers and members. In spite of the fact that these are serious days for fraternities, it seems that on a basis of performance, and if we hold fast to the truths we know, and the fundamental traditions that are our heritage, we may face the future unafraid. In a recent *ARROW* there is an excerpt from the speech made by Dr. Kenneth McFarland at the National Panhellenic Conference meeting. Dr. McFarland took for his subject the spreading of one's light, and built up his theme by means of stories that illustrated his points. One story came from a tale told by the late Harry Lauder about the gas lamps and the lamp lighter in a little town in Scotland. Each day at dusk the lamplighter made his rounds spreading light through the little village. One did not always see him, but one knew where he had been for it was easy to follow the light he had created. Reviewing our history there is a similarity to that story. For wherever we find Pi Beta Phi alumnae clubs we find that by their good works they have spread the light of true fraternity spirit.

ALICE WEBER MANSFIELD

REPORT OF GRAND SECRETARY

It is a rewarding and satisfying experience to work with Pi Phis for Pi Beta Phi. Each year the fraternity expands and develops through increased membership and the continued strengthening of the fraternity program. Every member of Pi Beta Phi is a responsible part of this growth.

The Grand Secretary appreciates the co-operation and support of committee chairmen and chapter officers. The Standing Committee Chairmen have been diligent in offering fraternity programming that is effective.

Marie West Wever, Scholarship Chairman, has continued to analyze chapter scholarship needs and has efficiently submitted study guides to the active chapters. The scholarship program has included the valuable services of Clover Johnson. Clover has provided assistance programs for chapters maintaining low scholarship averages. Helen Lang Allan has been an effective counselor for Pi Beta Phi Canadian chapters.

Fraternity reviews are supplied by Betty Stovall King.

Betty is alert to chapter recommendations and incorporates suggestions in order to maintain current reviews. This condensed information makes for well informed fraternity members.

Fraternity music is the harmony of chapter planning. Dorothy Vale Kissinger has been a wonderful chairman; it is with regret that she concludes her service to the fraternity as Fraternity Music Chairman. Transfers have been guided and included in fraternity planning through the efforts of Margaret Strum Acheson. Chapters have been given instructions in developing programs so that there are mutual benefits through transfer-chapter planning.

Brochures compiled by the Social Exchange Chairman have enabled chapters to share and use effective programs. The social exchange program is a compilation of rush suggestions, theme parties, Founders' Day programs, homecoming plans.

The well being of our chapters and daily livability are

provided through the effective chaperon committee. Helen Moffett Russell is providing a chaperon program that offers guidance and security to chapters, chaperons, and Alumnae Advisory Committees.

The Advisory Committees of Pi Beta Phi are an integral part of chapter and fraternity planning. I appreciate the guidance and suggestions offered by these loyal Pi Phis.

It was my privilege to visit Tennessee Alpha, Tennessee Beta, Tennessee Gamma, Kentucky Alpha, Michigan Alpha, Michigan Beta, Michigan Gamma, Ontario Alpha, and Ontario Beta. It is with sincerity that I express pride in these chapters. These members of Pi Beta Phi are alert, mature, and eager to accept and develop good fraternity relations.

The experience of attending my first NPC meeting was educational and inspiring. Over 800,000 fraternity women were represented by the thirty-one active member delegates

and one associate member delegate. It is a challenge to plan for and provide adequate counselling for fraternities today. NPC leaders are alert, capable, and analytical.

It was a privilege to share in discussions and observe the needs and pressures of the era.

It was my pleasure to participate in the colonization program of Pi Phi Delta, Texas Christian University, Fort Worth, Texas. I have respect for the girls who chose membership in this Pi Phi colony. The enthusiasm and efficient planning of the Fort Worth Pi Phis are memorable. My sincere good wishes are extended to this group.

My duties as Grand Secretary of Pi Beta Phi have given me a greater insight into the loyalties and friendships of fraternity membership; it has been a rewarding year.

VIRGINIA VOORHEES SPEAKER, *Grand Secretary*

REPORT OF GRAND TREASURER

In addition to the duties directly connected with finance, the Grand Treasurer visited all the chapters in Iota Province, namely Illinois Alpha, Beta-Delta, Epsilon, Zeta, Eta, and Theta. She received a most royal welcome, and even the weather co-operated. It was a wonderful thrill to have a first visit at Holt House, the birthplace of Pi Beta Phi. While in Iota Province she had the pleasure of attending a meeting of the Chicago West Suburban Alumnae Club. Other clubs extended cordial invitations but unfortunately a heavy schedule and lack of time prevented acceptance.

After a brief stay at home she again started traveling, and visited Indiana Gamma, Delta, and Epsilon in Zeta Province. As before, a welcome beyond the "call of duty" was received. While in Indianapolis she had the pleasure of attending the joint meeting of the Indianapolis Alumnae Club with the actives of Indiana Gamma held at the chapter house on the Butler University Campus.

She attended the National Panhellenic Conference meeting at White Sulphur Springs, West Virginia. It was also her good fortune to attend the Oklahoma State Day meeting in Oklahoma City, and the Founders' Day dinner of the Dallas, Texas, Alumnae Club and Texas Beta Active Chapter. She also had her "first experience" in colonization when she went to the Texas Christian University campus at Fort Worth to help with the colonization of Pi Phi Delta. She had the pleasure of attending a Panhellenic

Conference held on the Louisiana State University campus at Baton Rouge, Louisiana where she was the guest speaker.

The business of Central Office has been checked each month with an audit made of receipts and disbursements; the Holt House Treasurer's books were audited, and there has been a great deal of correspondence about chapter house loans. Insurance premiums have been paid on officers, and all officers handling money have been bonded. Correspondence, as a member of Grand Council, has been carried on and letters to chapter treasurers written, and also to the parents of actives and pledges relating to fraternity finances. Mrs. Barry Whatley, of Denver, Colorado, was again appointed to determine the allotment to Alumnae Clubs from the Alumnae Convention Fund. Biennial deposits of monies received from the Treasurer of the Centennial Fund have been made and these funds are to be invested in Government Bonds while being held in trust.

The privilege of working for the Fraternity and with the wonderful Pi Phis who are its officers, affords me a feeling of deep humility and gratitude. My contacts with the active chapters have been a real joy. Much hard work has been involved, but is more than compensated for by the gratification of being a small part of a very wonderful organization.

OLIVIA SMITH MOORE, *Grand Treasurer*

REPORT OF GRAND TREASURER

Little Rock, Arkansas
August 10, 1956

Officers of the Grand Council
Mrs. Henry Moore, Jr., Grand Treasurer
Pi Beta Phi Fraternity
Texarkana, Texas

DEAR LADIES:

We have audited the books, records and supporting data of the Grand Treasurer of

PI BETA PHI FRATERNITY
JUNE 30, 1956

and submit our report in the following Exhibits.

Our audit was made in conformity with generally accepted accounting standards and accordingly included such verification of assets and exhaustive review of income and expense as we considered necessary in this instance.

In our opinion the financial position of the fraternity at June 30, 1956 is properly set forth in the balance sheet.

We wish to commend your group for the care and diligence evidenced in your handling of the fiscal affairs entrusted to you.

Very truly yours,
JOHN W. DORNBLASER,
Certified Public Accountant
Member American Institute of Accountants

The things that fraternities can do for their members are the important features that must be nourished and kept in the forefront. The collective striving for higher and better things, the close contacts in living together, the learning to get along with other people, the working together toward a common goal; those are the things that the fraternities try to give the individual the opportunity to do. And in the background is the altar, the image of which must never be allowed to grow dim. The lifelong friendships can not be measured by any social yardstick, they are friendships based upon confidence and understanding developed through living and working together.

There is nothing paradoxical or wrong in the desire of people to choose their own intimates and associates. There may have been a time when wealth and social position were recognized by some fraternities but any one who has been familiar with them in the past twenty-five years knows that it has played no part in their operation. In most cases, if a prospective member lacks the means to enjoy the privileges of fraternity, means are found to assist him to meet the moderate cost.

Banta's Greek Exchange

REPORT OF ARROW EDITOR

The year just closing has again seen the ARROW operating on an austerity program, with the smallest issues in many years. We have, however, given first place to Convention news and announcements, and have used as much other material as possible.

Again this year we have used active chapter letters three times, with the Summer issue carrying only a skeleton report of honors won and initiates. We have published alumnae club letters only once, in the Summer issue, and again we have felt that the letters were very satisfactory, giving an excellent résumé of the work of the clubs for the past year.

We have been forced to curtail the space given to our regular departments, much to our regret. The staff members have been patient with the reduced plan—it must have been annoying to find some of their material relegated to the position of mere fillers. We are sorry to have to announce a resignation from the ARROW Staff—Marjorie Brink has been chapter letter editor for a number of years, but now finds that the increasing demands of her regular job make it impossible for her to continue to work for the ARROW. We are grateful indeed for her fine service. Her place will be hard to fill.

The co-operation of the entire staff has again been a source of pride and pleasure.

As always, we are greatly indebted to Harold Bachmann of the George Banta Publishing Company, for his fine co-operation and constructive help.

A few statistics may be of interest to show the present importance of the ARROW. This year the magazine has gone to 49,000 subscribers—still surpassed only by some of the larger men's fraternity magazines, and far above that of any of the women's magazines. Since 1912 the ARROW has gone to all initiates into Pi Beta Phi, \$15.00 being deducted from each initiation fee in payment. This is far too little to cover the cost of the subscriptions.

We have long felt that this allotment should be in-

creased, to keep pace with the decreasing return from endowment funds, and the increasing costs of paper and labor. We have been fortunate in having had only a very small increase in paper costs this year, but with paper costs everywhere rising through scarcity of pulp supplies, a further increase appears possible for the coming year.

We feel that the magazine of any fraternity is of paramount value in holding membership interest, the one medium which goes into every Pi Phi home with news and personalities, with infinite possibilities of stimulating interest and loyalty. Unfortunately, we are now seeing something which was probably inevitable in proportion as material submitted for the ARROW was either not used or greatly cut in length. This year more than ever before, there has been a lessening of interest as evidenced in the fact that we have not received nearly as much material as in previous years. In other words, we are losing interest among Pi Phis. It seems to us essential that the size of the magazine be increased to give more scope for using articles of interest and more material about the fine doings of Pi Phi everywhere. Perhaps, some time we may have funds enough for that.

In the Fall the Editor was privileged to attend the Editors' Conference held at the same time as the meeting of National Panhellenic Conference at the Greenbrier, White Sulphur Springs, West Virginia, and on the same trip made chapter visits to Montana Alpha, Utah Alpha, and Wyoming Alpha. In the Spring she visited the three Colorado chapters, and was the guest of the San Francisco Area Council and the seven clubs in the Bay area at their Founders' Day luncheon at the St. Francis Hotel in San Francisco.

Even with all of our financial difficulties, it is a privilege to serve Pi Beta Phi and to watch the growth in both size and stature of our Fraternity.

ADÈLE TAYLOR ALFORD, ARROW Editor

REPORT OF DIRECTOR OF RUSHING AND PLEDGE TRAINING

A review of the work done during the year 1955-56 will show that the chapters of Pi Beta Phi have continued to plan and execute successful rushing periods, and have followed through with sound and thorough programs of pledge training. Since our pledges of today become the actives of tomorrow and the alumnae of the future, we can see that continued progress of the fraternity depends upon the quality of the girls pledged, and the way in which the pledge supervisors accept their responsibilities in guiding these girls in preparation for active membership.

During the summer, a letter was sent to all rush captains along with instructions concerning the handling of recommendations. The majority of rush captains sent in rush reports free from mistakes, which somewhat lessened the work of this officer. However, many letters and reminders had to be sent to the few whose reports were not complete, or were not correct. The checking of the rush reports sent in by the 101 chapters is time-consuming, but is important in making sure that all fraternity requirements have been met.

The request for rushing bulletins, summer letters of information to chapter members, and Panhellenic booklets, brought a flood of mail, and much interesting reading.

A letter was prepared for the pledge supervisors and was included in the fall mailing to chapters. The response to a request from this officer for a letter on October 30 was very poor, for only 42 letters were received by the due date or shortly thereafter, which leaves 59 chapters not reporting. A few pledge supervisors used their own initiative in carrying on correspondence which was not required. The number of initiates for the year was 2,082 as compared with 2,204 in 1954-55. The pledge lists sent to this officer and to the Central Office serve as a check on the reports

from the rush captains. This year we pledged 2,512 girls as compared with 2,503 of last year. Of that number, there were 74 girls who were repledged.

The usual letter of instructions was sent out to the State Rush Chairmen during the summer, and throughout the year contacts were maintained with those who wrote in asking for advice or assistance. The work of these chairmen continues to be outstanding in giving help to chapters desiring information on rushees coming from towns where there are no alumnae clubs, or where there is no known Pi Phi contact. The Fraternity appreciates their devoted service to Pi Beta Phi. During the past year, 53 girls were pledged on the basis of information furnished by the State Chairmen.

The Health Affidavits required from the chapters having employees who handle food, are received by this officer and kept on file. This involves 64 of our chapters, but this year only 54 affidavits were received.

In November, the members of Grand Council attended the biennial meeting of the National Panhellenic Conference at the Greenbrier Hotel in White Sulphur Springs, West Virginia. Our pride in Pi Beta Phi's place in the fraternity world was deepened as we listened to the reports and discussions, and talked with other fraternity officers. We were proud, too, of our Grand President, Marianne Reid Wild, who serves so capably as Pi Beta Phi's delegate to NPC.

In February, we enjoyed visits to Missouri Alpha and Beta chapters, and the Kansas City, St. Louis and Columbia, Missouri Alumnae Clubs. We participated in a Kansas State Rushing Workshop conducted by Kansas Alpha and Beta chapters, and alumnae in Wichita and Manhattan, Kansas.

We also participated in the colonization of Pi Phi Delta at Texas Christian University, and later in the year made an inspection visit to the campus of Alabama Polytechnic Institute at Auburn, Alabama. It was with deep regret, that it became necessary to cancel anticipated visits to the chapters of Gamma Province.

Again we are grateful for the opportunity to serve as an officer of Pi Beta Phi. Our sincere thanks go to the other members of Grand Council for their patience, understanding, and help at all times.

HELEN ANDERSON LEWIS

REPORT OF DIRECTOR OF EXTENSION

An interesting and stimulating year began with the Grand Council meeting and Province Officers' Workshop at Gatlinburg in June. Attending the biennial meeting of the National Panhellenic Conference at White Sulphur Springs, West Virginia was both interesting and educational, followed by the very special privilege of substituting for the Grand President as the official observer for NPC at the President's White House Conference on Education. A report of this Conference was submitted to all officers of NPC by the Director of Extension.

The usual duties of the Director of Extension have been carried out in the fields of active and alumnae extension, serving as contact member of the Grand Council with the Mothers' Clubs, and working with the chapter program chairmen and with the chapter treasurers in the matter of financial delinquencies.

It speaks well for the prestige and popularity of Pi Beta Phi and for the interest in extension among our own membership that during the biennium since the Miami Convention, inquiries of various kinds—from college administrators, local groups, and Pi Beta Phis—came to the Director of Extension concerning thirty different campuses. Twenty-one of these inquiries were received during 1955-56, eleven from college administrations and twelve from local groups, with Pi Beta Phis expressing interest in establishing new chapters on nine campuses. These inquiries were regarding the following campuses: Wake Forest College, Winston-Salem, N.C.; Marshall College, Huntington, W. Va.; University of Miami, Coral Gables, Fla.; Los Angeles State College, Los Angeles, Calif.; Rider College, Trenton, N.J.; Alabama Polytechnic Institute, Auburn, Ala.; Southeast Missouri State College, Cape Girardeau, Mo.; College of the Pacific, Stockton, Calif.; Lamar State College of Technology, Beaumont, Tex.; High Point College, High Point, N.C.; Whitman College, Walla Walla, Wash.; Youngstown University, Youngstown, Ohio; Long Beach State College, Long Beach, Calif.; University of California, Riverside Campus; Arizona State College, Tempe, Ariz.; Emory University, Atlanta, Ga.; Mississippi State College for Women, Columbus, Miss.; University of Florida, Gainesville, Fla.; Northern Illinois State College, De Kalb, Ill.; Texas Christian University, Ft. Worth, Tex.; and Parsons College, Fairfield, Iowa.

No local groups were allowed to petition and no new colonies were started during 1954-55. After careful, deliberate consideration, the Grand Council unanimously voted in the fall of 1955 to accept the invitation of the administration of Texas Christian University, Fort Worth, Texas, to establish a colony on that campus. Rushing for the new colony, Pi Phi Delta, was held in February at the time of the regular mid-winter rush season and Pi Beta Phi filled its quota of seventeen girls. Four members of the Grand Council—the Grand President, the Grand Secretary, the Grand Treasurer, and the Director of Rushing and Pledge Training—participated in the rushing, assisted by the Nu Province President, the Fort Worth Alumnae Club and representatives from all active chapters in the province. The colony has functioned successfully under the supervision of the Grand Secretary and will present its petition for a

Pi Beta Phi charter at the Pasadena Convention.

Fifteen new clubs have been chartered since the Miami Convention, as the result of the combined efforts of the Grand Vice-President, the Director of Extension, and the Province Vice-Presidents. During 1955-56, clubs were chartered in Bellevue, Washington; Siloam Springs, Arkansas; Milton Township, Illinois; Grayson County, Texas; Eastern Connecticut, Connecticut; and Stockton, California. An application for a charter from Hamilton, Ohio, was received after the close of the club year. Tallahassee, Florida, reluctantly turned in its club charter, making a total of 267 clubs with twelve thousand paid members on July 1, 1956.

The work with the seventy Pi Beta Phi Mothers' Clubs is a special pleasure, bringing as it does, a keen realization of the loyalty, hard work, and interest of the mothers of the actives. In the fall a letter of general fraternity news was sent to the Mothers' Clubs, accompanied by a brief résumé of the activities of all Mothers' Clubs from whom information was received. Efforts have been made to organize several new clubs and help and suggestions given when possible. It is a pleasure to announce the formation of three new Mothers' Clubs in Austin, San Antonio, and Toronto.

Two letters and four Pi Phi Night Programs were sent to chapter program chairmen. The plan of using programs prepared by the chapter program chairmen has been so enthusiastically received that it has been continued. The best programs, selected for use by all chapters, were Texas Alpha's "Rush Evaluation," Connecticut Alpha's "Why An Alumnae Advisory Committee," and California Epsilon's "Shoot your Arrow" (a quiz program). Correspondence was carried on throughout the year with many chapter program chairmen, and suggestions regarding programs were given both to clubs and chapters when requested.

Three times during the year, reports from chapter treasurers of girls who are delinquent in their financial obligations to their chapter were received and tallied. Correspondence was carried on with chapter treasurers when necessary and all possible help was given when difficulties or misunderstandings were encountered by chapter treasurers.

Chapter visits were made to nine chapters during February and March: Manitoba Alpha, Alberta Alpha, Washington Alpha, Washington Beta, Washington Gamma, Oregon Alpha, Oregon Beta, Oregon Gamma, and Idaho Alpha. It was a pleasure to meet Pi Beta Phi alumnae in Winnipeg, Edmonton, Everett, Seattle, Eugene, Portland, and Spokane. The Director of Extension had the honor of being the guest speaker for the Founders' Day banquet in Edmonton, and especially enjoyed meeting the enthusiastic members of the Mothers' Clubs in Winnipeg and Edmonton. It was an inspiration and indescribable pleasure to meet so many wonderful Pi Beta Phi actives, alumnae club and advisory committee members and mothers. It was with deep regret that plans for attending the Founders' Day luncheon at Lexington, Kentucky had to be cancelled.

The privilege of serving Pi Beta Phi has brought happiness and inspiration which can never be repaid by even the most devoted service.

RUTH WILLIAMS HANSEN, *Director of Extension*

REPORT OF COUNSELOR FOR CHAPTER HOUSE CORPORATIONS

As in other years, a general letter went out to all house corporation treasurers in October and again in January with the annual report blanks. There has been more personal correspondence than during previous years and I have written to nearly every treasurer and to some several times. Lack of understanding about the Fire Protection Affidavits necessitated a great deal of correspondence with chapter presidents, much of which I felt could have been avoided had they heeded the letter of information about the affidavits which went to them from Central Office in January.

Only a few of the signed blanks came back to me when due and it was realized that they had been asked for too early in the school year. Also, many of the presidents thought if they did not have chapter houses the blanks did not pertain to them. A later due date and a better understanding of this new ruling will surely bring more satisfactory results another year.

Several active chapters have made inquiries about the formation of a house corporation and a brief explanation of the procedure was given to them, and they were asked to have their Finance Adviser or another alumna contact me for more definite information and a copy of sample by-laws to serve as suggestions in setting up their corporation. Alumnae of five chapters did get this information and as a result we have three new corporations this year.

A number of house corporations have asked about the possibility of getting fraternity loans. I have sent them the Procedure blank and the Application for a Loan blank and referred them to the Grand Treasurer for information as to the availability of a loan from any of the mortgage funds and the placing of their names on the waiting list.

The news about houses is that New York Delta is occupying its new house. Iowa Zeta remodeled last year as did North Carolina Alpha. Colorado Alpha's new addition is completed although some redecorating of the older part of the house is to be done this summer. It will now house 76 girls, a house mother and her assistant and two cooks. Idaho Alpha House Corporation is remodeling, as are Iowa Beta, North Dakota Alpha, South Dakota Alpha, and both Kansas Alpha and Arkansas Alpha are still hoping to have new houses soon. Kansas Beta may sell its house and build and Ohio Alpha House Corporation is thinking of remodeling. Enrollments seem to be on the increase making many

of our older houses inadequate for the number of girls they now have to house. The wise house corporations are planning for the future and anticipating their needs. Twenty-five corporations are free from debt at the present time and all corporations are cognizant of the advantages of having funds building up for future needs.

The approximate value of our Pi Beta Phi chapter houses, lots and furnishings as given on this year's house corporation reports is \$6,659,791.26. The combined assets of all our house corporations is \$7,138,148.23 with liabilities of \$1,370,657.30, leaving a net worth of \$5,767,500.93, an increase over last year of \$488,106.75. In the case of a few late reports last year's figures were used.

Looking back over my four years as Counselor for Chapter House Corporations I find things left undone that I had planned to do. I had hoped to add to Lillian Holton's History of Pi Beta Phi Chapter Houses which I never seemed to find time to do. Also, I wanted to get more pictures for the Scrap Book. My second year I asked the house corporation treasurers to send me new pictures of their houses and received very few. The active chapters will have to be asked to get results I think.

I have stressed particularly the following points:

- For all chapters to have a Building or House Fund, to be contributed to from local fees, dues or house pledges.
- For the ownership of all real or personal property of a chapter to be in the hands of a house corporation.
- For house corporations to seek expert advice periodically to make sure of having adequate insurance.
- For increasing of rent or payments to the house corporation from the chapter when needed for the adequate functioning of the corporation.

It is a wonderful privilege to have the opportunity of working for Pi Beta Phi and it with great reluctance that I feel I must turn over my duties to some one else. The close contact with the Grand President, the Grand Treasurer and other Council members as well as all the fine house corporation treasurers will be sorely missed. Please know that my fifteen years in Pi Phi national work are treasured ones and that I shall always have a deep sense of gratitude for having been privileged to have them.

LOLITA S. PROUTY

REPORT OF NATIONAL HISTORIAN

No report concerning performance of the duties of this office would be complete if it failed to include mention of the large volume of unique and diversified correspondence which seems to increase, rather than diminish, with the passage of the years. Letters continue to arrive from all parts of the country, from people of all ages, and from both men and women. Some letters involve public relations and top level policy, requiring consultation with the Grand President. A great many are routine requests for program material which is obtainable from other officers and chairmen. There are frequent requests for data on obscure phases of our history. These would necessitate the copying of entire pages from the official version of our History. The Historian does not have time enough to do that much typing in order to satisfy the desire of a single club or chapter. (Those program chairmen who assemble their own material learn of the joys to be derived from individual research.)

Perhaps the most interesting letters received are those which bring additional historical data for the archives. The mounting mass of material makes it increasingly clear that there can be no final version of our history. The first written record seems a mere chronicle in the light of present knowledge. Even data which was previously accepted as accurate must be discarded as new sources are revealed.

California Pi Phis open a new field for research with the announcement that a member of the Fresno Club may

be the oldest living member of the fraternity. She is Jeanie Shotwell Hare (Mrs. John). She was initiated into Iowa Gamma in 1877 and is now 96 years old. The historian has no records giving accurate information as to ages and initiation dates. Is there some other member of Pi Beta Phi who would like to compete for the honor?

In the fall of 1955 the supply of Holt House brochures, from the original (1948) edition, became exhausted. At the request of Grand Council and the Holt House Chairman, the Historian revised the first edition, bringing the text up to date for a 1955 reprint.

In reply to the entreaty of Mr. Leland F. Leland, editor and publisher of *Fraternity Month*, the Historian forwarded that publication photographs and bound ARROWS, containing pictures which might be used in illustrating the series of articles on the history of NPC which Mr. Leland has been publishing serially. (The Historian had already supplied the transcript of the 1891 conference which formed the bulk of the material used in the first installment. A picture was also supplied for the second installment.)

The booklet prepared by Evelyn Kyle of the Pasadena Club for convention distribution was checked by the Historian for accuracy.

On the occasion of the 1955 Founders' Day luncheon of the Chicago Area Council, the Historian had the pleasure of meeting Miss Edith Lass, Illinois Delta, a sister

of former Grand President Grace Lass Sisson. As a result of that meeting and the correspondence which followed, Miss Lass has forwarded a number of very interesting items which might otherwise have been lost to the archives. The Historian hopes that other officers and members will keep the needs of the archives in mind when encountering members who possess memorabilia which might soon be lost or destroyed.

The complete list of acquisitions is as follows:

A copy of "The Golden Arrow Polka," written by S. H. Price and dedicated to I. C. Sorosis. Published for the composer by Chandler and Curtiss, Chicago, 1874.—from Miss Katherine McA. Bagby, Illinois Delta.

Three photographs of Founder Emma Brownlee Kilgore—*from Dr. Sara Ann Brown of the University of West Virginia, through the efforts of Grand President Marianne Reid Wild.*

A luncheon cloth dating from the year 1901 and embroidered with the signatures of Carrie Chapman Catt, Elizabeth Gamble and others—*from Miss Dorothy M. Sass, Michigan Beta.*

A copy of the Monmouth College Centennial Brochure (1853-1953)—*from Grand President Marianne Reid Wild.*

A sample of the first Alumnae Life Membership card, as issued to former Grand Secretary Nita Hill Stark. (Only ten such cards were ever issued. The plan, adopted in 1938, was abolished in 1948)—*from Lolita Snell Prouty (Mrs. Frank H.), Colorado Alpha.*

Copy of a favorite recipe in the handwriting of Founder Inez Smith Soule—*from Ruth Emeline Sturley, Washington Alpha.*

A clipping from the *University Daily Kansan* for November 18, 1955, describing the University's first yearbook. The book, published in 1873, had been edited jointly by the Beta and Pi Phi chapters, which were the only fraternities then on the campus—*from Rose McCollough Dressler (Mrs. E. B.), Kansas Alpha.*

Three photographs of former Grand President Grace Lass Sisson; an 1896 poster advertising the Mendelssohn Concert Company of Galesburg, Illinois, and containing a picture of Miss Lass as one of the artists; a printed program from one of her concerts; a newspaper clipping of 1897 describing her wedding to Francis H. Sisson; a clipping from a *Yonkers, New York*, paper describing a trip which the Sissons made to Europe in 1924, when they were received by the King and Queen of England; other clip-

pings, dated 1934, showing views of the Château Fleur De Lys, the famous Gothic-Renaissance home of the Sissons in Westchester County; a clipping describing a royal order conferred upon Mr. Sisson by the King of Belgium for services rendered to that government in World War I; a poem composed by Mrs. Sisson in 1926 on a sheet of her personal stationery; a biographical sketch of the life of Mrs. Sisson, composed by her sister, Miss Edith Lass, Illinois Delta—*from Miss Lass.*

During the year the Historian spoke on various phases of fraternity history at meetings of the Kansas Alpha Mothers' Club and the Missouri Alpha Mothers' Club. These yearly opportunities to meet the mothers of actives from nearby chapters are always a great source of pleasure. The mothers are as much a credit to the fraternity as are their daughters.

