 Delta Province Secretary—Mary E. Wallihan.

After the opening ritual, the Pi Beta Phi anthem was sung. Roll call of the officers showed Gamma Province President, and the Fraternity Cataloguer absent. In the absence of the Convention Guide, the Grand Secretary acted as committee on credentials. Report of the committee on credentials was read and accepted; all delegates were given seats in Convention. Indiana Alpha moved

that the Convention Guide be given a seat and a vote in Convention. Carried.

Greeting from Grand President. Announcements. Alumnae Club representatives were given seats in Convention and the privileges of the floor.

Report of the Grand President, May Lansfield Keller, was given and accepted by unanimous vote. (See page 500).

A motion to defer the report of the Grand Vice-President until the session for the Alumnae Department was carried.

Report of Grand Secretary, Elda L. Smith, was read. On motion of Pennsylvania Alpha accepted. (See page 504).

Report of Grand Treasurer, Céleste Janvier, was presented and on motion of Minnesota Alpha, approved. (See page 505).

Report of ARROW Editor, Mary Bartol-Theiss, was read. Colorado Beta moved that the report be accepted. Carried. (See page 510).

New York Alpha moved that the report of the Alumnae Editor be postponed until the meeting of the Alumnae Department. Carried.

Report of Alpha Province President, Anna Robinson-Nickerson, was read. Michigan Alpha moved its acceptance. Carried. (See page 513).

Report of Beta Province President, Kate Walker-Johnson. Accepted on motion of Alpha Province President. (See page 515).

Report of Delta Province President, Roberta G. Frye. On motion of New York Beta, the report was accepted. (See page 518).

The Fraternity Historian, Jeannette Zeppenfeld, presented her report which Vermont Beta moved to accept. Motion was carried. (See page 512).

The Grand President appointed a committee to draw up the rules which should govern the awarding of the loving cup as follows: Alumnae Editor, Minnesota Alpha, Louisiana Alpha, Nebraska Beta.

Distribution of copies of summary of delegates' reports. Ritual. Adjournment.

TUESDAY, JUNE 28, 9:30 A. M.

Session opened with Grand President in the chair. Ritual. Song. Roll-call showed Fraternity Cataloguer absent. Minutes of previous session were read and, on motion of Alpha Province President, were

approved. Announcements. Greetings from Rosa Moore, one of the founders of the fraternity.

Chair appointed the following committees:

Committee on press and photograph, Convention Guide, chairman.

Committee on resolutions: Wisconsin Alpha, Iowa Zeta, Illinois Delta.

Committee on recommendations: Indiana Alpha, Pennsylvania Gamma, Washington Alpha.

Committee to examine record books, treasurer's books, and alumnae letters; Alpha Province President, Colorado Beta, Indiana Gamma.

The chairman of the committee on rules governing the award of the loving cup read the report of the committee.

Resolved:

I. That the silver loving cup to be competed for under the following rules and regulations shall be held in the interim of conventions by the chapter winning it, and shall become the permanent property of any chapter winning it three successive times.

II. Registration in this contest shall be closed at six P. M., of the second day of convention. Contestants must register in person.

III. The committee of award, which shall consist of one representative from each province, shall be appointed by the Grand President.

IV. The committee shall base the award on the following rules and regulations:

1. Three points shall be taken into consideration:

a. Distance covered—to count 50%.

b. Percentage of total enrolment (taking into consideration age of chapter)—to count 25%.

c. Number from active chapter—to count 25%, making a final total of 100%.

2. The first point shall be determined by taking the number of miles from the place of convention to the chapter home (most direct route, from railroad schedules) and multiplying by the number of representatives. The chapter whose representatives travel the greatest number of miles (reckoned as above) shall receive 100% on the first point, i. e., 50% of the final total, and the other chapters shall rank proportionately.

3. The chapter having the largest per cent. of her total enrolment (age considered) shall receive 100% on the second point, i. e., 25% of the final total, and the other chapters shall rank proportionately.

4. The chapter having the largest number of active members present shall receive 100% on the third point, i. e., 25% of the final total, and the other chapters shall rank proportionately.

V. Delegates shall supply the committee of award with a correct statement of the distance in miles (direct route) from their respective chapter homes to the place of convention. Other figures shall be based on statistics contained in delegates' chapter report.

Colorado Beta moved the adoption of the report. Carried.

The remainder of the session was given to a consideration of petitions for charters. Indiana Gamma moved to take up the peti-

tion of Alpha Delta Psi in Wooster University. Carried. The three delegates from this group were introduced and Elsa Schlicht presented their cause. ARROW Editor moved that convention resolve itself into a committee of the whole to discuss this petition. Carried. Julia E. Rogers, Iowa Zeta, took the chair.

After considering the claims of the first group, convention reverted to regular session, and listened to the petition of the Wayside and Aftermath group of Cornell University. Two delegates were present; Miss Biddle representing them before convention and Miss Rogers, Iowa Zeta, showing the desirability of entering Cornell at this time. Michigan Alpha moved that convention be resolved into committee of the whole to investigate this petition. Lois Janvier, Louisiana Alpha, presided.

Convention returned to regular session. Three delegates from Gamma Phi Delta in the University of Wyoming were received, Evangeline Downey championing the school and the group. On motion of Ontario Alpha, convention resolved itself into a committee of the whole, with Anna Jackson-Branson, Pennsylvania Alpha, in the chair.

After discussion, convention in regular session listened to the petition of Alpha Omega in the University of Oklahoma. Inez McMillin represented the group. New York Beta moved that convention discuss this petition in a committee of the whole. Carried. Sophie Woodman, New York Beta, presided.

On motion of Pennsylvania Beta, adjourned .

THURSDAY, JUNE 30, 9:00 A. M.

Ritual. Roll-call showed Vermont Beta, Pennsylvania Gamma, Illinois Delta, Illinois Epsilon, Nebraska Beta, and Delta Province Secretary tardy. Announcements. Illinois Epsilon extended to the fraternity an invitation to hold the Twenty-Second Biennial Convention in Evanston, Ill. Michigan Alpha moved that convention recommend to the Grand Council that they accept this invitation. Carried.

Greetings were received from May Copeland-Drybread, Martha N. Kimball, and Swarthmore chapter of Delta Upsilon fraternity.

Minutes of previous session were read; on motion of Missouri Alpha, approved.

The report and minutes of the meeting of the Alumnae Department

of the fraternity were read by Sophie Woodman, acting secretary. On motion of Minnesota Alpha, the report was accepted and the minutes stand approved.

Through the chairman, Anna F. T. Pettit, Pennsylvania Alpha and New York Beta, the committee appointed in the session of the Alumnae Department to consider the plan suggested by the Washington Alumnae Club for a settlement school in the Appalachian Mountains in honor of the founders and founding of Pi Beta Phi, offered the following recommendations:

1. That the sanction of the Convention be given to this plan, thus opening the door of opportunity to Pi Beta Phi to become a pioneer among women's fraternities in one of the great altruistic movements of the present day. That this worthy memorial be dedicated to our founders on the fiftieth anniversary of the fraternity.

2. That the following committee representing the national alumnae, be elected by Convention to outline and develop the work:

Emma Harper Turner, Indiana Alpha and Columbia Alpha Grand Vice-President, Julia E. Rogers, Iowa Zeta, Mary B. Harris, Pennsylvania Beta, Leila R. Soule, Michigan Alpha, Jennie C. Rainey, Louisiana Alpha, Mary E. Wallihan, Colorado Beta, Alice C. Stewart-Wolf, Illinois Delta, Edith L. Carpenter, Vermont Beta, Jennie B. Allyn, Massachusetts Alpha, Anna F. T. Pettit, Pennsylvania Alpha and New York Beta.

That the local Washington committee be asked to serve as a sub-committee.

3. That the national committee be empowered to send out requests for contributions and pledges at their discretion.

4. That the thanks of the Convention be extended to the Washington Alumnae Club for their suggestion.

Pennsylvania Alpha moved that the report be adopted. Carried unanimously. Miss Turner announced that as soon as plans are matured, Miss Wilson, Iowa Gamma, will see that building plans are drawn up by a Pi Beta Phi architect.

Informal report of cataloguer, Helen Schaeffer-Huff.

Requests have been received from the following jewelers that they be authorized fraternity jewelers: Roehm and Co., Detroit; S. N. Meyer, Washington; A. H. Fetting, Baltimore; John Wanless and Co., Toronto. Alumnae Editor moved that the investigation of

copyright laws governing fraternity pins and the authorization of fraternity jewelers be referred to the Grand Council. Carried.

Chairman of committee on fraternity calendar, Delta Province President, reported that a Pi Beta Phi calendar was printed for the year 1910. On motion of Illinois Delta, report was accepted. Pennsylvania Alpha moved that a committee be appointed to design the calendar for the ensuing year to be published where it can be done more economically. Carried.

On motion of Arkansas Alpha, ordered that a telegram be sent from convention to Mrs. Carrie Chapman Catt, expressing greetings and their sympathy.