The Historian regrets very much that convalescence from an illness prevented her from accepting the gracious invitation of the Washington, D. C. Alumnae Club to attend its Founders' Day luncheon. The event, which had been long anticipated, was given up with great reluctance. The Historian regrets, also, that she could not accept the kind invitation of the Louisville Club. It was possible, however, to attend the celebrations, held at a later date by the Kansas City, Missouri, Club and the Fayetteville, Arkansas, Club. The Historian will not soon forget the entertaining program presented at the Kansas City luncheon and the good taste, ease and dignity of Grand Secretary Virginia Voorhees Speaker, who presided as toastmistress. The hospitality of the Fayetteville actives and alumnae will be long remembered. It is always an inspiration to this officer to encounter such devoted alumnae as Elsie Dean Alt and Mary Campbell Gregory, who have given a great part of their lives to the developing and maintaining of the very highest standards in our active chapters.

The Historian wishes to take this opportunity to thank the Grand President, the Grand Secretary and the ARROW Editor for their assistance throughout the year; the other members of Grand Council for their friendship and encouragement; and the Director of Central Office for her prompt replies to all requests.

It has been an honor to serve Pi Beta Phi. The contacts with other members, which that service brings, will forever be a source of inspiration and happiness.

MARIAN KECK SIMMONS

REPORT OF NATIONAL SUPERVISOR OF CHAPTER HISTORIES

It is with great pride and pleasure I can report that every Pi Beta Phi active chapter had a history exhibited at convention. The quality and originality of the histories continue to improve so it's not easy to choose those deserving special recognition.

The winner of the Nita Hill Stark Vase for the best active chapter history during the year 1955-56 was Kansas Alpha. The historian was Virginia Jennings with Meredith Goar as assistant historian.

The winner of the Historian's Cup for the second best history was Indiana Gamma. The historian was Carolyn

Green.

Honorable mention was given to the excellent histories prepared by the following chapters: New York Alpha (Margaret Waibel, historian); Oklahoma Alpha (Sameera Hamra, historian and Kay Guthrie, assistant); Arizona Alpha (Betty Newmeyer and Connie Mangold, historians); Oregon Gamma (Maureen Day, historian and Margy Dodd, assistant); Missouri Gamma (Roberta Pilant, historian and Ann Thornburgh, assistant); Texas Beta (Gail Baker, historian) and Michigan Beta (Polly Van Schoick, historian).

PI BETA PHI MAGAZINE AGENCY REPORT 1955-56

The gross commissions realized on magazine sales for 1955-56 amounted to \$11,917.98. Of this amount clubs contributed \$8,982.54; chapters, \$2,898.74; and individuals, \$36.90. During this same period \$122.92 was collected from bonuses, prizes and direct commissions, making a gross profit of \$12,040.90. The gross commissions for the first year of the agency and the last two years are as follows:

1929-30	Approximately	\$ 810.00
1954-55		10,785.60
1955-56		11,917.98

The contest winners are announced as follows:

Alumnae Clubs

Denver, Colorado—Mrs. Walter Hultin, Chairman, for making the highest total commissions of \$631.72, wins \$10.00.
 San Jose, California—Miss Ida Karsten, Chairman, for making the highest per capita commissions of \$8.56, wins \$10.00.
 Ames, Iowa—Mrs. F. E. Nelson, Chairman, for making the highest percentage of increase, wins \$5.00.

Chapters

Texas Beta—Jann Coleman Hall, Chairman, for making the highest total commissions of \$237.60, wins \$10.00.
 Indiana Gamma—Nancy Fleming, Chairman, for making the highest per capita commissions of \$4.53, wins \$10.00.
 Ohio Delta—Madge Shreve, Chairman, for making the highest percentage of increase, wins \$5.00.

Following is the financial statement and statistical report showing commissions earned by chapters and clubs. It also shows the net profit for the year, amounting to \$9,108.59. A check for this amount has been sent to the Settlement School. In the province reports the last two years' commissions are given for the purpose of seeing gains or losses.

The major trend in the magazine business is the publishers' emphasis on subscriptions rather than on newsstand sales. This means that a lot of special offers will be sent out by the publishers this year to bait the public. Urge your clubs and chapters to send these special offers through the magazine agency, with the special offer card. Also remember that renewals count as much as new subscriptions.

Thank you for your fine job of selling, your patience in following through on subscriptions, and your kind co-operation. Magazines are a lot of work for those concerned, but there is no better way of contributing to the Settlement School. "Every Pi Phi, one magazine subscription!"

Committee Reports

CHAIRMAN OF SETTLEMENT SCHOOL COMMITTEE

"Only that day dawns to which we are awake.
There is more day to dawn."

Pi Beta Phi has proven the truth of this statement. Back in 1912 the fraternity was awakened to the opportunity for service in an isolated section of the Smoky Mountains and through the Settlement School, during the following years, has been able to give impetus to the dawning of a new day for that area. The organization has had the rare privilege of helping to build a town!

In the 44 years of Settlement School, over 16,000 days have dawned but this report is concerned with the last 366 days. How has the Settlement School Committee, working on behalf of Pi Phi, met the challenge of these days?

Through Education

After a careful check with the County Superintendent of Education as well as the local chairman of the Board of Education, it was decided that it would be an injustice to the school children if Pi Phi were to discontinue the practice of furnishing teachers for Music, Arts and Crafts, Woodworking, Physical Education and Journalism. Pi Phi first went to Gatlinburg with the desire to offer educational opportunities and the first school grew to a fully accredited school system including four years of high school. Ever since 1943, the County has supplied the minimum basic educational requirements but with such a meager curriculum, there continues to be a real need for the extra Pi Phi teachers.

Nancy Jo Hayes, the Assistant to the Director, taught the Journalism Class which published the school paper, *The Highland Echo*. For the third year the paper was awarded a "Superior" rating and was the only school in East Tennessee in the mimeographed class to achieve this honor. The paper also won a "Second Class Honor Rating" from the National Scholastic Press Association. Nancy Jo wrote the syllabus for the Journalism Course which resulted in its approval by the State Department of Education for Business as well as English credit. Working as co-sponsor of the Student Council, she saw many worthwhile projects originate such as Clean-up Campaign, Smoking Rules, Student Elections and Field Day. Nancy Jo also served as secretary of the P.T.A. Marion Mueller, the Director, also had a place on the board of the P.T.A. and led a study course.

At various times Mrs. Mueller has been asked for suggestions for possible teachers and last year it was fortunate that Sabra Hansen, just graduated from DePauw, was secured as English teacher. It is hoped that any Pi Phi interested in teaching at Gatlinburg will make it known.

The Physical Education teacher, furnished by the Fraternity, made a valuable contribution through the promotion of sports. In a community where early marriages and the desire to start earning are common, the chance to participate in football and basketball has served to maintain interest in finishing school. A junior Varsity in both football and basketball was added this year and that gave twice as many people a chance to compete. Pi Beta Phi (for that is what the school is popularly called) also won a county tournament which was a first. The new County gym was a wonderful addition for the Pi Phi auditorium never was built to house a modern athletic department.

Boys and girls living too far to commute, lived in the dormitories. This again opened a new day for the experience in group living and working offered an extra dividend in addition to the privilege of completing a high school education. Mrs. Mueller and her assistant supervised a study table which helped the dorm children keep up their grades. Early in the school year, the girls elected dorm

officers and held meetings throughout the year. The Committee offered small cash Dorm Awards based on grades, activities and contribution to dormitory life. This encouraged pride in work and a good spirit both in school and the dorm. Before school ended former dormitory students brought their children to seek a place in the dorm next year. Education covers a lot of ground but doesn't always cultivate it. In the dormitory program, Pi Phi did some extra cultivation through the supervised work in kitchen, dining room and grounds. The training prepared the young people to take summer jobs or, at least, to be better future homemakers.

Not only did the buildings house elementary and high school but as in previous years, when school was dismissed, Pi Beta Phi and the University of Tennessee united to bring instruction on the college level to Gatlinburg. Under the direction of Marian Heard, Tennessee Gamma, the Summer Craft Workshop was held for the twelfth year. As usual the work and enthusiasm of those who came from all over the country were an inspiration to both staff and Committee. Teachers, therapists, workers in youth organization and with the handicapped, as well as those interested in creative use of leisure time, returned home better prepared to face the days to come with increased skill and zeal.

Only a few years ago, the Ruth Barrett Smith Staff House made it possible, with its enlarged lodging and dining-room facilities, to accept more Workshop students. Once again in 1955 the Director was pressed to find space for those who wished to register. It was difficult to refuse students when the instructors could care for them in class. Tourist rates in surrounding accommodations were prohibitive for most. The Committee was challenged to meet the housing problem. The Graham legacy, which had been kept for a special use, provided finances with which to convert the old kitchen and porch at Pollard Cottage into additional, inviting living quarters for 1956 Workshop. The problem of housing still is only partially solved. When the Workshop was started twelve years ago, the Pi Phi white grade school building, as a temporary means of caring for students at low cost, was converted into a dormitory and then back into school rooms. This practice has continued through the years at a waste of man-power and money which could be used for more comfortable, permanent facilities. Craft Workshops have demonstrated the tremendous effectiveness of such in meeting some of the urgent needs of modern life. Past experience should be a guidepost rather than a hitching post. Progress begins with the getting a clear view of the obstacles. Also it is wise economy to make the best use of what one has. Pi Phi Settlement School has the uninhabited red barn strategically located near the staff house dining-room. The barn no longer shelters the cows and mules of days gone by; however it could have a useful future as a dormitory.

In November plans were discussed with the University of Tennessee and for the second time Pi Beta Phi and the University will promote a Foreign Study Craft Tour. The first one in 1955 was most successful. If interested in details about the 1957 Tour, write to Foreign Study Craft Tour, College of Home Economics, University of Tennessee, Knoxville.

Through Health Services

"THANK YOU, 'MIZ CHARMER'" was the heading of an article in the *Gatlinburg Press* in December for twenty years ago on December 1, Mrs. Marjorie Chalmers came to the Burg to serve as the resident nurse for the fraternity.

"Miz Charmer," as the Pi Beta Phi grade children refer to her, has donated generously of her time and efforts not only in the schools in this area but also in many civic projects. It would be difficult to list the numerous activities in which she is engaged. No doubt her twenty years in Gatlinburg have included labor, joys, sorrow, however that indomitable spirit holds forth.

For the many years of fruitful service, thank you "Miz Charmer." We bask in reflected glory! Some 7,300 days have dawned at Settlement School for Nurse Marjorie and each have brought new problems, new solutions and emphases. This last year can best be reported by quoting from the annual report of the Nurse.

"The scope of activities for the Pi Beta Phi Health Center has broadened during the past year to include a more extended service to the community. Chief of these added responsibilities was the allotment to us of the Salk vaccine on the same basis as their own units. Response has been gratifying—89% have had one inoculation and 80% have had two. The preschool children are steadily seeking the protection. Our percentage is much higher than the rest of the County.

"Another innovation has been the use of the state loaned audiometers for the testing of student hearing. This was done at a clinic set up at the Health Center and pupils were brought in by parents. The Pi Beta Phi and five rural schools were tested.

"The Corrective Fund provided for eye examinations for more than a dozen children and glasses were purchased for six. The Lions Club paid for five more in addition to some bought by parents. The Elks Club paid for seven pairs of shoes and the loan closet supplied large amounts of clothing for children and adults.

"The Preschool Round-up was held in July with the assistance of Dr. Shilling and half a dozen P.T.A. members. Conferences were held with most of the parents. After school started a clinic for all boys reporting for football was set up. Dr. Shilling gave each the regulation army physical. With the new supply of vaccine, public health nurses were permitted to give the inoculations and consequently since that time inoculations were given at Health Center without imposing on the busy doctors.

"The schools weathered several minor epidemics: flu, three day measles, and pink eye. One seventh grade girl had a light case of polio. The Friday Baby Clinic has increased weekly. The preventive inoculations were given each student in the four schools as always. Health talks and picture shows were given. There were many conferences with teachers and parents. We have co-operated with the County Welfare Department, Red Cross and Shriners. We have recently been appointed on the Board for Charitable Solicitations. The County Medical Association continues to hold monthly meetings at Health Center for which we are grateful. Such contacts with doctors of the County and State keeps us in constant touch with the newest in medical education. It keeps the doctors in touch, too, with the services given by Pi Beta Phi. The year has been a heavy one but there is a deeper feeling of accomplishment than for any other year. The spirit of appreciation shown by the community and the co-operation we have received assures us that Pi Beta Phi still holds an honored place in the area and is upholding the ideals of the Fraternity established a quarter of a century ago."

Through Arrowcraft

Since the Arrowcraft Shop opened in May 1926, thirty years ago, it is thrilling to contemplate how many lives have been bettered because of the opportunity to find a market for the native crafts. Thanks to the energetic, philanthropic alumnae, 85 weavers and other craftsmen brought their handcrafts to Arrowcraft with confidence. Elizabeth Rue, Manager, and Tina McMorran, Designer and Weaving Supervisor, with the loyal staff worked happily with the local craftsmen and the far-away alumnae clubs. Tina designed special articles for Convention. The new Guild Shop at Rich's asked her to design a panel for the keynote color in their big front window. Several publications have featured her work. Again plans were made to co-operate at the Craftsman's Fair.

Betty Lewelling, bookkeeper, resigned, but our disappointment in losing her was tempered with the pleasure of welcoming back Eunice Cole to this position which she so efficiently handled previously. It was deemed wise to discontinue the 2% discount for prompt payment of bills since confusion on the part of a number of chairmen added additional work for the bookkeeper and many times resulted in misunderstanding. After all it is not necessary to reward Pi Phis for paying their honest debts especially when the money supports the national project. One of the best things to do behind a person's back is to pat it. There are 22 Settlement School chairmen whose industry resulted in their club buying and PAYING for \$1,000 or more of Arrowcraft products in the 1955-56 year. Those deserving a pat are

May their tribe increase! Because Arrowcraft has bills to meet promptly, it has been decided to send quarterly statements to all clubs in hopes that they will make payments throughout the year rather than to wait until May 31. With the loyal co-operation of the membership, Arrowcraft Shop can continue to encourage home industries and to help the people improve their economic situation.

Through Staff

Marion Mueller, the Director, had a busy year supervising the buildings, staff and program besides representing Pi Beta Phi in Gatlinburg. As she said, when asked what the Director does, "If there is something to do and no one to do it, I do it." Through her diligence and the co-operation of both school principal and chairman of the board, the Pi Phi buildings, used by the County, are in much better condition this year. Fresh paint and repairs have made a great improvement. Her two-year program of renovation of the other buildings shows up in many places. Aided and abetted by Orlie Watson and his son, Neal, Marion has worked hard to make the fraternity proud of its Settlement School.

There is a desperate hunt to find a new assistant to the Director for in early June Nancy Jo Hayes became Mrs. Henry. While we do not promise anything, two out of the last three assistants found their future husbands while at Settlement School. Persons interested in rendering service at Settlement School, should contact the chairman.

Through the Members

Money doesn't talk these days—it goes without saying and it was only because of the support of active chapters and alumnae clubs that the Committee could meet the demands of the last year. There were 257 clubs that contributed \$8,461.73 of which \$760 was for staff house furnishings. This was 15 more clubs than last year and an

increase of \$102.66. There were 9 Provinces which were 100% in support of Settlement School. They were

The following nine clubs contributed \$150 or more. Those marked (*) gave extra gifts to Staff House in addition to the annual gift.

Northern New Jersey	450.00	Milwaukee	200.00
Champaign-Urbana ..	300.00*	Cleveland, East	172.00
Colorado Springs	275.00*	Denver	150.22
Philadelphia	250.00		

The Staff House was also remembered by gifts from the Province Officers, Guy J. Chaffee in memory of his wife, and the Chicago South Club. Many individuals and clubs sent Christmas gifts to Settlement School and the Health Center. A lovely surprise in the form of a silver coffee urn came from Pasadena Club. The staff was very appreciative of the television set given by the late Charlotte Alspaugh.

Individuals sent contributions to the Memorial Fund in memory of friends instead of the usual flowers. These should be sent to the Settlement School treasurer.

From 98 chapters came \$2,376.21 which was an increase of \$177.66 and an additional 11 chapters participating. There were 12 Provinces 100% in support of the project.

Three chapters gave \$100 or more for the annual gift.

Texas P	\$150	Missouri B	\$125	Texas A	\$100
---------------	-------	------------------	-------	---------------	-------

These contributions were augmented by \$9,108.59 from the magazine agency. Elsewhere will appear a report where due credit will be given to hard-working chairmen but an expression of gratitude here is not out of place. The extra \$1,130.28 was needed. With assistance from the Arrowcraft profits and a few other small sums, the above funds had to pay staff, insurance, maintenance, repairs and util-

ities just to mention a few of the large items. The Snapping Turtle, a power mower, was a necessity this year.

Success can be due to will power especially if willed by some generous Pi Phi. The thoughtfulness of two Pi Phis who left legacies to the Settlement School, has made it possible for the Committee to meet several unusual demands on the purse. As mentioned before, the Graham legacy supplied funds for the greater part of the Pollard renovations. Since the work was done in the late winter during the dull season, the money went farther. Settlement School started in May to hook on to the new sewer. The sewer system is a long-awaited improvement in Gatlinburg but will be a drain on the pocket-book for some time to come. Most of the installation cost will be covered by the legacy of Ethel Curryer, a former treasurer of Settlement School. What a blessing these gifts have been! The monthly payments on the sewer are 85% to 135% of the water bill. This leads us to hope many groups will rethink their allocation of funds from their earnings.

Since the first of the year, three legacies have been reported to Settlement School. Charlotte Alspaugh's gift will be used for scholarships according to her request. Mrs. Brendel's and Mrs. Hempsted's bequests, when received, will be kept for some special need. Mrs. Brendel was the mother of Pi Phi Eleanor Miller of Indianapolis.

Many alumnae will remember the wonderful Cook Book published by the Los Angeles Club twenty years ago. It has been voted to print a new one and the goal is to have 5 choice recipes submitted from each club. Advertising will be sold to cover the original cost and the co-operation of clubs is solicited. The book will sell at a popular price and it is hoped that it can be ready by next fall. This should be an additional source of funds for the Settlement School.

At Convention, it will be my pleasure to tell about some of the people who have benefited from Pi Beta Phi's efforts and about the town which grew with the Settlement School as well as the people who still live up the little mountain roads. There are several challenging fields of endeavor which need attention and would mean a great deal to the mountain people.

"Only that day dawns to which we are awake.
There is more day to dawn."

VIRGINIA BRACKETT GREEN, *Chairman*

SETTLEMENT SCHOOL DIRECTOR'S REPORT

Our Settlement School moves on toward its goal and the ideal of its Founders. Almost forty-five years of growth—but with many changes. Our problem is to meet these changes wisely as they arise. We trust that we shall be guided in the right path toward Tomorrowland.

Many Pi Phis and friends have visited us within the last year. It is my wish that I could take each Pi Phi on a personal tour, because if one is not aware of the Burg's mushroom growth in the last ten years, one might wonder about our Settlement School. Gatlinburg with its approximate two thousand population is S-O B-I-G, yet so s-m-a-l-l in many ways. The Burg is still growing up—not so much in population as in ways of doing things. Yes, growing to the extent that it can be classified both as a tourist and a convention town. The new city hall with its large auditorium (sponsored by the American Legion), skylift, motels (many with swimming pools), numerous restaurants, two new pageants—all contribute toward a BIG impression. The Great Smoky Mountains Historical Association, Inc., is sponsoring *Chucky Jack*, the pageant which is based on the Founding of the State of Tennessee. Incidentally, I have had the privilege of serving on the Honorary Advisory Council for this project.

It is not surprising that so many come to the area—with the national interest shown in many ways—many articles in various publications, one of the most recent in June issue of *Holiday Magazine*. Tourists come to see the beauty

of these horizons. Gatlinburg must provide facilities for tourists before they enter the Smoky National Park, because there are only camping facilities in the park.

With all this I sincerely believe our area is best known for its handcrafts—unquestionably pioneered by Pi Beta Phi. There are still many natives who depend upon some part of the Settlement School program because they are not a part of these newer enterprises; contrarily, several native families are the leading citizens who in turn employ other natives.

Arrowcraft

The love for crafts is inborn with many. More than sixty weavers each month bring their weaving for Arrowcraft to buy. Weavers are specialists—not everyone can weave; some weave wool only, some linen only, some cotton. Many are dependent upon Arrowcraft, this shop undeniably being their biggest outlet for their crafts—woodcraft, basketry, brooms, jewelry making.

We folks here at Settlement School realize and are most grateful for the loyalty and volunteer service of our Alumnae Clubs in the promotion of their Arrowcraft sales. Elizabeth Rue, manager of Arrowcraft, and I would like to thank you individually. At Pi Phi Convention one realizes the national scope of our work; likewise at Settlement School where Pi Phis come from every state.

Health Center

Our Health Center is next door to Arrowcraft on the main street of Gatlinburg. Our nurse, Marjorie Chalmers, has seen many changes during her twenty years with Settlement School, yet our Health Center has a valuable and varied service to the community. More than half of the students at Pi Beta Phi School are from the rural and suburban area. Tennessee provides the vaccines. All of the extra services of the state are also given to us—among them Dental Clinics, Nutritional Clinics, Chest x-ray, Audiometers. For extra services at the Health Center or in the home, Health Center makes a small charge, the people paying as they can. Marjorie's calendar is filled with field visits, office calls, first aid, inoculations, health talks, conferences, chest x-rays, and clinics.

At Christmas individual gifts are given to the children from the three County schools for which Marjorie gives services. The many boxes of clothing and Christmas presents from Alumnae Clubs and Active Chapters are most welcome and helpful. When one sees the meagerness of these schools, one cannot keep from wishing we could share a bit more. In every way East Tennessee ranks low in its education system, a fact which is forgotten by many when they see the bright lights of Gatlinburg's main street.

Dormitories

Our dormitories are a vital part of our program, thus making far-reaching results. In the years I have been at Settlement School, several instances could be sighted where assistance was needed and provided. I might add, deeply appreciated in most instances. This system, established a number of years ago, is not to "hand out" but to help others help themselves. All our dormitory children live considerable distances from the bus line, or have some unusual problem which makes it necessary to "live in."

This last school year there were many honors won by our dormitory children: Pat Trentham—vice-president of the Senior class; Clyde Davenport—annual editor and lead in Senior play; Kate Wright, captain-elect of Girls' Basketball Team; Dwight Davenport—winner of Christmas poem award; members on both football and basketball squads. Three sophomore dormitory girls were married within the year. This will affect the upper classes. No doubt a small junior and senior class is in the making—not too unusual, however, because there are many early marriages.

The County provides the academic teachers, but Pi Phi again provided several extra teachers—Arts and Crafts, Woodcraft (two classes), Music, Physical Education, Nurse (and Health Center). Nancy Jo Hayes Henry (Mrs. Jack Henry as of June 2) had a Journalism Class in addition to her duties as assistant to the director. For the third consecutive year the publication of the Journalism class, *Highland Echo*, received the only "superior" rating in its class in East Tennessee. Nancy Jo and I both served on the P.T.A. Board.

Staff House will again house a large "family" of regular staff and teachers, a full staff including the "unknown" (as of now) assistant to the director. The house also has been the scene of several large functions; Open House for Pi Beta Phi teaching staff; P.T.A. Study Groups; Tennessee Division of Southern Highland Guild; Tennessee Gamma Tour; and Eta Province Tour sponsored by Mary Frances Pirkey for their workshop. We are so glad to have these contacts with Pi Phi groups—one more way of helping make *your* Settlement School a living reality and not just a dream.

Farm

Richard Watson is still our farm man during the week, his avocation serving as minister for a Baptist congregation. With the deep freeze—a gift of a year ago—we wonder how we managed previously. Many more farm products have found their way to our table via the deep freeze.

Orlie Watson, at Settlement School twenty-eight years,

and his son, Neal, still are able assistants in whatever problem arises on the premises—plumbing, carpentering, repairing, mowing lawn, shipping at Arrowcraft. Mrs. Adams is completing her third year as cook—spoiling us a bit with her home cooking.

Workshop

Workshop for 1956 was most successful, with twenty-four states represented in staff and student personnel. This was again conducted by Marian Heard, our initiate at Miami Convention. The excellent workmanship of the students was an outstanding achievement. If you ever plan to come to Gatlinburg during Workshop, it would be worth while to arrange to be here during Workshop Open House. It is amazing how such excellent crafts can be produced in a few weeks. The friendships are evidenced through the years, many coming several summers.

Our Pollard kitchen which was abandoned four years ago when staff moved to Ruth Barrett Smith House (Staff House) has been converted into two shower and lavatory units and a bedroom. The porch was remodeled to sleep four, thus adding six beds to our capacity of last year. Nineteen girls were housed in our Big Dorm (three grade-school rooms converted to a dormitory). This is makeshift, and satisfactory only to a point. We cannot help dreaming of a new dormitory—perhaps our red barn. Of course, we hope the dream will become a reality somehow, sometime!

Gifts

The numerous gifts to Settlement School will be listed elsewhere; however, I wish to thank each donor. It is gratifying to be here and to witness the many remembrances, gifts, and legacies from Pi Phis from far and near.

Settlement School is presenting to our library two books of the area in memory of our former director, Ruth Dyer, who was deceased this last May. The books are: *The French Broad* by Wilma Dykes Stokely and the new edition of *The Great Smoky Mountains* by Laura Thornburg.

Summary

It is indeed a privilege and a challenge to represent Pi Beta Phi at Settlement School. One cannot help feeling humble to work for this worthy cause, this national memorial to our Founders. My deepest appreciation and sincere thanks extend to each Pi Phi who has contributed to Settlement School in any way, with time or money, to help in this project.

My wish: That each tomorrow will bring to you higher and broader horizons, and that your path will come this way—SOMETIME.

Standing Committees

HOLT HOUSE COMMITTEE

In giving this last report of the present Holt House Committee, the chairman is mindful of the privilege that has been hers, the privilege of working with Pi Beta Phis from four other states and the opportunity to acquire a deeper appreciation of the twelve girls who founded our Fraternity and of the restored birthplace maintained in honor of the founding of Pi Beta Phi.

At the 1954 Convention, a fund was started for a marker to be placed on the lawn at Holt House. The marker is finished, black wrought iron, beautifully scrolled, the plate bearing, in gold lettering:

HOLT HOUSE
BIRTHPLACE OF PI BETA PHI
APRIL 28, 1867

The marker was installed May 22.

It is truly a thrill to compare each year's rentals with those of preceding years, for there is no doubt that Holt House is the center of social activity in Monmouth. From June 1955 to June 1956, the house was used 110 times as against 96 times last year and 72 times the previous year. Seven clubs hold their monthly meetings at Holt House; D.A.R., Home Bureau, Business and Professional Women, Newcomers Club, Women's Club, New Century Club, and P.E.O. Eleven showers have been given there, two wedding receptions, two 50th wedding anniversary parties and one 40th wedding reception. Other groups have used the house once or twice—Girl Scout Board, O G M, AAUW, Beta Sigma, Nu Phi Mu. The Arrow Mothers have held four meetings and of course we are always pleased when the actives and the alumnae can enjoy the use of the house. Four private Teas and two private luncheons were held this year.