Anna F. T. Pettit, sub-committee appointed to make a study of heraldry and to bring before convention a design for a Pi Beta coat-of-arms, reported as follows:

"A thorough investigation into the principles of English and American heraldry has been made with the result that the committee in submitting a plan for a Pi Beta Phi coat-of-arms emphasizes the scientific importance of simplicity, authenticity and an adherence to the traditions of heraldry. In applying these principles the committee suggests that the coat-of-arms of our founder, Emma Brownlee-Kilgore, be used as a basis, that the seal of Monmouth College be quartered with the Brownlee arms and that the symbols of the fraternity be placed in the chief. The committee regrets, that owing to the illness of Mrs. Kilgore, it has been impossible to present the completed design at this convention and asks that it be allowed to continue its work along the lines suggested."

On motion of New York Alpha, report was accepted and the committee be continued.

Report of Gamma Province President, Anne Stuart. On motion of New York Beta, accepted. (See page 517).

Alpha Province President moved that the fraternity maintain the policy adopted by the Nineteenth Biennial Convention and endorsed by the Twentieth Biennial Convention; namely, of extension into no colleges with less than \$75,000 annual income, or with less than fifty women students where Pi Beta Phi is the first woman's fraternity to enter, seventy-five where she is second, one hundred where third, etc., in the same ratio. Carried.

On motion of Alpha Province President, ordered that the petition from the group in Cornell University be referred to the Grand Coun-

cil and that two members of the incoming Grand Council personally investigate the group.

Convention balloted on the petitions for charters. Chair appointed tellers as follows: for the vote on the group in Wooster University, New York Beta, Michigan Alpha, Kansas Alpha, Iowa Alpha; for the vote on the petition from the University of Wyoming, Illinois Beta, Ohio Beta, New York Alpha, Vermont Beta; for the vote on the petition from the University of Oklahoma, Indiana Beta, Massachusetts Alpha, Maryland Alpha, Missouri Alpha. All three charters were granted by unanimous vote of convention. Louisiana Alpha moved that the representatives from the groups be pledged in a model pledging ceremony before the banquet. Carried. On motion of Iowa Zeta the representatives from the three groups were brought before convention and informed of the granting of the charters; a short recess followed.

Sophie P. Woodman, New York Beta, chairman of committee on model initiation robe, recommended that the incoming Grand President be empowered to appoint a committee, consisting of three members of the fraternity living near each other, to investigate and when a suitable model is found to send a pattern to all chapters. On motion of Indiana Alpha, recommendation was adopted.

Report of the committee to confer with those in charge of chapter houses was not received; the suggestion offered by the chairman of that committee, Anna Lytle, that the committee be continued, was adopted on motion of Massachusetts Alpha.

On motion of Columbia Alpha, ordered that a new historical sketch be prepared and published as soon as possible.

On motion of Missouri Beta, ordered that a new study of Pi Beta Phi be prepared.

Alpha Province President moved that the fraternity continue its present policy of granting a \$500.00 fellowship for graduate study either in America or in Europe. Carried.

Columbia Alpha moved that an appropriation of \$200.00 be made annually for two years for a Loan-Fund available to Pi Beta Phi undergraduates. Carried. Grand Vice-President moved that a committee of three be appointed to report at the afternoon session on rules and regulations governing the use and administration of the Loan-Fund. Carried. Chair appointed as committee, Cataloguer, Columbia Alpha, Kansas Alpha.

Grand Treasurer moved that chair appoint nominating committee. Carried. Nominating committee was appointed as follows: Grand Vice-President, Pennsylvania Alpha, Indiana Alpha, Missouri Beta, California Beta.

Adjournment.

THURSDAY, JUNE 30, 2.00 P. M.

Roll-call showed Delta Province Secretary and California Alpha tardy. Announcements. Minutes of third session read; on motion of Alpha Province President, approved.

Report of convention expenses was given by Grand Treasurer. Kansas Alpha moved the report be accepted. Carried.

For the balloting on choice of symphony, the chair appointed Louisiana Alpha and Minnesota Alpha tellers. The following, submitted by Abbie Williams-Burton, Illinois Epsilon, was adopted as fraternity symphony:

“Whatsoever things are true,
Lovely, fair,
 Beyond compare,
Pure as is your arrow gold,
Sweet as wine carnations hold,
Honest, just, of worth untold—
These hold ye in honor due
Best to serve the name ye bear;
Wearers of the wine and blue,
Choose these in your hearts to wear.”

Delta Province President recommended that Mrs. Burton be asked to help plan printing the symphony. On motion of Louisiana Alpha, recommendation adopted.

Missouri Alpha moved that Convention authorize the Cataloguer to issue a new catalogue as soon as possible. Carried.

The committee to inspect record books, treasurer's books, and annual letters submitted the following report:

1. In general the record books are in good condition, being, with few exceptions, up to date; but the inspection seems to warrant these recommendations:

First, That chapter offices be not classified under honors.

Second, That, as the space is small, petty offices be omitted.

Third, That the latest address be given—not merely that at the time of initiation.

Fourth, That class degrees be given.

Fifth, That more exact dates of marriages and births be given.

Sixth, That much which has heretofore been classified as "Honors" and "Occupations" be put under "Remarks."

Seventh, That a neater appearance be striven for.

Through a misunderstanding of what was meant by "Record Book," the following chapters failed to bring theirs to convention: Columbia Alpha, Iowa Alpha, Iowa Gamma, Iowa Zeta, Illinois Zeta, Texas Alpha. The following brought neither record book nor report of it: Ohio Alpha, Indiana Beta, Illinois Delta, Missouri Alpha, Wisconsin Alpha, Washington Alpha.

2. As to treasurer's books. A uniform treasurer's book is greatly needed. Each treasurer has her own system of bookkeeping.

It is advisable that the name of the chapter appear on every book that it uses.

3. Concerning the annual letter a few specific recommendations seem necessary:

First, That the annual letter be uniform with ARROW, as already ordered by Indianapolis Convention.

Second, That the names of married women be given in full; i. e. both the maiden name and the husband's name, for identification and address.

Third, That the date of initiation and the class be given. This can easily be done if the members are listed by classes.

Fourth, That some better method of publishing the letters be adopted. All the letters should be sent to one publisher to print, the expense for this being borne by the respective chapters. Each chapter should have one letter printed for each alumna of the chapter, one for each chapter, alumnae club, and officer of the fraternity. Each chapter should send its pamphlet to its own alumnae, and, of the remaining copies, one from each chapter should be bound together in one volume for distribution to all chapters and officers. In this volume the text of the letters should come first, then the lists of members by chapters in alphabetical order, giving the news of the various colleges and chapters in compact form and making a yearly catalogue supplement. The fraternity should bear the expense of binding and distributing these volumes. This method is recommended by the committee.

On motion of Vermont Alpha, report was accepted.

Illinois Beta moved that a regulation treasurer's book be issued. Carried. On motion of Pennsylvania Alpha, the method of print-

ing annual chapter letters recommended by the committee was adopted.

The committee appointed to draw up the regulations governing the use and administration of the Loan-Fund reported as follows:

1. The following conditions shall govern the use of the Loan-Fund:

a Loans may be made in any amount to the maximum of one hundred dollars to any one person in any one year.

b Loans shall be paid if possible within two years after leaving college with privilege of renewal for two-year periods. In the event of any loan remaining unpaid at the expiration of two years after holder leaves college, interest at two per cent. per annum, to be paid in semi-annual instalments, shall be charged. On the renewal of a loan, one-half per cent. of its face value shall be charged.

c Loans shall be secured by notes of form hereto attached, which shall be signed by the applicant and one witness. These notes shall be held by the Grand Treasurer of Pi Beta Phi.

PROPOSED FORM OF NOTE, TO BE USED WITH PI BETA PHI LOAN FUND

I hereby acknowledge the receipt of the sums of money stated below, such sums to be used in defraying my expenses for tuition in (College). I also acknowledge my indebtedness to the Pi Beta Phi Fraternity for the loans of the sums stated below and promise to pay to the Fraternity the total of such sums received, together with interest provided in the rules governing the Loan-Fund, within five years from the present date.

[Witness]

d Loan obligations shall lapse in case of death of the student to whom the loan was made.

e Application for loans must be made in writing to the committee on Loan Fund administration and be accompanied by an official recommendation from the president and secretary of the Pi Beta Phi chapter of which the applicant is a member and from the president, secretary or dean of the college attended.

2. A committee appointed by the Grand President shall be responsible for the administration of the Loan-Fund and shall be charged with the following duties:

a To publish a circular setting forth the conditions under which the loan will be made and application forms to be filled out by the applicants.

b To consider the applications and to decide upon the loans made.

c To solicit interest in the Loan-Fund among the alumnae clubs.

d To make a detailed report to the next convention and in the interim to report to the Grand President.

e To enter in a book kept for that purpose the names of the applicants, giving the date of each application, the grounds and reasons given in support of the application, and all steps taken by the committee in regard to each application.

3. The expense of this committee shall be borne by the fraternity:

Ontario Alpha moved that the report be adopted. Motion was carried and the report was adopted.

A motion to adopt a second semester pledge day was lost. Louisiana Alpha moved that Pi Beta Phi coöperate with college faculties in enforcing all scholastic requirements which they may place upon initiates and pledges. Carried.

Indiana Gamma moved that convention minutes be published as an extra number, secret issue, of the ARROW. Carried.

Report of committee on recommendations. On motion of Colorado Beta, action was taken upon the sections of the report separately.

Recommendation that chapter treasurer be elected to serve throughout the year was adopted, on motion of Louisiana Alpha.

Recommended that all chapters use more care in keeping record books. Adopted, on motion of Iowa Alpha.

Recommended that chapters conduct examinations, for their pledges, on the chapter roll, names of the founders and Grand Council, and other matters of general fraternity interest; this examination to be passed before the pledge is eligible to initiation. On motion of Columbia Alpha, recommendation adopted.

Recommended that the chapter file of ARROWS be issued but once a year in bound volumes. On motion of Gamma Province President recommendation adopted.

Recommended that each chapter be required to have its ARROW files bound through volume twenty-six. On motion of Columbia Alpha, recommendation adopted.

Recommended that Fraternity Statutes VIII, Section 7 be amended to read, "a salary of \$100.00 per annum to the Grand Vice-President" in place of the present reading of "\$50.00 per annum to the Grand Vice-President." On motion of Illinois Epsilon, recommendation adopted.

Alumnae Editor introduced the following recommendations:

a That all business letters sent out by chapters be written on official business paper which shall be supplied by the fraternity.

b That all business letters be written on only one side of the paper.

c That Grand President be empowered to impose a fine of \$1.00 for failure to answer any business letter within a reasonable length of time.

d That the Grand Council be empowered to embody these recommendations in the Constitution and By-Laws.

e That delegates in their reports be requested to emphasize this matter in their chapters.

f That alumnae clubs be officially informed of these regulations and asked to conform to them.

On motion of Arkansas Alpha, these recommendations were adopted.

Report of the committee on resolutions, Wisconsin Alpha chairman, was read by Illinois Delta:

"Whereas the Twenty-first Biennial Convention of the Pi Beta Phi Fraternity is now about to adjourn, and whereas it sincerely appreciates the many favors extended to it; therefore, be it resolved

"1. That we, the members of Pi Beta Phi Fraternity, extend our thanks and express our deepest appreciation to the Grand Council for their earnest work and very splendid services rendered during their administration.

"2. That we, the members of Pi Beta Phi Fraternity, extend our deepest thanks to Cora Marlow-Kerns for her very efficient work as Grand Vice-President and Secretary of the Alumnae Department.

"3. That we in convention assembled, extend a vote of thanks to the Pennsylvania chapters, Alpha, Beta and Gamma, for their excellent hospitality and entertainment during the time of convention.

"4. That to Mary Cooper Johnson be expressed our appreciation for her excellent services as Convention Guide.

"5. That our deepest appreciation be extended to the Convention Committee for their splendid services during the time of Convention.

"6. That we extend our heartiest thanks to Pi Sigma for the flowers sent to Convention.

"7. That the deepest appreciation of convention be extended to Columbia Alpha for dedicating her excellent march to our fraternity.

"8. That Convention extend its thanks to the committee on badges for their painstaking work.

"9. That Convention extend its thanks to the unknown friend who sent flowers to Convention.

"10. That we express our sincere thanks to the George Banta Publishing Company for the favors sent to Convention.

"11. That Convention assembled express its deepest appreciation and thanks to Mr. Frank M. Scheibley for his hospitality during the time of Convention.

"12. That we, the members of Pi Beta Phi Fraternity, tender our deepest thanks to the Honorable Richmond P. Hobson for his very enthusiastic address as regards the settlement schools in the Appalachian range.

"13. That a hearty vote of thanks be extended to Roberta G. Frye for her excellent work on the Pi Beta Phi calendar.

"14. That we extend our thanks to Illinois Epsilon for their kind invitation to hold our Twenty-Second Biennial Convention at Evanston, Illinois.

"15. That we, members of the Pi Beta Phi Fraternity, tender our heartiest congratulations to Alpha Delta Psi, Gamma Phi Delta, and Alpha Omega on being granted charters in Pi Beta Phi Fraternity.

"16. That a vote of thanks be extended to Kappa Kappa Gamma for the floral decorations sent to Convention."

On motion of Ontario Alpha, this report was adopted as a whole. On motion of Alumnae Editor, the Grand Secretary was instructed to express the appreciation of Convention for the letters and messages of greeting.

On motion of Grand Secretary, ordered that the Grand Vice-President, Cora Marlow-Kerns, be reimbursed to the amount of \$50.00, thus raising her salary to that of other members of the Grand Council.

Maryland Alpha moved that the Fraternity Statutes VIII, Sec-

tion 7, be amended to read: "A salary of \$200.00 per annum shall be paid to the Grand President, a salary of \$100.00 per annum to the Grand Vice-President, a salary of \$200.00 per annum to the Grand Secretary, a salary of \$200.00 per annum to the Grand Treasurer, a salary of \$400.00 per annum to the ARROW Editor, and a salary of \$50.00 per annum to the Alumnae Editor, and a salary of \$50.00 per annum to the Fraternity Cataloguer." The motion was carried, with the proviso that the amendment be enforced at the discretion of the Grand Treasurer.

Committee appointed at the Twentieth Biennial Convention to examine entrance requirements in colleges where there are chapters of national women's fraternities reported that this work is being done in an authoritative way by the committees for the Association of American Universities and the Carnegie Foundation for the advancement of teaching.

Report of the nominating committee. Grand President appointed as tellers California Alpha, Michigan Beta, Ontario Alpha, Arkansas Alpha.

The following officers, named by the nominating committee, were elected:

MINUTES OF THE SESSION OF THE ALUMNAE DEPARTMENT.

TUESDAY, JUNE 28, 2 P. M.

Grand Vice-President in the chair. Sophie P. Woodman, New York Beta, appointed to act as secretary. Ritual. Announcements. At the suggestion of Convention Guide, ordered that the acting secretary send a note of appreciation to Mr. Scheibley.

Report of Grand Vice-President and Secretary of the Alumnae Department, Cora Marlow-Kerns. Report accepted. Anna Jackson-Branson moved that a committee of three be appointed to consider the government of the alumnae of other national fraternities, to draw up an outline of government for Pi Beta Phi, to submit it to the Grand Vice-President by November first, and upon her approval to submit it to the Grand Council for action; such organization to go into effect as soon as it has the sanction of the Grand Council. Carried. Committee: Anna Jackson-Branson, Sophie P. Woodman, Fanny E. Miner.

Emma Harper Turner, Indiana Alpha and Columbia Alpha, took the chair. She outlined the plan of the Washington Alumnae Club to establish a settlement school in the Appalachian Mountains in honor of the founders and founding of Pi Beta Phi and introduced the Honorable Richmond P. Hobson who spoke of the great ignorance of the Mountain people. Julia E. Rogers, Iowa Zeta, moved that a committee be appointed to present the matter to the convention. Carried.

As a committee of the whole, the alumnae department discussed alumnae membership dues.

The following names were suggested for Grand Vice-President: Cora Marlow-Kerns, Anna Jackson-Branson, Beatrice Victory, Mary Harris. Edna Stone moved that a committee of three be appointed to nominate Province Secretaries. Carried.

On motion of Miss Stone, a rising vote of thanks was given to Mrs. Kerns for her splendid service to the fraternity.

Adjournment.

SOPHIE P. WOODMAN, *Acting Secretary.*

REPORTS OF OFFICERS

REPORT OF THE GRAND PRESIDENT

The Grand President takes pleasure in reporting progress along certain lines since the last Convention, and that the new measures adopted in 1908 have proved successful in practice as well as in theory.

The Twentieth Biennial Convention voted to continue the extension policy adopted by the 1906 Convention with the added clause: "that Pi Beta Phi should not limit its chapters to colleges in the United States." As a result of this international policy a charter was granted to the Theta Tau local club at the University of Toronto, an application from which had been received before the last Convention assembled. After a careful investigation of the applicants by Anna W. Lytle, Beta Province President, and on her recommendation, the Ontario Alpha chapter was installed by the Grand President December 11th, 1908 with fifteen charter members. On the basis of the requirements laid down in the Statutes applications from Drury College, Mo.; Brennan College, Ga.; the Bridgewater Normal School, Mass.; the Emerson School of Oratory, Mass.; the State Agricultural College at Manhattan, Kan.; and tentative requests from other institutions have been refused without further investigation. An application from the University of Kentucky was refused after investigation by the Grand President as she did not consider that it would be an advantage to Pi Beta Phi to enter that institution at present. St. Lawrence University was investigated by Alpha Province President Anna Robinson-Nickerson, but the group failed to receive the necessary endorsements in Alpha Province. The University of Utah has just been visited by Delta Province President, who reports a strong group, but a certain percentage of the Mormon element among the applicants. At the present time we have before us for consideration applications from Cornell University, Ithaca, N. Y.; the University of Wooster, Wooster, Ohio; the State University of Wyoming, Laramie; and the State University of Oklahoma at Norman, action on which is to be taken by Convention. A charter was granted to the petitioning group at the University of Arkansas, after investigation by the Grand Treasurer, and the chapter was installed by the Grand President December 29, 1909.