The Holt House films and colored slides continue to be popular with clubs and chapters and indeed make a wonderful program. Both should be reserved during the sum-

mer so that a traveling schedule can be made out. The film is ordered from the Holt House Film Chairman, and the slides from the Holt House Chairman, both listed under the Holt House Committee in all issues of the ARROW.

Special gifts aside from the annual donations have been gratefully received. On Parents' Day last fall, a Pi Phi mother gave our hostess \$25.00 to buy something for the house, and three greatly needed card tables were purchased. A disbanding evening group of Northern New Jersey sent \$5.50 for the marker fund. A special gift of \$5.00 came from the Avon, Illinois Club for the purchase of silver or a lace tablecloth. A special gift of \$5.00 from S.W. Indiana Club in honor of Jane Wyrich, Province Vice President. A special gift came from the New Orleans Club—\$15.00 in memory of three past members, Susan Mathews Butler, Lilah Phillips Leak, and Elizabeth Cooper Wallach. A most generous gift came from three sisters of Louisiana Alpha, Juanita Bass Trumbo, Corinne Bass, Ernestine Bass Hopkins a check for \$150.00, which is to be used for a pair of silver candelabra and a silver bowl for flowers. For all these gifts, the Holt House committee and Pi Phi extend sincere thanks.

Regular donations continue to come in, so many of them too late for this report, consequently, please, all readers, study the financial report below. To the clubs and chapters which have been so generous with regular donations, may we express deep appreciation, for without these contributions, Holt House could not be maintained. As in every home, repairs must be kept up and decorating done. This summer the first floor is to be redecorated.

The Chairman gratefully acknowledges the guidance and assistance of Alice Mansfield and Marianne Wild is grateful to Grand Council for the privilege of serving on this committee. The co-operation of the committee has made the work enjoyable.

COMMITTEE ON SCHOLARSHIP

1954-1955 SCHOLARSHIP FORMULA AVERAGES: 1954-1955 was the third best year ever recorded for Pi Beta Phi scholarship averages in the upper third by Pi Beta Phi scholarship formula. Each of the last two years has shown a slight decrease from the peak number of 63 in 1952-1953. Following is a summary of the standings of the chapters by scholarship formula for the three years:

	1952-53	1953-54	1954-55
First on their campuses	10	10	12
Others in the upper third	53	50	44
First for one semester or quarter	13	17	6
First for two quarters	2	2	1
Middle third	28	30	30
Lower third exclusive of lowest	3	7	10
Lowest	4	3	4
Lowest for one semester	2	5	9

This committee regrets the increase in the number of chapters lowest for one semester. Among the chapters lowest for one or both semesters of 1954-1955 were six which had never been lowest in scholarship on their campuses before that year. All these six have reported higher campus rankings for the first semester of the current year.

BEST PROVINCES: Gamma Province is honored this year for having all chapters in the upper third, the goal that was set many years ago for all chapters. When these chapters, all in Ohio, made this record, in 1954-1955, they were a part of the old Beta Province. Alpha, Zeta, Mu, and Nu had all chapters except one in the upper third.

CHAPTERS MAINTAINING UPPER THIRD RANK: In the annual report of this committee for last year the names of 16 chapters were reported which had been in the upper third for five consecutive years. Apologies are due to Connecticut Alpha for being omitted from that list. Others which can now be added are Alabama Beta, Iowa Zeta, and Montana Alpha, making a total of 20 chapters which have been in the upper third for five or more years. Texas Gamma has been first for the two years since it was chartered. Indiana Zeta has been in the upper third for each of the three years since it became a chapter of Pi Beta Phi.

HONOR STUDENTS: The winter issue of the ARROW listed the numbers of members elected to Honor Societies as follows:

Phi Beta Kappa	44
Phi Kappa Phi	42
Similar to Phi Beta Kappa or Phi Kappa Phi	54

Graduation honors (29 chapters reporting)	60
Chapters not reporting	15

The spring issue of the ARROW published the names of the 120 members of Pi Beta Phi elected to the above Honor Societies and of those whose graduation honors were reported. The photographs of 87 of those elected to Honor Societies appeared in the spring issue. The 120 elections to Honor Societies is an increase of 13 over the number reported the preceding year.

SCHOLARSHIP ACHIEVEMENT CERTIFICATES: These certificates, awarded to the member in each chapter who made the highest scholastic average for the year extending from mid-year to mid-year, were sent to the 94 chapters whose scholarship chairmen had applied for them. A note was enclosed with each, suggesting that the certificates be presented on a special occasion or in a little ceremony. Some were presented at the Founders' Day observance.

ADDA PRENTICE WILLIAMS CHAPTER SCHOLARSHIP CHAIRMAN'S AWARD: Ann Seulberger, California Beta, is the winner of this award. She attacked the scholastic problems of her chapter with intelligence, initiative, and fearlessness. Her plans and the execution of them won the admiration of all who worked with her. Honorable mention goes to Martha McKay, Virginia Alpha; Arlene Lockerie, Indiana Beta; and Gail Finlay, Alabama Beta. Martha was instrumental in fostering an increased interest in good scholarship and in introducing new methods for promoting better scholarship. Arlene presented a scholarship program worthy of serving as a model of organization, based on preventing scholastic difficulties. Gail's program is outstanding for the diversity of the methods used to encourage and maintain her chapter's high ranking.

The province nominations made by the Province Scholarship Supervisors for this award are:

Alpha—Jane Rees, Connecticut A
Beta—Ann Virginia Sheridan, New York F
Gamma—Linda Mayo, Ohio E
Delta—Martha McKay, Virginia A
Epsilon—Peg Foster, Michigan F
Zeta—Arlene Lockerie, Indiana B
Eta—Dorothy Greulich, North Carolina A
Theta—Gail Finlay, Alabama B
Iota—Diane Stokes, Illinois E
Kappa—Carol Barden, Wisconsin F
Lambda—Carol Sauer, Missouri B
Mu—Judy Howard, Kansas A
Nu—Suzanna Riley, Oklahoma Alpha and Catherine Nelson, Texas F
Xi—Frances DeYoung, Colorado B
Omicron—Ann Dietzen, Washington A
Pi—Ann Seulberger, California B

WINNER OF THE NATIONAL SCHOLARSHIP PLAQUE: This plaque, formerly called the Kappa Province Scholarship Plaque, is awarded to the chapter holding first place in scholarship on its campus for the longest consecutive period prior to convention. It was awarded to Iowa Alpha at the Pasadena Convention.

PARTIAL REPORT FOR 1955-1956: It is possible to make

a partial report for the current year. Reports have been filed for the first semester or first quarter of 1955-1956 from 84 of the 86 chapters which receive comparative average reports each semester or each quarter. The other 15 chapters receive only annual comparative average reports. Only campus rankings are listed below. These campus rankings are sometimes different from the scholarship formula rankings.

CAMPUS RANKING FOR FIRST SEMESTER OR FIRST QUARTER OF 1955-1956 (for 84 chapters):

First	18
Second	18
Others in upper third	18
Middle third	16
Lower third exclusive of lowest	9
Lowest	4
Campus rank unavailable	1

Chapters first for the first semester or first quarter of 1955-1956:

* Have made commendable improvement.

ASSISTANT SCHOLARSHIP CHAIRMEN: Clover Johnson, serving her first year as Assistant Scholarship Chairman, has given valuable service in her supervision of 14 chapters with scholastic difficulties. She has made a study of the causes of the difficulties, and has given inspiration and constructive criticism. She had aided the chapters in organizing more effective scholarship programs.

Helen Allan has continued to give sympathetic and understanding guidance to the Canadian chapters, whose college customs and campus conditions are often different from those in the United States.

FINALLY: In ending my fourth year as Chairman of the Committee on Scholarship I again want to express my appreciation to the members of Grand Council, the Assistant Scholarship Chairmen, the Province Presidents, the Province Scholarship Supervisors, the Alumnae Scholarship Advisers of the chapters, and to the chapter scholarship chairmen, without whose co-operation it would have been impossible to uphold the traditionally high standards of Pi Beta Phi.

COMMITTEE ON TRANSFERS

Each year Pi Beta Phis from all over the United States and Canada have been able to help enrich our fraternity by transferring from one chapter to another. Through these changes many new friendships have been made in addition to exchanging ideas which have been used successfully in other chapters. The original chapters are able to help their transferring sisters get acquainted with their new chapters by sending Introduction of Transfer blanks to the new chapters. This year 199 Pi Phis were reported to have transferred to campuses where we have Pi Beta Phi chapters. This is an increase of ten over last year. Many more of our sisters have continued their studies abroad or on campuses where we have no Pi Phi chapter.

Every year the chapters are giving better co-operation with this committee which in turn aids the transferring members to have a better chance of adjustment on the

new campuses. On the whole reports have been prompt and in good form. However, this was not a perfect year because two chapters failed to send any report to this committee even though they were sent several letters. Fourteen provinces were complete in sending reports. They are: Epsilon, Theta, Zeta, Lambda, Mu, Nu, Iota, Kappa, Xi, Pi, and Delta which were completed by October 31, and Omicron, Eta, and Gamma which were complete by February 1.

A total of 58 chapters received a perfect grade of ten from this committee for co-operation this year. This is a decrease of four from last year. These chapters are: Maine A, Vermont A, Massachusetts B, New York A, New York A, Pennsylvania B, Pennsylvania E, Ohio B, Ohio A, Ohio E, Maryland B, West Virginia A, Michigan B Michigan F, Ontario A, Indiana A, Indiana B, Indiana

Δ, Kentucky A, Tennessee B, North Carolina A, South Carolina A, Alabama A, Florida A, Florida B, Georgia A, Illinois A, Illinois E, Illinois Z, Illinois H, Wisconsin A, Wisconsin B, North Dakota A, Minnesota A, Missouri A, Missouri B, Louisiana A, Iowa T, South Dakota A, Kansas A, Kansas B, Oklahoma A, Oklahoma B, Texas A, Texas B, Texas T, New Mexico A, Colorado A, Colorado T, Wyoming A, Utah A, Washington B, Oregon A, Idaho A, California B, California T, and Arizona A.

Nu Province has the honor of being the first province to receive perfect grades for all chapters in a Province from this committee. Other Provinces which received a high percentage of chapters receiving a perfect grade in co-operation were: Beta, Delta, Epsilon, Theta, Iota, Kappa, and Xi.

Since some girls transfer during the middle of the year, the chapters are requested to notify this committee of these changes. Eleven chapters gave reports on transfers for the second half of the year.

This committee received 66 Approval for Affiliation blanks from original chapters and 14 Note of Affiliation blanks from chapters which affiliated transfers.

This year the chapters came very close to reporting 100% to this committee. Co-operation is improving every year and many Transfers are able to adjust to new situations more quickly because of this. We hope that next year that every Pi Phi who transfers to a new campus will have the advantage of an Introduction of Transfer being filled out for her and in the hands of the new chapter when she arrived on the campus.

It has been a great pleasure to work with Virginia Speaker this year. She has given valuable advice in guiding the committee. I would also like to say how much I appreciate the splendid co-operation from the chapters and Central Office. Everyone has worked hard to help meet the needs of our transferring Pi Phis. We've gained many new friends by working together this year.

The work of the Fraternity Study and Examination Committee has been generally satisfactory this year. There have been no unusual problems, and the supervisors have had good contacts with their chapters.

Again, the active examination has been measured in

the light of the request of the last convention that it be re-studied in an attempt to make it more worthwhile. All questions included have been designed to meet one of several requirements: to provide pertinent information for use in rushing; to supply information useful to the actives themselves (as in the case of information about scholarships, loans, etc.) or to their chapters (as information about qualifications for chapter awards, etc.); to give an understanding of the fraternity's organization and functioning, including the place of the alumnae; to encourage personal evaluation of the worth of Pi Phi to the individual and to the campus world. It should be understood that comprehension, not rote learning, is the goal.

Through the work of the Committee on Manuals, instructions for the examination have been sent out on sheets to be included in the notebooks of the chapter president, the pledge supervisor, the chapter vice president, and alumnae advisers. By putting these directions in permanent notebook form, the work done by Central Office for this committee in sending out instructions each year in the fall and winter mailing will be sharply reduced.

This committee tries to maintain close contacts between supervisors and chapters and to develop the right attitude on the part of all chapters and their alumnae advisory boards about fraternity examinations. Fines as such are minimized. It should be stressed that the fraternity examinations are to be taken under actual college examination conditions and in keeping with Pi Phi standards of honor.

This report is submitted with appreciation and thanks to the hardworking Province Supervisors who graded the many examination papers during the year and to the chapters whose co-operation has helped so much in our efforts to make the fraternity examinations a meaningful part of their Pi Phi experience. Thanks, also, to the Grand Secretary and the Grand President for their assistance and to Central Office for invaluable service in getting material to the chapters and in handling many routine details.

BETTY STOVALL KING

SOCIAL EXCHANGE COMMITTEE

With the redistricting of our chapters into new provinces this committee has taken on new life and is turning out excellent reports from the active chapters. Our recent additions to the province chairman ranks have gone to work with enthusiasm and with the grand co-operation of the older-in-service chairmen we garnered a fine harvest of material for use in rushing, Homecoming, special events of all kinds and just making life more meaningful in our chapter "homes."

This school year of 1955-56 brought reports from 73 chapters. Provinces having reports from all chapters are: Gamma, Zeta, Theta, Lambda, Nu, Omicron, and Pi (this is three more than last year)! Perfect co-operation grades were given to: Ohio Beta, Ohio Delta, Ohio Epsilon, Ohio Zeta, Ohio Eta, Virginia Alpha, Virginia Gamma, West Virginia Alpha, Michigan Gamma, Indiana Alpha, Tennessee Gamma, North Carolina Alpha, Alabama Alpha, Alabama Beta, Florida Alpha, Florida Beta, Georgia

Alpha, Missouri Alpha, Arkansas Alpha, Louisiana Alpha, Iowa Gamma, Kansas Alpha, Kansas Beta, Oklahoma Alpha, Texas Gamma, New Mexico Alpha, Washington Alpha, and Nevada Alpha.

The Award for Originality was won by Utah Alpha for their sparkling version of a "Brigadoon" Party. The accompanying illustrations were vividly drawn and this chairman fervently wished she could have attended the party, too! The Co-operation Award went to Ohio Beta for the completeness of their reports during the year. Honorable Mention went to Indiana Alpha for "Pi Phi Made-moiselle," Iowa Gamma for "Fashion Farce" and California Epsilon for "Jailbird Party." All were cleverly presented and most adaptable for use by other chapters.

Suggested new names for the Social Exchange Committee were turned in by Virginia Speaker (Special Events), Beverly Ricketts, Nevada A (Social Activities) and Marilyn Matts, Arizona Alpha (Interchange of Fraternity Activities). It seems that chapter officers reading their manuals

still do not know what the services of this bulletin are, and the name needs to clarify its uses.

A Homecoming Bulletin depicting floats, stunts and house and yard decorations will be ready for publication this summer and its contents are rich with suggestions to help the Pi Phis win those coveted places in the Fall competitions. A Founders' Day Bulletin was compiled by the committee and Central Office mailed it in time for its use April, 1956.

The year has been a busy one for all this Pi Phi "family," but we feel that our job was performed wholeheartedly and, certainly, with the deepest satisfaction that we had set some time aside to do a task for our own fraternity.

Our thanks to Janet, Virginia Speaker and Marianne for the support and inspiration furnished so lavishly and at such opportune times.

COMMITTEE ON FRATERNITY MUSIC

Members: Jerry Fruin Beltz
Dorothe Anderson Lanning
Helen Chodat Schudel
Dorothy Vale Kissinger, Chairman

As in all Convention years, our correspondence and the Fraternity-wide interest in music take an up-swing. This year saw an especially fine response from the chapter Music Chairmen, in reply to a survey made by this committee as to preferences, needs, and general programs of musical activity in the chapters.

Results showed that all chapters appreciate the value of a well-coordinated music program, and the need for regular practices. Interest ran high in competitive singing, as well as in chapter programs of serenades, special musical skits and just singing for good fellowship. Many more chapters than in recent years were following some sort of plan to exchange songs with other chapters. All were using the new Supplement to Songs of Pi Beta Phi as source material.

Individual chapter Chairmen are to be complimented on their sense of responsibility in organizing their group musically. Many have worked out some fine programs and contributed generously in suggestions to our Committee. We have also received from Chairmen a large number of

parodies to be added to the files.

Twenty-seven songs were submitted for the Convention Song Contest, results of which are announced elsewhere. It is to be hoped that all our chapters will add these fine new songs to their repertoire of Pi Phi music.

The Music Committee as a whole wishes to express its appreciation to Grand Council for its continued fine co-operation and guidance. To each chapter Chairman and to all other Pi Phis who have so kindly helped us in our work, comes our gratitude. And as the Chairman of the Music Committee is writing this, her last report to the ARROW, she wishes to express a particular and warm appreciation to the many, many Pi Phis who over the some fifteen years of her office have done so much to lighten her work and enrich this service to Pi Beta Phi. The friendships made through music will be enduring; the memories will be lasting; the echoes of our wine and blue songs will be always remembered. To you chapter Chairmen, who keep alive our heritage of music (and to those of you who will follow)—keep our Pi Phis singing!

"The blending of souls into harmony
Is a Pi Phi Symphony."

EMMA HARPER TURNER MEMORIAL FUND COMMITTEE

"Remember the Golden Arrow, the Wine and Silver Blue"—

Each year the committee of the Emma Harper Turner Memorial Fund is privileged to hear about or meet some twenty-five or thirty loyal members of Pi Beta Phi. Yes, these are Pi Phis who have heard of the Fund, which was established from the interest obtained from a fifty thousand dollar grant. The grant is loaned to chapter houses for buildings. Besides the interest, the Fund has been built by memorials, chapter gifts, alumnae club gifts, and interested Pi Phis.

The maximum amount given to any one person in one year is two hundred dollars, which may be paid monthly, quarterly, or at once. It is a gift, not a loan. Perhaps you know of a Pi Phi whose life could be brightened, or made more useful if she had a few extras. All gifts are reviewed

and sanctioned by the Grand President. We have nine active cases this year; all our information is confidential as to names, unless the desire of the recipient is otherwise.

Have you neglected to visit some Pi Phi who could be made happier by new glasses, a hearing aid, a last quarterly payment in Nurses' Training, telephone, magazines, books, or regular visits of a florist or taxi cab? If you have, write our committee, let us have the information and we'll do the rest.

Our purpose is to preserve the dignity of both donor and recipient by "gracious giving, not charity."

We are deeply grateful to the members of Grand Council for the privilege of serving our beloved Fraternity in this way.

LILLIAN FARRINGTON McNAUGHT

COMMITTEE ON CHAPERONS

The past year has been an active one for this committee though perhaps not as busy as the preceding year when new chaperon materials were first being organized. The chaperon application blank has had singular success and a new printing has become necessary. Early last fall both

chapters and Advisory Committees received mimeographed notebook pages containing suggested procedures governing chaperon employment. It is hoped that having this information at hand will assist chapters as questions arise. The employment terms blank has been in tentative form

this year, and the chaperon committee wishes to express its sincere appreciation for the many excellent suggestions that have been made toward a much-improved revision.

In the spring a letter of appreciation was sent to all Pi Beta Phi chaperons; enclosed were brochures on the 1956 housemother conferences at Purdue University and the University of California at Berkeley. Chaperons who had never filled out an application blank for the fraternity were asked to do so this spring. Most of these (but not all) have been received. Also in the spring a special letter was sent to Advisory Committees explaining the use of the new chaperon materials.

A survey on social security coverage for chaperons and contract forms used by chapters for chaperon employment was made this year. The questions were directed to Advisory Committee Chairmen of the 69 chapters having chaperons. It is believed that those participating in the survey will be interested in the results. 52 reports were received. Of this number, 46 chapters have social security coverage for their chaperons and 6 do not. 19 chapters

use oral contracts, with 4 of these using the fraternity statement blank in addition. Fourteen chapters are required to use a university contract—either in a situation where the university directly employs the chaperon or in one where a university-provided contract form is required usage. Nine chapters use legal documents. Six chapters use the fraternity statement of employment terms blank, inserting specific terms to fit the local situation. Four chapters use "chapter" or "written" contracts, the exact form not being clarified. There seems to be no traceable pattern according to various sections of the country, nor any according to size of campus or chapter.

One chaperon change was made at mid-year and fourteen known changes will become effective in September. The committee's contacts this year have been varied and interesting. Appreciation for the fine cooperation extended by the Grand President, the Grand Secretary, Alumnae Advisory Committees, and chapter Corresponding Secretaries is sincerely expressed.

HELEN MOFFETT RUSSELL, *Chairman*

PUBLIC RELATIONS COMMITTEE

During the past year, we spent considerable time preparing publicity Do's and Don'ts for our chairmen. The format was compiled after many consultations with editors, and after reviewing our own efforts from both sides of a society desk . . . holding it down, or deluging it with copy. Chairmen have reported on the helpfulness of the Do's and Don'ts, and I wonder whether they should be reminded to pass them along to their successors. Or does the Council think that they should be reissued regularly?

Do you realize to what extent visits of national officers are many clubs' big stories of the year? For that reason, it would be of great assistance to publicity chairmen if you

would forward to them these things in advance:

- 1) one or two glossy prints . . . at least 8 x 10
- 2) a schedule of your itinerary before and after visiting their city
- 3) a definite statement of the topic of your speech or the purpose of your visit.

Although I still feel like a sophomore spoke (rather than a senior wheel . . . or even a junior hub . . .) in the panels of Pi Phi experts, I find public relations possibilities always provocative.

BEATRICE ROEHM MILLER

CENTENNIAL FUND COMMITTEE 1955-56

Last year's aim was to acquaint all alumnae with the proposed Centennial celebration in 1967. This year's goal has been to contact all active groups, so that they, too, may have a part in working toward a living memorial to the forth coming Centennial anniversary of the Founding of the fraternity.

During the summer each member of the committee was given a certain area, or number of states, to contact either by word of mouth or by writing groups and individuals in her area.

Province Presidents and Province Vice Presidents were sent letters explaining the whole project and urging them to promote the idea through their visits to chapters and alumnae groups.

Exchanges of ideas among members of the committee were promoted through letters, both personal and uniform.

Mrs. Walter M. Clark of the Northern New Jersey group has acted as secretary for the committee this year.

Miss Elizabeth Johnson, our treasurer, will represent the committee at convention, and will be available if any persons have any questions concerning the Fund.

On March the first all active chapters and alumnae groups, along with Province Presidents and Province Vice Presidents, were sent a letter from the committee, through Central Office, again explaining the purposes and aims of the project.

This year our special honoree, on whose behalf we contributed to the Centennial Fund, was Margaret Campbell.

Many thanks go to all of you who have contacted any other Pi Beta Phi who has not known about the project. All of us have felt, through individual participation, each one will feel the challenge and will have the real spirit of our philanthropic goal.

The Centennial project is in addition to our other projects and especially Settlement School work, which will

always have first place in our hearts.

There must always be pioneers. All of us can be pioneers and contribute each year for the next ten, to the Centennial Fund so that our founding may be commemorated in an appropriate manner.

CANADIAN PROJECT COMMITTEE

The Pi Beta Phi Canadian Project is now two years old. This altruistic project is a loan fund available to students in the field of social service attending Canadian universities. The way the fund operates is this: the various Pi Phi chapters and alumnae clubs in Canada make a yearly contribution to the loan fund and the moneys so collected are allocated to the various schools of social work in Canada. Loans are made interest-free to graduate students requiring financial assistance to complete their studies or to meet emergencies.

At the outset, we should like to say that in Canada we have five active chapters and eight alumnae clubs, and there are eight schools of social work connected with universities across the country.

Our report will deal with the following aspects of the Canadian loan fund:

- (1) History of the project
- (2) Administration
- (3) The service it has rendered to date

First, a word about the history of the Canadian project.

It had been felt in Canada for some time, particularly since World War II, that Canadian Pi Phis should establish some distinctly Canadian philanthropy, comparable on a limited scale to Settlement School. Such a project would have a unifying effect upon Pi Phis in Canada and would create favorable public relations for us as a fraternity.

Early in 1951 the Toronto Alumnae Club conducted research into various philanthropies which might be undertaken and they set up at the University of Toronto School of Social Work a loan fund on an experimental basis to test its usefulness. Lengthy correspondence then took place amongst all the active chapters and alumnae clubs in Canada to receive comments and further suggestions. In 1952 at the Pi Beta Phi Convention in Houston we obtained approval to establish a project in Canada, its nature to be agreed upon by active chapters and alumnae clubs in Canada.

By early 1954 it was agreed by virtually all clubs and chapters that the loan fund would be the form which our Canadian project would take. The scheme was enthusiastically endorsed at a meeting of the Council of Social Work Education in Washington in January, 1954, attended by representatives of all Canadian schools of social work. The plan was put into motion in June, 1954 and has therefore been functioning for two years.

Second, a few comments about its administration.

It was essential in our choice of a project that it be one that is easy to administer. This the Loan Fund is, for we merely supervise collection from the clubs and chapters and distribute the funds to the eight Canadian schools of social work, and the schools themselves study the individual applications for loans and decide on the terms of repayment. In this way our capital will remain intact, subject to repayment of outstanding loans, so that if at any time in the future we should choose to divert the fund to some other purpose it can be done with facility.

The Pi Beta Phi Canadian Loan Fund is administered by a management committee of three; one represents the Maritime area or Eastern Canada, another the Central area, and a third the West. This committee selects its chairman.

Third, let us examine the service rendered by the Loan Fund to date.

The total sum contributed by clubs and chapters over a three-year period is just under \$5,000. In 1954, the first year the Loan Fund was in operation, a total of \$2,140 was donated by Canadian Pi Phis. In 1955 an additional sum of \$1,188.90 was collected and in 1956 the sum of \$4,838.40. Each year these amounts were divided amongst the eight schools of social work on the following basis: one-half of the fund was divided equally, the other half was divided amongst the schools on the basis of student enrollment.

In 1954-55, the first year of operation, the schools of social work made 11 loans in sums totaling \$1,420.00, the individual loans ranging from \$50 to \$270. In 1955-56, the year just completed, 17 loans totaling \$1,867.50 were made to students. In all cases the need seems to have been genuine and the student worthy. For example, two newcomers to Canada were granted loans by the University of Manitoba and in each case the recipient had previous degrees from European universities and was in great financial need; at the University of Montreal two students were able to finance their studies by receiving loans from the fund; at the University of Toronto a student received \$50 to meet emergency expenses.

Throughout the two years of operation we have received letters of gratitude from all schools administering the loans and several have congratulated the fraternity on the interest and initiative shown in starting the project.

In conclusion may we say that quite apart from the tangible benefits accruing to the public through the loan fund, we Pi Phis in Canada have been unified and stimulated to a degree unequalled in the past through the correspondence and contact incidental to the administration of the project. Because we have a vast country our clubs and chapters are few in number and are widely scattered, we do have the need of a tangible focal point of interest. This the Canadian project has provided.

MANUALS COMMITTEE

The position of Chairman of the Manuals Committee is a very new one, having been added to Pi Beta Phi's Committee structure following the 1954 Convention. The less-than-two-years' period since then has included much reading and research on the part of the chairman to fully acquaint herself with fraternity regulations and the overall Manual set-up. Actual accomplishments may seem few, but they represent the expenditure of considerable time and effort.

The major task has been the revision of the Province President's Manual, enlarged and re-arranged, in larger form, including various duties and suggestions that have grown out of experience since the former Manual was published.

The Fraternity Study and Examination Manual has been revamped, the manual as such to serve only the members of the Committee, with all regulations and duties of chapter officers in regard to fraternity study and both pledge and active examinations inserted in the regular chapter officers' manuals. Pages for the chapter president, vice-president, pledge supervisor, and the Alumnae Advisory Committee have been mailed to these officers this past year to be inserted in their manuals.