During the interim of Convention chapter visiting has been conducted by the Province Presidents. Beta Province has suffered somewhat from lack of personal inspection due to a change in Province Presidents necessitated by the removal to Idaho and subsequent resignation of Anna Lytle. This has been remedied, however, as far as possible by her successor Mrs. Johnson, and the Province is in fairly good condition. Alpha Province also was without a President for some time, but since the appointment of Anna Robinson-Nickerson the work has been systematically looked after. The Grand President has had the privilege also of visiting a number of the chapters, and was especially glad to visit those of Delta Province last year.

The undergraduate scholarship for the year 1908-09 was awarded to Mary Badger Wilson, Columbia Alpha, to be used at Barnard College. Feeling, however, that there was need of greater enthusiasm and competition in connection with the scholarships, and also convinced that New York Beta was no longer in need of such assistance, the following plan of awarding the scholarships was adopted by the Grand Council. One Graduate Fellowship, with a value of five hundred dollars, was offered for the year 1909-10, to be used at the university in this country or Europe offering the best work along the particular line desired by the applicant. The desired result followed immediately, competition was keen, and the same plan was adopted for the year 1910-11. Imogen Cunningham, Washington Alpha, being the successful competitor for the year 1909-1910, and Sarah G. Pomeroy, Massachusetts Alpha, our Alumnae Editor, for the year 1910-1911. A recommendation concerning a loan-fund for undergraduate students, needing some financial assistance, has been received,

and will be presented by the Washington delegation. It is safe to say that the establishment of these scholarships and fellowships has brought Pi Beta Phi prominently before the faculties of the leading universities and colleges for the past two years at least, and has directed attention to the fact that the fraternity is awake to the value of genuine scholarship.

Two Council Meetings have been held, the first in New York during the Thanksgiving recess of 1908 at which all members of the Council were present; the second in October 1909 from which the Grand Vice-President was absent owing to illness. During the first session the Council met both the active chapter and alumnae club of New York, but the second was devoted entirely to business sessions.

Inasmuch as the Constitution had been amended at both the Nineteenth and Twentieth Conventions without reprinting of the same, it was deemed advisable to reissue this as finally revised by the Grand Council in 1909. This has been done, and the matter of revision of the Catalogue is under discussion. The matter of alumnae letters having been made constitutional, it remained only for the Council to decide a few points with reference to form, etc. On the whole the regulation has worked well, only two chapters having been fined the full amount, \$5.00, for failure to issue letters, but greater uniformity is desirable. A plan by which these letters can be edited, printed by Mr. Banta, the ARROW printer, and issued as a supplement to the ARROW will be brought before Convention.

During the year our first fraternity calendar has been issued under the supervision of Miss Frye; a design for a coat-of-arms has been prepared by Anna Pettit after a careful study of the laws of heraldry, and a number of symphonies have been presented. The scholarship committees have done good work in raising the standard of scholarship so that Pi Beta Phi now leads all other woman's fraternities in scholarship by a fraction of one per cent., Theta being a close second. The requirement for twelve hours of regular college work of all initiates into Pi Beta Phi has worked well, only one violation of his regulation having been reported.

In the past two years and a half a number of our chapters have bought or erected houses, and from the financial standpoint the fraternity is prospering.

The Seventh Inter-Sorority Conference was attended by Anna W. Lytle, Beta Province President, who acted as Chairman of the Conference. The Eighth was attended by the Grand President, at which Conference a Committee of three was appointed to revise the model constitution and offer recommendations for By-Laws to be used by all local Pan-Hellenics. This Constitution has just been returned after being voted upon by the Grand Presidents represented in the Conference with the result that most of the recommendations were lost by the vote of one or more fraternities, particularly the one concerning "no rushing before matriculation."

One of the most difficult tasks of the Grand President has been the settling of Pan-Hellenic controversies. The trouble seems to arise primarily from two causes:—suspicion of the motives of rivals, and inability of the local Pan-Hellenics to take the national point of view, and by some personal sacrifice at the beginning to work along broader lines toward a higher goal and the ultimate achievement of better things. The demand is for greater charity toward rivals, and a more generous spirit on the part of all fraternity members.

In closing this report let me call attention to the wide field offered for expansion in the growing state universities of the South and West. We are the largest woman's fraternity; there is need of internal improvement, and the tendency at this point is to devote our energies to that alone, but in so doing we must not nor can we afford to be left behind in the march of progress. When a Delta Gamma gives utterance to the following: "The question of whether or not we shall expand is not a question to be settled five years from now or even next year it must be decided now! Shall we expand and so keep up with our contemporaries or shall we rest on our laurels, clinging to tradition,

preach conservatism and then wake up to find ourselves left behind?" When Dr. C. M. Moss, Psi Upsilon, in the Gamma Phi Beta *Crescent* speaks as follows: "So far as I can see the word conservatism is chiefly a confession that the machinery of the organization is not capable of working beyond a certain little limit already reached. The country, and with it the college world, is growing with such bewildering swiftness that any organization that stands still must seem like a railway train disappearing in the distance. It grows less and less because the other facts are enlarging." When Kappa Alpha Theta grants three charters at the convention of 1909; when Delta Delta Delta establishes two new chapters in Colorado and Oklahoma within a few weeks of each other; and Kappa Kappa Gamma enters the University of Kentucky it behooves Pi Beta Phi to look to her laurels as the oldest woman's national fraternity, and to shape her policy accordingly. To quote just one more sentence from the *ARROW* on Conservative Extension: "Let us see to it that our rivals can never say truthfully of Pi Beta Phi that she has lapsed into a state of inertia and placid self-satisfaction with her present conditions, however good they may appear to us to be." The present is a time of tremendous possibilities for the fraternity organization, and Pi Beta Phi must rise to a full comprehension of her responsibilities if she is to continue in the front rank of American College fraternities for women.

Respectfully submitted,
MAY LANSFIELD KELLER,
Grand President.

June 28, 1910.

REPORT OF THE GRAND VICE-PRESIDENT

To the Pi Beta Phi Fraternity:

Your Grand Vice-President and Secretary for the Alumnae has the honor to present the following report for your consideration:

As Grand Vice-President, no special remarks need be made. Suffice it to say, I have performed as well as I could, my constitutional duties as a member of the Council.

The body of my report, therefore, is concerned with the office of Secretary for the Alumnae. The constitution says the Grand Vice-President shall "have full charge of the alumnae work," but one duty only is specified—to prepare the mailing list for *THE ARROW*. From these powers and duties of indefinite scope, there has developed an office which is a burden as the work is now organized.

The subject can be covered best under the two heads: (1), The General Alumnae Department; (2), Alumnae Clubs.

I. The first official undertaking was the preparation of a card catalogue for the department. The former method was adequate when the membership was small, but the time had come when it was imperative that a change be made. The catalogue has been an indispensable aid. In the case of new subscribers, a duplicate card is made for the *ARROW* Editor. This year it was necessary to print about one thousand cards.

The use was begun also of uniform blanks for reports from state and province secretaries. Here, again, the time had come when the increase in the number of names reported made a uniform system desirable. These are quite generally used except in the reports that come from unofficial sources.

As Secretary for Foreign Countries, the result of my efforts is little more than the conclusion that most of the addresses in the present catalogue are now wrong.

Each summer I have prepared from the card catalogue a typewritten list of the names, addresses, and dates of subscription to *THE ARROW*, of all members of the department. This is mailed so that each secretary may consult it

before September. These lists are returned with such corrections and additions as the secretaries are able to make. The list has been mutually helpful.

The statutes provide that coin cards shall be sent in September to all alumnae not already subscribers to *THE ARROW*. It has become customary for the Grand Vice-President to prepare yearly a bulletin or circular letter, intended to reach every alumna, reviewing the work of the department and urging her support and interest. About four thousand of these are distributed each fall, and three thousand coin cards, the number being based on estimates furnished by the secretaries.

Membership in the department is thus distributed:

Life Members	225
Six-Instalment	9
Four-year	1117
Two-year	7
One-year	638
	<hr/>
	2041
Duplicates	44
	<hr/>
Total	1997

A few criticisms are suggested:

1. The machinery of the department is too involved, as concerns membership and *ARROW* subscriptions. In this respect, the more direct the line of communication between the alumna and the head of the department, the better. I recommend simplification.

2. The six instalment plan of obtaining life membership seems too unprofitable in accessions to the life list, and too confusing to secretary and alumna to make its continuance worth while.

3. The chapter vice-president should perform her duties as secretary for the alumnae of her chapter. She should be responsible for the most accurate list obtainable, and thus when printed in the annual letter the list would be reliable for official use.

4. The department suffers from the want of an accurate, up-to-date catalogue.

2. Alumnae Clubs.

Five new clubs have been organized: two have been revived after a period of inactivity and again granted charters; two have been dropped from the roll. Nine certificates have been granted, but they are secured so easily that I am not sure they have any special significance.

I have continued the custom of writing each spring a Founders' Day letter to the clubs.

Our clubs lead a very untrammelled existence. Their relation to the national organization is a loose one. There is no inspection, no strict holding to account. Clubs are granted certificates upon the promised observance of a few simple requirements, upon failure to observe which the certificate shall be surrendered to the Grand Vice-President and held until the requirements are met. No official report is made on these points, and as stated, no inspection exists. How can this provision be enforced? As to the nature of its activity, each club chooses its own line according to local conditions; the fraternity insists only that its aim and purpose shall be consistent with the interests of Pi Beta Phi. This is a liberal policy, and I should suggest no change in this respect. The national organization would defeat its own ends, if it were to insist upon uniformity. Alumnae membership must not be made a burden; restrictions and obligations which are right and proper in an active chapter have no application to an alumnae club. One who reads the annual reports in *THE ARROW* knows that the clubs are a live and important feature of our fraternity, and often they are more active than its written reports would indicate. But the clubs need more

attention than has been given them. There should be a closer relation between the club and the fraternity organization, and the matter should be considered seriously at this time.

A few recommendations present themselves:

1. As I am not a candidate for re-election, I may suggest that the salary of the Grand Vice-President and Secretary for the Alumnae be raised to \$100 per year. The dignity of the office demands it, though there is, and should be, no attempt to pay members of the Council for services rendered.

2. I should like to see the office of Province Secretary made worthy the best services of our best fraternity workers. Hitherto, the officers have been superior to the demands of the office. The fraternity needs this alumnae representation in Convention, hence there should be no question of retaining the office.

Every fraternity is studying how to develop and organize its alumnae constituents, and how best to relate them to the general fraternity life. What does it mean for us? The importance of the Alumnae work must be recognized, first of all, and it must be given a dignity befitting its importance. Second, to exercise the powers that are ours, we alumnae must be intelligent about fraternity affairs and have a sympathetic understanding of the active girl and her problems, that we may be wise and acceptable in our counsel and action.

May I be permitted to express a word of appreciation for my colleagues, all of whom, I trust, may long continue members of the Grand Council. I have never known one of them to advocate an opinion or policy not based on true honor and the finest womanhood. In the hands of such women, Pi Beta Phi, as a fraternity, is safe and will always command respect.

With thanks to them, to the Province and state secretaries, and to all who have assisted me, this report is

Respectfully submitted,
CORAL MARLOW KERNS.

REPORT OF THE GRAND SECRETARY

Routine work as designated in the constitution has been carried on; changes have been made in blanks, to meet the demands of the larger fraternity and requirements adopted in the last convention, 87 initiations for the half year January-June 1908, 316 initiations for the school year 1908-9 and 380 initiations during 1909-10 have been reported, making a total of 783 initiations since the last convention. The blanks for reporting initiations have been enlarged to include a statement of the year in which an initiate expects to receive her degree and the degree which she will receive upon graduation. One initiate, and only one, has been reported as not complying with the scholarship conditions laid down by the last convention.

In 1909 the Constitution and By-Laws of the fraternity were revised by the Grand Council.

All reports required by the Constitution were received from corresponding secretaries for the years 1908-9 and 1909-10. Intimate reports of chapter successes and problems, heretofore sent only to province presidents, are now sent to members of the Grand Council and province presidents and are due May first. One chapter has not yet sent in this report for 1909-10.

Fraternity supplies were listed under the names of officers who have charge of them and lists were sent to the various officers and chapters.

Reports of the delegates to convention have been summarized and the summary printed.

From the last convention until the Seventh National Pan-Hellenic Conference the Grand Secretary served as the conference representative of Pi Beta Phi, during that year, according to the regular rotation laid down by the conference, Pi Beta Phi representative was also secretary of the conference.

Before attending the last Grand Council meeting, the Grand Secretary visited Wooster University and found it a school built anew since its burning nine years ago. The school is a prominent one of the Presbyterian denomination and its steady growth is assured. The general standard of the student body and of student life is so high that with the growth in numbers there has come a place for a third strong chapter of a fraternity.

Respectfully submitted,
 ELDA L. SMITH,
 Grand Secretary.

CELESTE JANVIER, *Grand Treasurer.*

REPORT OF THE ARROW EDITOR

Your editor takes pleasure in submitting the following report:

During the two years of her incumbency the circulation of the ARROW has increased from 2,300 to 3,400—a gain of 1,100 or an increase in two years of fifty per cent. Thus in two years the ARROW has gained half as many subscribers as it had previously had during its entire existence of twenty-four years. The total membership of Pi Beta Phi is a trifle less than 6,000. Thus fully half of the fraternity's members subscribe for the ARROW. This showing is excellent. The last number of the *Kappa Alpha Theta* stated that less than one third of its members subscribed to the fraternity journal. The latest figures available as to the Phi Kappa Psi *Shield* placed the circulation at 2,200. At that time the fraternity had a membership of 10,000. It is probable that the average relative circulation of fraternity journals is not higher than this last figure.

In planning the issues of the ARROW your editor has tried to maintain a balance between active and alumnae interests. Each issue has centred about some given topic. The active interests which have been considered are: How our chapters are housed; How our girls have worked their way through college; Pi Phis in college and fraternity dramatics; heraldry. The regular July issues have been as usual devoted to reports of chapters and alumnae clubs.

In the alumnae numbers the ARROW has dealt with professions and occupations in which our alumnae were active, endeavoring not only to show what has been done by our members in these directions, but also to set forth various fields of endeavor that lie open to the undergraduate. The alumnae numbers have dealt with Y. W. C. A. work, library work, and with the medical profession. The prominence of the alumnae in the ARROW is due to several causes. Since more than sixty-six per cent. of our subscribers are alumnae, their interests naturally deserve consideration. Again, the alumnae have done things worth writing about, things worth while to the world and to us, to know. The value of a fraternity magazine lies in its ability to attract and maintain the interest of the alumnae. This is its real reason for existence. The active chapters need to the help of their alumnae—in advice, in financial matters, and in getting them out of trouble when the evil days come. The strength of a fraternity is directly dependent upon the number of efficient people interested in it and the greatest means of keeping our alumnae in touch with the body of undergraduates is the fraternity magazine.

Again the ARROW has been able to devote so much space to our alumnae because of the great opportunity for choice afforded by our large body of members. We have roughly 6,000 members. Hence we have an opportunity to choose for our ARROW contributors women of ability and attainment. This we realize when we compare our membership with that of other fraternities. The total membership in Alpha Phi with 14 chapters is 2,074; Gamma Phi Beta with 13 chapters has a total membership of 1,300; Delta Gamma has 2,052 members in her 19 chapters; Kappa Alpha Theta with her 32 chapters has a total membership of 4,700. This of course is not as great an opportunity as Pi Beta Phi has, yet Kappa Alpha Theta believes so strongly in her magazine as a factor in the fraternity's development that she is said to pay her editor \$2,000 a year for her combined services as editor and general secretary. Delta Delta Delta is urging life subscriptions on her members. The small conservative fraternity with few chapters and few alumnae has nothing to write about, for few of their number have attained prominence. Besides the magazine cannot print much, for a small fraternity is not financially able to get out a good magazine nor does a small fraternity have enough subscribers to read it even if published.

The purpose, the ideal, which the ARROW has set before it, has been to prove inspirational to the undergraduate and of interest to the alumna. It seeks to draw both ways for there is nothing more inspiring than the achievements of others.

The department of "What A Fraternity Girl Thinks" has improved. Its frequent quotation in exchanges indicates the interest which other magazines take in this department in which Pi Beta Phi was a pioneer and which practically all others have since imitated.

The *Beta Theta Pi* quoted entire, in the body of the magazine an article from the ARROW. The *Adamas* of Eta Upsilon Gamma and the *Parchment* of Sigma Iota Chi reprinted the same article. The *Key* of Kappa Kappa Gamma and the *Trident* of Delta Delta Delta reprinted all but two paragraphs of the article also. I do not know what was the matter with those two paragraphs. I speak of this reprinting as it is rather an unusual compliment in the Greek world. One of the Delta Gamma alumnae clubs asked to buy copies of the ARROW with the naive explanation that the club wanted their magazine to be like the ARROW and wanted to show the editor some copies.

The chapters have asked for more illustration. This has been provided and certainly adds to the appearance of the publication.

The department of Alumnae Personals is at present the weakest feature in the ARROW. You will realize how weak it is when I tell you that fully one half of the personals in each issue the editor has collected from newspapers. Each chapter has among its alumnae those who keep in touch with their con-

temporaries in the fraternity. If each chapter would ^{reg-} are rare. At cards asking for information from these well-informed alumnae, ^{ide to hold} personals could be vastly increased and improved.

June 25, 1910.

MARY BARTOL THEISS, ^{be in-}
Editor.

REPORT OF THE ALUMNAE EDITOR

Your Alumnae Editor has tried at all times to be of help to the editor in her plans for THE ARROW. The work has consisted largely of correspondence.