The Transfer Manual has also been changed—with no manual as such, since the committee consists only of a chairman, and with pages drafted for the chapter president, vice-president, and corresponding secretary to insert in their manuals, showing the responsibilities of each officer

in regard to transfers and affiliates. An attempt at clarification by defining the terms "transfer" and "affiliate" has been included in these pages.

Work now in progress includes a new Awards Manual, additional pages for some of the other officers' manuals, and an outline for a new Alumnae Advisory Committee Manual. A card file is being made, showing each subject mentioned in the various manuals with the name of the manual and the page on which each subject is mentioned. This file serves as a reference, and helps greatly in locating places in manuals that need revision whenever a change in procedure or regulation is made.

Since the work of this Committee was a new venture and there was no tradition or routine from the past to serve as guide, the activities to date have included much conferring with the Grand President and other officers on committee chairmen whose duties were involved in the manuals being revised. The experience gained in these two years has shown unlimited possibilities for future work, the major problem being one of deciding what is the most important, and completing that project before additional fraternity progress makes it outdated.

The privilege of serving Pi Beta Phi is always a cherished one, and the Chairman of the Committee on Manuals has thoroughly enjoyed the opportunity to be a small part of this exciting fraternity world.

MILDRED ODELL SALE

Reports of Province Presidents

ALPHA PROVINCE PRESIDENT

The year began for Alpha Province with the Chapter Presidents' Workshop in Boston, Massachusetts. Seven chapter presidents and four pledge supervisors met together for consideration of the major phases of fraternity work. Material used at our National Workshop in Gatlinburg served as a guide for the discussion. There was also an exchange of ideas for pledge projects, rushing techniques, party plans, and songs, with each chapter contributing to the display of materials.

Maine Alpha was awarded the Vera Moss Bowl for the greatest improvement. Maine Alpha's Lois Ann Whitcomb was awarded a Harriet Rutherford Johnstone Scholarship. The Amy Burnham Onken Award for the Province was given to Maine Alpha's Mary June Renfro and Elizabeth Buzzell of the same chapter was presented the Portland Maine Sophomore Award. Other nominees for the Amy Burnham Onken Award were Jeanne Nettleton of Connecticut Alpha, Charlotte Rahaim of Massachusetts Beta, Carol Vincent of Nova Scotia Alpha, Barbara Eisty of Vermont Alpha, and Jane Stickney of Vermont Beta.

Scholarship has been emphasized by the chapter scholarship chairmen, National Chairman Marie Wever, Assistant Chairman for Canadian Chapters Helen Allan, Province Supervisor Miriam Doane, and members of the Alumnae Advisory Committees. The first semester of this academic year Connecticut Alpha, Maine Alpha, Nova Scotia Alpha, and Vermont Beta placed first in scholarship; Massachusetts Beta placed second; Vermont Alpha placed third; and Massachusetts Alpha placed seventh (of 16 groups). The scholastic attitude is excellent and there will undoubtedly be a continuation of superior achievement in this endeavor.

Rushing resulted in the pledging of 128 girls. There are 416 members and pledges in Alpha Province. Chapter size varies from 29 to 82 with membership limitation on all campuses. Rushing parties have been simplified on most campuses with emphasis on getting to know the rushees. Several Panhellenic plan summer rushing parties in various centers in this area.

Certainly our fraternity commands a position of respect and esteem in the northeast. Members of Pi Beta Phi have obtained more than their share of honors on every campus. New members of Mortar Board are Elizabeth Berwind, Ellen Chadwick, and Beverly Klamt of Con-

necticut Alpha; Nancy Colbert of Massachusetts Beta; Priscilla Noble of Vermont Alpha; and Sandra Waugh and Marilyn Falby of Vermont Beta. Frances Roderick and Lois Whitcomb were elected to All-Maine Women, an organization similar to Mortar Board. Additional honors include 54 departmental and other honoraries, nine editors of publications, six class officers, 14 campus presidents, five campus vice-presidents, 11 queens, cheerleaders, members of drill teams, drum majorettes, and active participation in sports, drama, and musical organizations. Recently Connecticut Alpha received the Scholarship Trophy for first place in Scholarship, the Scholarship Improvement Tray for the greatest improvement in Scholarship, the Panhellenic Activities Award for the fifth consecutive year, and the Trophy for the most outstanding sorority at the University of Connecticut. Maine Alpha was awarded the trophy for first place in scholarship. Patricia MacDonald of Massachusetts Beta won the Burnham Declamation Contest and was the only girl in the finals. Sandra Strong, a Massachusetts Beta freshman, won the Panhellenic Declamation Contest. Elizabeth Dustan of Nova Scotia Alpha was presented the Panhellenic Award which is given annually to the most outstanding freshman at Dalhousie University. Lee Hall, a Vermont Alpha junior, was chosen Junior Marshall by the senior class at Middlebury College and led the procession at graduation. Vermont Beta's Patrick Kolk received a Fulbright Scholarship and Assistantship.

The sixtieth reunion of Massachusetts Alpha at the Algonquin Club in Boston in March was attended by a large number of actives and alumnae. Active members participated in the beautiful candlelighting ceremony and provided music for the occasion with President Barbara Rice as piano accompanist.

This has been a wonderful year but next year should be better for Alpha Province and Pi Beta Phi. It has been an enjoyable experience and a privilege to have served as Alpha Province President and to have had the opportunity to work with the active chapters and the Alumnae Advisory Committees and I wish to express my appreciation for their excellent co-operation. I am also deeply grateful to the members of Grand Council for their encouragement and invaluable assistance.

GLADYS LEE WESTCOTT

BETA PROVINCE PRESIDENT

Annual reports, like aerial photographs, furnish a comprehensive view, but not the interesting details of a close-up. I wish space permitted a complete picture of each chapter in Beta Province so that every alumna could feel the same interest and pride in these chapters that I feel.

In early September, the Workshop for Chapter Presidents was held at Lake Mohonk near Poughkeepsie, with the six chapter presidents attending. Two days and nights of intensive work in chapter functioning and leadership training, laid the foundation for the year, and were of inestimable help to the officers and the Province President.

The new Beta Province added the chapters at Syracuse, St. Lawrence, and Cornell to the Pennsylvania chapters at Bucknell, Dickinson, and Penn State. In November, I had the pleasure of visiting the Pennsylvania chapters for the first time and thoroughly enjoyed my new contacts. My other chapter visits were made in April, while Mrs. Mansfield made her visits in the alternate semesters and gave the girls much inspiration and help.

New York Delta moved into its beautiful new home after Christmas. The house is a three-story brick building of modified Colonial design, that can house forty girls. The spacious living-room opening onto a patio has a view of the mountains and a glimpse of Lake Cayuga. When the last details of the house are finished and the landscaping done, it will be one of the finest houses on the Cornell campus, and will add to the prestige of the chapter and its alumnae. The dedication took place on May sixth and the chapter was honored to have Mrs. Wild attend and take part in the simple ceremony, which was followed by a reception for faculty and townspeople.

New York A and New York F made extensive installations to comply with New York State fire protection laws. Both houses are in good condition. New York A finished off its basement chapter room with wall board, making a more attractive place for meetings that can double as a study hall. New York F is also making a suitable study room in the basement. The Pennsylvania chapters do not own houses. Pennsylvania B has a suite in Harris Hall as do

other nationals. The large chapter-living-room was beautifully redecorated with the help of the Northern New Jersey Alumnae Club, while the Harrisburg-Carlisle Club plans to help the girls of Pennsylvania Γ with the upkeep of their apartment and presented the chapter with a check on Founders' Day. It is wonderful for Alumnae Clubs, not in college towns, to "adopt" chapters, if only to the extent of giving them help on some of the extras that chapter budgets don't permit. Pennsylvania E, one of our baby chapters, will not have a chapter home until the fall of 1957 when the new women's dormitory is completed and a suite will then be available. In the meantime the chapter has to make use of the college lounges for entertaining and a basement room for chapter meetings. In spite of handicaps this chapter is doing very well in competition with twenty-one other nationals. I enjoyed every one of my visits and appreciated the hospitality so cordially extended by each chapter.

Sincere thanks are due Mrs. Common at Syracuse, Mrs. White at St. Lawrence, and Mrs. Frey at Cornell for their splendid care of the girls in the chapter houses. The nutritious meals that they plan and their concern for the welfare of each girl make them a beloved and integral part of each chapter. How happy we are that they will be back another year!

Only New York A and Pennsylvania Γ now have early rushing. All other chapters rush in second semester and all have quotas established by Panhellenic. The chapters, without exception, were pleased with their rushing success, and my impression of the pledge classes was so favorable that I predict good years ahead. All chapters appreciate the help of alumnae in sending names of desirable girls and in returning recommendations promptly. The time available for getting recommendation is often short.

Scholarship results at the end of the first semester showed definite improvement in four chapters. Penn Gamma remained in second place and NY Delta had no comparative rating. Pledge averages forecast good marks, and chapters that have been willing to raise pledge average requirements, or to screen more carefully for marks, have been happy with the results. The Scholarship program has been greatly strengthened by the steady help of Betty Glass, Province Supervisor, and the extra attention of Clover Johnson, National Assistant, whenever it was necessary.

Every chapter in the Province contributed to Settlement School, Holt House, and the Scholarship Fund; and Penn B and Γ also gave substantially to the Centennial Fund. Total contributions were \$313.56.

It was my pleasure, during my New York visits, to present the Amy Burnham Onken Award to Mary Lynne Miller of New York A. Other nominees were Barbara

Direnga of New York Γ, Marilyn Steffen of New York Δ, Jean Wirths of Penn B, Carolyn Menin Hoppe of Penn Γ, Fay Holden of Penn E. For the Chapter Service Award, Alumnae Advisory Committees named Annette Manzella of New York A, Barbara Direnga of New York Γ, Marilyn Steffen of New York Δ, Carla Pieper of Penn B, Mary Antes of Penn Γ, and Betty Bickel of Penn E, who was the winner for the Province. In honoring these girls, Chapters and Advisory Committees have expressed appreciation for their outstanding service to college and fraternity.

The chapters are taking an increasingly active part in campus activities and are making a creditable contribution to their colleges in service and leadership as well as contributing to the social life of the campuses. This was attested to by every Dean. I wish I might include in this report the list of honors for each chapter that I sent so proudly to Grand Council. I will mention that there were 6 members of Phi Beta Kappa, 2 of Phi Kappa Phi, 11 Mortar Board or equivalent, 4 Omicron Nu, 9 listed in "Who's Who," 5 Queens or Sweethearts, 4 winners of Panhellenic Awards, and a goodly number of representatives in class and college elective officers.

Alumnae Advisory Committees have given me excellent co-operation and it has been a pleasure to work with these Pi Phi friends who are giving guidance to the active chapters. May I tell them again how much I appreciate their service to the chapters and their kindness to me? Two members will be attending Convention. I wish every Committee could have a representative.

My four years as province president have given me not only the privilege of counseling and the joys of working with college girls, but also delightful contacts with Pi Phis of all ages, with Province Officers from all parts of the country, with Janet Patton and Central Office, with Deans of Women, and with Chaperons. They have given me an understanding and appreciation of the time and thought and physical energy given to the Fraternity by members of Grand Council. For their wise guidance and consideration of the best interests of all Pi Phis, I am truly grateful, and especially for the friendly understanding, the fairness, and the unflinching assistance of Mrs. Wild. Her letters have been a guiding light and a source of inspiration to me and to the chapters. I shall always feel a personal interest in the progress and achievements of the chapters I have known, and I leave with them my warmest wishes for their continuing success and happiness. I am experiencing all the regrets of the graduate, but these are tempered by the thought that Pi Phi friendships continue, and that my work as province president has added a rich experience to my life—and memories to be treasured for all time.

MARION KILLAM ARKLEY

GAMMA PROVINCE PRESIDENT

Working with the six chapters in Gamma Province this past year has been a most gratifying experience. It is with pride that I have watched all these chapters steadily progress and successfully reach the goals which they set for themselves at the beginning of the year. We started off the year with a most cooperative and informative Chapter Presidents' Workshop, during which all the delegates enthusiastically exchanged ideas and wrote copious notes for their reports to their chapters. I must commend all the chapters for their loyalty and cooperation and for their thoroughness in reports sent to me. Their confidence has truly been my source of inspiration.

Two chapters in the province received national honors this year. Ohio Alpha was awarded the Philadelphia Vase jointly with Indiana Delta and Ohio Delta received the Historian's Cup. A new award for the province this year will be the Clara E. Wyker trophy presented by the Pi Beta Phi Alumnae Club of Cleveland East, to the chapter in Gamma Province with the highest Standardization and

Survey Report rating. This award will be announced at Convention.

Ohio Eta was honored to have the Grand Vice-President, Alice Weber Mansfield, as their speaker at the Initiation Banquet. Her personal charm and graciousness endeared her to all who met her. Velva Shortz spoke at several chapter functions this year and again has proved herself a perfect ambassador of friendship and good will. I have enjoyed working with her. I had the privilege of attending the Founders' Day Banquet in Toledo the preferential rush party at Ohio Beta, and Chapter Loyalty Day in Akron. These functions were all delightful and the enthusiasm of these groups strengthened my love for the fraternity immeasurably.

Our Province Presidents' Workshop in Gatlinburg this summer was an experience I shall never forget. It was such fun to meet all the members of Grand Council and the other province officers and to share with them the common bond of working for the fraternity. I gained much

in knowledge and suggestions for improvement which helped me in guiding the chapters in Gamma Province. I made my chapter visits with confidence for I realized that all these girls were loyal friends, earnest and sincere in their endeavor to improve themselves and their chapter. We shared many wonderful times together, solving problems as well as having fun.

Ohio Alpha and Ohio Beta are busy with plans for enlarging their houses in the near future and Ohio Zeta is excitedly planning new decorations for the suite into which they will move next fall. The alumnae and the Mothers' Club of Toledo redecored the apartment for Ohio Epsilon this summer. Ohio Delta and Ohio Eta continue to take great pride in their lovely houses and do all the cleaning themselves. Ohio Alpha and Ohio Eta both have new housemothers this year. I would personally like to thank Mrs. Boright and Mrs. Ward, Ohio A, "Mom O.," Ohio Beta, Aunt Dee, Ohio Delta, and Mrs. "Mac," Ohio Eta, for their many untiring hours of service and affection to the girls and their loyal cooperation with me.

Rushing was very successful in the province this year and the chapters were most appreciative of the work done by the alumnae, the advisory boards, and the Recommendations Committees, without which they could not function successfully. There were 161 girls pledged to chapters in Gamma Province this year. Good pledge training and constant incentive have helped in the many honors won by Pi Phi in activities on campuses.

Gamma Province takes pride in its scholarship record. Of the six chapters, only one is not in first, second or third place on campus. We have many members of Phi Beta Kappa and its equivalent, and several girls graduating with accumulative 4.0 averages. Much time and effort was spent on analyzing and improving scholarship programs and adding incentive through scholarship dinners, "Apple Polishing" parties, presentations of awards for outstanding achievement, and honors for individual merit. I wish to express my gratitude to Eve Gullum, our Province Scholarship Supervisor for her constant attention to individual chapter problems.

This year our chapters show 100% contribution to chapter projects. They have also been busy in fund raising campaigns for local philanthropies. Ohio Zeta has taken on the project of locating lost alumnae for Miami University. This is their Pi Phi Valentine to the university known as "Operation Search." All of the chapters held Officers' Instruction Workshops, some in the form of Retreats,

which helped not only to fully instruct chapter officers in their duties, but also to promote fraternity appreciation.

In activity participation, Pi Phi has again held many key positions in leadership on campus. Members of our chapters have been very active in Student Government, departmental honoraries, athletics, dramatics and music, publications, religious organizations and class offices. We had many queens and court attendants, Homecoming honors, presidents of Panhellenic Councils, YWCA, WRA, Mortar Board, and other honoraries as well as members in Who's Who in American Colleges and Universities, and many other offices too numerous to mention. It is truly gratifying to hear the Deans praise the fraternity and individual members for their leadership and well set examples of principle.

The hardest decision I have made this year was the selection of the Amy B. Onken award province winner. We had six outstanding candidates: Marilyn Paulsen, Ohio Alpha, ABO winner; Sally Yearling, Ohio Beta; Tomsa Stewart, Ohio Delta; Glenda Anthony, Ohio Epsilon; Roberta Rogers, Ohio Zeta; and Barbara Werner, Ohio Eta. I congratulate them all, for they are representative of all the qualities of a true member of Pi Beta Phi.

I know that I speak for the chapters as well as myself when I offer my gratitude and appreciation to the Advisory Boards for their many hours of diligent work and loyal conscientious guidance of the chapters, to the Mothers' Clubs, the House Corporations, and the alumnae who have done so much for Gamma Province. And to my wonderful chapters—again goes my deepest love and appreciation for their friendship and confidence, their sincere cooperation and their loyalty. It has been a pleasure working with them.

Without the intelligent and understanding leadership of Grand Council, we of Gamma Province could not successfully function. Nor could we function without the help of Janet Patton and Central Office, the Province supervisors and the National supervisors and Committee chairmen. To each of you, may I offer my personal gratitude. And to Marianne Wild especially, goes my deepest affection for her understanding patience and guidance, and her ready help at all times. It has been a privilege to work with so many members so devoted to the fraternity and I hope that we have been of some small service to the fraternity at large. I am truly proud to be associated with this family known as Pi Beta Phi Fraternity.

LOUISE R. HOPKINS

DELTA PROVINCE PRESIDENT

The work in Delta Province has been both very rewarding and at the same time very enlightening for until we are on the inside, even if just on the rim, I think few of us realize the tremendous organization that our fraternity has become and how very efficiently it is run. All of us owe a real debt to our officers who give of themselves so freely and endlessly. I always like to get the unpleasant things over first and therefore I shall mention our weaknesses first and then pass on to our virtues. The greatest need in Delta Province is to improve the scholarship and it is a source of comfort to me to know that all the chapters are as greatly concerned as I am and are taking all possible steps to make the chapters as outstanding in this realm as they are in all others.

The other problem that has disturbed me is in some cases the lack of the best internal organization. Since the chapters concerned have started to work on this, I have been extremely gratified to have them write how much less apathy there is and how much more enthusiasm. What they have started, the experience and inspiration that their delegates will get from Convention will complete, I'm sure.

For the most part, this province is so activity-conscious that I sometimes wonder how there are enough hours in

the day. These activities range over an unbelievably wide area and show how all-round our Pi Phi actives are. In addition to many *Who's Who in American Colleges*, Phi Beta Kappas, and members of Mortar Board we are just swarming with May Queens, Court attendants, homecoming queens, beauty queens of all sorts and so many times the "scholars" are the "queens."

The winner of the Amy B. Onken award this year was Barbara Harvey, whose record at George Washington University reads like fiction. In addition to having held a full time job which enabled her to send herself through all her years at college she made Phi Beta Kappa, was president of Pi Phi and of Mortar Board and held more offices than I have space to write about. The other competitors for this award were Sandra Kessel, West Va. Alpha, Allison Merser, Va. Gamma, Patricia Terry, Virginia Alpha, and Ann Latimer, Maryland Beta. The chapters have made excellent selections in their delegates to Convention—girls who will both make contributions to discussions and bring back the maximum to their chapters. It has been very gratifying to me to see how maturely the presidents of the chapters, for the most part, meet and settle the problems that must inevitably arise from time to time. In groups ranging from 40 to 75 it takes

real ability and character to meet situations and I have been very proud of our Pi Phis. I'm sure the extremely careful selection that we insist on does pay off and it is evident that this is one of the fraternity's many strong policies.

Owing to the most unusual set-up in Williamsburg, Va. we have had difficulties getting enough alumnae who will "stay put" long enough to be of real value to the chapter, but for the time being anyhow this problem seems pretty well settled. If at any time Pi Phis are living in the vicinity please do get in touch with the active chapter.

Rushing went quite well in all the chapters, though on a couple of campuses Panhellenic is not as strong as it might be. National has sent one of its representatives down though with remedial suggestions and I trust great improvement will result.

In all my conferences with the Deans on the various campuses it was most heart-warming to hear the sincerely lovely things that they said about the chapters, and in not one instance did I get a complaint. That makes us feel that the girls are really living up to the ideals and standards set and urged by the fraternity.

EPSILON PROVINCE PRESIDENT

June, 1955: A new province with a new Province President. And thanks to two preceding Province Presidents, Mrs. Lewis O. Ward and Mrs. Floyd J. Arkley, the Michigan and Ontario chapters were so well-organized and self-sufficient that the transition was easily made.

First of all, the Officers' Workshop at Gatlinburg in June gave province officers, old and new, an opportunity to plan with Grand Council members for the coming year.

Then in the Fall, a workshop for chapter presidents of Epsilon Province proved highly successful and definitely worthwhile. Seven chapter delegates attended this workshop held at Dearborn Inn, Dearborn, Michigan, from August 31 to September 2. A final dinner party, followed by an informal discussion of Rushing, gave actives and alumnae an appreciation for each other's points of view. Mrs. Harlan C. Koch, Province Vice President, joined us for this affair as did several representative actives and alumnae from the Detroit area.

Soon after workshop, the school year began and four chapters had early announcements of splendid pledge classes. Ontario Alpha pledged 15 girls; Ontario Beta, 18; Michigan Alpha 19; and Michigan Beta 24. In January, Michigan Gamma pledged 23. Rush Captains deserve special commendation for the excellent planning which made possible these large groups of new members. In informal rushing later in the year, Michigan Alpha and Michigan Gamma pledged several additional girls, as allowed by their college Panhellenic rules.

In scholarship, Ontario Beta stood first of all sororities and fraternities at the University of Western Ontario; Michigan Beta ranked second among sororities at the University of Michigan. The other chapters in the province while not this high in rank were working under definite scholarship programs and both Michigan Alpha and Michigan Gamma raised their averages during the year. Ontario Alpha, like Ontario Beta, receives grades only on a yearly basis. Mrs. Gordon Scott, as Province Supervisor for the Michigan chapters, and Mrs. A. A. Allen, as Supervisor for the Canadian chapters, wrote letters each month containing suggestions and giving encouragement. Clover Johnson, Assistant to the National Scholarship Supervisor, was especially helpful to Michigan Alpha and the chapter appreciated her counsel.

In every way these chapters of Epsilon Province provide leadership on their respective campuses. Five Deans of Women were unanimous in their evaluation of the kind of girls who become members of Pi Beta Phi. They told me that these are the girls who aim high in scholarship; who hold responsible positions in campus organizations;

Another of the most striking features about the province as a whole is the wonderful caliber of the house-mothers in the Pi Phi houses who do so much to set and keep the tone of the houses. Everywhere courtesy, consideration, and cooperation were in evidence and a spirit of contentment and happiness. I apologize to all our national officers, and particularly to Marianne Wild for my many SOSes, for a file over a yard long and as many questions to be answered during the year made me call upon her far more than was comfortable but never did she show anything but patience, interest, and of course the inevitable solution. I'm indeed grateful.

The overall picture at the end of this college year shows marked improvement and presents a decidedly cheerful prospect. The girls have been unflinching in their consideration, courtesy, and their eagerness to remedy any faults. They and the officers have together made it a very happy year in spite of its being a very full and busy one. With the type officers and actives we have Pi Phi cannot help but go on to even greater heights.

MARY V. WILLIAMS

who maintain high personal standards; and who are poised, maturing young women.

Five seniors, candidates for the Amy Burnham Onken Award, were nominated by a committee in each chapter composed of active chapter representatives and alumnae advisory committee members. The enviable achievements of these girls made each one a deserving candidate for the province award. Louise Martin was nominated from Ontario Alpha; Helen Maki from Ontario Beta; Rosemary Abrams Rowe from Michigan Alpha; Jane Germany, Michigan Beta; and Patricia McDonald, Michigan Gamma. Chosen as Province Award winner and candidate for the national award was Helen Maki who, as chapter president, holder of the highest scholastic average in her college course, delegate elected to represent the University of Western Ontario for a seminar on the responsibility of higher education held last summer in Japan, and Queen of the University College Ball, represented the qualities of scholarship, chapter service, and activities. The province is proud of Helen as its candidate.

A chapter can be no stronger than its Alumnae Advisory Committee and the women who serve in this capacity for each chapter provide the continuity which is most essential to the strength of the fraternity. They are not ladies of leisure who take this responsibility lightly. Mrs. Russell Smith, AAC chairman of Michigan Gamma, takes graduate courses at Michigan State University, in addition to being the mother of several children; Mrs. V. Baselle of Michigan Alpha, Mrs. R. B. Scott of Ontario Alpha, and Mrs. K. Y. Sutherland of Ontario Beta have only the usual frantic twenty-four hour-a-day schedules and Mrs. Margaret Matteson of Michigan Beta holds an administrative position in the Ann Arbor school system. In spite of this, these women hold regular meetings of their Alumnae Advisory Committees; maintain close contact with the chapter and act as liaison between the chapter and the Province President. They have the long-range viewpoint, the steady influence, and the mature counsel to offer the active girls. Their importance to the fraternity organization could not be underestimated.

A new honor, given for the first time this year, was the Chapter Service Award. The recipient for each chapter was selected by the Alumnae Advisory Committee on the basis of her record of service to her chapter. Nominees were: Marilyn Goodall, Ontario Alpha; Jane Shippen, Ontario Beta; Patricia Aldridge, Michigan Alpha; Donna Netzer, Michigan Beta; and Janice Dempsey, Michigan Gamma. The Province Award winner was Patricia Aldridge, Michigan Alpha.

There are two unsung heroines who, along with the

Province Scholarship Supervisors mentioned above, deserve credit for their silent but efficient service. They are Mrs. John P. Newman, East Lansing, who is Province Supervisor of Fraternity Study and Examination, and Mrs. Ronald A. Featherstone, Royal Oak, who is Province Supervisor of Social Exchange.

Each chapter house reflects the charm and efficiency of its chaperon. These women who maintain the gracious atmosphere of a home are Mrs. Parker, Ontario Alpha; Mrs. Chapman, Ontario Beta; Mrs. Cummins, Michigan Alpha; Mrs. Anicker, Michigan Beta; and Mrs. Grill, Michigan Gamma. Their wise counseling makes them loved and admired by the girls under their care. Mrs. Anicker and Mrs. Cummins are initiated Pi Beta Phis and Mrs. Anicker is retiring this year after fourteen years at Michigan Beta.

During the school year the chapters of the province were visited by Mrs. James Speaker, Grand Secretary, and by the Province President. On these occasions, the chapter presidents are responsible for split-second timing of schedules and they do a remarkable job of fitting inter-

views, dinners, coffee-hours, Cooky-shines, and meetings into the limited amount of time. I know Mrs. Speaker joins me in mentioning our appreciation to the chapter presidents of each semester.

Mrs. Wild, Grand President, is special consultant to Province Presidents and we have concluded that she must certainly endorse the same cereal that makes Superman "super," for she is his feminine counterpart. Never too busy to write a note of encouragement; never too involved with the details of her job to keep her sense of humor; and most important of all, never taking herself too seriously. It is not only fun to know her but a pleasure to work with her.

June, 1956: One year later. A new province, but one year older; a new Province President, but one year wiser. With the cooperation of these versatile Pi Beta Phis of Michigan Alpha, Michigan Beta, Michigan Gamma, Ontario Alpha, and Ontario Beta, we are looking ahead to another rewarding year for the province.

MARGARET I. GARDNER CHRISTIANSEN

ZETA PROVINCE PRESIDENT

Zeta Province, the six chapters in Indiana, has an outstanding record this year which is due to each chapter's enthusiasm and loyalty for all things Pi Phi. All have made a sincere effort to be good chapters and all have cooperated in making this a successful year.