Three calls have been issued to the Alumnae Clubs for the annual letters to THE ARROW required by the constitution. In July 1908, 27 letters were published out of a possible 37. In July 1909, 31 letters were published out of a possible 38 while the forthcoming number of THE ARROW will contain letters from 34 of our 41 alumnae clubs. It is to be hoped that the number of delinquents may be still further decreased next year and that the new alumnae editor may be able to present a letter from every alumnae club in the issue for July 1911. In connection with this branch of the work about 150 letters have been written.

In December 1908, a letter was sent to all the active chapters asking for information concerning any of their members who had entered professional life. The response was not altogether gratifying for fourteen chapters had to be written to twice and the information received was, in many cases, incomplete. It did, however, serve as a basis for securing further information about the various professions in which Pi Phi is represented.

Fifty letters were required to secure the data for the article entitled "Pi Beta Phi in Medicine" which appeared in THE ARROW for November 1909. Fully twice that number were sent to our nurses and lawyers in connection with articles which are to be a feature of future numbers of the magazine.

Another letter was sent to the active chapters in December of 1909 for the purpose of collecting information in regard to dramatics for the article which was published in January 1910.

Estimating miscellaneous correspondence, more than 475 letters have been written during the term of office. In addition, several pages of miscellaneous copy have been prepared for THE ARROW.

The Alumnae Editor deeply appreciates the cordial interest and helpful spirit which she has generally met in her work. At the same time she would call attention to the fact that in more than one hundred cases she has been obliged to write twice and sometimes thrice for information which was only obtained under pressure. It would seem that a little more attention paid to business promptness and courtesy would lead to the greater efficiency of our organization.

Respectfully submitted,

SARAH G. POMEROY,
Alumnae Editor.

REPORT OF THE HISTORIAN.

Report of Historian to Pi Beta Phi in convention assembled:

The work of the Historian since the New Orleans Convention has been carried on at irregular intervals but has never been forgotten.

A detailed resumé of all points of history that careful effort and study have been able to obtain has been made covering the period from 1867 to 1900, with the exception of two short intervals. These intervals will soon be covered. This resumé of historical points will be printed immediately.

Ten old numbers have been added to the ARROW file; the oldest through the kindness of Miss Elva Plank. There are now lacking only Vol. I and all

Vol. II. There is a standing offer of \$10 for the lacking number. The Historian's ARROW file should be complete.

Dormant chapters have received time and thought:

1. The history and membership of the chapter at Indianapolis Ladies' Institute has been unearthed.

2. It has been found that a charter was granted to establish a chapter of I. C. at Pella, Iowa, but, owing to faculty opposition, the chapter was never organized.

3. In an old Monmouth paper, giving list of chapters, is written in pencil: Rockford College, Rockford, Illinois. But no one to whom appeal has been made can remember that such a chapter ever existed.

Neither can anything be learned concerning a one-time chapter at Salt Lake City.

A year ago printed letters were sent to all chapters and many alumnae asking for varied information. All chapters answered carefully.

According to decision of New Orleans Convention there were sent to all chapters letters asking for a list of members prominent nationally or sectionally. A few chapters have not responded.

Respectfully submitted,

JEANNETTE ZEPPENFELD, *Historian.*

REPORT OF THE CATALOGUER

The Third Supplement to the 1906 Catalogue was issued with the July ARROW of 1909. This supplement differed from the preceding supplements in having a separate list of changed addresses in addition to the geographical index.

The fourth supplement is at present in the hands of the printer. It seemed wise to the Grand President, the Editor and the Cataloguer to reduce the size of this supplement for two reasons. The issue of a new catalogue within the coming year makes it unnecessary to include all the data heretofore published in a supplement. Reducing the size of the supplement naturally reduces the cost of issue. The fourth supplement therefore contains the Chapter Roll, Membership List and Geographical Index of new members only, a record of transfers inserted in alphabetical order in the Chapter Roll, a record of marriages similarly inserted in the Membership List. An In Memoriam List and a Changed Addresses List have been omitted.

The Cataloguer urgently requests the chapter secretaries to be more conscientious in collecting the data concerning new members and alumnae, and more prompt in sending these data to her. In many cases it is only through the active chapters that the Cataloguer can secure the material necessary to make a complete and accurate catalogue.

Respectfully submitted,

HELEN SCHAEFFER HUFF, *Cataloguer.*

REPORT OF ALPHA PROVINCE PRESIDENT

In submitting this report of the work done in Alpha Province and of the existing conditions, it is a pleasure to state that the latter are particularly healthy. In general the chapters are flourishing, gaining steadily in strength, and sending out each year splendid types of womanly girls, well-rounded by their healthy and helpful chapter life.

Every chapter has been visited once during the term of office: Vermont Beta, twice. Everywhere the girls were found to be very enthusiastic and loyal, and eager to hear the news of their sister chapters that had been visited in the province. This interest would certainly be increased by a province reunion, which would be of great benefit to all the members. The province covers such

a large territory that visits of whole chapters or joint festivities. At the suggestion of the Grand President a conscientious effort was made to have a Province Reunion in the spring of 1909. The plans for this had to be definitely postponed as it was not possible for a sufficient number of girls to attend to make it worth while; the chief reason for this being that the national convention was to be held within the province the very next year.

Several informal calls were made on New York Beta, where the increase in chapter strength is very apparent. A second visit was made to Vermont Beta last fall, because the entering class was so very small for a college where three national fraternities—(Kappa Alpha Theta, Tri-Delta, and Pi Beta Phi) were represented. As there were only twenty-two freshmen, it was found necessary to limit the number of invitations. It would seem that some such method would have to be the policy in the University of Vermont until the enrolment is increased considerably or one of the nationals drops out. It is scarcely safe to trust to the judgment of the girls, as there is too great a temptation to have the numbers large enough to make the financial end easier.

In Syracuse, to my mind, the chapter is much too large. This year's chapter had thirty-eight members, making it larger than any other fraternity at the college, although they all have large chapters. The ideal chapter life would be much more nearly possible if there were fewer girls.

Pan-Hellenic conditions are fair. In every college some one fraternity breaks the rules, but in the main all intend to minimize the evils as they see them.

In Middlebury Pi Beta Phi has no national rival, but this does not mean that she can keep first place without effort, for the town's people seem to think that Alpha Chi, established first, is Middlebury's protégée. This, with Vermont Alpha's inherent enthusiasm gives her the necessary stimulus to keep up the chapter's strength.

At the University of Vermont the chief trouble is the scarcity of girls and the strength of the Thetas in town.

In Boston University, this coming year Massachusetts Alpha in company with the other fraternities, will try second semester pledging. The sentiment of the faculty is against an early pledge day.

In the University of Toronto fraternities are not on as firm a foundation as they are in the States. Owing to English conservatism such innovations are accepted slowly, but three good chapters of three of the leading nationals—Kappa Alpha Theta, Alpha Phi, and Pi Beta Phi, will soon prove their worth and make a place for themselves. This will certainly be true if the other two chapters are like Ontario Alpha, who deserves special mention for her eagerness to learn anything and everything Pi Phi. Every crumb of information concerning customs, policies, etc. is eagerly gathered, stored and made use of at the first opportunity.

After giving sophomore pledge day two years' trial Pennsylvania Alpha and its colleagues in Pan-Hellenic have decided it is unsatisfactory. To my mind this has been a test case for with three such splendid chapters as Kappa Kappa Gamma, Kappa Alpha Theta, and Pi Beta Phi have at Swarthmore, sophomore pledge day should have succeeded there if practical anywhere.

Pennsylvania Beta and Tri-Delta at Bucknell are restrained by the faculty from initiating before the last of the freshman year, and Pi Phi has found that an initiation in September insures a larger chapter than one in June. Since each fraternity here has but one rival, the rivalry is intense and the confidence and trust that Pan-Hellenic is supposed to breed are lacking.

In Dickinson Pennsylvania Gamma has little or no trouble in winning the most desirable girls. The daughters of nearly all the faculty belong to Pi Phi here.

In Syracuse where there are eleven nationals and matriculation day is pledge day the rushing is especially strenuous and expensive. Pan-Hellenic has very little strength.

New York Beta has proved herself worthy after a very trying experience.

The faculty's ruling that pledge day should not come before the spring of the sophomore year struck the chapter a hard blow. It was still in its infancy and nearly two years without initiates made a long hard struggle. An earlier pledge day is possible now and Pan-Hellenic conditions are somewhat improved.

In Goucher College we again have a local society as an exceedingly strong rival but the feeling among all the fraternities is exceptionally good.

At George Washington University, even though the possible rushees are very few, Pan-Hellenic spirit is excellent and the girls are on very friendly terms.

The ARROW files are still incomplete although there has been an exchange of extra copies among the chapters.

The honors of all kinds—(i. e., for scholarship, popularity, and executive ability) won by Pi Beta Phis compare very favorably with those won by the other fraternities.

In Syracuse, where competition among the eleven fraternities makes any office an honor, Pi Phi held one-third of the offices this year. Pennsylvania Alpha won three-fourths of the honors.

In June 1908 there were seven Phi Beta Kappas in the province, Massachusetts Alpha leading with five. In 1909 there were nine, Massachusetts Alpha and Pennsylvania Gamma tied with three each.

In 1910 so far six have been reported, Pennsylvania Gamma and Maryland Alpha each having two, the latter winning the only senior fellowship also. This year the Pi Phi fellowship came to Alpha Province.

The reports of the scholarship committees have been very satisfactory, and every dean's report shows that Pi Phis have the respect and esteem of the faculties.

The membership in the province has been:

June 1908—197; June 1909—222; June 1910—221.

In 1908, 166 took the examination, Columbia Alpha having the highest average, 99 plus. In 1909, 185, Ontario Alpha, taking only the freshman examination, won first place with an average of 97½; Massachusetts Alpha, the second, the average being 96. In 1910, 207, Pennsylvania Beta being first with an average of 93 plus, and Pennsylvania Gamma a close second with 93 minus.

Alumnae enthusiasm is on the increase as shown by the establishment of two new Alumnae Clubs; one in Lewisburg, Pa., and one in western Massachusetts; and by generous gifts to the chapters. The alumnae of Vermont Beta and Maryland Alpha have given sets of silver to their chapters; those of Pennsylvania Gamma, a piano; those of Massachusetts Alpha a silver loving cup for scholarship; furniture and substantial sums of money, too, have been donated by the several clubs.

In January of 1910 a semi-official visit was made at the chapter house of the Omega Gamma Sigmas at St. Lawrence University. An endorsement was not given this petitioning group of girls, for though they had many fine points, they are not yet eligible to Pi Phi. They are now striving to make themselves worthy of her. Their energy, enthusiasm, and business-like methods will surely accomplish much for them in this direction.

Respectfully submitted,

ANNA ROBINSON NICKERSON,
Alpha Province President.

REPORT OF BETA PROVINCE PRESIDENT.

In submitting the following report of Beta Province it seems necessary to say that the work during the interim since the last Convention has been carried on under some difficulties. Miss Lytle had been elected to the office of province president. In April, 1908 she had visited two of the chapters. In June, 1909, at her request, I visited the Indiana chapters. The following Oc-

tober my appointment as president of Beta province was made, because of Miss Lytle's resignation, due to her removal from Wisconsin to Idaho.

The members of every chapter felt a personal regret at Miss Lytle's removal from the province. In her going every chapter experienced a decided loss. The benefit to the girls of personal acquaintance and contact with such a strong and enthusiastic personality is not to be underestimated.

These necessitated changes have resulted in my tardy contact with and knowledge of our chapters, and the work has been more or less difficult and unsatisfactory in consequence.

If there were time, I should like to discuss each chapter of Beta province by itself—in that each has, as it were, a personality of its own. Each is controlled more or less by local conditions. For the most part, the membership of the chapters is drawn from girls in the vicinity of the colleges. This results in a distinct (local) type, particular ideas often prevailing in one chapter that are not to be found in any other.

But going from the particular one considers general impressions, the attitude of the chapter toward faculty and dean of women, college scholarship and college spirit, prevailing Pan-Hellenic conditions and the chapter standard of character, the chapter idea of truth and honor. Our conception of types is so distinctly different—chapter and individual standards so varying—even from year to year. One year it is the fluffy little maid sighing over the clothes of the new pledge who develops into next year's excellent student of strong personality, who in her turn may be hunting out the "grinds."

Then balancing these—perhaps a state or two away, but still a Pi Phi—comes the flashing, active, self-reliant girl serenely unafraid for her "popularity." No man on the campus walks there or elsewhere with her and his cigar! That is not her standard of propriety. When he asks her about it she does not "love cigar smoke." But this popular little outspoken lady will gain a dozen knights to a wilting sister's one. A girl's "popularity" depends upon what she herself is—not what she says she is.

From what I have seen my belief is, that our girls must be educated to keener perception and penetration, a deeper knowledge of character values. This may or may not be true of chapters other than those of Beta province. Much of this will come in time through experience—for our girls are many of them going to be asked to assume the responsibilities we, would put upon them. But on the other hand, it is through these same girls other standards that fathers and mothers of other girls are obliged to measure and approve or disapprove sororities.

My visits in the province have further convinced me that Beta chapters should aim at greater simplicity and a more normal way of living. Many of the girls were overtaxed socially through the chapter's aim at popularity and social achievement. The result of a too social girl was in more instances than few, an ordinary college student, where might have been an excellent one—a too careful observer of conventions and too careless guardian of her personal dignity.

One is impressed with what such a girl is losing in her college life in contrast with the genuine, fresh, wholesome girls who have found their balance and know how to keep it.

Beta province chapters can do much for their girls by aiming more directly and persistently at the simple life. And where would this be more effectively felt than at the rushing season from which most of us emerge battered, exhausted or prostrated—though withal—victorious!

In several chapters of our province Pan-Hellenic conditions are sane and quite satisfactory; in two or three competition is not particularly strong, and in some the rushing season is most difficult both to outside girls and to the chapter. Studies are neglected, the minds of the girls are distracted and

judgment suffers. Our chapters are, however, known to disapprove of these methods and stand for progress along these lines—sometimes almost alone.

In conclusion I am happy to report our chapters as standing high in faculty estimate, most of them doing well in scholarship and giving this matter emphasized attention, and working together for *all* girls in college and social activities in a democratic way.

KATE WALKER JOHNSON,
Beta Province President.

REPORT OF GAMMA PROVINCE PRESIDENT

One new chapter, Arkansas Alpha, has been added to Gamma Province roll since the New Orleans Convention, making the present number of chapters twelve. Of these, eleven are located in co-educational institutions, one in a woman's college—nine are state institutions and three are denominational. These colleges vary in size, with an enrolment of 5,500 at Minnesota, 4,000 at Nebraska—second largest—to about 450 at Newcomb and Iowa Wesleyan. The largest chapter numbers 36, the smallest 13, and 8 have a membership of more than 20.

There are thirteen national women's fraternities and five local organizations represented in the province in colleges where Pi Phi is located. Of the former, Kappa has seven chapters, Theta six, Chi Omega 5, Delta Gamma and Tri-Delta four each and Alpha Phi three.

The total number of active members for the year ending June 1909 was 255; for the past year, 256; 118 invitations for membership were issued in 1909 and 21 were refused, not more than three of these to any one fraternity. In 1910, 119 invitations were issued and 17 were refused, 9 of these going to Kappa, 3 to Delta Gamma and 2 to Theta. Kappa Kappa Gamma is the strongest province rival, but this does not mean that she is superior to Pi Beta Phi, for in five chapters out of seven where both meet, Pi Phi is the leader, by far. Four invitations were issued to persons coming from a college or town where a chapter of Pi Phi is maintained. Three were taken with the permission of the chapters concerned and one without.

The scholarship of all has been above the average. There have been no failures and the scholarship committees are to be commended for their conscientious, faithful work, but, considering the size of our Province and chapters, the per cent. of Phi Beta Kappas has been far too small. For the two years just ending there have been but nine elected to membership—three from Texas A, two from Iowa Z and Missouri A, and one from Minnesota A, and Kansas A.

The chapters have taken the annual examinations as required, Iowa Gamma winning the highest average both years and Missouri Beta and Iowa Alpha second best.

There are Pan-Hellenic Associations in all colleges, with the exception of one, that being at Ames where Pi Phi is the only national represented. Four chapters have pledge day during matriculation week, one six weeks after matriculation, three at the beginning of the second semester and three made no report on Pan-Hellenic decisions. At Ames, Kansas, Nebraska and Arkansas the faculty have supervision over rushing and strict rules are observed in regard to initiating before a certain amount of credit is made. Four chapters reported that rushing rules had been broken by their rivals the past year, making rushing regulation almost an impossibility.

Kansas Alpha is the only chapter in the Province owning its own house, seven live in rented houses, three have chapter rooms, and one has neither house nor chapter room. From 8 to 19 girls live in these houses at a cost of from \$21 to \$26 a month per girl. The active chapter dues vary from 50 cents to \$2 a month. Outside the national fee, chapter initiation fees vary

from \$4 to \$20 a member and two have no chapter initiation tax. The expenses for rushing in Gamma Province the past year have varied from \$12 to about \$150 per chapter and in several instances Pan-Hellenic has taken a decisive stand against extravagant and strenuous rushing limiting the expense and number of parties that may be given.

In 1909 seven transfers were received into Gamma Province and one was transferred from the Province. This year three were received and six were transferred to other provinces.

It is a matter of sincere regret that the chapters of Gamma Province have not received an official visit since last Convention, for both the chapters and Province President have been greatly handicapped. Whenever a chapter has asked for a visiting delegate I have tried to send some one whom I thought would be both helpful and an inspiration to the girls. Iowa Beta asked for help last fall during rushing week, so Miss Fitzgerald, a Nebraska Beta alumna was sent. This spring it seemed necessary that another delegate be sent and Mrs. Margaret Kyle Barber, a Pennsylvania Alpha alumna, substituted for me. Both visits proved very helpful to the chapter.