The Chapter Presidents' Workshop was held the first of September at the Indiana Delta Chapter House with the six presidents and four of the six pledge supervisors in attendance. The Workshop proved to be very interesting with the exchange of ideas, the thoughtful consideration of problems, and the ways and means to strengthen each chapter. This has been reflected in their progress during this year.

The Province was honored by the visit of the Grand President, Mrs. Wild, to Indiana Alpha, Beta and Zeta and the visit of the Grand Treasurer, Mrs. Moore, to Indiana Gamma, Delta and Epsilon. Their wonderful suggestions were an inspiration, much enjoyed and appreciated by the chapters.

Rush was the first order of business for Indiana Alpha, Gamma, and Epsilon. For Indiana Zeta which is on a quarter system, rush began in November, while at Indiana Beta and Delta rush took place at the beginning of the second semester in February. It was a successful rush with 128 pledged for the year.

Housing has remained the same this year but changes are in prospect for Indiana Alpha and Indiana Zeta. There will be new suites in the new dormitories for them. These new buildings are to be completed by next fall. Some very lovely new furnishings and equipment have been added to the chapter houses keeping them up-to-date and in tip-top condition.

Much time and effort has been spent on scholarship. The programs have been varied but all planned with the

aim of assisting chapters in maintaining or raising the grade average. A goal was set at the Chapter Presidents' Workshop, "Every Chapter in the Upper Third" and at this point I am very happy to report every chapter is in the upper third.

Activities continue to be all important to the chapters. Each has an enviable record. This combined with their scholarship record makes one indeed proud.

Barbara Peterson, Indiana Epsilon, received the Zeta Province, Amy Burnham Onken Award. Other outstanding girls nominated by their chapters are, Indiana Alpha, Elizabeth Richardson; Indiana Beta, Carol Hudson; Indiana Gamma, Judy Woolgar Wilson; Indiana Delta, Barbara Davies; Indiana Zeta, Berta Irwin Pickard.

The Indiana Cup Award presented by the Indianapolis Alumnae Club was won by Indiana Beta. The Sophomore Award given by the Southwestern Alumnae Club went to Carolyn Beasley of Indiana Epsilon. The awards were made at the State luncheon on Founders' Day, April 28, in Indianapolis with some 575 actives and alumnae in attendance.

To the Alumnae Advisory Committees, I want to extend my appreciation and gratitude for their untiring service. Their guidance and leadership has been reflected in the excellence of the chapters.

As another college year draws to a close I would like to express my appreciation to Mrs. Wild, our Grand President, and to the other members of Grand Council for their assistance and inspiration. To the chapters, I again say "Thank You" for your hospitality, your cooperation and your wonderful friendships. It has been an honor and a privilege to serve Pi Beta Phi and to have shared in the happiness and success of these six fine chapters of Zeta Province.

JOSEPHINE ROGERS WARD

ETA PROVINCE PRESIDENT

This has been an interesting year as a new officer in a newly formed province and it started off with the inspiration received at the Province Officer's Workshop at Gatlinburg and continued with the enthusiasm engendered by Chapter President's Workshop held also in Gatlinburg. To most of those in the latter group, it was a new experience and thrill to see our School. The Staff gave us a tour of the various buildings and entertained us very graciously in the Staff House.

The chapters' mutual problem was one of scholarship so this was discussed thoroughly at Workshop. Results this year have shown improvement and much credit goes to Polly Fessey, Province Scholarship Supervisor, for her

efforts in offering encouragement and suggestions for improvement. The Scholarship Chairmen have worked diligently but without the individual effort of the members the degree of success couldn't have been achieved. Kentucky Alpha and North Carolina have come up to first place and Tennessee Beta and Tennessee Gamma are in second place. It will take continued and additional effort to maintain and improve this record.

Chapter visits were highlights of the year with two being made in November and the rest in the spring. North Carolina Alpha has added to its house and completed extensive redecoration which gives them increased space for housing and entertaining. The other chapters have re-

decorated their quarters or have projects pending for this year. The personal contact with the chapters added greatly to the pleasure of the office and gave a better opportunity for understanding the personality and problems of each group. It was gratifying to see their efforts being rewarded by recognition and honors too numerous to mention. The Kentucky and Tennessee Chapters were honored by a visit from Virginia Speaker, Grand Secretary.

Mollie McNamera, Tennessee Beta received the Amy Burnham Onken Province Award and the other candidates were: Peggy Ballard, North Carolina A, Ann Altvater Jervey, North Carolina B, Louise Keller, South Carolina A, Ann Yates, Tennessee A, and Nancy Jo Wernert, Tennessee F. This was a most difficult decision to make as each girl was very outstanding and representative of the high ideals of the award. The Province Candidate for the Chapter Service Award is Jane Driskill, Tennessee F. The Memphis Sophomore Award was won by Lucy Hatmaker, Tenn. F.

Rush seasons were successful throughout the Province, resulting in good pledge groups and subsequently a good percentage of new initiates. When I visited Tenn. A in March, they had just held initiation and had no pledges left at all. South Carolina A was anticipating theirs the following week. The wide variation in rushing regulations

from pledging the first week of school for Ky. A to "prom-isees" not pledged until January at Tenn. B makes comparisons hard but in spite of these differences we managed to add more good Pi Phis to the rolls.

Interest in activities has accelerated with outstanding results both individually and as a group. Especially in the musical line have the chapters excelled and have gained pleasure as well as honor by doing so. Emphasis has been on trying to find the interest and talent of each girl in selection of activities and the success in the varied fields indicates accomplishment. South Carolina A and Tenn. A were invited to appear on local TV programs because of their success in campus competition.

As the year comes to a close with the inspiration of Convention yet to come, I wish to express my appreciation to all those who have helped and cooperated with me. My special thanks go to Marianne Reid Wild, our Grand President, for her guidance and to the members of Grand Council for their gracious assistance whenever needed. To the Chapters of Eta Province, and their Alumnae Advisory Committees go my deep appreciation of your hospitality and enthusiastic cooperation. It has been a privilege to serve as your Province President.

MARY FRANCES PIRKEY

THETA PROVINCE PRESIDENT

A new name and a new president came to the province at the same time. Zoe Saunders James resigned so that she might devote full time to a future Pi Phi legacy; the arrival of "David" changed some of those plans, and fortunately she has continued to give generously of her time and her interests to the fraternity. In her capacity as supervisor of Scholarship, she has been of great assistance to the chapters; the work of the new officer has been made easier by her guidance, and we take this opportunity to express appreciation.

The Workshop at Panama City, Florida, in late August was attended by five presidents, three pledge supervisors, and one vice-president. The program was planned around officer training, development of leadership, and pledge training, and quickly evolved into the fact that all of these things should begin with the selection of rushees. Scholarship rating in high school was considered a prime factor. It seemed as though all sessions became periods for discussion of scholarship, and as the year passed, this fact was borne out by the improvement throughout the province. Discussion of mutual problems was a help to all; the opportunity to learn effective programs in other chapters was of great value; Pi Phis living and working together are an inspiration to anyone, and it is the ideal way for a new province president to initiate her duties.

Chapter visits in October, November, and early December were wonderful experiences. The schools in the province vary widely in make-up—three large state universities, two denominational ones, and one small private college—and the chapters vary accordingly. All have one thing in common: they are Pi Beta Phis, and one anticipates and enjoys the same graciousness, the same interest, the same desire for improvement, regardless of the size of the chapter or the type of campus on which it is situated. Nothing could be more satisfying than the reaction of the Deans of Women on every campus: without exception, they made clear the fact that our chapters and our individual girls were leaders and could always be relied upon to live the ideals and carry out the program of the administrative officers.

It was a privilege to meet with the Alumnae Advisory Committees, and to leave each chapter secure in the knowledge that these women were there to guide them. During the year, there have been occasions to ask for help far beyond that contemplated as they accepted membership, and in every instance it has been forthcoming until situa-

tions were again in hand. The strength of a chapter reflects the strength of their AAC, and fortunate are those with good ones.

Scholarship is the "theme of Theta." Alabama Alpha leads, with announcement of first place for four consecutive quarters; Alabama Beta slipped from their coveted first to third, out of seventeen; Florida Alpha rose from fourth, out of five, to first, with one member tapped for Scroll and Key, Stetson's equivalent to Phi Beta Kappa; Florida Beta made the greatest improvement of all in their ascent from tenth to third place, and the pledges were first out of the sixteen nationals; Florida Gamma's rating is unknown as yet, due to the system at Rollins; Georgia Alpha advanced from fourth place to first, and as they did produced one Phi Beta Kappa and two Phi Kappa Phis. It is a record we are proud to publish!

Activities have been wide, varied, and intensive, with our chapters winning many firsts on campus. Homecoming Hostess, outstanding senior, winning floats, sweethearts, sponsors, beauty queens, head cheer-leader, and many other honors in every chapter. All chapters are represented in every field: student government officers, class officers, officers and members in honoraries, Mortar Board, The Honor, *Who's Who in American Colleges and Universities*, drama, music, publications, an Interfraternity Sing winner and a Swim Team won permanent trophy possession, a Borden Award winner, a Washington Semester winner, and a graduate scholarship award.

There have been no changes in houses and rooms but improvements made in many. Alabama Alpha redecorated their suite; Alabama Beta will redecorate and do some remodeling this summer; Florida Alpha's apartment was partially redecorated last summer, will be completed this year; Florida Beta continues to enjoy their beautifully remodelled and redecorated house, but plans improvement of their playroom; Florida Gamma is the only chapter dependent upon college action; Georgia Alpha returned to find the first floor of their gracious house repainted, re-rugged, and re-draped. In our houses, our House Directors give of themselves to make real homes for the girls. Georgia Alpha was fortunate when Mrs. Claude Goode decided to return to the south for she has aided them greatly. Mrs. Virginia Silver, at Alabama Beta, and Mrs. Helen Palmer, our only Pi Phi, at Florida Beta, continue to create an atmosphere of gracious living.

Theta's Amy Burnham Onken Award went to Joanne

Motes, Florida Alpha. It was given with the knowledge that each nominee was worthy to receive it, but that of them all, Joanne Motes best typified Miss Onken's ideal of a Pi Beta Phi. Others nominated were: Carolyn Cox, Alabama Alpha; Patsy Ryan, Alabama Beta; Joan Tavel, Florida Beta; Kit Delaney, Florida Gamma; and Anne Hatfield, Georgia Alpha.

The Edythe Belton Tyler Award, made by a former province president to the outstanding junior or sophomore in a Theta chapter, was awarded to Patsy Pace, Alabama Alpha. The other nominees were Martha Jane Singletary, Florida Alpha; Ruth Ann Whittle, Florida Beta; and Katherine Coiner, Georgia Alpha.

The peak of Theta's year came with the visit from

Mrs. Wild. Years had passed since a Grand President had made official visits to this province, and to many actives the word meant an office, not a person. Her personal charm and fraternity knowledge brought a new conception of Pi Beta Phi to the chapters, and letters from them reflect the value of her visit. It will long be felt.

After twenty years of living far from a college town, and more years than one cares to remember away from a chapter, the province office was accepted with trepidation. I am grateful to all who have been so patient and so gracious with assistance: Mrs. Wild, members of Grand Council, Miss Patton, and many others; and especially to my own Alumnae Advisory Committees, actives, and pledges. It has been a wonderful year, I have enjoyed every experience and each contact; I have learned many things, but none so important as the old one that was re-learned: neither locale nor passage of time is of consequence to those of us who wear the golden Arrow—we are joined together by the strong bonds of our glorious Pi Beta Phi Fraternity.

MARJORIE ATLEE PARKS

IOTA PROVINCE PRESIDENT

Gatlinburg in the summer; flame azalea and white rhododendron; the Little Pigeon cutting through the magic carpet of green that surrounds the Settlement School; Grand Council meeting; and the pride of being part of the official family as the officers meet to report, deliberate, and plan for the year ahead.

It was my pleasure to represent the fraternity at the Panhellenic luncheon of the national convention of Pi Kappa Sigma in Highland Park, Illinois in August.

Our province year started with the Chapter Presidents' Workshop held at the Orrington Hotel in Evanston in September. All chapter presidents and pledge supervisors attended and the small intimate group allowed excellent concrete help to be given to individual chapters. New worlds of ideas and information opened for some delegates, others found other chapters to share their problems and help in finding the answers.

Fine groups of pledges were acquired through the fall, and careful selection of good students assured a high percentage of initiation. Throughout the year, chapter mechanics have improved and contacts have been much more efficient with only six chapters in the province. Campus conditions and attitudes of administrations concerned toward the fraternity system have been reflected in the comparative strength of the Illinois chapters.

Scholarship has been the main concern of us all and the efforts of Lucille Lorimer Evans, supervisor, and Clover Johnson, assistant national chairman, have resulted in new ideas and aspirations throughout the state. Illinois Theta is the proud possessor of the Bradley Scholarship Cup, and Illinois Zeta and Illinois Epsilon are very high on their large campuses. There have been four elections to Phi Beta Kappa, two to Phi Kappa Phi.

Activities have put the spotlight on many Pi Beta Phis with nine elections to Mortar Board or its equivalent this spring. Campus leadership has been outstanding on every campus and the talents of our actives have found their ways into many fields. It is particularly significant and hopeful that a high percentage of sophomores have received recognition, locally.

The four chapter houses within the province are attractive, comfortable, and well kept. House mothers have taken good care of our girls and with regret Illinois Epsilon says goodbye to Mrs. Heilman and Illinois Zeta loses Mrs. Taylor. Pan Hellenic houses provide storage quarters and meeting facilities for Illinois Alpha and Illinois Beta-Delta. Holt House is enjoyed and, loved by all the Monmouth Pi Phis and its doors are swung wide for Cooky-Shines,

rushing, initiation, and campus open houses. Illinois Eta has an equal pride in the location of Central Office and its friendship with Janet Patton.

Alumnae Advisory Committees have been exceptionally vital and effective this year with contacts at a very high and encouraging level. Within the alumnae boards there has been a new awareness of chapter responsibilities and in turn their help to me and to the chapters has been outstanding. It has been a credit to both actives and alumnae that small problems have been reported before they became grave ones and solutions have been much easier.

Phyllis Elliott of Illinois Epsilon was the Iota Province winner of the Amy Burnham Onken Award. Other chapter nominees, each outstanding in her chapter and on her campus, were: Sara Jane Mears of Illinois Alpha, Erica Jung of Illinois Beta-Delta, Mary Hartray of Illinois Zeta, Yvonne Borchart of Illinois Eta, and Marlene Isgren of Illinois Theta. Barbara Jurim of Illinois Theta won the Chapter Service Award within the province.

With pride and pleasure, Illinois Pi Beta Phis entertained the Grand Treasurer, Olivia Smith Moore, in February and March. The amount of inspiration generated by her visits is immeasurable, and the resulting love and understanding of the fraternity on a national level will be felt in the province for a long time. My own chapter visits were limited to four and these were enjoyable and profitable.

Founders' Day was celebrated twice—with the Nina Harris Allen Club at a delightful luncheon and program and at the Chicago Area Council's annual luncheon in Chicago. I was proud of the entertainment and songs of Illinois Epsilon and happy that the province ABO award could be made to a member of that chapter with so many alumnae to applaud the honor.

Convention will present the climax of our year together and I am happy that all six chapter presidents will represent their chapters. At least one pledge will be specially initiated and many other actives will be on the special train to Pasadena.

My highest honor in Pi Beta Phi has been to be one of its province presidents for four years; my greatest pleasure has been my close association with hundreds of active and alumnae members; my special pride has been my personal friendship with the ladies of Grand Council and with Marianne Reid Wild, Grand President. My thanks in full measure go to all of these and most sincerely my Pi Phi love, as always.

ELSIE MURRAY HUBBARD

KAPPA PROVINCE PRESIDENT

Since my appointment as Province President of the newly created Kappa Province and thru working with the active chapters, the Alumnae Advisory Committees, our Grand Council, and our various national and province committee chairmen, I have gained increased respect and affection for an organization which I had previously held in extremely high esteem. It has been a distinct privilege to serve as Province President.

The task of creating a new Kappa Province from fragments of old Theta and Eta was begun with the Chapter Presidents' Workshop, which was held at the Calhoun Beach Hotel in Minneapolis, Minnesota, for two days in early September. Two representatives from each chapter were present for the workshop, all participated freely in the discussions, and both general and specific chapter problems were explored. Four of the delegates were later elected to serve as chapter presidents. Much of the success of this workshop is to be credited to the workshop held in Gatlinburg in June, during which a considerable amount of time was devoted to helping new province officers understand their duties and responsibilities.

In Kappa Province this year an attempt has been made to place emphasis on scholarship, social training, and activities in that order, but success has come in the reverse order. Our scholarship record leaves much to be desired, but most of the chapters have participated actively in many organizations and projects. Numerous fine honors have been received. Throughout the province there is an increasing interest and participation in Panhellenic affairs. Officer training has been exceptionally good this spring and new officers are of a very superior quality. All chapters are eagerly preparing for convention. Possibly the greatest weakness is in the area of fraternity education; an attempt is being made to alleviate this through better programs.

Chapter visits were all made in the fall and with few exceptions the chapters were found to be in excellent operating condition. The chaperons have done much to help our girls create a gracious atmosphere in their houses. Everywhere Alumnae Advisory Committee members are devoting much time and effort to their chapters—and the feeling of love and respect with which they are held by

the actives is inspiring. The four houses in the province are in excellent condition. North Dakota Alpha is overjoyed that its long hoped for addition is becoming a reality. Next fall Wisconsin Gamma will move into a suite in a very modern, new dormitory overlooking the Fox River. Manitoba Alpha has finally found permanent rooms and has been thrilled to unpack its possessions, most of which have been in storage since World War II. Financial conditions in all chapters are excellent, with Minnesota Alpha being ranked second in terms of financial stability by the administration. Wisconsin Beta was hostess to Wisconsin Alpha and Wisconsin Gamma for their Founders' Day observance.

Virginia Stone of Wisconsin Gamma is Kappa Province's nominee for the Chapter Service Award. Chapter nominees for the Amy Burnham Onken Award were Sally Dangerfield, Manitoba Alpha; Theo Ganschow, Minnesota Alpha; Carol Christensen, North Dakota Alpha; Darlene Weyers, Wisconsin Alpha; Jane Cavins, Wisconsin Beta; and Meridee Masterson, Wisconsin Gamma. Winner of the province award was Carol Christensen, chapter president, Phi Beta Kappa, Mortar Board, Women's Governing Board president, Who's Who, Grey Gown, in addition to being active in dramatics, publications, Panhellenic, YWCA, departmental honoraries, and practically self-supporting.

It was most gratifying to hear all the fine things deans had to say about our girls and their dependability. Much of the strength of our chapters seems to stem from the feeling of sisterhood of the members—from their desire and attempt to live in harmony with our initiation vows.

Without the complete co-operation and the loyal support of all the chapters, the advisory committees, and the various province supervisors, it would not have been possible to make such an enthusiastic report of province conditions. Most of all I am indebted to Marianne Reid Wild for all her encouragement, patience and guidance. In my opinion, conditions in Kappa Province are very acceptable and there is no cause to be too alarmed about any trends on these campuses at the present time. Serving as Province President has been an extremely rewarding experience.

MATILDA MARIS SEVERSON

LAMBDA PROVINCE PRESIDENT

The first gathering of the officers of Lambda Province was late in August, when we all took the "slow train to Arkansas" for our Workshop at Fayetteville, in the lovely Arkansas Alpha Chapter house. In spite of the heat, Workshop was inspiring and enthusiastic in spirit. We were honored to have Grand Treasurer, Olivia Moore; Province Scholarship Supervisor, Thelma Cox; and Province Supervisor of Fraternity Study and Examination, Frances Calvert, with us for various parts of the meetings. The Province Scholarship Cup was presented to Missouri Beta for their top scholastic rating in the province (as well as on campus) last year.

Rush seasons throughout the province were uniformly successful. All chapters have rush just before or during the first few weeks of school, although Arkansas Alpha is on a sophomore rush program instead of the usual freshman rush. Nearly every chapter in the province has had a number of drastic changes in rushing rules to be applied to rush for this summer and fall.

In the Fall I started visiting the chapters in Missouri and Arkansas, with the Louisiana trip coming just after the beginning of the second semester. It was indeed heartwarming to find, stronger than ever in chapter life, adherence to the ideals of Pi Beta Phi and a practical working out of those ideals as evidenced by the co-operation, loyalty and true friendliness found in every chapter. It was a happy experience to renew old friendships in the three Missouri chapters, and to make new friends in the other

three chapters. Missouri Alpha and Missouri Beta were the only chapters in the province this year to be honored by a visit from Helen Lewis, Director of Rushing and Pledge Training.

The scholastic record of the province, as it did last year, shows a wide range. Three chapters are in second place on their respective campuses; two are in the middle third, and one in the lower third. Arkansas Alpha, Missouri Gamma and Louisiana Alpha are the three chapters working toward the Province Scholarship Cup this year. There has been special emphasis this year in every chapter on working out scholarship programs that suit the varying conditions and needs within the chapter.

Actives and Pledges of Lambda Province have taken their places admirably in campus activities and college life in general, and their leadership has been recognized by many local and national honoraries. Eight Mortar Board (or equivalent) have been tapped this spring. Other leading honors were in sorority sings, homecoming events, musical skits, class officers, and queen and sweetheart honors. Every chapter has won its share of honors in an exceptionally fine year.

The outstanding characteristics and honors of chapter Amy B. Onken Award candidates made this decision one of the hardest jobs of the year. I was very pleased to be able to present the province award in person to Clare Harding of Missouri Beta. Other chapter nominees were Marilyn McDaniel—Missouri Alpha; Jeanne Bender—

Missouri Gamma; Sue Hampton—Arkansas Alpha; Ellen Griffen—Louisiana Alpha; Susan Ellwood—Louisiana Beta. Winner of the new Sophomore Award presented by the St. Louis Alumnae Club this year was Mary Ann McLaurin of Louisiana Beta. Province winner of the Chapter Service Award was Carol Ann Mullen Atteberry of Missouri Gamma.

Each chapter in the province contributed generously to each of the fraternity projects. A total of over \$570 was contributed to the three main projects, not counting the Centennial Fund. As well as national projects, all chapters have given liberal financial and service support to campus-sponsored projects and civic affairs as well as having their favorite special projects. Louisiana Beta raised over \$400 for the Cerebral Palsy Fund by giving a fashion show. Missouri Gamma spent a great deal of time working for the Crippled Children Fund Drive and the March of Dimes. Every Lambda chapter is making some contribution to community life and welfare.

Housing conditions within the province are constantly changing. Missouri Alpha has done some extensive redecorating in the living room and dining room. Missouri Beta's room in the Panhellenic Building has gone completely French Provincial—top to bottom and is most attractive. Missouri Gamma moved last fall from their apartment into rooms in a Panhellenic Building. With an Early American theme, and much more space, the chapter has had a busy year planning and adding new furniture. Arkansas Alpha has a lovely—but older—chapter house, and is

pinning all hopes on thoughts of a brand new house soon. The small bungalow of Louisiana Alpha is in the process of being entirely redecorated. Louisiana Beta, too, plans a new look for their room in the Panhellenic Building before Fall.

A special word of tribute to the chaperons in the province for their wise counseling and good housekeeping. Mrs. Dean Alt (better known as Aunt Elfie) is the new prize of Arkansas Alpha, having been with Kansas Alpha for the past seventeen years.

The Alumnae Advisory Committees have been an invaluable aid to me, as well as to the chapters. Co-operation has been splendid; service untiring and sincere. Their adult approach to campus problems has been a stabilizing influence within the chapter, and has given me valuable perspective. Efforts are being made toward a gradual change-over within the committee to include more alumnae participation, and yet retain continuity in work with the chapter.

The accomplishments and progress made this past year in Lambda Province have been most gratifying—making my work with the chapters a fascinating and rewarding experience. I would like to express my gratitude to everyone who has helped me this past year; my appreciation to members of Grand Council for their guidance and inspiration; and to all Lambda pledges and actives, my sincere thanks for your hospitality and your co-operation.

MARIANTHA JAMES WILLIAMS

MU PROVINCE PRESIDENT

Workshop officially started the year for our new Mu Province. The information gained at this group meeting, and study of procedures and policies of each chapter, along with the ideas exchanged, has helped to develop the local and national viewpoint. Our daily schedules for chapter presidents and pledge supervisors were full but the girls found time for recreation and fun and everyone enjoyed some relaxation in the attractive surroundings of the old Elms Hotel at Excelsior Springs, Missouri. The enthusiasm and friendliness of the girls at Workshop has continued all through the year and everyone has worked diligently to make this Province outstanding. All eight chapters have had a happy, successful and busy year.

The quota system which has prevailed on all but two of my campuses has limited the number of pledges taken each fall. Kansas Beta and South Dakota Alpha may bid as many girls as they are able to accommodate. The girls in other chapters have reported that the quota system has worked well and we have every reason to believe that it will continue. Some chapters prefer not to fill their quota immediately and take more time to consider the merits of the girls they could not know too well in the first short rush period.

Every chapter sent in reports of a successful rush season. Definite requirements for girls going out for rushing have excluded from the list those girls who might become scholarship liabilities. This ruling has helped greatly to cement chapter-alumnae relationships and freshman-sorority friendships. Girls who cannot be rushed understand why and so do the alumnae groups. I am convinced that schools which have this ruling have noticed an increased interest in and a desire for better grades among the fraternities. The new girls this year were selected for personality and talent in addition to excellent scholarship. Many fine girls were pledged to Pi Beta Phi in Mu Province. We have been proud of these pledges and all of their accomplishments.

Panhellenic booklets sent out from each school have contained much information for freshmen. All chapters have concentrated on the rushing rules and none of the groups were penalized in the major rush season. In my visits to the schools, I learned that the Panhellenic groups

are becoming increasingly stronger everywhere and there is a strengthening of relationships between all fraternities.

The scholarship achievement of Mu Province has been excellent and while I take great pride in it, the credit for this fine record goes to the girls individually. They have all co-operated with their chapters to reach the goals they have set for themselves. Our chapter scholarship chairmen have developed strong programs and have helped maintain the spirit of a responsibility toward superior grades. I wish space would permit me to list all of the individual honors received by our girls. In addition to the awarding of scholarship cups to the chapters, our honorary societies have recognized many outstanding girls, and they have been invited to membership. Everyone in our Province is indebted to Marie West Wever, our National Scholarship Chairman, and to Ann Horton Jeter, our Province Supervisor. Their inspiration and leadership has been a great help to all of us. Several of my chapters have been able to maintain their records for the second or third year. At the present time our scholarship record on each campus is as follows:

First in Scholarship on Campus

- Iowa Alpha for 4th consecutive year with 3 NPC fraternities.
- Iowa Beta for 2nd year with 4 NPC fraternities.
- Kansas Alpha for 3rd year with 12 NPC fraternities.
- Kansas Beta for 1st year with 8 NPC fraternities.

Second on Campus—Iowa Zeta with 13 NPC fraternities.

Third on Campus—Iowa Gamma with 11 NPC fraternities.

Fourth on Campus—South Dakota Alpha with 5 NPC fraternities

Fifth on Campus—Nebraska Beta with 14 NPC fraternities

Members of Pi Beta Phi on every campus in Mu Province have excelled in activities. Individual girls have accomplished unbelievable records, and chapters as a whole have been outstanding. Our fraternity can be proud of these members. They have participated in all of the worthwhile activities and their contributions have been wide spread. They are worthy of the praises which they have received from the Deans and college administrators. Chapters on each campus are held in high esteem for their evaluation of and concentration on citizenship, social standards and campus leadership. This past year I have noticed an increased interest in politics and the Mock Political Conventions have been spot-lighted. Spiritually the girls have

shown an admirable devotion to God and their churches through the "Religious Emphasis Week" program on the campuses and through the "Ember Services" at the chapter houses.

The latest information in my files indicates that Mu Province is 100 percent in contributions to Pi Beta Phi projects. The loyalty of each chapter to our fraternity nationally continues. The full academic schedule added to the participation in activities would seem to leave little time for community assistance. I am proud to report that Pi Phis in Mu Province have given countless hours to churches, children's homes and children's hospitals, and to local and veteran hospitals. In addition many girls have entertained patients at homes for the aged, P.E.O. homes and other community or state institutions. Many organizations have benefited from the unselfish thoughtfulness of our Pi Beta Phis. The girls have shown much interest in helping the foreign students on each campus and they have been welcomed at the houses for meals and parties. I was delighted to find that at holiday time the girls did not neglect the true spirit of Christmas.

There have been important events all through the college year and upon our fraternity calendar and the girls have taken part with our usual dignity. The early fall parties, the Homecoming weekends, and football games along with Dad's Day celebrations filled the weekends of the first term. The winter calendar contained the "Greek Week" events, the winter carnivals, the student musical productions and festivities, the musical events for bands, orchestras and choirs. Each school seems to have one outstanding all-college production and the students work on this throughout the year.

The chapter programs throughout the year have been well planned and I have been greatly impressed by the organization of the chapter program chairmen. Reports of their Loyalty Day and Founders' Day have reached me and I find that all of our Mu Pi Phis have satisfied the requirements of the fraternity nationally in their program planning. There has been an excellent relationship between our chapters and our Alumnae Advisory Councils. They have co-operated with their housemothers and have benefited from the associations of their Mothers' Clubs. All of their chaperons have been devoted to their chapters and we express our gratitude to them for all that they have given to Pi Beta Phi.

All but one of our chapters live in chapter houses, and this chapter, Iowa Alpha, maintains a small apartment across the street from the campus. This is used only for entertainment purposes and the girls all live in the college dormitories. Our Pi Beta Phi House Corporations have been efficient managers and I am pleased to report that each chapter is in a sound financial condition. A fine new addition was added to the chapter house at Iowa Beta last summer. It was started and completed within the summer vacation and was ready for their rush season in the fall. Their Building Committee is to be congratulated for the excellent management of this remodeling project. There is to be a new addition to the house at South Dakota Alpha which will be started this summer. Kansas Alpha has plans for an entirely new house and we are waiting for further reports on that. There is also some planning for a remodeling project or a new project for Kansas Beta.

Within the chapters themselves I found intelligent and well-instructed officers, girls capable of handling their responsibilities. From the rest of the chapter, I found a deep loyalty to these officers and it has been a satisfaction to know that the active chapter and their Alumnae Advisory Councils have worked in such complete harmony. This spirit has strengthened each group individually and the

entire Province has benefited by the splendid attitude.

The most coveted honor the Amy B. Onken guard awarded each year in the Province to an individual girl was given to Jean Murray of the Iowa Gamma chapter. Each girl nominated richly deserved this honor, but Jean seemed to have given more of herself to more projects than any of the others. I am pleased to present all of the girls who have done so much for their chapters and have brought so much honor to their fraternity.

I had hoped that my second year as Province President would find my work to be better organized and that I would report more efficiently to Grand Council. This has not been true. Due to the division of Provinces last summer I was given one extra chapter to work with, and I found it necessary to study the old files and work with four new chapters. Due to my family complications this winter, I was away from my Pi Beta Phi desk for quite some time. I did keep in close contact with the correspondence from the girls and I am proud to report that the fraternity is so well organized that the chapters could operate efficiently for a time without my close association with them. I am indebted to the chapters and to the Alumnae Advisory Councils for their complete co-operation with me during this emergency. Mrs. Wild was especially understanding and I did appreciate her kindness to me at that time. It has been a great satisfaction to visit my four Iowa chapters for the second year. I have noticed an improvement in all of them and it has been interesting to see the individual girls mature. I wish to express my appreciation to all of Grand Council and to Central Office for their helpfulness and suggestions. The copies I have received of correspondence sent to all chapters from all fraternity departments has been very helpful to me in working with the girls.

I cannot speak too highly of our Grand President, Marianne Wild. She has been an inspiration to all of us and to me especially. Her encouragement and patience and her sincere appreciation of the work we do has been helpful throughout the year. I am grateful to her for all of her assistance to Mu Province. It has been a privilege to serve as President of Mu Province. I hope that I have contributed something to the chapters because I have been greatly rewarded by the contacts I have had with everyone. It has been a happy year for me and I am now looking forward with great anticipation to Convention.

This past year Mu Province has been very proud to have the Balfour Cup chapter, Kansas Alpha. I have taken great pride in this wonderful group of Pi Phis. They have had an almost unbelievable scholarship record, and they have held a prominent position on their campus with their strong leadership in activities. The honorary societies have recognized many of its members. Their excellent co-operation with the housemother and the Alumnae Advisory Committee is evident. It has been a real honor and a privilege for me to work so closely with these outstanding Pi Phis.

Were I to summarize the full year's work for Mu Province I would say the year was a busy one, a complete one, and a successful one.

DOROTHY K. WHEELER

The Scholarship Fund of the Fraternity deserves and needs your contributions. Give through your chapters and alumnae clubs.

NU PROVINCE PRESIDENT

Again, we have the privilege of working with a new group for Pi Phi. Just three years ago in the spring we brought into our Province, Texas Gamma, which has proved to be a wonderful group. This spring, our Province has had the pleasure of going to Ft. Worth and help to colonize Pi Phi Delta.

Our six chapters have truly brought honor and success to Pi Beta Phi this past year. The co-operation that the girls have given, has been excellent. The year started off with a most successful work shop in Mineral Wells with each chapter having two girls as representatives. The exchange of ideas, the discussion of both problems and good points and determination to go back and have an outstanding year has proven itself, with each chapter showing a deeper appreciation of what it means to be Pi Phis and more unity of purpose in striving toward designated goals.

One of our chapters had a program on discussion of and formulating of, the goals to work for, this year, and I believe these goals were almost 100% in all six of our chapters. 1. To be the first in scholarship on campus. 2. To have more active participation in campus and sorority activities and to realize the value of this participation. 3. To employ our best efforts towards any project or competition participated in by our group. 4. To get reports in on time and to realize that these reports are only the minimum of an officer's responsibility. 5. To help pledges to realize the value of Pi Beta Phi and to gain their interest, support, best effort and willing attitude. 6. To make the prevailing spirit one of good sportsmanship, consideration of others, and group co-operation.

In scholarship, our chapters have been most outstanding. We have two official first places for last semester, Texas Gamma and Oklahoma Alpha. Since Texas Gamma was installed, they have been first in scholarship every semester. Oklahoma Alpha won the scholarship cup to keep this past semester, after winning it for three consecutive times. Their pledges won a cup last semester for being first in scholarship too. O. U. has given five scholarship cups permanently and Pi Phi has won all five of them. It was announced in Panhellenic that New Mexico Alpha was first last semester but the official record still has not been released, Texas Beta was second, Oklahoma Beta third and Texas Alpha third. New Mexico Alpha having come from last place on campus last year to first place this past semester, and they will probably be the winner of my "improvement plaque" for this year. The scholarship programs have been both original and clever and certainly have had results. All of the charts have been good and study halls have been paid off. Scholarship letters sent to the parents of each girl showing her comparative rank have proven most helpful. "All chapters have had outstanding scholarship honors."

Most of our chapters were large this year, causing continued talk of more house or housing of some kind. New Mexico Alpha has had a new furnace, showers repaired and painting on the first floor. The girls have redone their yard themselves. Oklahoma Alpha, crowded and using an annex for 29 girls, are trying very hard to build a new house. Oklahoma Beta has done a great deal to their house this last year. A new face on the outside, their lounge completely redone, the bedrooms with new curtains, bed spreads and new beds, a new formal closet, new cook stove and new landscaping. Texas Alphas have a complete new kitchen, laundry area remodeled, and a new hallway to playroom. This summer the bedrooms will have wall to wall carpeting, blinds redone and some work on the playroom. Texas Beta has done the usual work that starts on a house that is four years old. The Corporation is trying to work out the badly needed play room area that could not be built in the beginning on account of a definite square footage requirement of the University. Texas Gamma is still saving for a badly-needed house. They meet in the Student Union Bldg. Now that they are in the southwest

conference, the demand will be even greater.

The active chapters appreciate the many helpful Alumnae Recommendation committees, during rush. Our chapters had outstanding rush last fall and the results—207 girls. Good supervision of our pledge classes have brought much enthusiasm and interest which has been shown many times this year in activities and honors won. Oklahoma Alpha and Oklahoma Beta had rush tours in June and August last summer and then went back to school a week early to get ready for rush. Texas Alpha, Beta, and Gamma all had retreats during the year for fun, and self evaluation programs proved to be helpful to all the girls. All six chapters have had Officers work shops this year to help the new Officers, plan the years work and decide on the main needs and objectives. All of our chapters have enjoyed special occasions this year to further campus and community friendship. Parties, such as "Apple Polishing Teas," Fathers Day, Mothers Luncheons, Legacy parties, Brother-Son banquets, Alumnae childrens parties, Friends nights and early breakfast parties for other sororities have made our girls feel they have shared with others.

Community service work, continues to play an important part on our actives schedules. Besides the Settlement School contributions and teas, each chapter has carried on some kind of local project. Foreign Students living in the house, the usual chests drive, Thanksgiving and Christmas baskets, Cripple Childrens drive, Orphan parties, and much work has been done in our Mental and Cerebral Palsy schools and hospitals. Octopus dolls were made for the Palsy children and clothes were sent to the clinic at the Settlement School, clothes gathered and parties for the Indian children and active work done on the polio and heart drives. One girl reads each week to a blind boy. We should all be very proud of the community work our busy girls do, besides their own activities and scholarship program.

We are forever grateful to the wonderful support and many hours of service our chaperons give to our girls. Each play an important role in the success of our chapters and we do appreciate it. Mrs. Kretcher of New Mexico Alpha or better known as "Mother K." Oklahoma Alpha, Mrs. Quigley (Meg), Oklahoma Beta, Mrs. Allison, Texas Alpha, Mrs. Hightower and Texas Beta, Mrs. Wayne (Mother Wayne). I would personally like to thank them for their wonderful co-operation with me.

As usual, our six nominees for the Amy Burnham Onken award were most outstanding. Any group or any school would be proud to claim them. In all phases of college and chapter life, these girls excelled. It was a pleasure to present the Province award to Carolyn Good of Oklahoma Alpha and the other most deserving candidates were Sally Stringer, New Mexico Alpha, Kay Herwig, Oklahoma Beta, Rosetta McGregor, Texas Alpha, Arden Bowers, Texas Beta and Virginia Carr, Texas Gamma.

A new award this year for the first time is the "Chapter Service award." It was just as difficult to pick a top girl for this as the ABO award. It is most gratifying to know we have so many actives that are such wonderful leaders. In any phase of chapter or campus life, these girls were excellent. Nu Province winner is Ann Loy of Oklahoma Beta and the other nominees are Polly Sullivan, New Mexico Alpha, Suzie Reiley, Oklahoma Alpha, Teeta Ansley, Texas Alpha, Tricia Smith, Texas Beta and Nancy Roberts, Texas Gamma.

Our active Chaplains have led the girls in restful, very understanding and satisfying devotionals throughout the year. Most of them are held after hours in the houses and attendance is voluntary.

All six of our chapters celebrated Founders' Day with their Alumnae clubs. The two Oklahoma chapters combined Founders' Day and State Day and all went to Oklahoma City to celebrate and were especially pleased to have our Grand President as their speaker. Texas Beta joined

with the Dallas Alumnae and had a very nice Founders' Day dinner in the ball room of the new SMU Student Center building.

Our Advisory committees, Alumnae clubs, Housing Corporations and Mothers' Clubs have spent many hours of planning and working for our chapters. Their hours of service have been unlimited. We sincerely say "thank you" for your understanding and financial aid. The Dallas Mothers Club have given sizable amounts of money to each of the three Texas chapters, also \$50.00 to the Sophomore girl with the most outstanding chapter and campus activities, \$50.00 to the Dallas Pi Phi with the highest grades (in any school out of Dallas), \$100.00 to a Sophomore to go to convention from SMU, \$25.00 check to the TCU Pi Phi Deltas, and a check to the Dallas Polio Fund and the new city library. The Houston Mothers' Club has given wonderful checks to Texas Alpha and Texas Beta. Some of the clubs in West Texas have helped Texas Gamma. Quite a few of our Alumnae clubs sent checks to the Pi Phi Deltas at TCU. I would particularly like to

thank the Ft. Worth Alumnae club for the wonderful job they have done in starting our Pi Phi work on the TCU campus. Their hours of work as well as finances were unlimited and I know the whole fraternity appreciates it.

The Lubbock Alumnae continue to stand by the Texas Gamma chapter and I am sure feel rewarded. Austin, has started a Mothers' club this year and I am sure they will enjoy working with the girls. Oklahoma having summer rush, the Alumnae all over the state work a great deal with their two chapters in the summer as well as winter time.

Each chapter has had an outstanding year in activities and honors won but limited space in our ARROW forbids their listing.

It has been a privilege to work with so many wonderful people, the guidance and help of our G. C. members, the co-operation of Province and National Chairmen and the courtesies and hospitality shown by the actives, all will be long remembered as one of the most interesting parts of my life.

MYLDRED ALLEN HIGHTOWER

XI PROVINCE PRESIDENT

This has been a busy and eventful first year for the new Xi Province. It has been a year marked by a sense of closer "kinship" among the six chapters partly because the new province is smaller (though it still covers thousands of miles of Rocky Mountains), and partly because the members have had occasion to visit other chapters in the province. The year began for the presidents and pledge supervisors late last August when we met at Estes Park, Colo., for our Workshop, and the many ideas exchanged and the plans which were formulated at that time have been put into practice with excellent results. An inspiration to the actives and alumnae, alike, was Mrs. Alford's visits to the province this year.

The province can be proud of its scholarship with four chapters, Colorado Alpha, Colorado Beta, Montana Alpha and Wyoming Alpha in the upper third, and with Utah Alpha and Colorado Gamma in the top brackets of the middle third and working hard at climbing the ladder. Both Montana Alpha and Colorado Beta attained the coveted "first on the campus," and though I am notoriously poor at figures, I count about six Phi Beta Kappas and an equal number of Pi Kappa Phis among the graduating seniors.

On every campus in the province, Pi Phi has taken the undisputed lead in activities, and there are enough Pi Phi Mortar Boards in the province (16) to form a chapter of their own. It goes without saying that we had more than our share of beauty queens, and the Pi Phi ski teams took top honors in the winter carnivals.

It was a memorable year for Colorado Alpha because late in March the chapter heaved a sigh of relief and gratefully spread out in its new chapter house wing which exactly duplicates the size of the original house. With 111 members, the phone and buzzer system is a problem which will be solved with a PBX switchboard and full time operator. The chapter also received an outstanding honor this spring when it was named first in campus activities and participation, and the members are very proud of Leslie Schum, chapter vice president, president of AWS and brand new Phi Beta Kappa, who has been named outstanding senior woman of the University of Colorado.

It has also been a tiptop year for Colorado Beta which marked the fall quarter by attaining first in scholarship on the campus and stealing all the honors at Homecoming. The chapter received first in house decorations, second in floats, second in over-all participation, and topped it off with Homecoming Queen and her attendant. In February, the chapter participated in a second formal rush week on the campus and pledged a new group almost before it could initiate the fall pledges. The honors have piled up all year including editor of the daily, Interfraternity Queen,

Miss Denver University; and AWS had Pi Phis for its officers.

Colorado Gamma has been industrious all year making its presence felt on the campus and Pi Phis have had a finger in every campus project that came along. A lyric-writing Pi Phi, Ginny Gordon, was responsible for the success of the annual Green and Gold Review, and a Pi Phi beauty, Mary Ellen McDonough, represented Colorado as its Cherry Blossom Queen in Washington, D. C. The chapter is very proud of its new silver service, a gift from the alumnae, and we all are proud of the chapter's size, 53 now, even though it makes the house bulge at the seams and chapter meetings must be held in the living room and dining room combined.

Montana Alpha threw itself wholeheartedly into winter sports this year and turned its hand to snow sculpturing with great success in the winter carnival. The girls barely had time to hang up their skis before they began practicing for the campus rodeo and many chapter members brought their riding horses back to school from spring vacation. The chapter made the campus sit up and take notice on Arrow Day, February 14, when the girls painted and refurbished the university's pre-school classroom as their Valentine to the college. Besides holding first in scholarship, the chapter's many honors include five Mortar Boards, four Who's Who, and three members of Electrons, chemistry honorary.

Although Utah Alpha's members may not look very athletic, the chapter's ski team slalomed its way to victories this year, and the chapter won first place in the Greek Week "Olympics," and second in over-all participation. When the annual U Days activities rolled around this spring, the chapter's combined efforts took another second place award, and the university's annual Hall of Fame program early in May starred the Pi Phis in scholarships and honors presented. The chapter also has a group of successful debaters, several of whom have traveled coast-to-coast this year with the university team.

The Pi Phis at Wyoming Alpha have had a busy year at the theater as almost every university production starred a chapter member. The whole chapter starred in the winter carnival when the Pi Phi ski team took first place, chapter president Mary Hansen won the individual women's ski trophy, and Mary Kay Kingham was named Snow Queen. The annual presentation of Miss Frontier revealed another Pi Phi, Marilyn Ryan (since its beginning, every Miss Frontier award has been made to a Pi Phi!).

The honors are too numerous to do more than touch the surface, but the whole province is proud of their nominees for the Amy Burnham Onken award: Leslie Schum, Colorado Alpha; Edith Ritchie Ferris, Colorado

Beta; Virginia Gordon, Colorado Gamma; Jean Welch, Montana Alpha; Ann Wilkins, Utah Alpha; and Marjorie Ann Clare, Wyoming Alpha. Chosen to receive the Amy Burnham Onken award for the province was Jean Welch of Montana Alpha.

We also are very proud of the Pi Phis who have been chosen by their Alumnae Advisory Committees as nominees for the first national chapter service award. These outstanding girls who have given so much to their chapters are: Virginia Weissinger, Colorado Alpha; Sally Peabody, Colorado Beta; Virginia Gordon, Colorado Gamma; Laura Kramer, Montana Alpha; Janet Trowbridge, Utah Alpha;

and Jane Renkel, Wyoming Alpha.

I have been most privileged to serve the province as its president this year, and the friendships I have made and the chapter fun I have shared I will always treasure. To those who would seek inspiration from their fraternity, I highly recommend a round of chapter visits.

My thank you to Xi Province Pi Phis for a wonderful year, to Lois Breeze, Xi Province Scholarship Supervisor, for her interested and untiring help, and my gratitude to Grand Council for its encouragement and patience.

RUTH LOUISE DIERKS

OMICRON PROVINCE PRESIDENT

It is with a feeling of pride in my chapters that I begin the first report of Omicron Province of Pi Beta Phi. We hope that the first year with the new Province divisions had been a successful one for all Pi Beta Phis. We missed having Montana Alpha as one of us, but we are sure that they are happy in their new association. With eight chapters left in our Province, stretching from Edmonton, Alberta, Canada in the North to University of Oregon at Eugene, Oregon, south, and East to Moscow, Idaho, and the University there, we are still a large Province geographically, and we hope that our achievements are worthy of our size!

Last year I had the pleasure and the privilege of going to my first Officers' Workshop at Gatlinburg, Tennessee. No one can have been a Pi Phi for many years without a special feeling about our Settlement School. I was no exception, and I looked forward all last year to seeing the Settlement School, and meeting for the first time the Grand Council members, Province and other officers, with whom I had exchanged many letters, but who were still just names to me. What a thrill it was. The town of Gatlinburg, with its bustle of summer tourists was a complete surprise to me. It was far from the sleepy village I had visualized. The Settlement School, on the other hand, was all that I had expected it to be. To me it represented the dignity of the Tennessee Mountain people and Pi Phis work with them. It stood apart from the carnival aspect of the tourist attractions, a monument to the good taste and farsighted planning of those who have preceded us in working and planning for the Pi Phi Settlement School as it is today.

Working and meeting with the Officers' Group gave me the same sort of satisfaction. I had gone to the meeting having met only three of the group who were to be there, and I left feeling that I had made many new and very wonderful friends. The discussion of mutual problems and processes were invaluable to me in my years work. In chapter visits I found myself referring often to the notes assembled in Gatlinburg.

At the beginning of the school year, the active chapter presidents and rush captains met with me in Portland at the Multnomah Hotel for two days of chapter officers workshop. I was very pleased to have one hundred percent attendance, and our only regret at the end of the session, was that we did not have longer to work together. The discussions of ways to encourage good scholarship, good rushing party ideas, officer training, chapter management, and the general exchange of songs and ideas were of great benefit to all who attended. The only suggestion the girls who attended could make for improvement, was that more of their officers might be able to come and benefit by the exchange of ideas.

Improvement of scholarship has been a Province goal this year. We were all very proud of Washington Alpha's First for fall term. With twenty groups on campus for competition, we feel that they did very well to bring their standing up to FIRST! The work on scholarship is not done on a Province level alone, Marie Wever, chairman of the committee on scholarship, and her two province

representatives Barbara Lind and Helen Lang for Canadian chapters have given many hours of time and thought to encourage better study habits and maintenance of high scholarship.

A never ending source of help and inspiration to the groups can be found in our Alumnae Advisory Committees. When I meet with these groups, correspond with them during the year, and talk to them on special decisions which have to be reached, I am always amazed at the time these women give from their busy personal lives to helping our girls maintain a place of leadership in the Fraternity world. They should be acknowledged for their unselfish devotion to the chapters they advise. So, too, are we grateful to our chapter chaperons. Theirs is a difficult and time consuming job, and they are of endless help in advising and supervising chapters. At this time we are having several changes among our chaperons, but I wish to express my thanks for the fine work they have done.

It is with pleasure that I report that Alberta Alpha chapter has discharged her financial obligation on the mortgage on the present house. We are all hoping that this will mean improvement in the chapter house in the near future. Idaho Alpha has dreams of a new chapter house in the very near future, and Washington Alpha, which has had a room in the Student Union for a home, has been told of the administrations plans in the not too distant future, for a dormitory which will be housing for fraternal groups. We all hope for them that this plan may become a reality before too long. Our other chapters have lovely homes to which many excellent additions have been made. Oregon Alpha has transformed a third floor room into a most attractive "Cottage" for study and recreation. Washington Alpha has improved the town girls room. Oregon Zeta has made a pleasant recreation spot in the basement, with the girls doing much of the work. The house corporation members are another group that give untiring service to our chapters, adding the benefit of mature thinking to the financial and housing problems of the girls. I would like to thank them at this time for their work in behalf of the chapters. The Mothers Clubs, too, are always making additions to the chapter which add to the comfort of the girls.

It was most gratifying to visit the various campuses where we are represented and find the Deans of Women so enthusiastic about our chapters. They speak very highly of our girls, and have nothing but praise for the way in which Pi Phi chapters handle their rushing, panhellenic relations, and conduct themselves generally. Our activity record is an enviable one with what would seem like more than our share of members in Phi Beta Kappa, Phi Kappa Phi, Mortar Board, Phi Theta Upsilon, Spurs, and honoraries in all the fields of scholastic endeavor. We also abound in the Province in Queens, Dream Girls, Moonlight Girls, Sweethearts, R.O.T.C. Sponsors, and other titles which are applied to winners in the field of beauty and brains. We are well represented in publications work, athletic achievement, and student government. Our girls have had much to do with planning mock political and United Nations conventions and meetings. In general I

can say without fear of contradiction, that the girls of the chapters of Omicron Province are outstanding in their ability to handle with such competence all the calls made upon their time, their talent, and their energy.

Rushing went along with unusual success in all of our chapters this year. I feel that in the last two years that I have been working with the Province, that the members of our chapters have selected the very top girls that have gone through rush on each campus, and it gives me every confidence for the future of our chapters.

It is with pleasure that I announced Jo Anne Terhark, Oregon Gamma, as the Province Amy B. Onken Candidate. It is always difficult to choose from the outstanding group of girls presented. This year they were, Sara McNichols, Washington Alpha, Suzanne Thompson, Washington Beta, Mary Vlahovitch, Washington Gamma, Cleora Andres, Idaho Alpha, Patricia Fagan, Oregon Alpha, and Sally Hornecker, Oregon Beta. Each girl was very outstanding on her own campus. In addition to being a student leader, a member of many honoraries, and having a grade point average just under 4.00, Jo Anne had been largely self supporting in college, and had found time to serve her chapter as a most outstanding president.

Sandra McCracken was Omicron Province candidate for the first Chapter Service Award. "Sandy," as she is known to Pi Phis everywhere, was president of Washington Alpha. As delegate to the Omicron Province Workshop she

won all our hearts with her smile and her sincerity. She did outstanding work on her local panhellenic council, and she was a true inspiration to all of the members of Washington Alpha.

Washington Alpha was the nomination from the Province for the Balfour Cup Award. This chapter brought its scholarship from ninth to first on a large campus where competition was keen. They worked hard and faithfully on national projects, and to adopt suggestions made to them for chapter improvement. It was a pleasure to see the positive action put forth by all the chapters in the Province this year in the areas where suggestions were made. I wish there were some way to give them all an award for co-operation.

Grand Council has been of great assistance to me this year. Ruth Hansen's visit to the Province was a source of delight and help to active and alumnae alike. There is so much in this changing world to shake the faith of the old and young alike, and it makes the ideals and standards of Pi Beta Phi even more important in this changing world. We are all looking forward to Convention this summer, and I know it will be a wonderful place to renew our devotion to the Fraternity and the high ideals for its members for which it has stood squarely and unafraid for almost a century.

LOU ANN CHASE TUFT

PI PROVINCE PRESIDENT

Preceding the Fall semester of 1955, presidents and pledge supervisors of Pi Province chapters gathered at Nevada Alpha's home in Reno for a most successful Workshop. The co-operation and enthusiastic discussion and exchange of ideas was an inspiration to us all as well as being a source of many practical ideas. Even the sun co-operated and produced a comfortable temperature for work. The girls went back to their chapters with the ambition and the determination to make this a truly constructive year for Pi Beta Phi. I feel that they have succeeded.

Rushing was a tremendous success with 208 pledged during the year, and 162 initiated into Pi Beta Phi.

Scholastically, at this time, 4 chapters are in the Upper Third division of NPC groups on their campuses, 2 in the middle third, and one on the bottom. Scholarship programs are being tightened and constructive ideas put into effect through the helpful efforts of Margaret Herndon, Province Scholarship Supervisor and Clover Johnson, Ass't National Chairman. Our ideal is to have all of the chapters in the Upper Third, and we are striving towards this end.

During the year, I made my annual visits to all chapters in the province and loved being with each in turn. The girls are charming hostesses; we can be proud that they are Pi Phis. Their officers are chosen wisely and were a joy to interview. Members of the Alumnae Advisory Committee, those devoted Pi Phis who work so closely with the girls, and housemothers, all contributed to a delightful and satisfying visit.

Various improvements in chapter houses are of interest. California Beta's new chapter room in the added wing is beautiful as well as practical. At California Gamma, re-decorating of the play room and many of the upstairs rooms added much to the charm of their lovely home. California Delta is delighted with new dining room furni-

ture. The new chapter home of California Epsilon is most attractive and has added greatly to their fraternity life. Nevada Alpha is enjoying a play room in their basement, a project of their Fall pledge class. Arizona Alpha is planning extensive re-decorating for this summer.

Spring is highlighted by the outstanding girls whom the chapters nominate for the Province Amy B. Onken Award. Nominees of this year are Beverly Perkins, Arizona Alpha; Joan Brichetto, California Beta; Mildred Brown, California Gamma; Joyce Clasen, California Delta, Sharon Fisher, California Epsilon; Ann Marie Gardes, California Zeta. Joyce Clasen has the honor of being the recipient of the award for Pi Province.