So, not having visited my chapters, it is impossible to tell you of their needs—or faults. We realize that we are not quite perfect, but we are sure that girls of more energy, enthusiasm and loyalty to Pi Beta Phi and her ideals, do not exist.

Our western colleges are growing wonderfully fast, so we must keep pace with them and grow too, and in order to do that, we must work more conscientiously for our fraternity and college. We must have more Phi Beta Kappas, class and college honors. In some cases we want smaller and better chapters and more care shown in the choice of new members. The chapter officers must be more prompt and thorough in the despatch of all chapter duties, for the work of the various departments of our fraternity is too often hindered by their thoughtlessness, carelessness or indifference. Much of this may be avoided by a more frequent and thoughtful reading of the constitution. Greater care, too, must be observed in choosing only capable, reliable girls for chapter officers.

I think one of the greatest needs of Gamma Province is desirable chapter homes, for the houses one can rent are inadequate to the needs and size of the chapters, besides being very expensive propositions. Those who live in rented houses are paying from \$80 to \$100 a month the year round—far too much—and it seems as if this amount should be applied on permanent homes of their own. Many of the chapters have started house funds, but as yet, these are too meagre to warrant building. I hope the time will not be far distant when Pi Beta Phi may have a building fund as many other fraternities now have.

Respectfully submitted,

ANNE STUART,

Gamma Province President.

REPORT OF DELTA PROVINCE PRESIDENT

No new chapters have been taken into Delta Province since last convention, though two groups have been knocking for recognition and encouragement, namely: Gamma Phi of the University of Utah and Alpha Omega of the University of Wyoming.

Delta Province President has visited but two chapters in the province in the past two years, Colorado Alpha and Colorado Beta. As the Grand President visited all the chapters in the province, a visit from the Province President was unnecessary. On the whole the chapters seem to be in a good condition and from reports rendered in April and May, the members have been active in college affairs.

All the chapters are in co-educational institutions, three being in state and two in endowed universities—Leland Stanford University endowed by private means, and the University of Denver being under the auspices of the Methodist Church.

All the chapters maintain chapter houses except Colorado Beta, which owns a little bungalow where the meetings are held. California Alpha and Colorado Alpha are the only chapters which own their own houses. California Alpha's house was built since last convention.

Pan-Hellenic conditions, aside from a decidedly unsettled state at Leland Stanford and at Berkeley, are fairly good. There are few faculty restrictions. In one case the faculty rules that no men be at any of the rushing affairs; and also that no girl be initiated before the second semester. There is a tendency to too elaborate rushing, which makes the rushing a strain on nerves, strength and pocket-book. Delta Province President wishes that simplicity of rushing affairs could be established.

The matter of chaperon is a difficult one, as it is very hard to find some one to fill all the requirements. In one university the faculty is preparing a list of eligible chaperons for the coming year, hoping in this way to assist the girls in choosing a house mother, and any chaperon secured, not on the faculty list must be approved of by the faculty. It is the aim of the Dean of Women of this university to invest the chaperon with some authority; for it is a sad fact that in some instances the house mother's suggestions are little heeded.

The number of students enrolled in Delta Province is 9403, an increase of 2456 since last Convention. Of this number 37 per cent. are women.

From reports rendered April and May 1910, at the close of the college year there were 106 active members; 52 invitations were issued and eight were lost.

At the time of the fraternity examinations for the year 1908-1909, there were 106 active members, all of whom took the examination, no one being excused. For that year California Beta had the highest average—97. The province average was 93.8.

At the time of the 1909-1910 fraternity examination there were 98 active members; 93 took the examination; of the remaining five, four were excused on account of illness; the fifth cut the examination, was unexcused and fined. California Alpha had the highest average—94. The province average was 88.9.

The cost of living is about \$30 a month in the chapter houses; \$18 in the dormitories and \$30 elsewhere. The dues, rushing and miscellaneous expenses, vary with the chapters, some having much greater demands than others. The initiation dues, minus the national fee, vary from five to twenty dollars, three chapters having fifteen dollars.

Delta Province needs more copies of the History of Pi Phi and of the National Sketch; one copy for each chapter is not enough.

The archives otherwise are in fair condition. California Alpha is lacking the following numbers of THE ARROW: Vol. 21, 3 and 4; Vol. 22—2; Vol. 24—2. If any one has the extra ARROWS and wishes to part with them, it will be considered a great favor if the California Alpha delegate is notified.

The scholarship committees report that the scholarship average is good. In one instance, however, the scholarship is not all that is desired, but an improvement is noticed.

Delta Province has so few chapters and spreads over such a wide territory that the Province President recommends establishing chapters in the State Universities in the province, where the applicants are desirable.

Respectfully submitted,

ROBERTA G. FRYE,
Delta Province President.

Minn. A.— 10,500 miles Md. A.— 2,160 miles Neb. B.— 11,529 miles

La. A.— 5,455 miles N. Y. B.— 1,534 miles Mass. A.— 8,112 miles

Neb. B., having 11,529 miles, the largest number, thus gets 100% on the first point, or 50% on final total.

$$\text{Minn. A.} = \frac{10,500}{11,529} \text{ of } 50\% = 45.53\% \text{ on final total.}$$

$$\text{Md. A.} = \frac{2,160}{11,529} \text{ of } 50\% = 9.36\% \text{ on final total.}$$

$$\text{La. A.} = \frac{5,455}{11,529} \text{ of } 50\% = 23.65\% \text{ on final total.}$$

$$\text{N. Y. B.} = \frac{1,534}{11,529} \text{ of } 50\% = 6.65\% \text{ on final total.}$$

Mass. A. = $\frac{8,112}{11,529}$ of 50% = 35.18% on final total.

Point II. To find percentage of total enrolment of chapter, divide number of girls present by total membership:

$$\text{N. Y. B.} = \frac{13}{52} \quad \text{La. A.} = \frac{5}{118} \quad \text{Md. A.} = \frac{20}{103}$$

$$\text{Minn. A.} = \frac{7}{108} \quad \text{Neb. B.} = \frac{9}{145} \quad \text{Mass. A.} = \frac{12}{129}$$

N. Y. B., having $\frac{13}{52}$, the largest percentage, gets 100% on this point or 25% on final total.

Now since $\frac{13}{52}$ happens to be 25% in itself, the other percentages stand just as they are, on the final total. That is:

$$\text{Minn. A.} = \frac{7}{108} = 6.48\% \text{ on final total.}$$

$$\text{La. A.} = \frac{5}{118} = 4.23\% \text{ on final total.}$$

$$\text{Neb. B.} = \frac{9}{145} = 6.20\% \text{ on final total.}$$

$$\text{Md. A.} = \frac{20}{103} = 19.41\% \text{ on final total.}$$

$$\text{Mass. A.} = \frac{12}{129} = 9.30\% \text{ on final total.}$$

The committee decided to ignore in Rules IV, 1, b, the clause, "taking into consideration the age of the chapter," in calculating the total enrolment present, for upon consideration we saw that, as the total enrolment varies directly as the age of a chapter, to consider the age would be counting a disadvantage twice against a chapter. The idea is really included in that of total enrolment.

Point III. To find the percentage present of each active chapter, divide number of actives present by number in active chapter:

$$\text{N. Y. B.} = \frac{9}{18} \quad \text{La. A.} = \frac{3}{13} \quad \text{Neb. B.} = \frac{5}{27}$$

$$\text{Minn. A.} = \frac{5}{31} \quad \text{Md. A.} = \frac{5}{23} \quad \text{Mass. B.} = \frac{2}{23}$$

N. Y. B., having $\frac{9}{18}$, the largest percentage, gets 100% on this point, or 25% of final total.

Now since $\frac{9}{18} = \frac{1}{2} = 50\%$, and is, therefore, rated on the final totals as exactly *half* its real value, all the other percentages as they stand may be simply halved in order to find their values on the final total. Thus:

$$\text{Minn. A.} = \frac{5}{31} \times \frac{1}{2} = 8.06\% \text{ on final total.}$$

$$\text{La. A.} = \frac{3}{13} \times \frac{1}{2} = 11.54\% \text{ on final total.}$$

$$\text{Md. A.} = \frac{5}{23} \times \frac{1}{2} = 10.87\% \text{ on final total.}$$

$$\text{Neb. B.} = \frac{5}{23} \times \frac{1}{2} = 10.87\% \text{ on final total.}$$

$$\text{Mass. A.} = \frac{2}{23} \times \frac{1}{2} = 4.35\% \text{ on final total.}$$

Final reckoning:

Competing chapter	Neb. B.	Minn. A.	N. Y. B.	Mass. A.	Md. A.	La. A.
For total mileage (on 50% basis)	50. %	45.53	6.65	35.18	9.36	23.65
For % of total enrol- ment (on 25% basis) .	6.20	6.48	25. %	9.30	19.41	4.23
For % of active chapter (on 25% basis)	9.26	8.06	25. %	4.35	10.87	11.54
Final totals	65.46	60.07	56.65	48.83	39.64	39.42

Respectfully submitted,

HILDA BEALE, for the committee.