When I look over the honors earned scholastically and in campus activities, I sometimes wonder how Pi Phi can take so much so consistently. Again we have an astounding number of beauty queens, trophies for Homecoming Week, Greek Week, Spring Sing, and other events; we have officers of classes, AWS, WAA, Panhellenic, Student Bodies including one Student Body President who took over from her position as Vice President, and numerous Committee Chairmen, with all of our girls actively participating in these groups. Besides those chosen for Spurs, Chimes and Amazons, we proudly add the highest honors for the province in memberships to Phi Beta Kappa, Phi Kappa Phi, Mortar Board, Cal Club, Cap & Gown and *Who's Who in American Colleges and Universities*.

I want to sincerely thank all of those who have done so much to make these two years as Pi Province President a worthwhile experience for me; "my girls" whom I have come to love; the members of Grand Council for their ever-ready help; the members of the Alumnae Advisory Committees for their constant co-operation; and the housemothers for their kindly consideration of a busy visiting officer.

Province Vice-President Reports

ALPHA PROVINCE VICE-PRESIDENT

As the year closes, we are delighted to extend a warm welcome to Eastern Connecticut, a new club in our province. This will include the area around the University of Connecticut, thus making ten clubs in this province.

Membership has increased. Boston leads in percentage, by tripling its membership this year. Increase in membership and magazine subscription are always shown when personal phone calls are used as a medium. Magazine subscriptions have made a gain. All of the clubs are 100% in contributions to our projects. The two Canadian clubs have contributed to the Canadian projects also.

The alumnae clubs have shown great interest in the active chapters. The Portland Award to the outstanding active of the Province was given to Betty Buzzell, a Maine Alpha, and a Pi Phi daughter. Hartford, for the first time, gave an award to a Connecticut Alpha, who had shown the greatest all around improvement. This award went to Aretta Burr. Both awards were Pi Phi bracelets.

The clubs had impressive Founders' Day meetings. Wherever possible the alumnae clubs joined the active chapters in commemorating our Founders. The Springfield Club planned its luncheon at an Inn in Amherst, Mass., so that scattered Pi Phis from Western Massachusetts could attend, along with some of the actives from Massachusetts Beta.

All of the clubs gave time and labor for fine social work in their communities. Clothes and slippers were made for children in Orphans' Homes, work was done for the association of retarded children, cancer dressings were

made, and social work was done for a sanatorium. Many other fine things were done, too.

The programs have been unusually interesting and varied, such as a lotto game with questions on the constitution, anecdotes of Pi Phi history gleaned from the historical issue of the *ARROW* of 1936, a talk by a Pi Phi on landscape gardening, etc.

The Annual Pi Phi picnic was held last summer in Rutland, Vermont, at the home of Mrs. Arthur Cheney, Vermont Beta. This delightful occasion brings together the unaffiliated Pi Phis who meet for a summer picnic.

Many of the clubs have picnics in June or in September. Two have become traditional family picnics at homes, on the lakes or shores. The pleasure of Pi Phi companionship carries through the summer months.

The opportunity of visiting the clubs this year was indeed a pleasure. I am forever grateful for the hospitality and warmth of Pi Phi friendship shown to me. The alumnae clubs have been prompt in their response with letters and reports. The year closes with a steady growth and with enthusiasm and interest in national and local projects.

It has been rewarding to serve as an officer in this province. I wish to express my sincere appreciation to officers and members of the alumnae clubs for their fine co-operation, and my gratitude to the members of Grand Council for their constant guidance.

Respectfully submitted,

CLARA DELL HAGGEMAN

BETA PROVINCE VICE-PRESIDENT

We have just completed the first year of Beta Province under the re-districting and I am happy to report it has been a good one. We were sorry to have the Canadian clubs leave the Province, but were happy to welcome the clubs in Pennsylvania. I visited six of the clubs this year, Long Island-North Shore, New York City, Northern New Jersey, Philadelphia, Ridgewood, N. J. and Westchester County, and as always, was warmly received. These visits are most gratifying, for you have the opportunity to see the clubs at work, instead of getting the picture merely through correspondence. It is especially inspiring to see how Pi Phis enjoy working together.

All the national projects were well supported by the clubs, including several very generous donations to the Settlement School. Eight clubs sent substantial contributions to the Centennial Fund, the Northern New Jersey, Pittsburgh, and State College clubs being 100% in membership contribution. The active chapters in the Province received monetary contributions from eight clubs and the clubs in Syracuse, State College, Harrisburg-Carlisle and Central Pennsylvania gave generously of their time and efforts to the active chapters in their communities. The Arrowcraft sales were most successful this year, as reported by the clubs in Albany, Northern New Jersey, Philadelphia, Pittsburgh, Pittsburgh-South Hills, Schenectady, and State College.

Many of the clubs are helping with local projects, which include the Hospital for Special Surgery in New York

City, the Rochester Cerebral Palsy Center and the Burke Convalescent Home in Westchester County. The members of the Poughkeepsie club joined with members of Delta Gamma in giving the first Pan-Hellenic Tea for all sorority women in their locality. Several clubs, including Buffalo, helped address envelopes for the Easter Seal campaign.

Our youngest clubs, Long Island and Ridgewood, were glad to report an increase in their membership and are still working for more. Philadelphia is the largest club, with a paid membership of 137 this year.

Beta Province was privileged to have visits from both Marianne Wild and Alice Mansfield. It was my pleasure to attend two Founders' Day celebrations, one with Northern New Jersey with Alice Mansfield as guest, and the other with the Philadelphia club.

This past year has been a most rewarding one for me and I take this opportunity to thank all the club members and officers in Beta Province for their co-operation and help in making this, our first year together, so pleasant and so successful. To Marianne Wild and Alice Mansfield, my heartfelt thanks for their help and patience in answering my many inquiries; Also, to Janet Patton, for all her co-operation and assistance. Last, but not least, to all the members of Grand Council, who have given me this opportunity to serve Pi Beta Phi.

ANNE LOGAN HEFLIN

GAMMA PROVINCE VICE-PRESIDENT

Gamma Province has just completed a pleasant and successful year with the thirteen clubs 100% in support of the three National projects. Cleveland East and Columbus had very successful Arrowcraft sales. Toledo, Cin-

cinnati, Dayton, and Cleveland East also made large contributions either in money or time or both to local projects.

All clubs gave assistance to the active chapters, finan-

cially or by working personally for them. Both actives and alumnae have become stronger groups through the close association throughout the year.

Contributions to the Centennial Fund are gradually increasing. By next year each alumna should be an eager contributor.

I had the pleasure of visiting the clubs in Springfield, Athens, Dayton, Cincinnati, Cleveland East, Cleveland West, Akron, Youngstown-Warren, Ohio Valley, Columbus and Cincinnati during the year. In Toledo, I enjoyed a visit with the actives when they entertained at tea in my honor. I was the guest speaker for the Founders' Day dinner at Columbus. I hope to visit Canton before Convention time, and to have a new club in Hamilton, Ohio, to announce at Convention.

I am sorry that I could not be present at each Founders' Day observance. I appreciated the invitations, but it was impossible to be with each club. This year I had a special treat as I attended the Indiana State Founders' Day on

Saturday, April 28, at which almost 800 Pi Phis, alumnae and actives, were present.

Cincinnati was delighted to have Alice Mansfield and Dean Christine Conaway, of Ohio State, as honor guests at their March meeting. Newark-Granville had the pleasure of meeting the Grand Vice-President when Alice was the speaker at the Initiation banquet of Ohio Eta.

Several clubs have welcomed Joe Hopkins as their guest. The clubs receive inspiration, assistance, and renewed enthusiasm from the visits of the National and Province officers.

Since I am not continuing in Fraternity work, I especially want to thank the clubs for their excellent co-operation and their extended friendship and unflinching hospitality, and the members of Grand Council for their help and loyalty, and Janet Patton and the National Committee Chairmen for their assistance.

VELVA SHORTZ

DELTA PROVINCE VICE-PRESIDENT

Arlington-Alexandria Club has added one more program to the year's list with an observance of Loyalty Day honoring Carrie Chapman Catt and the four past presidents of the club. A pot luck supper and Cooky-Shine was served.

The fund raising project was most unique when Pi Phis and their guests were entertained at Tea at the Ceylon Embassy in April, with a colored movie telling the history of Ceylon and both the Ambassador and Attaché gave talks on Ceylon and answered questions. Ceylonese and American delicacies were served with Tea.

The club contributed to the Alexandria Health Center and held a sale of Arrowcraft. Founders' Day Luncheon was well attended, with a program honoring Margaret Campbell and Delta Province P.V.P. as guest of honor and speaker with subject Pi Beta Phi and 1956 Convention.

Baltimore Club—Charter Date—1900 has long sustained the national program of Pi Phi with loyal interest and variations of presentation. The Settlement School once again has first place as a project this year with the Sale and Tea at the home of Edna Archibald, currently a member of the National Settlement School Committee and a member of the Club. The gross sales were in the realm of dreams of Pi Phi success and the social hour prophetic of further success next year. The Club adopted a large family among the Christmas neediest and provided food, toys, clothes and gifts.

Founders' Day was observed with the Washington Club and much enjoyed from all accounts of the visit.

Southern West Virginia—Beckley—the newest club in Delta has spent most of their meetings upon organization and plans for the future. The April Meeting presented a program on the founding of Pi Beta Phi including the story of Holt House. West Virginia Alpha is planning an addition to the Chapter House this coming year with Beckley members ready to devote moral and financial support to the cause of building for the active chapter and the future.

Morgantown reports a good year with more than required number of meetings, they have also assisted West Virginia Alpha in rushing, entertaining for the Chapter, serving on the Advisory Board and with recommendations. Many of their members attended the Active Chapter Founders' Day luncheon May 28th and then joined with Fairmont and Clarksburg in a Founders' Day Dinner at the Waldo Hotel in Clarksburg.

Fairmont Club listed a Christmas Program and a benefit bridge party was also an outstanding success of their year. The Summer Workshop folder from our Settlement School was posted in the local high schools to publicize the enrollment dates and cost of the school. The fellowship of the three clubs joining to observe Founders' Day

has accomplished much in interest in Pi Phi projects and will be continued next year with Fairmont Club as hostess Club.

Charleston Club has almost fifty members and reports a good year with excellent programs which kept interest and attendance high. There was good attendance at the meetings. Founders' Day celebration was a luncheon honoring the Founders of Pi Beta Phi and briefly presenting our Centennial Fund.

Norfolk-Tidewater Virginia Club covers considerable area but through the alert resident members usually locates the many transient members that visit the area with their military husbands or families thus adding to the membership those on duty a year or less. An invitation to all traveling Pi Phis says read the ARROW and remember the local Club is listed and has a welcome for you. Settlement School Sale was planned for November with a Tea, program and exhibition of Arrowcraft work with resultant good sales and many orders which gave the club one of the high gross sales in Delta Province. A Christmas Coffee was held for the Actives and Pledges home for the holidays. The three charter members living at Virginia Beach were honored at Founders' Day Luncheon, a history of the Club was read, letters from absent Charter Members were read and tributes paid to our Founders. Plans for a summer Panhellenic party are underway for August for girls registered at colleges for next year.

Roanoke, organized two years ago, has had a fine year beginning with September a program on Active Chapters and a get acquainted Tea for College Freshmen. The Settlement School Sale usually would have been presented early in the fall but the club wanted to have the new film slides of Settlement School shown and they were not available until December. Orders for Arrowcraft products were accepted and delivered in time for Christmas. The slides were accompanied by commentary from National concerning the Settlement School. A goodly amount was realized this year from the sale of the articles following the program. Founders' Day Celebration at the home of a member was a brief program honoring Miss Margaret Campbell and the installation service for the new officers. This was one of the most successful meetings of the year. Interest indicates that a city Panhellenic will be formally organized the coming year. The number one project has been membership since the club often must adjust to members moving from the locality.

Richmond—November meeting was a joint one with Panhellenic and proved to be most enjoyable. Branch House formerly the home of the wealthy Branch family, a recent gift to the Community Chest, was the place of meeting and provided an opportunity to display and sell our Settlement School articles to the other groups. Eliza-

beth Siersema last year's President of the Club arranged most of the program with a view of the press value and appeal to Panhellenic. Pi Phis can be congratulated also on the story carried early in the club year concerning our Mary V. Williams—her work with young people—from traveling to teaching and International Cooking—her photography and antiques was given wide space in the Richmond Press. The Elizabeth Kates Foundation continues work for the Virginia State Industrial Farm for Women, long a philanthropy of the club. Chapter Loyalty Day brought the awarding of Citations for chapters represented in the club which had the best attendance at meetings. Seven names of chapters will be engraved on the cup. On Founders Day a delegation attended the luncheon in Washington.

Washington Junior Group—The group met at Maryland Beta House for the October Meeting to know the actives, inspect the house and consider what assistance was most acceptable to the Chapter. The first meeting of the year had been in District of Columbia Alpha quarters, George Washington University; thus the plan to work with the two chapters was launched for the year. A group of members assisted Washington Senior Club with the Settlement School Sale and Tea. As a means of adding to their Treasury it was voted to co-sponsor a performance of the Montgomery Players offering of a "Dial M for Murder," which Francis Spruce was directing. Enthusiasm for the venture was high when adopted and lasted through the performance with the result a sizable amount went to the club treasury. The invitation to serve with the Washington Senior Club Founders' Day celebration was accepted and in addition most of the membership attended the Luncheon.

Washington Senior Club has a small gain in membership which has added to their determination to grow faster next year in this big city of many transients. The programs have included Settlement School Sale and Tea at the home of former Club President Peggy Pledger where many attended and bought Arrowcraft products. The most outstanding meeting of the year was Chapter Loyalty

Day, held in the afternoon of January 10, 1956. The speaker Mrs. Harvey Wiley (Ann Campbell Kelton) D.C.A. who gave a biographical and personal study of Carrie Chapman Catt. Mrs. Frederick W. Nickels (Frances Jacobs, D.C.A.) was also present and gave personal recollection of her associations with Mrs. Catt. We also had as a guest Mrs. Hugh Butler who had been an associate of Mrs. Catt's in suffrage work for several years, and who also spoke on her varied experiences.

Mrs. Wiley spoke also of the approaching 50th anniversary of our national pure food and drug laws. The late Dr. Harvey W. Wiley of Washington chief chemist of the Department of Agriculture was a leader in the long campaign to protect the public which culminated in the passage 1906 of the Food and Drug Act and the Meat Inspection Act. Among the observances will be issuance of a three cent United States Postage Stamp, honoring Dr. Wiley June 27, 1956.

Founder's Day was observed with a program and speaker Dr. S. R. Brooks gave an inspirational talk and Betsy Evans, a freshman at George Washington, gave her national prize winning oration "I Speak For Democracy" which had been broadcast on N.B.C. soon after the award in 1954. Our Grand President Marianne Wild, a member of the club was Toastmistress. There were one hundred sixty-five Alumnae and Actives from the two nearby chapters together with a delegation of visiting alumnae from Baltimore and Richmond Clubs. There were eight meetings during the year.

Wilmington Club—There were ten meetings on the schedule this year, the required ones and fun meetings such as bridge party, supper with gentlemen guests and one with the Girls Club which they sponsored with cash donations last year and magazine subscriptions. Settlement School Sale and Tea held in October was highly successful and the gross sales second highest in Delta.

To the Club Presidents, their Officers and Members, to Central Office and Grand Council may I express my appreciation for your assistance and co-operation.

MARIE TUNSTALL LINGO

EPSILON PROVINCE VICE-PRESIDENT

It is a pleasure to record some of the many accomplishments of the alumnae clubs in Epsilon Province. It is amazing to note that eleven clubs can report successes which might well belong to a much larger area. Club officers deserve the credit for the high standard of work done for Pi Beta Phi. All eleven clubs have done something for the active chapters in the Province. Ann Arbor, Michigan club helps the Michigan Betas. Lansing-East Lansing club gives liberally of both time and money to the Michigan Gammas. Jackson, Michigan has taken the Michigan Alphas under its helpful wing. Both Canadian clubs assist their actives in London and Toronto, Ontario. The Detroit, Michigan club gives a bracelet to the Amy B. Onken girls in each of the three Michigan chapters. Bloomfield Hills gave \$25.00 to each one of the two Canadian chapters, in the Province, as a gesture of welcome to this new alliance between Michigan and Ontario. Grand Rapids and Southwestern Michigan clubs have each sent gifts to the Michigan Gammas for their beautiful new chapter house. To be a Pi Beta Phi is to be an alumnus for the college years are few and the later years are many. Would that every active could grasp this view point in order that she might continue her active fraternity work all through her life.

My personal contacts with the clubs have been both delightful and rewarding. To experience enthusiasms is to share them. It thrills me to hear the Detroit group tell of their continuing interest in scholarships for students at Wayne University. In co-operation with Detroit, Grosse Pointe works to help raise money to supply these scholar-

ships in the field of Mental Retardation. Grand Rapids had a most successful "coffee" for the benefit of the Lincoln School, its local project. All clubs had Christmas parties for children or for the indirect benefit of children, some of whom were confined to nearby hospitals. Both London and Toronto Ontario clubs have raised substantial sums for their Canadian project. Southwestern Michigan and Jackson had Arrowcraft teas and report interest and gain. These sales have a definite educational value, for friends become acquainted with the wonderful work being done at our Settlement School. Detroit sold more Arrowcraft goods this past year than had been sold by the club for some time. Their able chairman is moving from Detroit soon.

Epsilon Province is one hundred per cent in support of the three fraternity projects. Some of the contributions have been regrettably small but none the less represent willingness to serve the fraternity—the purpose of their very organization. Clubs have also been one hundred per cent in support of their Epsilon Province Vice-President. Their letters have been prompt, interesting, factual, and enthusiastic. As we work together for all that our badge represents we are enriched as we enrich the clubs to which we belong and for which we work.

Sincere thanks to each of you for your help and for all you are doing for Pi Beta Phi. It has been an honor and a privilege to work with you. May I say thank you as I wish you continued success.

LEOLA ROYCE MCKINLEY KOCH

ZETA PROVINCE VICE-PRESIDENT

The new Zeta Province has indeed had a wonderful and successful year. I only wish I had the space in which I could relate all of the accomplishments of this province, but I shall give a few highlights on each club.

The Bloomington club continues to give a helping hand to Indiana Beta and they have had some wonderful, inspiring meetings together this past year. The club has also worked for Knight House—a school for handicapped children. Columbus has gained in membership and is a fine group of Pi Phis. I spent a most enjoyable evening with them and they are hard at work on Rush. Fort Wayne has provided several camp scholarships for crippled children. The Franklin club has had a very successful year again selling pecans and calendars. They work very closely with Indiana Alpha furnishing food for spreads and lending a hand whenever called upon. The Gary club is a hard working group of Pi Phis and does a grand job of helping whenever they can. The Indianapolis clubs (senior and junior) are, of course, quite large groups and do a terrific job. They are working through the Mental Health Association for the Larue Carter Memorial Hospital for emotionally disturbed children ages 6-12. They sponsor a one night performance at the local Civic Theater. The junior group has a fall card party and a spring dance the money from which goes to the Noble School for retarded children. The Lafayette club works with Indiana Delta closely. They have contributed to two local projects and have had a very good year. Muncie has had a busy year working with the new chapter—Indiana Zeta—which will move to their new suite of rooms this fall. The Richmond club had a

mother-daughter Christmas holiday get-together, December 28, with everyone from grandmothers to three year olds. An excellent idea! The South Bend-Mishawaka club had a very successful year selling Arrowcraft merchandise at "Panhellenic Pranks." The Southeastern club serves that general area and they exchange meetings from town to town. This creates difficulties, but they have succeeded in having a good group at each meeting. Southwestern had their Party Parade at Christmas time and what an experience! A lot of work, but it was such satisfaction to have a successful project. With the proceeds they supplied a speech therapist for the school for mentally retarded children. I had a most pleasant and enjoyable evening visiting the Terre Haute club. They are a grand group of Pi Phis and are working hard to build up their club.

Zeta Province is 100% in National Project contributions. All clubs have contributed to the Centennial Fund except one club which is buying bonds and will hold them for the Fund until maturity.

It has been a pleasure for me to be your Province Vice-President this past year. I have been shown that usual Pi Phi hospitality every place I have visited. I only wish I could have visited all of the clubs this past year. I want to say thank you to all of you who did entertain me—I had a wonderful visit. Thanks also to all of the clubs for complete co-operation. Thanks to all of you who have made this past year one that shall always be remembered with pleasure. My Pi Phi love to all of you.

JANE WYRICK HETTICH

ETA PROVINCE VICE-PRESIDENT

Eta Province, now comprised of the ten Alumnae clubs in Tennessee, Kentucky and the Carolinas, has completed a most successful and pleasant year. It has been a rich and heart-warming experience to work for Pi Beta Phi through these fine clubs.

Membership has increased, with Knoxville and Chattanooga showing the largest gains. All ten clubs are 100% in contributions to our national projects. Four clubs gave donations to the Harriet Rutherford Johnstone Scholarship Fund and four to the Centennial Fund. Magazine sales were greatly increased by Louisville, Chattanooga, and Knoxville. Eta Alumnae were able to provide a Province Scholarship Improvement Award through the co-operation and contributions of all clubs.

The larger clubs have carried out the traditions of Pi Beta Phi in contributing service and financial aid to civic projects. Louisville gave \$200 to redecorate the reception room of the Rehabilitation Center and \$10 to the Louisville Fund which supports the cultural life of the city. Nashville gave \$300 to the Bill Wilkerson Speech and Hearing Clinic and provided a Christmas party for the children enrolled there. Memphis supplied a volunteer worker each day for one week each month at the Nursery School for the Visually Handicapped and provided toys. Chattanooga furnished Christmas gifts to the Florence Crittenton Home. Lexington again offered a \$50 scholarship at the University of Kentucky for an outstanding Freshman girl. All clubs privileged to be located near active chapters give liberally to assist and council them. Those with City Panhellenics actively support the organization. Chattanooga started the year with a highly successful barbecue picnic which resulted in increased membership; and further stimulated interest by instituting a lovely Christmas Coffee. These combined to make possible strong support of Tennessee A and further reduction of indebtedness on the addition to the chapter house. Chapel Hill had the pleasure of seeing North Carolina A settled in its newly remodeled chapter house; the decorating and furnishing of the house have consumed many hours of time and much interest of club members. Knoxville club com-

pletely redecorated the room in the Panhellenic Building housing Tennessee Gamma transforming it into a spot of beauty. As the year ends this club is setting up a scholarship to be awarded within the chapter. Tiny Columbia club aided South Carolina A in every possible way, assisted in money making projects and again gave a rush party for the chapter centered around the lovely Arrow Cake ceremony. Blue Ridge has found new interest for its members by "adopting" N C B through correspondence with the chapter and sending a gift of money. Charlotte plays an active part in City Panhellenic affairs, vigorously supporting its projects. The club also sent Christmas gifts for the children at Settlement School. Louisville and Nashville clubs willingly answer the demands of Kentucky A and Tennessee B and assist the chapters in all phases of Fraternity life. Memphis annually gives the Memphis Sophomore Award.

Wherever possible clubs celebrated Founders' Day with active chapters. The impressive Candlelighting Ceremony was widely used. Louisville was privileged to have Virginia Green as speaker for the occasion. Nashville used an original service incorporating twelve wine carnations in a large gold arrow to honor the Founders. Many clubs enjoyed the Holt House slides, a quiz or talk on the Constitution and skits or talks about Settlement School. Louisville held a successful Arrowcraft sale combined with a Christmas bazaar. A newly formed Memphis Night Group was very gratified with its large success in selling Arrowcraft products.

Last fall I was able to visit all the clubs in the Province. This was a real pleasure and inspiration to me and the privilege of making new Pi Phi friends and greeting old ones is one of the delightful experiences of work for our Fraternity. I want to thank the officers of each club for the warm welcome given me and for their fine co-operation throughout the year. My deep gratitude goes to Marianne Wild, Alice Mansfield and Ruth Hansen for their guidance and encouragement and to Janet Patton for her prompt co-operation.

NANCY HOWARD BREEDING

THETA PROVINCE VICE-PRESIDENT

Traveling under a new name, we have tried hard to make a good start as Theta province. Our personal contacts, through club visits, have helped us to understand each other and to appreciate conditions in each club.

Lakeland did it again with 100% membership and an increased number of members over previous years. Nine clubs showed an increase in numbers and six in giving.

Programming has been good in clubs this year, clever skits on History and Constitution, most of them written by clubs in the province, various types of programs on Hobbies, Civic responsibilities and opportunities have given added impetus to meetings.

Athens and DeLand continue very busy with their chapters, helping in rushing, gifts for house and sharing Founder's Day celebrations. An added pleasure this year was the opportunity to entertain Mrs. Wild on her visit to chapters.

Jacksonville showed a substantial increase in members having a record crowd for the Province Vice-President's visit as did St. Petersburg and Orlando. Largest gathering of the year was 115 at Founder's Day luncheon which in-

cluded Birmingham Alumnae, Alabama Alpha and Alabama Beta.

Clubs have contributed and many services of love. Eight groups got better acquainted with actives and pledges at Coffees, teas and dances given in their honor during the Holidays. Tampa gave gifts to each of her pledges.

Theta is proud to announce nine clubs associated with city Panhellenic groups and Inter-Sorority Council. Atlanta has president, Tampa secretary and Miami has two on the board for next year. Ft. Lauderdale has the distinction of greatest number of members of any participating group in her city.

My sincere thanks to all clubs for their participation and co-operation, in spirit and action, toward the accomplishment of many worthwhile endeavors. To Mrs. Wild, Mrs. Mansfield, Mrs. Hansen and other officers, and Miss Patton of Central Office, my appreciation for the understanding and ever present help to each of us in Theta province.

LOIS OVERSTREET SUMMERS

IOTA PROVINCE VICE-PRESIDENT

Iota Province, with 24 clubs, has experienced an enjoyable and profitable year. We are 100% in support of our three national projects, and one club, Avon (Libbie Brook Gaddia), is again 100% in membership.

I was privileged this year to attend three Founders' Day celebrations: The Chicago Area party was held in the Mayfair Room of the Blackstone Hotel in Chicago. Some members of the Northwestern Chapter favored us with a clever skit, and sang Pi Phi songs. We were happy and honored to have 13 Golden Arrow members present. I was a guest at the delightful luncheon of the Nina Harris Allen club, April 19, held in honor of the Founders. Mrs. Norma Mills, a member of Arlington Heights club, presented in character—in costume of 1867—an I.C. Sorosis Skit. It was beautifully done, and an inspiration to all. We were happy Nine Harris Allen and Elsie Hubbard could also attend. Also attended on April 24, the Chicago West Suburban celebration of the occasion at the Old Spinning Wheel in Hinsdale. The beautiful candle lighting ceremony was performed, Pi Phi songs were sung, and a clever skit presented. It was very lovely, in true Pi Phi tradition.

Peoria club was honored and delighted to have Miss Onken as the guest speaker for their Founders' Day. It was a dinner meeting with 116 present at the Chapter House.

During the year I made 17 club visits, and each was a real pleasure and inspiration. It is always a thrill to see my

many good friends in the various clubs, and I'm delighted to meet the new ones.

On March 24 I was a guest of the Oak Park-River Forest club at the celebration of its 30th anniversary. It was a very unique and lovely affair; some of the members presented a clever skit in costume, pertaining to the founding of the club.

Chicago West Suburban was delighted to have a short visit from our Grand Treasurer in February.

All of the clubs have been most loyal and helpful in assisting the active chapters through the work on the recommendations com., rush help, advisory capacity, financial assistance and gifts. Champaign-Urbana, Galesburg, Monmouth, North Shore, North Shore Jrs., Decatur and Peoria deserve special mention in this regard. Peoria is to be congratulated on paying off the \$3,000 bonds on the chapter house. Rockford presented Wisconsin Beta with a beautiful lamp for the house.

I have greatly enjoyed my work as IOTA P.V.P. and I wish to thank the officers and members of all of the clubs for their splendid co-operation. I wish them continued success. I sincerely thank Marianne Wild, Alice Mansfield, and all of the members of Grand Council for their inspiration and assistance. And a "thank you" to Janet Patton for her fine co-operation and help. I was truly grateful for the privilege of serving Pi Beta Phi.

ALTA JONES BINGOMAN

KAPPA PROVINCE VICE-PRESIDENT

Kappa Province is concluding a successful and stimulating year rich in accomplishments. The nine clubs together for the first time have enjoyed the opportunity to make the acquaintance of new sisters and the exchange of ideas with them has proven beneficial to all.

I looked forward to club visits with keen anticipation and was not in the least disappointed. During the months of October and November when I spent a day with each of the clubs except Milwaukee I experienced at first hand the warmth of Pi Phi friendships and hospitality. Words cannot express how deeply the contacts with the club members and officers made me realize the strength of Pi Phi and the high quality of its members and their accomplishments. Suffice it to say that each club made me feel as if I belonged with them and inspired me to do my utmost to help them in their efforts to work for the progress of Pi Beta Phi.

The Director of Extension, Ruth Hansen, thrilled and

inspired actives, alumnae and mothers when she made an official visit to Manitoba Alpha in February.

The past year has been one of striving and achievement for the clubs in Kappa Province. Membership figures have been maintained at a steady level and have increased in several instances; all clubs have contributed to the best of their ability to the Settlement School, Holt House and the Emma Harper Turner Fund. Minneapolis doubled its contribution to each of the three projects after holding a most successful Rummage Sale. The Centennial Fund has been receiving more attention from members and pennies and dollars jingled into many plates at the time of Founders' Day celebrations.

Active chapters in the Province received willing support throughout the year from the alumnae either during rushing, on the Advisory Committee or at social functions. Financial assistance was gladly given wherever possible. The Winnipeg club held a cup and saucer shower for the

chapter when it found housing of its own for the first time in years and then contributed to the rent when budget problems arose.

Seven of the nine clubs have held Arrowcraft Sales during the year. Milwaukee is in first place for the Province for gross sales. The Duluth Club cannot praise too highly the efforts of one of its members, Ruth Russell, who opens her lovely Lakeshore home to tourists each summer and displays and sells Arrowcraft there to travellers from all parts of the continent with a gross amount of \$909.30 for the club last year.

Eight of the nine clubs have local projects to which they lend support in personal service and dollars. The Fox River Valley Club instituted a Belles and Beaus Style Show this year at which there was a sale of Arrowcraft and a modelling of children's fashions provided by a local specialty shop. Some of the models were children of club members. Proceeds from ticket sales went to the Memorial Hospital Building Fund.

All clubs planned meetings devoted to the Founders, the actives, the Constitution and History and Settlement School. St. Paul was privileged to play host to the Minneapolis Club and Minnesota Alpha for the Founders' Day celebration at which time the 50th anniversary of the founding of Minnesota Alpha was feted. There were 170 guests present and much care and planning were evident in the beautiful table decorations. Graduating seniors received a white linen handkerchief with Pi Beta Phi embroidered in blue in the corner. Grand Forks used a novel idea for its Constitution meeting when questions and answers were put inside balloons. Contestants had to blow up the balloons and then sit on them to be eligible for

the prizes. Madison celebrated Chapter Loyalty Day by inviting a Pi Phi Housemother on campus to talk to the club about the time when she had the unique privilege to hear Carrie Chapman Catt speak at a large rally, proudly wearing her arrow.

Magazine sales have not been too high and it is to be hoped that next year club members will try to have one subscription per member and in this easy way add to the funds available for use at the Settlement School.

Clubs have planned their programs and their budgets with much thought and interest, ever mindful of the obligations they have to their community and to Pi Beta Phi. This brief report cannot begin to show how each club, whether large or small, has displayed enthusiasm, loyalty and love for the Fraternity.

The success of the clubs in the Province has been due to the excellent work of the members and the fine leadership of their officers. May I take this opportunity to tell them how much I have appreciated their co-operation, friendship and interest. They have made their clubs what they are—keep up the good work! For myself, my work as Province Vice-President has been made more meaningful because of the contact I have had with the members of Grand Council and because of the kind assistance, patient guidance, and deep understanding of Marianne Wild, Alice Mansfield and Ruth Hansen. They embody all that is best in the fraternity world and have given real meaning to the ideals of fraternity membership. I must add a brief "thank-you" to Janet Patton and her efficient staff at Central Office for their wonderful help. I am grateful for the privilege of contributing to the development of Pi Beta Phi.

SHIRLEY BRADSHAW

LAMBDA PROVINCE VICE-PRESIDENT

It is with a great deal of pleasure that I announce that Lambda Province has two clubs who have 100% paid membership. These clubs are Texarkana, Arkansas and Marked Tree, Arkansas. Lake Charles, Louisiana, is just one short of the goal. The fifteen clubs were 100% in contributions to Holt House and Settlement School. The clubs are striving for 100% contributions to all of the projects and a good step in that direction has been made this year.

Most of the clubs have accomplished a great deal for Pi Phi this year. Baton Rouge is planning a generous gift for Louisiana Beta. Columbia has started a piano fund for Missouri Alpha with a check for \$50.00. Fayetteville's twenty-five resident alumnae contributed \$100.00 to the Centennial Fund. Ft. Smith gave a beautiful Christmas luncheon for actives, pledges and alumnae. Kansas City gave a successful repeat presentation of the famous Dione Lucas Cooking Demonstration. Lake Charles gave a morning coffee honoring the actives and nine new alumnae who have moved to town. The Little Rock club helped the children of the Deaf and Blind School for Colored Children. Marked Tree managed to stay active in spite of a limited membership of nine. New Orleans gave a benefit card party in a beautiful Garden District home. Osceola is happy with a new meeting time, morning followed by a luncheon. St. Louis Pi Phis presented a magnificent "Country Carousel," a country homes tour complete with country store and country lunch. Shreveport prepared Easter gifts, ice cream and cake for orphan children.

Springfield Pi Phis were busy this year with a great deal of work and enjoyment connected with helping Missouri Gamma furnish and move into lovely rooms in the new Panhellenic Building. Texarkana members proved they are good cooks with a successful bake sale. The tri-State Alumnae Club contributed time and money to the Carver School for colored children.

This fall I visited eleven of the then sixteen clubs in Lambda Province. I am very grateful for the careful plans that were made in preparation for my visits and I finished my trip with a renewed knowledge that Pi Phis everywhere are outstanding women.

Last summer the province was happy to welcome a new club, Siloam Springs, Arkansas. Now I am sorry to report that this same club has had to return its charter because of a sudden loss of membership. To the few who were there to welcome me in the fall, I wish to express my special thanks. It is my sincere hope that each of you will find a place in the nearby Fayetteville club.

It has been a privilege to work with the fine women of this province. Many of you have worked untiringly for the advancement of Pi Beta Phi and for the betterment of your own communities. This is my sincere thank you to each of you.

I am very grateful to the members of Grand Council for all the help they have given me. I deeply appreciate this opportunity to serve Pi Beta Phi.

BETTY ROWTON HOLT

MU PROVINCE VICE-PRESIDENT

The newly restricted Mu province which was formerly parts of the old Theta and Iota provinces is composed of twenty alumnae clubs, eight of them in towns with active chapters. Groups vary in size from 100 in Lincoln, Nebraska to the newest club at North Platte, Nebraska with ten members, four of whom are "out of towners."

This year has been one of fun and fine achievement

throughout the province and it has been a privilege to work with the loyal and devoted Mu province members.

There has been a slight gain in membership, Wichita and Iowa City showing the most substantial gains. The total province paid membership is 763 and if we could reach the vast number of unaffiliated Pi Phis in the area we could easily grow another third of that total. It was a

real pleasure to receive dues and donations from an unaffiliated member, Betty Jean Dickerson of Holdrege, Nebraska. An unaffiliated group, Falls City, Nebraska, donated to Settlement School.

Des Moines, Wichita, Omaha and Lincoln are the four largest clubs (60 to 100) and donated generously of time and money to the active chapters. Ames, Mount Pleasant, Indianola, Iowa City, Vermillion, Lawrence and Manhattan varying from 15 to 45 members also donated much time, energy and real financial aid to the chapters in their communities. Sioux Falls, South Dakota and Sioux City, Iowa furnished worthwhile gifts for South Dakota Alpha. All clubs maintained helpful relationships on rushing and recommendations.

All 20 clubs supported our two major Alumnae Club philanthropies, Settlement School and The Emma Harper Turner Fund, as well as maintenance for our lovely Holt House. Nine clubs to date have contributed to the Centennial fund and all the clubs have indicated plans for support. Hutchinson, Kansas with 33 members contributed the largest per capita support for all projects.

Topeka and Wichita have contributed to Panhellenic Scholarship projects, Lawrence provides a Kansas Alpha scholarship, Hutchinson maintains a local Junior College Scholarship and Manhattan provides a fund for which any Kansas State College woman is eligible.

Local civic projects have been aided by our Alumnae groups in Des Moines, Ames, Vermillion, Hutchinson, and Manhattan. All members throughout the province add prestige to Pi Beta Phi by individual support of varied boards and worthwhile causes. In every community we can point with pride to Pi Beta Phi and the accomplishments which justify our existence and fulfill our ideals of service.

A number of clubs have reported large and successful Arrowcraft Sales (see Mu Province charts) and several groups have found it profitable to continue taking orders on a year round basis.

Mu was sixth highest in Magazine Sales Commissions for Settlement School with 14 of the 20 clubs participating. Wichita, Kansas, was eighth highest of all clubs everywhere.

Each club planned its year with thoughtfulness and imagination. Year books and programs varied in format according to club size and interests. Everywhere Pi Phi were having fun together while furthering our ideals and aims. Excellent speakers have appeared before many clubs, hobbies have been pursued and displayed, activities and legacies have been entertained. Cedar Rapids and Kansas City, Kansas, have had Pi Phi bridge parties in addition to worthwhile programs and both clubs held parties for their husbands. "Ways and Means" varied from benefits and rummage sales to meeting auctions and raffles of every kind.

Burlington, Council Bluffs and North Platte are small clubs in numbers only, for they have four meetings a year, report good times and loyally support all the projects.

Kansas had its first state day this year and it was a great success due to the able efforts of the Chairman, Cecile Lutgen, Alumnae of Wichita, Kansas, and the two capable active chapter rush chairmen. In addition to the reunions and fun there were worthwhile workshops on rushing and recommendations. Kansas Pi Phis were pleased and appreciative to have the valuable help of Mrs. Benjamin Lewis, Director of Rushing and Pledge Training, for that occasion.

This year has been a privilege for me to work and visit with the 20 clubs of Mu Province. My sincerest thank you for the thoughtful and warm hospitality, the constant cooperation and my widened circle of friends.

I wish to express my gratitude for the patience and guidance of all the Grand Council members who inspired me to a new insight of Pi Beta Phi at the Gatlinburg workshop meeting; to Alice Mansfield and Ruth Hansen who have worked untiringly throughout the year that all alumnae members of Pi Beta Phi may stay in touch with National plans and objectives; to the Treasurers of our funds and Janet Patton of Central Office for their cooperation with my constant correspondence; to my own club members who have loyally aided me throughout the year; and to my family who have shared my time and love for Pi Beta Phi.

DOROTHY W. MORGAN

NU PROVINCE VICE-PRESIDENT

Nu province has had a good year with all clubs paying dues and showing gains in membership and in donations to National Projects. Its paid membership totals 1,773, which includes twenty seniors and one isolated Pi Phi. All clubs have had successful meetings with the majority meeting more than four times during the year. All but two clubs have given to Pi Phi projects and interest in Centennial Fund has shown marked increase. Twelve clubs have donated to local projects, and many more have given of time and personnel to local causes. Seventeen clubs have sold Settlement School products. The Magazine Fund has been increased by \$1,107.31, with twenty-two Nu clubs selling magazines.

Abilene, an area club, has rushed for its section of Texas. Albuquerque has done yeoman service for New Mexico Alpha. Amarillo has carried on successfully but has been saddened by the illness of its president. Ardmore has gained new members from the neighboring airbase. Austin has sponsored a new mothers' club. Bartlesville has cooperated with local Panhellenic. Brazos Valley (five towns) fosters area friendship. Corpus Christi gives generously to a local project. Dallas supports Texas Beta and responds to calls for civic service. El Paso also gives freely to local causes. Fort Worth is mothering our new chapter at T.C.U. Grayson County, Tex. (Denison and Sherman) has just been chartered and is getting off to a fine start. Houston has a fine record of co-operation with town and Panhellenic projects. Kay County, Okla. (four towns) worked hard and most successfully as program chairman

for Oklahoma State Day. Lubbock has helped its favorite chapter, Texas Gamma, McAlester sent *Reader's Digest* to its adopted Finnish family. Muskogee had its Frances Rosser Brown chosen as *Oklahoma Pi Phi of the Year* at State Day. Nita Hill Stark (three Texas towns) had a fine settlement School sale. Norman helped Oklahoma Alpha with its housing problems. Oklahoma City gives to hospital fellowships. Okmulgee enjoys friendly association and had a fine Founders' Day. Pauls Valley helps with rush in its area. Roswell gives very material aid to New Mexico Alpha. San Angelo keeps Pi Phi spirit alive in its part of Texas. San Antonio takes interest in Panhellenic and aids with local projects. Stillwater redecorated bedrooms in the Oklahoma Beta house. Tulsa also helped Oklahoma Beta and rushed most successfully for Pi Phi. Tyler gave more than 100% to the Centennial Fund. Waco extends fellowship to airbase Pi Phis. Wichita Falls had a most productive year locally and nationally.

Nu Province Vice-President visited twenty-five clubs this year in all three states of her province. Counting the five clubs visited last year, she closes her term of office with personal acquaintance with all but one of her clubs. Her thanks goes to her clubs for their wonderful hospitality which made her swing about Nu Province most enjoyable. She also thanks her clubs for their newsy monthly letters.

State Day in Oklahoma was highlighted by Marianne Reid Wild's address and Olivia Moore's presence. Four hundred Pi Phis gathered in Oklahoma City on April 7,

for this event. Many national officers sent greetings and Pi Phis left the twenty-four hour get-together with renewed enthusiasm for Pi Beta Phi.

All clubs in Nu Province are thanked for their love and devotion expressed in many ways this year when Nu

Province Vice-President has been extremely pressed. Her love and devotion go to Pi Beta Phi for what it has done in aiding her to meet the tests of life and for giving her an opportunity to render service.

RUTH SUNDELL ORR

XI PROVINCE VICE-PRESIDENT

Xi Province is a mile high geographically, and in its twelve Pi Beta Phi Alumnae Clubs you will find Pi Phi spirit to match. Such spirit prevailed at Club meetings, which were mainly of a social nature—luncheons or suppers followed by minimum business periods, and topped off with an occasional outside speaker, or by a most-popular-of-all type of program, one given by a member of the Club itself, or occasionally by a good bridge session. Actives participated in the meetings of Clubs situated in college towns, when chapter rushing news and pride in actives' achievements were shared, and good scholarship among other things was encouraged by Alumnae Awards. Boulder used the constructive approach of rewarding improvement in scholarship.

Support of active chapters was outstanding throughout the Province. Wyoming Clubs supported the Maintenance Fund for Wyoming Alpha which Laramie started this year. Casper, with a membership of only 15 members, sent \$100.00. Cheyenne wrote letters to Wyoming Alphas everywhere they could locate them and sent the Fund over \$900.00. New Colorado Gamma has been a special charge of Colorado Clubs this year. It received over half of Denver's total gift to the State's chapters. Colorado Alpha has come in for its share of help for its Furnishing Fund in the new addition to the chapter house. Utah Alpha is the proud possessor of a new record player and TV combination as a result of Salt Lake City Club's generosity.

Add to these projects many civic ones such as the family assistance projects at Christmas time which have such gratifying personal warmth; Salt Lake City and Pueblo both wrote about their truckloads of food, clothing, and toys going out topped by a Christmas tree; Denver's gifts to Needlework Guild and Hospital Wards, and continued contributions to the Wallace School for brain injured children, by the Denver Juniors. Ogden Club, which is the baby of the family both in years and size, being 12 members strong, is looking forward to its new local project of furnishing recreational equipment for the State Industrial School next year.

Money-making projects flourished all over the Province, which earned us a coveted 100% participation in all National Projects. Chili suppers were Ft. Collins Club's cold weather money-makers. Add Arrowcraft sales, and

bake sales, and a fabulous Denver Jr. Rummage Sale which made it possible for that Club to send a nice "extra" gift to Settlement School, and a very profitable and extremely Deluxe Fashion Show given by the Denver Club.

We are in top spirit, when we think of the many nice things that have happened in the Province during the year. Boulder members each adopted two pledges to "be nice to" during the year. Montana Alpha must feel a wonderful sense of security under the watchful eye of the Bozeman Club. The diplomacy and finesse of those members in dealing with a delicate housing situation at Montana State smacks of top Pi Phi Style. Pueblo Club did such a nice job of fraternity education in their town that the attitude toward Fraternities there has been changed among High School students and their parents, from an ignorant and very accusing one to one of much greater understanding and interest. The Club obtained material from which to work from Panhellenic, and gained the confidence and support of the School Board, Principals, Advisors, who helped them carry out the project. A Colorado Springs friend called to say that she wished to make a gift to Pi Beta Phi through her Mother-in-law's Club there. The President of the Colorado Springs Club thoughtfully channeled Mrs. Spurgeon's generous gift of \$250.00 to the Settlement School.

As we solve or temporarily set aside the problems of this year, and before we accept the challenge of next year's crop, it is pleasant to focus our eyes upon the true values of the year's work for Pi Beta Phi: the continuance of the Fraternity as a bulwark of democracy—the guidance of young women in that field—the personal gratification of new friendships and old friendships enjoyed along the way.

To Grand Council, to the Chairmen of all National Committees, all of whom have given the ultimate in thought and guidance; to Janet Patton at Central Office; to the officers of each Club, who have been pure joy as working partners; to every Alumnae member who does her Pi Phi job a mile high in Xi Province or down by the beautiful sea, my admiration and thanks for the work of 1955-56.

MURYL D. ALLISON

OMICRON PROVINCE VICE-PRESIDENT

As we close our first year as Omicron province we can look back on work well done. Despite the fact that we have no past records to guide us, this officer feels that we have gained in many respects. Along with our new name we welcomed a new club, Bellevue, Washington, to our province family. Its present membership of 33 demonstrates what a successful beginning the club has made. With the addition of the Bellevue club we have a total of 21 clubs. It has been my pleasure to visit nine of these clubs during the past year.

Almost without exception the clubs have generously donated to our three projects. Money for these donations has been raised in many novel ways, but one of the most successful methods is the time-honored rummage sale. Bake sales, theatre parties and bridge benefits also number among money making schemes.

The Calgary club sponsored its biennial Bazaar in November, the proceeds going to help the local Handicapped Club. The Edmonton alumnae have been very gen-

erous with time and effort in their work with the active chapter. Vancouver has spent a busy season working with the School for the Blind, aiding both financially and by making percussion instruments to use in a band at the school.

The Seattle group has followed its custom of carrying on close contact with the Washington A chapter. Tacoma and Olympia gathered for a joint Founders' Day celebration and were joined by Washington Gamma actives.

My visit this past spring to the Oregon clubs was a great pleasure. The Coos County club was very gracious in entertaining me despite the fact that their members are spread over a large geographical area. I was pleased to be invited to stay at the Oregon Beta house when I visited Corvallis, thus having the opportunity to meet actives as well as alumnae. The Corvallis club has reason to be proud of the support it has given to a needy family in the vicinity with gifts of food and clothing.

The Bellingham club ended its year with a very lovely

Founders' Day luncheon at the local Country Club. The Wenatchee alumnae are proud to have their Golden Arrow Pi Phi, Mrs. Paul West, to represent them at the Pasadena Convention. Both the Everett and Boise clubs have been very generous with donations to the Centennial Fund, and many other clubs will be following their footsteps.

The Portland club has established a "Golden Chain Fund" to make possible financial aid in the form of a \$200 scholarship for deserving girls from the three Oregon chapters. While the club will raise the majority of the money for this fund, individual gifts are welcomed.

Omicron province was honored to have Ruth Hansen

as our visitor this past winter. While her duties were chiefly concerned with active chapters, the alumnae who met her were delighted to hear her news of the fraternity.

The past two years as PVP have been most enjoyable and especially pleasant has been the opportunity of meeting so many charming Pi Phis in the province. My most sincere thanks go to Grand Council for their consideration and help, and to Janet Patton for her constant co-operation. To each club officer goes my special thanks, for without their efforts we could not look back on such a successful year in Pi Beta Phi.

KATHRYN KING ROSS

PI PROVINCE VICE-PRESIDENT

All thirty-one clubs in Pi Province have been extremely busy this year planning and working on Convention. There has been exceptional interest and enthusiasm on the part of every club and this has been a great joy to the convention Committee.

National paid membership has been higher despite the fact that the Province is smaller by three clubs due to redistricting. All 31 clubs were 100% in support of Settlement School, Holt House and the Emma Harper Turner Memorial Fund. Several clubs contributed to the Scholarship Fund. Twelve clubs contributed to the Centennial Fund in the name of Margaret Campbell. Four Active Chapters also sent contributions to the Centennial Fund. Valley of the Moon club was the first to contribute \$1.00 for each paid member to the fund, and Pasadena made the largest contribution of \$380.00 with many of their members paying \$12.00 apiece. Arrowcraft was sold by the majority of clubs with gross sales about \$13,000.00.

Many clubs assisted Active Chapters financially and there were several gifts to Chapter Houses of dishes and household appliances.

Most clubs had local projects and South Coast, San Fernando Valley and the Southern California Area Council clubs awarded scholarships to two nurses, a student at the University of Southern California, and to a student at California Epsilon, a scholarship to the Summer Craft Workshop at Gatlinburg, Tennessee.

Magazine sales were higher in most clubs this year. San Jose was again highest in the Province and Valley of the Moon had an exceptional record. Members of the Bay Area Council clubs held a Street Fair in San Francisco. This Fun Fete netted approximately \$7,000.00 profit and participating clubs included: Berkeley, Contra Costa, Marin County, Palo Alto, San Francisco, San Jose, San Mateo County and Valley of the Moon. As a result of this project, money was donated to the Bay area hospitals to benefit research on premature babies.

Los Angeles, San Fernando Valley and Santa Monica-Westwood combined to give a benefit fashion show luncheon. The proceeds of \$3,831.49 were given to the Crippled Children's Society of Los Angeles County.

Bakersfield helped Girl Scouts to purchase needed equipment. Centinela Valley donated an electric typewriter to the Cerebral Palsied Children's School. Fresno helped to decorate for the Panhellenic fashion show benefit. Honolulu had an Easter party for handicapped chil-

dren. La Canada Valley contributed about 500 volunteer hours of work at the Crippled Children's Society. Las Vegas had a most successful money raising project selling greeting cards and gift wrappings. Long Beach recently chose as its local project the Crippled Children's Society. Pasadena, San Jose and Santa Monica-Westwood all sent special gifts to Settlement School. San Jose and Santa Monica-Westwood sent cash contributions and Pasadena presented an antique silver coffee urn to the Staff House. Phoenix made an achievement award in the form of a plaque, to an outstanding University of Arizona Active. Reno had a successful benefit and presented the profit to the County Juvenile Welfare Fund. Sacramento visited the County Hospital and read to the children who were patients there. San Bernardino Valley, held three simultaneous meetings in March in the cities of San Bernardino, Redlands and Riverside, which comprise the club's area. San Diego has worked very close with the Chapter this year and has been very proud of the Active girls. Santa Barbara had an exceptionally clever Loyalty Day program. Solano County has helped the morale of one of its ill members by seeing that she was visited daily by some member of the club. South Coast has continued its successful series of book reviews to raise money for the nursing scholarships. Tucson has helped to organize the City Panhellenic. Yuba-Sutter, with twelve members has sold \$1,200.00 worth of Arrowcraft. La Jolla (Adèle Taylor Alford), although a new club, has held an Arrowcraft sale. Glendale was Chairman of the area Founders' Day celebration, which was attended by 300 Southern California Pi Phis at the Huntington-Sheraton Hotel, April 28, 1956.

In May ten enthusiastic Pi Phis chartered a new club in Stockton, Calif. and we welcome them to Pi Province and offer our assistance and support. My thanks to all the officers in the clubs for their co-operation and cordiality as club visits were made. It was a great pleasure to meet all the loyal members throughout the Province and to see the clubs in operation. My gratitude too to all members of Grand Council for their patience, advice and guidance—to the Treasurers of Settlement School, Holt House and Centennial Fund, and to the Director of Central Office. It has been a rewarding and happy year and a privilege to have had the opportunity to serve the fraternity.

Be sure to send GT1 form with check for fees.

GENERAL INSTRUCTIONS

- Chapter program chairmen should send a report to the Director of Extension (see current ARROW for name and address) within one week following the holding of the program based upon material sent by that officer from Central Office.
- Chapter treasurers should see that letter from Grand Treasurer to the Parents of Actives and Pledges is sent to the parents as early in the fall as it is possible to get the local letter on chapter finances approved by the Province President to send with it. It is necessary that parents understand the financial obligations at the beginning of the year.
- Chapter treasurers should see that the Financial Statements to Parents of Pledges are sent approximately two weeks before the proposed initiation. They should be sent only to the parents of the girls who have met the initiation requirements and whom the chapter definitely plans to initiate. This means too that the blanks should be sent only for the girls who have received the required vote of the Executive Council and the Alumnae Advisory Committee for approval of initiation.
- Chapter treasurers should see that badges are ordered through the Central Office. It takes six weeks or more, to complete badge orders. Badges for prospective members should not be ordered until all initiation requirements have been met.
- Chapter treasurers should send the National pledge fee for each pledge with Form GT1 to Central Office. Canadian chapters send fee to Mrs. Henry Moore, Jr., 420 Pine St., Texarkana, Texas, with GT1 form.
- Chapter treasurers should send the initiation fee for each initiate with Form GT1 to Central Office within three days of initiation. Canadian chapters send initiation fees to Mrs. Henry Moore, Jr., 420 Pine St., Texarkana, Texas, with GT1 form.
- Chapter treasurers should send monthly reports to Mr. John DornBlaser, 310 Gazette Building, Little Rock, Ark.
- Chapter corresponding secretaries should report to the Central Office and to Province President changes in chapter officers if they are made, any time during the year.
- Chapter pledge supervisors should send a list of pledges, on forms intended for that purpose, to the Director of Rushing and Pledge Training and to the Central Office within five days after any pledging or repledging.
- Chapter rush captains send within five days after any pledging, to the Director of Rushing and Pledge Training, a recommendation and consent to bid blank, or letter of recommendation, or blue blank of information from the State Rush Chairman, for each girl pledged. All blanks or letters must be counter-signed by the chapter alumna rush adviser.
- Chapter rush captains send within two weeks after the close of the formal rushing season, a report to the Province President on the result of rushing and pledging. Also report to the Province President and the Central Office, the name and address of the newly elected rush captain.
- Chapter vice-presidents to send to the Province President within three days after any initiation a report that new membership cards have been placed in the card file.
- Chapter historians send to the Province President within three days after any initiation a report that names of new initiates have been recorded in the Record of Membership Book.

Reports of Panhellenic delegates are required semi-annually by the Grand President and blanks for this purpose are sent out by her.

When college schedules make it impossible to comply exactly with fraternity calendar dates, chapter officers should contact Central Office or the officer concerned, explain the situations, and receive special permission to vary from the established dates.
